### INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees  
Ada Arts & Heritage Authority

We have audited the accompanying financial statements of the Ada Arts & Heritage Authority, a component unit of the City of Ada, Oklahoma, as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the Ada Arts & Heritage Authority's basic financial statements as listed in the table of contents.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Ada Arts & Heritage Authority as of June 30, 2017, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matters

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis information on pages 3 through 5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Ada Arts & Heritage Authority's basic financial statements. The budget-to-actual comparison is presented for purposes of additional analysis and is not a required part of the basic financial statements. The budget-to-actual comparison has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 29, 2017 on our consideration of the Ada Arts & Heritage Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Ada Arts & Heritage Authority's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

June 30, 2017

UNAUDITED

Our discussion and analysis of the Ada Arts and Heritage Authority's financial performance provides an overview of the Authority's financial activities for the fiscal year ended June 30, 2017. Please read it in conjunction with the Authority's financial statements.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Position and the Statement of Revenues, Expenses and Changes in Fund Net Position provide information about the activities of the Authority as a whole and present a longer-term view of the Authority's finances.

**Reporting the Authority as a Whole**

**The Statement of Net Position and the Statement of Revenues, Expenses and Changes in Fund Net Position**

Our analysis of the Authority as a whole follows. The Statement of Net Position and the Statement of Revenues, Expenses and Changes in Fund Net Position report information about the Authority as a whole and about its activities. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Authority's net position and changes therein. You can think of the Authority's net position – the difference between assets, deferred outflows, liabilities and deferred inflows – as one way to measure the Authority's financial health, or financial position. Over time, increases or decreases in the Authority's net position is one indicator of whether its financial health is improving or deteriorating. You will need to consider other non-financial factors, however, to assess the overall health of the Authority. The Authority is considered to operate as a business type activity. It charges a fee to customers for the use of facilities as well as special events.

THE AUTHORITY AS A WHOLE

The Authority's primary revenue sources are from charges for the rental of the Ada Arts and Heritage Center and from an operating grant from the City of Ada. The Authority received \$14,382 from rentals and \$18,215 from the City of Ada. Total revenues and gains were \$43,439 and total expenses and losses were \$57,295 for a decrease in net position of \$(13,856).

NOTES TO FINANCIAL STATEMENTS

June 30, 2017

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

The Ada Arts and Heritage Authority is a public trust created and existing under the laws of Oklahoma, generally, but not exclusively, Section 176 and 180, inclusive of Title 60, Oklahoma Statutes 1981, and the Oklahoma Public Trust Act, as an agency of the State of Oklahoma and a regularly constituted authority of the City of Ada on August 2, 1982 for the use and benefit of the City of Ada, Oklahoma. The trust has as its purpose to furnish and supply, in the aforesaid municipality and in territory in reasonable proximity thereto, cultural, artistic, educational, historical, public meeting and utility services and facilities for all purposes that are authorized and proper functions of the City of Ada. The Authority is empowered to demand and collect charges for said services and facilities to hold, maintain and administer leasehold rights in and to properties of the City of Ada. It is also empowered to obtain funds for these purposes and in so doing to incur indebtedness either unsecured or secured and to extend all funds in payment of the aforesaid costs and indebtedness.

In order to fulfill these functions, the Authority has leased from the City of Ada, the north 100 feet of Lots 1 and 8 of Block 121, original Town site to the City of Ada, Oklahoma, together with any and all improvements to the aforesaid property.

In addition, the City of Ada has entered into a contract agreement with the Authority to provide normal maintenance along with water, sewer and garbage service for the Ada Arts and Heritage Center.

The following is a summary of the more significant policies:

- A. Financial statements are presented in accordance with the Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments*. The financial statements are prepared using full accrual accounting. Revenues are recognized when earned and expenses are recognized when incurred. The Authority’s services are classified as a business-type activity.

