Honorable Mayor and City Council
Honorable Chairman and PWA Trustees
Honorable Chairman and CIDA Trustees
Coweta City Hall
P. O. Box 850
Coweta, Oklahoma 74429-0850

Dear Honorable Mayor/Chairman and City Council/Trustees:

In compliance with the Municipal Budget Act, it gives me great pleasure to present the operating and capital budget for Fiscal Year 2016-2017 beginning July 1, 2016.

This year's total financial plan of \$20,436,681 represents an increase of \$874,771 or a 4.47% increase compared to Fiscal Year 2015-2016. This change is primarily due to sales tax revenue transfers to/from the Public Works Authority, a 3% salary increase for appropriate personnel (effective January 2017, provided appropriate revenues are in place), anticipated increases in liability insurance as a result of recent capital projects, a .70% Environmental Compliance Adjustment increase in utility base rates, fully funding the potential RWD #5 judgment (absent the verdict being overturned at the appellate phase), and the funding of a 20% reserve within the General Fund. If you were to deduct the budgeted sales tax transfers required by the Bond Indenture, this year's revised total financial plan would be \$13,963,657, which would represent an increase of \$598,409 compared to Fiscal Year 2015-2016 (minus the sales tax transfers).

Staff has been very conservative in developing a budget in such a manner that essential operating needs are met while at the same time attempting to maintain a sound financial position during unpredictable times. However, if the forecasted revenue requirements are not satisfied then expenditures will be reduced, either through reductions in services, programs and/or personnel, in an effort to reconcile these differences. It should be noted that several budget modifications may also be required, in order to maintain an expected monetary level necessary to remain in a positive cash flow position, if the local economy takes another unexpected downturn.

With these thoughts in mind, I would like to provide the following information which highlights major items of interest regarding the proposed allocation of funds in Fiscal Year 2016-2017:

Funds

General Fund

The General Fund expenditures are expected to be \$9,451,094 and will be covered by an estimated \$8,007,314 in revenues plus \$1,447,675 cash-on-hand. The General Fund ending balance is projected to be \$3,895.

Coweta Public Works Authority

The Coweta Public Works Authority expenditures are expected to be \$2,864,497 for operations and capital outlay, \$3,136,512 for transfers and \$1,705,014 for principal and interest requirements (minus bond fees) on outstanding Revenue Bonds.

Street and Alley Fund

The expected expenditures are \$55,014 with a projected ending balance of \$90,341.

Sinking Fund

The expected expenditures are \$0.

Ambulance Fund

The expected expenditures are \$842,200 of which \$10,000 is for administrative reimbursement to the General Fund. The ending balance is projected to be \$16,075.

Cemetery Fund

The expected expenditures are \$84,300 of which \$54,300 is past/current lot sales and interments which will be transferred to the General Fund. The ending balance is projected to be \$110,158.

Library Fund

The expected expenditures are \$10,000. The ending balance is projected to be \$4,330.

Rural Firefighters Fund

The expected expenditures are \$157,506. The ending balance is projected to be \$27,574.

Capital Improvement Fund

The expected expenditures are \$1,990,000.

E-911 Fund

The expected expenditures are \$102,138 of which \$50,000 will be transferred to the General Fund. The ending balance is projected to be \$109,122.

Self Insurance Fund

The expected expenditures are \$15,817.

Coweta Industrial Development Authority

The Coweta Industrial Development Authority expenditures are expected to be \$0.

Debt Service

The General Fund debt service was eliminated at the end of FY 2009-2010. The Public Works Authority debt service payment will be \$1,696,573 for principal and interest requirements (minus bond fees) on current outstanding bonds.

Personnel

The budget reflects a 3% salary increase for appropriate personnel (effective January 2017, provided appropriate revenues are in place) and the continuation of a one-time, lump sum, safety incentive salary increase for appropriate personnel, as well as, the continuation of health care benefits for employees and provides for 75% of funding toward the employee's dependent coverage.

Capital Outlay

The budget provides for the following capital outlay expenditures:

General Fund	\$278,000
Public Works Authority	\$239,525
Street and Alley Fund	\$ 15,000
Ambulance Fund	\$ 50,000
Cemetery Fund	\$ 20,000
Library Fund	\$ 6,500
E-911 Fund	<u>\$ 25,000</u>
Total	\$634,025

Summary and Conclusion

Fiscal Year 2016-2017 is going to be another exciting year for the City of Coweta. The proposed budget represents a fair distribution of public funds, to be used to the best of our abilities, in meeting the needs of our growing community. Furthermore, the suggested expenditures have been evaluated extensively and I feel that they are realistic. My staff pledges our continued support to aggressively address our community's needs as they are articulated by the Coweta City Council, the Coweta Public Works Authority Trustees, the Coweta Industrial Development Authority Trustees, as well as, the wonderful citizens we so humbly serve.

It is my hope that the budget reflects the thoughts and wishes of the City Council/Coweta Public Works Authority Trustees/Coweta Industrial Development Trustees. Please feel free to contact my office if you have any questions or comments concerning the proposed FY 2016-2017 Capital/Operating Budget.

Respectfully submitted,

Steven C. Whitlock, City/Trust Manager

Fire safety inspections, fire safety instructions, firefighting and fire cause/origin determination are the Department's responsibilities, along with the saving of lives and property of victims of flood, storms, hazardous materials exposure and other life-threatening incidents.

GOALS AND OBJECTIVES

To protect the lives and property of the citizens of Coweta; to promote citizen awareness of life saving techniques; to provide quality medical services and transportation; to improve the City's ISO rating, thus reducing fire insurance premiums for the community.

1. Train personnel to ensure personal safety and expertise in firefighting, emergency medical services and proper rescue techniques.
2. Comply with all State and Federal regulations governing the fire service.
3. Conduct regular inspections of schools, day care centers and other commercial establishments.
4. Continue testing of the City's water supply that is utilized for firefighting purposes.
5. Continue citizen education of fire hazards and other life safety matters as requested
6. Ensure that manpower, equipment and facilities are adequate to keep pace with the growth of the City.
7. Maintain the practice of placing smoke detectors within appropriate residences within the City of Coweta.
