FINANCIAL STATEMENT  
AND INDEPENDENT AUDITOR'S REPORT  
FOR THE YEAR ENDED JUNE 30, 2005**

---

This publication is printed and issued by the State Auditor and Inspector as authorized by Article 10, § 9C (i) of the Oklahoma Constitution. Pursuant to 74 O.S. § 3105, 25 copies have been prepared and distributed at a cost of \$48.40. Copies have been deposited with the Publications Clearinghouse of the Oklahoma Department of Libraries.

STATE OF OKLAHOMA  
OFFICE OF THE AUDITOR AND INSPECTOR

JEFF A. McMAHAN  
State Auditor and Inspector

June 20, 2006

TO THE BOARD OF TRUSTEES OF THE  
WOODWARD COUNTY EMERGENCY MEDICAL SERVICE DISTRICT

Transmitted herewith is the audit of the Woodward County Emergency Medical Service District's financial statement for the fiscal year ended June 30, 2005. The audit was conducted in accordance with *Government Auditing Standards*.

A report of this type is critical in nature; however, we do not intend to imply that our audit failed to disclose commendable features in the present accounting and operating procedures of the Woodward County Emergency Medical Service District.

We wish to take this opportunity to express our appreciation for the assistance and cooperation extended to our office during the course of our audit.

The Office of the State Auditor and Inspector is committed to serving the public interest by providing independent oversight and by issuing reports that serve as a management tool to the state to ensure a government which is accountable to the people of the State of Oklahoma.

Sincerely,

A handwritten signature in black ink that reads "Jeff A. McMahen".

JEFF A. McMAHAN  
State Auditor and Inspector

**INTRODUCTION**

Article 10, § 9C of the Oklahoma Constitution authorized the formation of emergency medical service districts and authorized a tax levy not to exceed 3 mills for the purpose of providing funds to support, organize, operate, and maintain district ambulance services. District voters approved the formation of the district and 3 mills levy to support the operation of the district. Per Article 10, § 8A, with the repeal of personal property tax, the millage with the adjustment factor is 3.14 mills. The Woodward County Emergency Medical Service District is comprised of Woodward County and was created to provide ambulance service to all citizens.

Emergency medical service districts are governed by a board of trustees. The board of trustees (the board) has the power to hire a manager and other personnel, contract, organize, maintain, or otherwise operate the emergency medical service district. The trustees must act as a board when entering into contracts or other agreements affecting the district's welfare. Thus, actions taken by the board are voted on and approved by a majority of the trustees. The board of trustees' business meetings are open to the public. The board shall have the capacity to sue and be sued but shall enjoy immunity from civil suits for actions or omissions arising from the operation of the district. Such districts have the authority to charge fees for services, and accept gifts, funds, or grants.

The Oklahoma Constitution also provides that the district shall be audited by the State Auditor and Inspector.

**Independent Auditor's Report**

TO THE BOARD OF TRUSTEES OF THE  
WOODWARD COUNTY EMERGENCY MEDICAL SERVICE DISTRICT

We have audited the accompanying Statement of Receipts, Disbursements, and Changes in Cash Balances—General Fund of Woodward County Emergency Medical Service District, as of and for the year ended June 30, 2005, listed in the table of contents as the basic financial statement. This financial statement is the responsibility of the Woodward County Emergency Medical Service District. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the accompanying basic financial statement was prepared using accounting practices prescribed or permitted by Oklahoma state law, which practices differ from accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

In our opinion, because of the matter discussed in the preceding paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Woodward County Emergency Medical Service District as of June 30, 2005, or changes in its financial position for the year then ended.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the receipts, disbursements, and changes in cash balances of the Woodward County Emergency Medical Service District, for the year ended June 30, 2005, on the basis of accounting described in Note. 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 6, 2006, on our consideration of Woodward County Emergency Medical Service District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, and contracts and other matters. The purpose of that report is to describe the scope of our testing of

internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the Statement of Receipts, Disbursements, and Changes in Cash Balances—General Fund of Woodward County Emergency Medical Service District, taken as a whole. The accompanying Comparative Schedule of Receipts, Expenditures, and Changes in Cash Balances—Budget and Actual—Budgetary Basis—General Fund is presented for purposes of additional analysis and is not a required part of the basic financial statement. The Comparative Schedule of Receipts, Expenditures, and Changes in Cash Balances—Budget and Actual—Budgetary Basis—General Fund has been subjected to the auditing procedures applied in the audit of the basic financial statement and, in our opinion, is fairly stated in all material respects in relation to the basic financial statement taken as a whole.

A handwritten signature in black ink that reads "Jeff A. McMahon". The signature is written in a cursive style with a large, stylized initial "J".