The following fund type is used by the Authority:

Proprietary Fund – The focus of proprietary fund measurement is upon determination of operating income, changes in net position, financial position, and cash flows. The generally accepted accounting principles applicable are those similar to businesses in the private sector. The following is a description of the proprietary fund of the Authority:

**Enterprise Funds** are required to be used to account for operations for which a fee is charged to external users for goods or services and the activity (a) is financed with debt that is solely secured by a pledge of that net revenues, (b) has third party requirements that the cost of providing services, including capital costs, be recovered with fees and charges or (c) establishes fees and charges based on a pricing policy designed to recover similar costs.

NOTES TO FINANCIAL STATEMENTS

June 30, 2017

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

- B. Cash and Cash Equivalents – For purposes of the statement of cash flows, the Ada Arts and Heritage Authority considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.
- C. Investments are recorded at cost or fair market value on the date of donation. Investments, other than certificates of deposit, are presented at fair market value. The unrealized gains and losses are presented as a component of non-operating revenues and expenses. Unrealized and realized gains and losses are presented in the Statement of Revenues, Expenses Fund and Changes in Net Position.
- D. Budget – The Authority adopts a budget for expenditures annually, which is provided to the City of Ada in accordance with the Authority's contract with the City of Ada.
- E. Depreciation is provided for assets used in the operation of the Authority. It is computed on the straight-line basis over lives ranging from 5 to 40 years. Salvage values have been provided on selected items.
- F. Use of Estimates – The preparation of the accompanying financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.
- G. Deferred Outflows/Inflows of Resources – In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and thus, will not be recognized as an outflow of resources (expense/expenditure) until then. The Authority has no items that qualified for reporting in this category.

In addition to liabilities, that statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

- H. Operating Revenues and Expense – Operating revenues and expenses consist of charges for services and the costs of providing those services, including depreciation. All other revenues and expenses are reported as non-operating. Rental Revenues are reported net of \$1,148 of refunds and allowances.

NOTE 7: FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted process for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted process for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Authority's assets at fair value as of June 30, 2017:

	<u>Assets at Fair Value as of June 30, 2017</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Common Stock	<u>\$ 39,838</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 39,838</u>
Total Assets at Fair Value	<u>\$ 39,838</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 39,838</u>

### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Trustees  
Ada Arts & Heritage Authority

We have audited the financial statements of the Ada Arts & Heritage Authority, a component unit of the City of Ada, Oklahoma, as of and for the year ended June 30, 2017, which collectively comprise Ada Arts & Heritage Authority's basic financial statements and have issued our report thereon dated August 29, 2017. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Ada Arts & Heritage Authority's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Ada Arts & Heritage Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Ada Arts & Heritage Authority's internal control over financial reporting.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and responses as item 10-1 *Segregation of Duties* that we consider to be significant deficiencies.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Ada Arts & Heritage Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Ada Arts & Heritage Authority's Response to the Finding**

Ada Arts & Heritage Authority's response to the finding identified in our audit is described in the accompanying schedule of findings and responses. We did not audit the Ada Arts & Heritage Authority's response and, accordingly, we express no opinion on it.

**Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance with applicable provisions of laws, regulations, contracts, and grant agreements and the results of our testing, and to provide an opinion on Ada Arts & Heritage Authority's compliance but not to provide an opinion on the effectiveness of Ada Arts & Heritage Authority's internal control over compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Ada Arts & Heritage Authority's compliance and its internal control over compliance. Accordingly, this report is not suitable for any other purpose.

STATUS OF PRIOR AUDIT FINDINGS

June 30, 2017

10-1 SEGREGATION OF DUTIES

Condition: Due to the limited number of personnel involved in the day-to-day operations, most of those aspects of internal accounting control which rely upon an adequate segregation of duties, are for all practical purposes, missing within the organization. However, we recognize that the organization's administration is not large enough to make the employment of additional persons, for the purpose of segregating duties, practical from a cost-benefit standpoint.

Current Status: See current audit finding 10-1.
