Dear Ms. Czapansky:

We have performed procedures for fiscal year 2004 activity of the Court Fund Account for the purpose of complying with 20 O.S. § 1312.

- We tested Court Fund vouchers issued to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, (2) was properly approved, (3) was properly classified, and (4) did not exceed appropriations.
- We tested District Court vouchers to determine they were properly accounted for and we looked at supporting documentation for disbursements to determine they were issued in accordance with Court instructions.
- We reconciled the Court Fund activity and/or balances to the County Treasurer's records.
- We reconciled the District Court case balances to the County Treasurer's depository ledger.
- We tested receipts issued to determine whether: (1) the correct fee was collected, and (2) the receipt was properly accounted for in the financial records.

All information included in the reconciliations, the Court Fund appropriation ledger, the monthly reports, and the cash receipts journal is the representation of the Court Clerk.

Our Court Clerk's engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Rogers County.

Based on the above reconciliations, tests, and procedures performed; the Court Clerk is collecting the correct fees and is properly accounting for them; Court Fund vouchers were properly supported, approved, classified, and did not exceed appropriations; District Court vouchers were properly accounted for and issued in accordance with Court instructions; Court Fund activity, and District Court case balances reconciled with the County Treasurer's records.

We have prepared detailed analysis of the Court Fund Account, which is presented following this report.

This report is intended for the information and use of the Rogers County Court Fund Board and the Administrative Office of the Courts. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Sincerely,

A handwritten signature in black ink that reads "Jeff A. McMahen". The signature is written in a cursive style with a large, looping initial "J".
