For the purpose of complying with 19 O.S. § 171, we have performed the following procedures for December 31, 2020:

- Verify that equipment items on hand agree with inventory records maintained per 19 O.S. § 178.1.
- Verify that the amount of total claims approved for the operation of said Office is not in excess of limitations imposed by 19 O.S. § 347.
- Verify that a monthly report of the Office is on file with the County Clerk per 19 O.S. § 684.
- Verify that the Office is not exceeding the maximum amount of cash authorized for their change needs per 19 O.S. § 682.
- Verify that the Officers' depository account balances reconcile with the County Treasurer's records and that undeposited cash reconciles to receipts.
- Verify that the Officer has a designated first or chief deputy on file with the County Clerk in accordance with 19 O.S. § 180.81.

Information addressed in this report is the representation of the respective county officer.

Our county officer turnover engagement was limited to the statutory procedures described above and was less in scope than an examination or audit performed in accordance with auditing standards generally accepted in the United States of America, the objective of which would be the expression of an opinion. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Based on our procedures performed, we have presented our finding in the accompanying schedule.

This report is intended solely for the information and use of the management of the County and should not be used for any other purpose. This report is also a public document pursuant to the Oklahoma Open Records Act (51 O.S. § 24A.1 et seq.), and shall be open to any person for inspection and copying.

SEQUOYAH COUNTY COURT CLERK

SCHEDULE OF FINDINGS AND RESPONSES

Finding 2021-001 – Lack of Internal Controls and Noncompliance Over Fixed Assets

Condition: It was noted while obtaining the most current fixed assets list on file with the County Clerk that the Court Clerk’s inventory had not been updated since October 30, 2002.

Cause of Condition: Policies and procedures have not been designed and implemented over the County’s fixed assets to ensure compliance with state statutes.

Effect of Condition: These conditions resulted in incomplete and inaccurate fixed asset records.

Recommendation: The Oklahoma State Auditor & Inspector’s Office recommends that management implement internal controls to ensure compliance with 19 O.S. § 178.1, 19 O.S. § 178.2, and that fixed assets are safeguarded against misuse and loss.

Management Response:

Former Court Clerk: Chose not to respond.

Criteria: The United States Government Accountability Office’s Standards for Internal Control in the Federal Government (2014 version) aided in guiding our assessments and conclusion. Although this publication (GAO Standards) addresses controls in the federal government, this criterion can be treated as best practices and may be applied as a framework for an internal control system for state, local, and quasigovernmental entities.

The GAO Standards – Principle 10 – Design Control Activities: 10.03 states in part:

Physical control over vulnerable assets

Management establishes physical control to secure and safeguard vulnerable assets. Examples include security for and limited access to assets such as cash, securities, inventories, and equipment that might be vulnerable to risk of loss or unauthorized use. Management periodically counts and compares such assets to control records.

Title 19 O.S. § 178.1 states in part: The board of county commissioners in each county of this state shall take, or cause to be taken, an inventory of all working tools, apparatus, machinery and equipment belonging to the county or leased or otherwise let to it or to any department thereof, other than that which is affixed to and made a part of lands and buildings, the cost of which as to each complete working unit thereof is more than Five Hundred Dollars (\$500.00), and thereafter maintain or cause to be maintained a continuous inventory record thereof and of like tools, apparatus, machinery and equipment purchased, leased or otherwise coming into the custody of the county or of any office, board, department, commission...
