Honorable Mayor and City Council  
Honorable Chairman and PWA Trustees  
Honorable Chairman and CIDA Trustees  
Coweta City Hall  
P. O. Box 850  
Coweta, Oklahoma 74429-0850

Dear Honorable Mayor and City Council:

In compliance with the Municipal Budget Act, it gives me great pleasure to present the operating and capital budget for Fiscal Year 2014-2015 beginning July 1, 2014.

This year's total financial plan of \$18,008,576 represents an increase of \$1,347,399 or an 8.09% increase compared to Fiscal Year 2013-2014. This change is primarily due to continued heavy debt service requirements, the mandated sales tax transfers, increases in the General Fund reserve, anticipated higher fuel costs, continuation of past fund transfers, anticipated higher operational costs for the Water Treatment Facility and perpetuation of current health insurance programs for employees. If you were to deduct the budgeted sales tax transfers required by the Bond Indenture, this year's revised total financial plan would be \$12,432,252, which would represent a decrease of \$4,228,925 or a 25.38% lower compared to Fiscal Year 2013-2014.

Staff has been aggressive again this year, compared to years' past, in developing a budget in such a manner so that essential operating needs are met while at the same time attempting to maintaining a sound financial position during these historic, unpredictable times. However, if the forecasted revenue requirements are not satisfied then expenditures will be reduced, either through reductions in services, programs and/or personnel, in an effort to reconcile these differences. It should be noted that several budget modifications may also be required, in order to maintain an expected monetary level necessary to remain in a positive cash flow position, if the local economy takes another unexpected downturn. Finally, additional PWA revenues and a 1.5% Environmental Compliance Adjustment will be required this year in order to carry a positive financial plan into Fiscal Year 2015-2016 since the reserve amounts have been severely stressed under the previous three (3) plans.

With these thoughts in mind, I would like to provide the following information which highlights major items of interest regarding the proposed allocation of funds in Fiscal Year 2014-2015:

### **Funds**

#### **General Fund**

The General Fund expenditures are expected to be \$8,610,612 and will be covered by an estimated \$7,094,991 in anticipated revenues plus \$1,529,486 cash-on-hand. The General Fund ending balance is projected to be \$13,865.

### **Coweta Public Works Authority**

The Coweta Public Works Authority expenditures are expected to be \$2,945,279 for operations and capital outlay, \$2,633,221 for transfers and \$1,694,189 for principal and interest requirements on outstanding Revenue Bonds.

### **Street and Alley Fund**

The expected expenditures are \$160,000 with a projected ending balance of \$16,599.

### **Sinking Fund**

### **Self Insurance Fund**

The expected expenditures are \$18,784.

### **Coweta Industrial Development Authority**

The Coweta Industrial Development Authority expenditures are expected to be \$0.

**Debt Service**

The General Fund debt service was eliminated at the end of FY 2009-2010. The Public Works Authority debt service payment will be \$1,694,189 for principal and interest requirements on current outstanding bonds.

**Personnel**

The budget reflect a 5% salary increases for appropriate personnel, the continuation of the one-time, lump sum, holiday salary increase, a new monetary safety incentive as well as, the continuation of health care benefits for employees and provides for 75% of funding toward the employee's dependent coverage.

**Summary and Conclusion**

Fiscal Year 2014-2015 is going to be another exciting year for the City of Coweta. The proposed budget represents a fair distribution of public funds, to be used to the best of our abilities, in meeting the needs of our growing community. Furthermore, the suggested expenditures have been evaluated extensively and I feel that they are realistic. My staff pledges our continued support to aggressively address our community's needs as they are articulated by the Coweta City Council, the Coweta Public Works Authority Trustees, the Coweta Industrial Development Authority Trustees, as well as, the wonderful citizens we so humbly serve.

It is my hope that the budget reflects the thoughts and wishes of the City Council/Coweta Public Works Authority Trustees/Coweta Industrial Development Trustees. If you have any questions or comments concerning the FY 2014-2015 Capital/Operating Budget, please contact my office.

Respectfully submitted,
