May 22, 2023

Dear City Councilors and Citizens of Sand Springs:

On behalf of the budget preparation team, which includes the City Council Finance Committee, the City's Finance Department and the administrators of the City's departments and divisions, I am pleased to present the 2024 fiscal year (FY-24) balanced budget for the City of Sand Springs and Sand Springs Municipal Authority for your consideration and adoption.

Sand Springs' budget is largely dependent upon current economic conditions and sales tax. The current economy remains fairly stable, and fiscal year 23 taxable sales are projected to go up by 2.5% over prior year and another 2% in FY24. As we continue to invest in new economic development projects and see new businesses open, such as in the River West and Sheffield Crossing developments, we expect revenues to increase accordingly.

The FY-24 budgeted operating expenditures reflect a 3.8% increase over prior year budget. Materials & Supplies are down 1.5% while Other Charges & Services are up 0.8%. Personnel Services are up 4.5% from prior year due to continuation of the annual 2% step increases for all city employees and an additional cost of living increase equal to 2% for Police and Fire Union employees on July 1. In addition, health insurance remains flat for FY23 and the City added a new city-paid short-term capital benefit for employees. Workers compensation and other insurance premiums were increased by 5%. The budget also allows for short-term capital spending in the upcoming year.

The FY-23 budget allows for the purchase of new police pursuit vehicles, fire vehicle replacement, cameras and technology, and fire-wildland gear replacement using dedicated public safety sales tax revenues; PC and printer replacements for Information Services; one (1) replacement vehicle for Facilities Management; one (1) lift loader, two (2) truck replacements for the Street department, and dumpsters and one (1) utility vehicle for the Parks department. This budget also designated funds for the purchase of a skid steer loader for Water, and a truck and tools for Utility Projects & Construction. Wastewater was allocated funds for the purchase of a backhoe, excavator attachments, truck, and utility van. Solid Waste was allocated funds for a new Crane Carrier refuse truck. Funds were also allocated for the purchase of a backhoe, greens mower, and fairway mower for the Golf Course Maintenance department.

Public improvements budgeted for FY-24 include stormwater drainage improvements, water tank and booster pump station rehabs or upgrades, various water and sewer line

rehab or replacements, street overlays and rehabs, and improvements at the wastewater treatment plant and airport. Work continues at the 65 acre residential development and the Berryhill sewer line project. Staff is currently building a long-term CIP (capital improvement plan) to use as a planning tool to track the progress and funding needs for current and future city projects.

I would like to thank our City Council members for supporting our efforts in achieving the goals of the City, and our Department Heads and their staff for the careful consideration shown in their department budget requests. The entire staff adopted a sense of teamwork and shared responsibility in the effort to achieve the goals of this budget proposal, and I am confident that they understand the need for continued caution and disciplined management in their expenditures.

Respectfully submitted,

Michael Carter  
City Manager

## **Budget Process**

A detailed request is prepared by the Director responsible for the specific department operating budget, equipment needs and capital projects, and is submitted to the Finance Department for analysis. The Budget Committee – comprised of the City Manager, Finance Director, and Budget Officer – then holds a series of joint meetings with Department Heads to affirm objectives, set priorities and justify work programs. From this process, the Budget Committee allocates available resources based on the priorities established by the group. Next, the Finance Committee, consisting of three council members and members of the Budget Committee, reviews suggested expenditures and makes a recommendation to the City Council and Municipal Authority Trustees. The City Council and Municipal Authority Trustees deliberate upon the proposed budget by holding a public hearing to approve the annual budget no later than seven (7) days before the end of the current fiscal year. The City Council must approve the budget before any expenditure is made in the new fiscal year.

## **Budget Law**

The City has adopted the provisions of the Municipal Budget Act (Title 11 O.S. §§ 17-201 through 17-216). In accordance with the Budget Act, the following process is used to adopt the annual budget:

- a. Prior to June 1, the City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following July 1.
- b. Public hearings are conducted to obtain citizen comments. At least one public hearing must be held no later than 15 days prior to July 1.
- c. Subsequent to the public hearing but no later than seven days prior to July 1, the budget is adopted by resolution of the City Council.
- d. The adopted budget is filed with the Office of State Auditor and Inspector.

