Mr. Ray Vaughn, Chairman **Board of County Commissioners** Oklahoma County Oklahoma City, Oklahoma 73102

For the purpose of complying with 74 O.S. § 212.I, we have performed the following procedure for September 30, 2008:

Verify that equipment items on hand agree with inventory records as per 19 O.S. § 178.1.

Information addressed in this report is the representation of the respective county officers.

Our Oklahoma County, Training and General Assistance Workforce Grant Inventory, Special Audit Report was limited to the statutory procedure described above and was less in scope than an examination or audit performed in accordance with auditing standards generally accepted in the United States of America, the objective of which would be the expression of an opinion. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Based on our procedure performed, with respect to equipment items on hand agreeing with inventory records, our finding is included in the accompanying schedule of findings and recommendations.

This report is intended solely for the information and use of the management of the County and should not be used for any other purpose. This report is also a public document pursuant to the Oklahoma Open Records Act (51 O.S., section 24A.1 et seq.), and shall be open to any person for inspection and copying.
