BUDGET MESSAGE

FOR FISCAL YEAR 2017 - 2018

May 1, 2017

FY 2018 Budget Message

Honorable Mayor Bill Flanagan and Members of City Council,

Pursuant to the City Charter, Article 5, Section 503, this correspondence is for the purpose of transmitting the city budget proposal for FY 2018. The budget includes realistic, conservative revenue projections and expenses addressing all municipal operations, along with enterprise funds, trusts, city debt and obligations. The budget as presented is balanced with a focus on supporting long-range strategic goals outlined in the "Claremore 2020 Strategic Plan".

This FY 2018 budget recommendation required difficult choices and decisions, but is sound in its fiscal purpose and is balanced as to revenue projections and expenditures to provide the kind of quality service our Claremore residents and business community have come to expect. Meetings have been held with the Finance Committee, consisting of Mayor Flanagan, former Councilman Don Purkey, Councilwoman Susan Kirtley and newly appointed committee member Scott Savage, to discuss both revenue projections and expenditures. Unitedly we have come to the conclusion the budget being presented to you tonight is one we can stand behind both as the Finance Committee and the City Administration.

Over the last four years we have adjusted water, sewer, sanitation and the monthly customer charge to address capital expenditure needs and costs passed along by some of our suppliers. Tonight we are *not* recommending any new increases in our revenue streams. We are confident our revenues and expenses can be met with our FY 2018 budget program as outlined.

The FY 2018 budget calls for strategic market salary increases for certain city employees, which will allow Claremore to remain competitive in the job market with surrounding cities. The budget also allows for all employees to receive a cost of living adjustment of 2.5%. The City was fortunate with minor health care plan design changes to manage only a 2.3% increase in health care premiums this year.

The City has strategically hired new employees to assist in the mission before us. Some positions were reclassified to better reflect job assignments and a few are new personnel added to the city's operational duties. The Deputy City Manager serves as Human Resource Director and Risk Management Coordinator.

We have realigned our resources to create an engineering department with a full time city engineer, Garrett Ball, hired last month. The electric department was given authority months ago to hire three personnel to create an enhanced boring crew assisting in repairs to the underground electric wiring system, saving the city hundreds of thousands of dollars, along with creating a more efficient operation. We have also

implemented a three-person crew to address storm water flooding and repairs to storm water inlets. The City continues to evaluate positions throughout the organization to ensure the most efficient and best practices are implemented. We are reminded of the fact "baby boomers" are nearing retirement age and are strategically planning for those retirements and succession plan.

FY 2018 budget is \$91,199,339

Budget highlights:

- Employee 2.5% cost of living adjustment
- Master planning 100-acre city property
 - Transfer station
 - Regional firearms range
 - Roger County Trustees farm
- Claremore Lake: New restrooms and pavilion
- Airport lighting and runway improvements
- Country Club/South Haven project
- Capital investments
 - 15 police cars

The FY 2018 focuses our mission on three specific areas:

1 - City planning and economic development

- (A) New engineering department
- (B) Comprehensive Master Plan review
- (C) Claremore Plaza development
- (D) The Elms Motel project
- (E) Main Street District Expansion
- (F) Regional storm water detention
- (G) Memorial Heights complex
- (H) West Bend Green master plan

2 - Infrastructure and Transportation

- (A) South Haven/Country Club corridor
- (B) Storm water management and repairs
- (C) Claremore Lake restrooms and bowery

(D) BNSF/UP Quiet Zones

3 - Claremore Dreams 2025

- (A) Refresh the vision of Claremore's future
- (B) Review public assets to include parks, trails, services and facilities
- (C) What's important today? In 10 years?
- (D) Communication and transparency

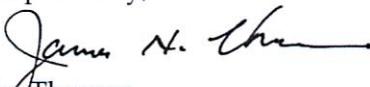

The FY2018 budget is hereby submitted with the assistance of Finance Director Susy Collins, Suzan Maloy, Jeri Koehler, Jonah Humes and members of the elected Finance Committee. They have worked tirelessly and have done a wonderful job in preparing the budget and I appreciate their efforts. Our best days are still ahead of us, so to our dreams we go with a sense of optimism and realism.

Tonight we introduce Claremore Dreams 2025. Over the next nine months the City administration will engage every corner of our community, from the city elected leadership to our department directors, from the citizens in our neighborhoods to our retail and industrial partners, from our university to our local schools. Together we will identify a 10-year investment strategy that will set the stage for Claremore to reach her dreams. Our goal is to come together, united by the principle of greater expectations. Our best days are ahead and with this shared vision we can craft a living legacy, which will be passed on to future generations.

There is a passion in our people. We are excited about our future and our future is bright. Claremore Dreams 2025 will be a transparent planning process assured to be inclusive and robust. This will not be a plan cobbled together by a few insiders, but a community-wide engagement of listening.

In closing, I have a dream in my mind of a city standing tall; a proud city built on a solid foundation, stronger than sand, tornados and oceans; windswept, blessed by God's hallowed hand and teeming with a prosperous people living in peace and harmony. Yes, I see a city humming with commerce and creativity. I see a city with both young and old citizens enjoying a quality of life nowhere to be found but in Claremore, Oklahoma. Claremore is my dream city, resting both in the valley and on the hill. Yes, this is our time.

Respectively,

Jim Thomas