All funds of the City with revenues and expenditures are required to have annual budgets and all budgets must be balanced (i.e. estimated revenues + appropriated fund balance = appropriations). The legal level of expenditure and encumbrance control is department appropriation total within a fund. Accounting for expenditures must at least be at the object category level within each department as follows:

- Personal Services
- Materials and Supplies
- Other Services and Charges
- Capital Outlay
- Debt Service
- Interfund Transfers

All transfers of appropriations between funds and supplemental appropriations require City Council approval. The City Manager may transfer appropriations between object categories within a fund without City Council approval. Supplemental appropriations must also be filed with the Office of State Auditor and Inspector.

In accordance with Title 60 of the Oklahoma State Statutes, the Sand Springs Municipal Authority, the Sand Springs Economic Development Authority and the Sand Springs Cultural and Historical Museum Trust Authority are required to prepare an annual budget and submit a copy to the City as beneficiary. However, there are no further requirements such as form of budget, approval of the budget or definition of a legal level of control.

### **Budget Accounting**

The City budgets for governmental funds, which include General Fund, Capital Project Funds, Debt Service Funds, and Special Revenue Funds, are based on the modified accrual basis of accounting. Under this method, revenues are recognized when "measurable and available". Measurable means knowing or being able to reasonably estimate the amount. Available is defined as means collectible within the current period or soon enough thereafter (defined by the City as 60 days after year end) to pay current liabilities. The primary revenue sources, which have been treated as susceptible to accrual by the City, are sales tax, police fines, intergovernmental revenues, and other taxes. Expenditures (including capital outlay) are recorded when the related fund liability is incurred, except for general obligation bond principal and interest which are recorded when due.

The City budgets for proprietary funds, which include the Sand Springs Municipal Authority Enterprise Funds based on the accrual basis of accounting. Under this method, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

The City utilizes encumbrance accounting in all funds under which purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve a portion of the applicable appropriation. Encumbrances outstanding at year-end are not considered expenditures for budgetary purposes, but are reported as a reservation of fund balance since the City intends to honor the commitments and provide for supplemental appropriations in the following budget year. All appropriations lapse at year-end.

## CITY OF SAND SPRINGS, OKLAHOMA FUND DESCRIPTIONS

---

The basic accounting and reporting entity for the City of Sand Springs is a fund. A fund is defined as "an independent fiscal and accounting entity used to record all financial transactions related to the specific purpose for which the fund was created". Funds are established for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

Funds used in government are classified into three broad categories: governmental, proprietary and fiduciary. Governmental funds include activities usually associated with a typical local government's operations (general government, public safety, parks activities, streets, etc.) Proprietary funds are used in governments to account for activities often found in the private sector (utilities, airports and golf courses are prime examples). Fiduciary funds are utilized in situations where the government is acting in a fiduciary capacity as a trustee or agent. The City currently has no Fiduciary funds. The various funds are grouped in fund types and categories as follows:

### GOVERNMENTAL FUNDS

Include activities usually associated with the governmental entities' operation (police, fire, and general governmental functions).

**General Fund** The primary operating fund of the City. All general tax revenues and other receipts not allocated by law or some other contractual agreement to other funds are accounted for in the General Fund. Expenditures of this fund include the general operating expenses traditionally associated with governments such as administration, public safety, streets, and parks.

**Special Revenue Funds** Special Revenue Funds are used to account for the proceeds of specific revenue sources that are legally or administratively restricted to expenditures for certain purposes.

- **Special Programs Fund** – budgets and accounts for specific revenues and expenditures pertaining to public safety activities and recreational services provided by the City.

**Debt Service Funds** Debt Service Funds are used to account for the acquisition of resources and payment of principal and interest on general long-term debt.

- **Sinking Fund** – budgets and accounts for ad-valorem taxes levied by the City for use in retiring general obligation bonds, court-assessed judgments, and related interest and fiscal agent fees.