**WOODWARD COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005**

---

**1. Summary of Significant Accounting Policies**

The accompanying basic financial statement presents the receipts, disbursements, and changes in cash balances of Woodward County Emergency Medical Service District (the District). The financial activity presented is established under statutory authority, and its operation is under the control of the District Board of Trustees. The more significant accounting policies and practices are described below.

**A. Reporting Entity**

The District is a special unit of government and does not possess political or governmental powers other than those necessary to carry out the specific purposes for which it was created. The District is not subject to federal or state income taxes.

The accompanying basic financial statement includes all District functions and activities over which the District Board exercises significant influence. Significant influence or accountability is based primarily on the oversight exercised by the District Board. The District is not a component unit of another government and does not have any component units.

**B. Fund Accounting**

The District uses only a general fund to account for its cash balances.

**C. Basis of Accounting**

The basic financial statement is prepared on a basis of accounting wherein amounts are recognized when received or disbursed. This basis of accounting differs from accounting principles generally accepted in the United States of America, which require revenues to be recognized when they become available and measurable, or when they are earned, and expenditures or expenses to be recognized when the related liabilities are incurred. This cash basis financial presentation is not a comprehensive measure of economic condition or changes therein.

**D. Cash and Investments**

State statutes require financial institutions with which the District maintains funds to deposit collateral securities to secure the District's deposits. The amount of collateral securities to be pledged is established by the District Treasurer; this amount must be at least the amount of the deposit to be secured, less the amount insured (by, for example, the FDIC).

State statutes authorize the District to invest in obligations of the U.S. Treasury, certificates of deposit, or savings accounts of banks, savings and loans, and trust companies if secured by acceptable collateral where the collateral has been deposited with a trustee or custodian bank.

**WOODWARD COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005**

---

**E. Risk Management**

The District is exposed to various risks of loss related to: torts, theft of, damage to and destruction of assets; errors and omissions; injuries to employees and natural disasters. The District continues to carry commercial insurance for these types of risk. The District carries workers' compensation, health and accidental insurance on its employees. Management believes such coverage is sufficient to preclude any significant uninsured losses to the District. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. There have been no significant reductions in insurance coverage during the 2005 fiscal year.

**F. Compensated Absences**

The District does not have a written personnel policy to enforce vacation leave for all employees. Due to the limited number of full-time employees, any liability for accumulated vacation leave would not be material to the financial statements.

**2. Stewardship Policies**

On or before June 1 of each year, a budget for each fund, as required by the Board, is completed. The budget is approved by fund and object. The District Board may approve changes of appropriations within the fund by object. To increase or decrease the budget by fund requires approval by the Excise Board.

Cash disbursements of the District are presented only in total in the *Statement of Receipts, Disbursements, and Changes in Cash Balances – General Fund*; however, a breakdown of disbursements by category is included in the *Comparative Schedule of Receipts, Expenditures, and Changes in Cash Balances – Budget and Actual – Budgetary Basis – General Fund* of the supplementary information along with a reconciliation of actual cash activity to budgetary cash activity.

**3. Detailed Notes on Fund Balances**

**Ad Valorem Tax**

The property tax is levied each October 1 on the assessed value listed as of January 1 of the same year for all real and personal property located in the District, except certain exempt property. Assessed values are established by the County Assessor within the prescribed guidelines established by the Oklahoma Tax Commission and the State Equalization Board. The tax is collected by the County Treasurer and remitted to the District.

**WOODWARD COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005**

---

The County voted to repeal the personal property tax. The initiative provided that real property tax levies would be increased to make up for the loss of taxable personal property; hence the levy is now 3.14 mills. The assessed property value as of January 2004 was approximately \$110,658,005 after deducting homestead exemptions.

Taxes are due on November 1 following the levy date, although they may be paid in two equal installments. If the first half is paid prior to January 1, the second half is not delinquent until April 1.

Unpaid delinquent personal property taxes are published usually in May. If the taxes are not paid within 30 days from publication, they are placed on the personal tax lien docket.

Current year tax collections for the year ended June 30, 2005, were approximately 98 percent of the tax levy.

#### **4. Pension Plan**

Plan Description - The District has a defined contribution pension plan titled Woodward County Emergency Medical Service Retirement Plan (the Plan). Principal Financial Group, a third party administrator, administers the Plan. Plan provisions are established and amended by Board resolution. Only full-time employees are eligible for the Plan.

The District contributes 8% of each employee's salary. Employees contribute a minimum of 2% of their salary, but may voluntarily contribute more, up to a maximum of 10% of employee's total earnings.

