Honorable Mayor and City Council
Honorable Chairman and PWA Trustees
Honorable Chairman and CIDA Trustees
Coweta City Hall
P. O. Box 850
Coweta, Oklahoma 74429-0850

Dear Honorable Mayor/Chairman and City Council/Trustees:

In compliance with the Municipal Budget Act, it gives me great pleasure to present the Fiscal Year 2017-2018 Capital/Operating Budget, which begins July 1, 2017.

This year's total financial plan of \$19,712,565 represents a decrease of \$724,116 or a 3.54% decrease compared to Fiscal Year 2016-2017. This change is primarily due to the reduced PWA debt service requirements as a result of the recent Revenue Bond refinancing which was previously approved by the City Council/PWA Trustees. The budget also provides for a 2.5% salary increase for appropriate personnel (effective January 2017, provided appropriate revenues are in place), increases in employee health insurance premiums, a 2.1% Environmental Compliance Adjustment increase in utility base rates, fully funding the potential RWD #5 judgment (absent the verdict being overturned at the appellate phase), and the funding of a 20% reserve within the General Fund. If you were to deduct the budgeted sales tax transfers required by the Bond Indenture, this year's revised total financial plan would be \$12,909,027, which would represent a decrease of \$1,054,630 compared to Fiscal Year 2016-2017 (minus the sales tax transfers).

Staff has been very conservative in developing a budget in such a manner that essential operating needs are met while at the same time attempting to maintain a sound financial position during unpredictable times. However, if the forecasted revenue requirements are not satisfied then expenditures will be reduced, either through reductions in services, programs and/or personnel, in an effort to reconcile these differences. It should be noted that several budget modifications may also be required, in order to maintain an expected monetary level necessary to remain in a positive cash flow position, if the local economy takes another downturn.

With these thoughts in mind, I would like to provide the following information which highlights major items of interest regarding the proposed allocation of funds in Fiscal Year 2017-2018:

Funds

General Fund

The General Fund expenditures are expected to be \$9,912,412 and will be covered by an estimated \$8,314,674 in revenues plus \$1,609,254 cash-on-hand. The General Fund ending balance is projected to be \$11,516.

Coweta Public Works Authority

The Coweta Public Works Authority expenditures are expected to be \$2,972,917 for operations and capital outlay, \$3,401,769 for transfers and \$1,231,728 for principal/interest requirements and bond fees on outstanding Revenue Bonds.

Street and Alley Fund

The expected expenditures are \$225,000 with a projected ending balance of \$48,279.

Sinking Fund

The expected expenditures are \$0.

Ambulance Fund

The expected expenditures are \$953,305 of which \$0 is for administrative reimbursement to the General Fund. The ending balance is projected to be \$14,889.

Cemetery Fund

The expected expenditures are \$71,200 of which \$41,200 is past/current lot sales and interments which will be transferred to the General Fund. The ending balance is projected to be \$109,416.

Library Fund

The expected expenditures are \$13,500. The ending balance is projected to be \$2,374.

Rural Firefighters Fund

The expected expenditures are \$187,515. The ending balance is projected to be \$33,793.

Capital Improvement Fund

The expected expenditures are \$600,000.

E-911 Fund

The expected expenditures are \$105,169 of which \$50,000 will be transferred to the General Fund. The ending balance is projected to be \$110,586.

Self Insurance Fund

The expected expenditures are \$8,309.

Coweta Industrial Development Authority

The Coweta Industrial Development Authority expenditures are expected to be \$9,741.

Debt Service

The General Fund debt service was eliminated at the end of FY 2009-2010. The Public Works Authority debt service payment will be \$1,231,728 for principal/interest requirements and bond fees on current outstanding bonds.

Personnel

The budget reflects a 2.5% salary increase for appropriate personnel (effective January 2017, provided appropriate revenues are in place), the continuation of a one-time, lump sum, safety incentive salary increase for appropriate personnel, the continuation of health care benefits for employees and funding for 75% of the employee's dependent coverage.

Capital Outlay

The budget provides for the following capital outlay expenditures:

General Fund	\$278,035
Public Works Authority	\$214,525
Street and Alley Fund	\$ 15,000
Ambulance Fund	\$ 50,000
Cemetery Fund	\$ 20,000
Library Fund	\$ 10,000
E-911 Fund	<u>\$ 25,000</u>
Total	\$612,560

Summary and Conclusion

Fiscal Year 2017-2018 is going to be another exciting year for the City of Coweta. The proposed budget represents a fair distribution of public funds, to be used to the best of our abilities, in meeting the needs of our growing community. Furthermore, the suggested expenditures have been evaluated extensively and I feel that they are realistic. My staff pledges our continued support to aggressively address our community's needs as they are articulated by the Coweta City Council, the Coweta Public Works Authority Trustees, the Coweta Industrial Development Authority Trustees, as well as, the wonderful citizens we so humbly serve.

It is my hope that the budget reflects the thoughts and wishes of the City Council/Coweta Public Works Authority Trustees/Coweta Industrial Development Trustees. Please feel free to contact my office if you have any questions or comments concerning the proposed FY 2017-2018 Capital/Operating Budget.

Respectfully submitted,

Steven C. Whitlock, City/Trust Manager