**Capital Project Funds** Capital Project Funds are used to account for the acquisition, construction, and improvement of capital facilities other than those financed by proprietary funds.

- **General Obligation Bond 2014 Fund** – budgets and accounts for 2014 GO Bond proceeds for capital improvements for parks, cultural and recreation facilities.
- **Capital Improvement Fund** – budgets and accounts for specific revenues, transfers from other City funds and expenditures for various capital projects not accounted for in other project funds.
- **Golf Course Capital Improvement Fund** – budgets and accounts for transfers from the Municipal Authority golf course revenues designated for capital improvements for maintenance of the golf course.
- **Street Improvement Fund** – budgets and accounts for street improvements funded by the related half penny sales tax approved by citizens in 2007. These funds may also be expended for retirement of debt as provided in the ordinance.
- **Stormwater Capital Improvement Fund** – budgets and accounts for transfers from the Municipal Authority stormwater revenues for capital improvements for stormwater drainage.
- **Capital Improvement Water & Wastewater Fund** – budgets and accounts for water and sewer improvements funded by the related penny sales tax approved by citizens in 1979. These funds may also be expended for retirement of debt as provided in the ordinance.
- **Airport Construction Fund** – budgets and accounts for grants, transfers from other City funds and expenditures for capital improvements of the airport.
- **Tax Incremental District Fund** – budgets and accounts for tax increment financing revenues initially collected by the General Fund and related economic development expenditures.
- **General Short Term Capital Fund** – budgets and accounts for revenues and transfers from other City funds as City Council may designate for City short-term capital needs with a value of \$5,000 or greater.
- **Vision 2025 Fund** – budgets and accounts for surplus Vision 2025 sales tax revenues and private donations to be used for parks improvements and other capital improvements.
- **Public Safety Capital Improvement Fund** – budgets and accounts for Public Safety improvements funded by the related .45 penny sales tax approved by citizens in 2015. These funds may also be expended for retirement of debt as provided in the ordinance.

## Capital Project Funds *(continued)*

- **Economic Dev Capital Improvement Fund** – budgets and accounts for Economic Development projects funded by the related .10 penny sales tax approved by citizens in 2015. These funds may also be expended for retirement of debt as provided in the ordinance.
- **Parks and Recreational Fund** – budgets and accounts for revenues from housing developers for park improvements.
- **Community Development Block Grant - EDIF Fund** - budgets and accounts for federal block grants for purposes of community development.
- **General Obligation Bond 2018 Economic Development Fund** – This fund budgets and accounts for 2018 GO Bond proceeds for economic development improvements as approved by voters in 2017.
- **General Obligation Bond 2018 City Projects Fund** – This fund budgets and accounts for 2018 GO Bond proceeds approved by voters in 2017 for capital improvements for cultural and recreational facilities, citywide beautification projects, as well as equipment and computer related replacements.
- **Development Capital Improvement Fund** – This fund budgets and accounts for Development projects as they relate to purchase and infrastructure placement of land for future development by the City.
- **General Obligation Bond 2022 City Projects Fund** – This fund budgets and accounts for 2022 GO Bond proceeds approved by voters in 2021 for capital improvements for street overlays/ repairs, storm sirens and animal welfare, and cultural and recreational facilities.
- **General Obligation Bond 2022 Community Dev Fund** – This fund budgets and accounts for 2022 GO Bond proceeds approved by voters in 2021 for community development improvements.
- **Water Meter Replacement Fund** – This fund accumulates recovered funds generated as a result of the AMR project after debt service payments are made. These funds are used for ongoing maintenance of the AMR system and to maintain and replace components of automated water meters.
- **Municipal Authority Short Term Capital Fund** – budgets and accounts for revenues, transfers from Authority funds as Trustees may designate for Authority short-term capital needs with a value of \$5,000 or greater.

## PROPRIETARY FUNDS

There are two classifications of Proprietary Funds: Enterprise Funds and Internal Service Funds. Internal Service Funds are used to account for goods or services provided to other funds, departments, or agencies of the City. The City currently has no Internal Service Funds.