An employee becomes eligible for the District's contributions at age 55, or when totally disabled as defined by the Plan, or when an employee dies. An employee also becomes 20% vested in the Plan at three years of employment, with the vested portion increasing 20% each year until the employee is fully vested at seven years. The employee's contributions are 100% vested immediately and contributions that are not vested are forfeited if either the District or the employee terminates employment. Non-vested forfeitures are used to offset the next required contribution by the District.

The Plan has various investment options, but the Board has restricted the investment of the District's contributions to the guaranteed interest account only. An employee's contributions can be invested in the money market, guaranteed interest account, bond and mortgage, real estate, and/or the U.S. stock account, as designated by the employee. Contributions and earnings are accumulated in separate investment accounts held by The Principal Financial Group.

Employees are eligible for retirement at age 55, but may elect to continue their employment and choose a later retirement date. At retirement, an employee may make the following elections for benefits.

**WOODWARD COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005**

---

1. Leave benefits in a Personal Retirement Account administered by The Principal Financial Group until such time as the employee elects another option.
2. Receive a single sum payment of all benefits due.
3. Roll benefits into an Individual Retirement Account (IRA) administered by The Principal Financial Group, an IRA with another financial institution, or into another qualified retirement plan.
4. Purchase any one of a variety of annuity options.

The accompanying notes to the supplementary information are an integral part of this schedule.

**WOODWARD COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
NOTES TO SUPPLEMENTARY INFORMATION  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005**

---

Oklahoma Statutes require the District to prepare a formal budget for the general fund and other funds as the Board of Trustees may require. The budget presented for the general fund includes the originally approved budgeted appropriations for expenditures and final budgeted appropriations as adjusted for supplemental appropriations and approved transfers between budget categories.

The Comparative Schedule of Receipts, Expenditures, and Changes in Cash Balances—Budget and Actual—Budgetary Basis—General Fund presents comparisons of the legally adopted budget with actual data. The "actual" data, as presented in the comparison of budget and actual, will differ from the data as presented in the Statement of Receipts, Disbursements, and Changes in Cash Balances because of adopting certain aspects of the budgetary basis of accounting and the adjusting of encumbrances and outstanding warrants to their related budget year.

**INTERNAL CONTROL AND COMPLIANCE SECTION**

STATE OF OKLAHOMA  
OFFICE OF THE AUDITOR AND INSPECTOR

JEFF A. McMAHAN  
State Auditor and Inspector

**Report on Internal Control Over Financial Reporting and on Compliance and  
Other Matters Based on an Audit of Financial Statements Performed in Accordance With  
*Government Auditing Standards***

TO THE BOARD OF TRUSTEES OF THE  
WOODWARD COUNTY EMERGENCY MEDICAL SERVICE DISTRICT

We have audited the Statement of Receipts, Disbursements, and Changes in Cash Balances—General Fund of Woodward County Emergency Medical Service District, as of and for the year ended June 30, 2005, which comprises the Woodward County Emergency Medical Service District's basic financial statement, prepared using accounting practices prescribed or permitted by Oklahoma state law, and have issued our report thereon dated February 6, 2006. The report on the Statement of Receipts, Disbursements, and Changes in Cash Balances was adverse because the statement is not a presentation in conformity with accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Woodward County Emergency Medical Service District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Woodward County Emergency Medical Service District's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, and contracts, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that is required to be reported under *Government Auditing Standards* which is described in the accompanying schedule of findings and responses as item 2005-1.

This report is intended solely for the information and use of the Board of Trustees, Excise Board, and Legislative officials and should not be used for any other purpose. This report is also a public document pursuant to the Oklahoma Open Records Act (51 O.S., section 24A.1 et seq.), and shall be open to any person for inspection and copying.

A handwritten signature in black ink that reads "Jeff A. McMAHAN". The signature is written in a cursive style with a large, prominent initial "J".

JEFF A. McMAHAN  
State Auditor and Inspector

February 6, 2006

**WOODWARD COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
SCHEDULE OF FINDINGS AND RESPONSES  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005**

---

**Findings related to the Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards***

**Finding 2005-1 – Fixed Assets**

Criteria: Title 19 O.S. § 1718 states, “A district shall maintain, according to its own accounting needs some or all of the funds and account groups in its system of accounts that are consistent with legal and operating requirements and as prescribed by the State Auditor and Inspector. The required funds may include, but not be limited to . . .

5. A ledger or group of accounts in which to record the details relating to the general fixed assets of the district.”

Condition: The District does not maintain a detailed listing of fixed assets. Fixed asset records are not updated when new purchases are made.

Recommendation: We recommend a control total of all District owned assets (such as equipment, land, buildings, and improvements) be compiled and maintained by the District.

Views of responsible officials and planned corrective actions: We concur with the State Auditor’s finding and will implement policy and procedures to include fixed assets information.
