Dear Ms. Gist:

For the purpose of complying with 74 O.S. § 212, we have performed the following procedures:

- Determine whether bank reconciliations are properly performed, visually verify the certificates of deposit, and confirm the investments.
- Determine whether subsidiary records are reconciled to the general ledger.
- Determine whether deposits and invested funds are secured by pledged collateral.

All information included in the bank reconciliations, the investment ledger, the subsidiary ledgers, and the general ledger is the representation of the County Treasurer.

Our county treasurer statutory engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with generally accepted auditing standards. Accordingly, we do not express an opinion on any basic financial statement of Sequoyah County.

Based on our procedures performed, there were no exceptions noted.

This report is intended for the information and use of the management of the County. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

A handwritten signature in blue ink that reads "Cindy Byrd".