### **Enterprise Funds**

Enterprise Funds are used to account for activities that are operated in a manner similar to a private business enterprise, where the cost of the goods or services are to be financed or recovered primarily through user charges.

- **Municipal Authority Water Utility Fund** – budgets and accounts for activities of the public trust in providing water services to citizens.
- **Municipal Authority Wastewater Utility Fund** – budgets and accounts for activities of the public trust in providing wastewater services to citizens.
- **Municipal Authority Solid Waste Utility Fund** – budgets and accounts for activities of the public trust in providing solid waste services to citizens.
- **Municipal Authority Airport Fund** – budgets and accounts for revenues and expenses related to the operation of the airport facility, pay debt service requirements on airport related debt and finance future airport improvements.
- **Municipal Authority Golf Course Fund** – budgets and accounts for revenues and expenses related to the operation of the golf course, pay debt service requirements on golf course related debt and finance future golf improvements.
- **Municipal Authority Stormwater Fund** – budgets and accounts for revenues and expenses related to the maintenance of stormwater operations.

## BUDGET OVERVIEW

Budget Summary  
Scheduled Positions

**City of Sand Springs  
FY-24 Proposed Budget  
Budget Summary**

**Budget Process**

The budget process for FY-24 began with estimating anticipated revenues. This largely involved reviewing revenue trends over the last several years, assessing current economic factors and future economic predictions, and determining expected growth in the overall population of the City. The FY-24 budget reflects an increase in overall revenues, continuing the trend from FY-23.

The expenditure budget process for FY-24 began with the current FY-23 spending budget. The one-time items built into the FY-23 budget were removed and increases in certain uncontrollable expenditures were calculated to produce a base FY-24 budget. Workers Comp, Liability and Property insurance premiums are budgeted to increase 5% over prior year budget. Anticipated increases in utilities of approximately 5% were built into the base FY-24 budget. Motor fuel is budgeted to increase approximately 10% from prior year budget. This year, a 2% salary increase was included for general employees and a 2% increase for Police and Fire Union employees on July 1 as well as another step on their anniversary date.

Department heads met and collectively set priorities. In addition, short-term capital needs were evaluated city-wide, with equipment purchases ranked by priority based on budget availability.

After reviewing the Department Head proposed budget requests with the Budget Committee, their proposals were presented to the Finance Committee for review in advance of request for City Council approval.

**Operating Budget Overview**

**Revenues:**

Budgeted revenues are reported in the following categories: Taxes include sales tax, use tax, hotel/motel tax, franchise tax, cigarette tax, and E-911 fees. License and Permits include various business licenses and building permits. Intergovernmental revenues include motor fuel and vehicle tax as well as various grants. Charges for Services consists of park and recreation fees, inspection fees, court costs, EMSA fees, as well as utility, golf, and airport fees. Fines and Forfeitures include adult and juvenile fines. Other Revenues consist of interest on taxes and various other revenues. Finally, Investment income includes earnings on investments.

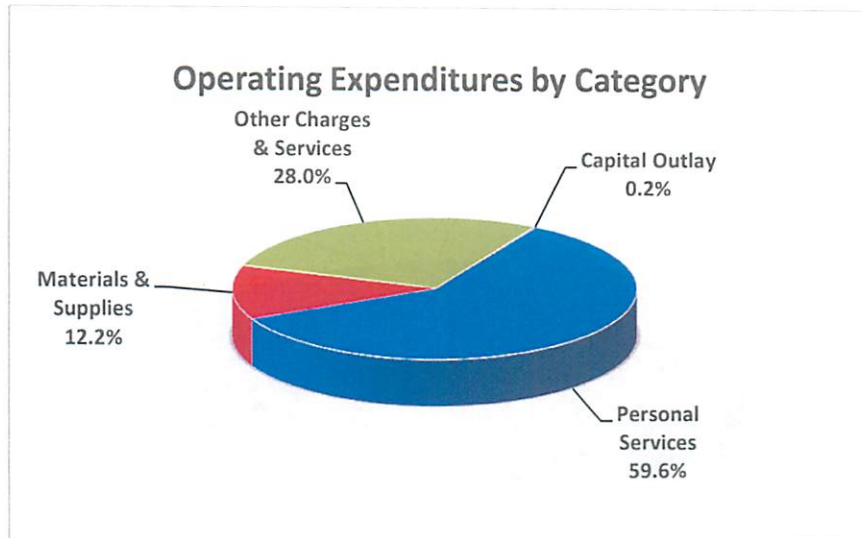

Total operating revenues are budgeted to generate \$34,316,555. The following reflects the composition of operating revenues by fund.

## Expenditures:

The FY-24 budget is divided into four basic categories. **Personal Services** encompasses all expenditures related to employee costs; such as salaries, benefits, travel and training, uniforms, and workers compensation insurance. **Materials & Supplies** includes office supplies, motor fuel, minor tools and equipment, building maintenance, street materials, and property maintenance. **Other Charges and Services** includes general property and liability insurance premiums, contract services, computer software maintenance agreements and services, printing and advertising, and telephone and utilities. **Capital Outlay** includes items of value between \$2,500 and \$5,000 in the form of machinery and equipment, office equipment, or building improvements.

Total operating expenditures budgeted for FY-24 is \$37,393,738. The following reflects the distribution of operating expenditures by fund.

Positions:

The FY-24 budget allows for 217 full time positions. The following shows the distribution of full time positions by fund.

## Operating Funds

The operating funds consist of the General Fund, Municipal Authority Water Utility Fund, Municipal Authority Wastewater Utility Fund, Municipal Authority Solid Waste Utility Fund, Municipal Authority Stormwater Utility Fund, Municipal Authority Airport Fund, and Municipal Authority Golf Course Fund.

<b>General Fund</b>
---------------------

### General Fund Revenues- \$15,260,358

Gross revenues reflect a \$513,521, or 3.5%, increase from FY-23 budget. After dedicated ED incentives, net revenues in the General Fund are budgeted to increase \$513,521 or 3.5% from FY-23 budget. Sales tax collections are projected to increase 2.0% from FY-23 projections. Use tax revenues are expected to decrease from FY-23 budget by 0.3%, and up 2.0% from FY-23 projections. Franchise tax revenues reflect a \$110,000, or 12.6% increase from FY-23 budget, and a decrease of 1.0% from FY-23 projections. Reductions in budgeted grant revenues in the amount of \$168,161 from FY-23 are the result of one-time funds received in FY-23, and it is standard City policy not to budget grant revenues until they are awarded. Revenues from fines and forfeitures are anticipated to increase in FY-24 by \$300 from FY23 budget, and up \$5,000 from FY-23 projections.

**General Fund Expenditures- \$18,348,423**

Total expenditures estimated for FY-24 reflect a \$294,558 increase from the FY-23 amended budget. The increase from FY-24 is largely a result of increase in other charges and services. The budget is broken down into the following categories:

<b>General Fund Expenditures</b>				
	<b>FY234 Budget</b>			
	<b>FY23 Budget</b>	<b>FY24 Budget</b>	<b>Incr/ (Decr)</b>	<b>% Chg</b>
Personal Services	\$ 13,420,973	\$ 13,809,228	\$ 388,255	2.9%

<b>Total Expenditures</b>	<b>\$ 18,053,865</b>	<b>\$ 18,348,423</b>	<b>\$ 294,558</b>	<b>1.6%</b>

**General Fund Ending Fund Balance- \$7,431,285**

The total ending fund balance reflects a decrease from FY-23 budget by \$99,366. Of this, reserves will increase by \$199,040 and unassigned fund balance will decline by \$1,195,399. Council resolution requires the City to maintain, at a minimum, a designated unrestricted fund balance (Emergency Reserve) equal to 15% of net revenues (total gross revenues plus transfers in less the tax incentive rebate payments). The budgeted FY-23 ending unassigned fund balance of \$5,226,096 does meet this requirement at 31.0% of net revenues.

### Municipal Authority Utility Funds

The Municipal Authority (MA) Utility Funds include the MA Water Utility Fund, MA Wastewater Utility Fund, MA Solid Waste Utility Fund, and the MA Stormwater Utility Fund.

#### Combined Operating Revenues- \$17,641,764

Budgeted operating revenues represent a \$1,281,375 or 7.8% increase from the FY-23 budget and a 3.0% increase from FY-23 projected revenues.

**Combined Ending Net Assets- \$52,350,692**

Budgeted ending net assets for FY-24 reflect a decrease from FY-23 budget by \$1,642,339 or 3.0%. Of the total budgeted ending net assets, \$8,984,755 is unrestricted, which is up 2.1% from last year's budget. This equates to 53.3% of the total combined budgeted operating expenses, or 6.4 months operating expenses. This exceeds the City's goal of retaining at least 25%, or 3 months, operating expenses in unrestricted net assets.

## BUDGET DETAIL

### **DEBT SERVICE**

Debt Service Overview

Debt Service Schedule

Sinking Fund

## OVERVIEW OF BONDS AND DEBT SERVICE

Major capital improvements such as streets, buildings, other facilities and major equipment are often financed by bonds. This funding mechanism allows payment for infrastructure improvements to be made over multiple years, usually over the life of the improvement. General Obligation Bonds (G.O. Bonds) are issued only upon voter approval. Voters must be informed of the purpose of the bonds and review a list of bond projects to be funded.

Each year, the City repays a portion of the remaining principal on G.O. Bonds it has issued, along with interest on the remaining balance. The ad valorem (property) tax is the primary revenue source used for repaying G.O. Bonds. G.O. Bonds are backed by the full faith and credit of the City, meaning the City must levy ad valorem taxes sufficient to pay each year's principal and interest payments.

The Debt Service Fund is totally independent of the City's operating funds, using a different source of revenue. Because of this independence, debt service costs do not affect current or future operations. Article 10, Section 26 and 27 of the Oklahoma Constitution limits the amount of outstanding general obligation bonded debt of the municipality for non-utility or non-street purposes to no more than 10% of net assessed valuation.

In addition to paying the principal and interest on General Obligation Bonds issued by the City, the Debt Service Fund also pays certain legal judgments against the City. The Debt Service Fund Budget is subject to different legal requirements than the remainder of the City's Budget. The Debt Service budget is adopted and filed with the County Excise Board, which establishes property tax rates once the results from the previous year are finalized.

Revenue bonds and Oklahoma Water Resources Board loans for water and sewer, backed by user fees, have been issued by the Sand Springs Municipal Authority Trust. The City is the legal beneficiary of this trust.

### DEBT ISSUANCE GUIDELINES

The City strives for the following ratios to guide the issuance of debt:

- ❖ Ratio General Obligation Bonds to Net Assessed Valuation = 20% maximum.
- ❖ Ratio General Obligation Bonds to Constitutional Debt Limit = 10% maximum.
- ❖ Strive for a Debt Service Fund mill levy that does not exceed 15 mills.
- ❖ Municipal Authority Debt Coverage Ratio to not fall below 1.25.

**Current Ratios, Based on figures reported in the FY2022 Comprehensive Annual Report:**

- ❖ **General Bonded Debt Ratio (Net Bonded Debt / Net Assessed Valuation):**

$$\mathbf{\$17,618,093 / \$159,623,343 = 11.25\%}$$

- ❖ **Debt Service Fund Mill Levy:**

$$\mathbf{2022 \text{ mill levy} = 11.51}$$

- ❖ **Municipal Authority Debt Coverage Ratio (Net Revenues / Debt Service):**

$$\mathbf{Debt Coverage = 4.78}$$

The City reserves the right to review and consider the impact debt could have with regards to the following, as well as a variety of other factors not specifically mentioned as the City determines pertinent:

- ❖ **Adherence to the internal Capital Improvement Program**
- ❖ **Potential for increase in Assessed Valuation**
- ❖ **Potential for increase in sales tax revenue**
- ❖ **Mill levy required to service the Debt Service Fund annually**
