INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Oklahoma Housing Finance Agency

We have audited the accompanying financial statements of Oklahoma Housing Finance Agency (the Agency), a component unit of the State of Oklahoma, as of and for the years ended September 30, 2012 and 2011, as listed in the table of contents. These financial statements are the responsibility of the Agency's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets of Oklahoma Housing Finance Agency, as of September 30, 2012 and 2011, and the results of its operations and cash flows, for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 28, 2013, on our consideration of Oklahoma Housing Finance Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require that the management discussion and analysis on pages 3 through 10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of

11600 Broadway Ext., Suite 300, Oklahoma City, OK 73114

www.hogantaylor.com

management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

OKLAHOMA HOUSING FINANCE AGENCY

MANAGEMENT'S DISCUSSION AND ANALYSIS
(unaudited)

September 30, 2012

OHFA was created in 1975 to provide funds to promote the development of adequate residential housing to families of Oklahoma with low and moderate incomes. OHFA is a self-supporting public trust and follows enterprise fund accounting.

As management of Oklahoma Housing Finance Agency (OHFA or Agency), we offer readers of OHFA's financial statements this narrative overview and analysis of the financial activities for the fiscal years ended September 30, 2012 and 2011. This information is presented to provide additional information regarding the activities of OHFA and to meet the disclosure requirements of Government Accounting Standards Board Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments*. This analysis should be read in conjunction with the financial statements, notes to financial statements, and supplemental information.

OVERVIEW OF THE FINANCIAL STATEMENTS

This financial report of OHFA consists of three sections: management's discussion and analysis, the basic financial statements, and supplemental information. OHFA's basic financial statements include: the Statement of Net Assets; the Statement of Revenues, Expenses and Changes in Fund Net Assets; the Statement of Cash Flows; and the Notes to the Financial Statements.

The Statement of Net Assets answers the question, "How is our financial health at the end of the year?" This statement includes all assets and liabilities of OHFA, both financial and capital, short term and long term, using the accrual basis of accounting and economic resources measurement focus, which is similar to the accounting used by most private-sector companies. The resulting net assets presented in this statement are displayed as restricted and unrestricted. Assets are restricted when their use is subject to external limits such as bond resolutions, legal agreements or statutes. Assets not included in this category are characterized as unrestricted. Over time, changes in net assets may serve as a useful indicator of whether the financial position of OHFA is improving or deteriorating.

The Statement of Revenues, Expenses and Changes in Fund Net Assets measures the activities of OHFA's operations over the past year and presents the operating income and change in net assets. It can be used to determine whether OHFA has successfully recovered all of its costs through mortgage and loan interest, investment interest, externally funded programs, and other revenue sources. This statement helps answer the question, "Is OHFA as a whole better off or worse off as a result of this year's activities?"

The primary purpose of the Statement of Cash Flows is to provide information about the sources and uses of OHFA's cash and the components of the change in cash balance during the reporting period. This statement reports cash receipts, cash payments, and net changes resulting from operating, noncapital financing, capital financing, and investing activities. It provides answers to such questions as "Where did cash come from?," "What was cash used for?," and "What was the change in cash balance during the reporting period?"

The Notes to Financial Statements provide additional information that is essential to a full understanding of the data provided in the financial statements.

In addition, this report contains a Supplemental Combining Schedule of Net Assets for the Single Family Mortgage Revenue Bond Funds as well as a Supplemental Combining Schedule of Revenues, Expenses, and Changes in Fund Net Assets for the Single Family Mortgage Revenue Bond Funds. These supplemental schedules are presented to provide the reader with information regarding the financial condition of each Single Family Mortgage Revenue Bond issue of the Oklahoma Housing Finance Agency (the Agency).

FINANCIAL HIGHLIGHTS
Year ended September 30, 2012

- Total assets decreased by $50.4 million.
- Total liabilities decreased by $54.2 million.
- Net assets increased by $3.8 million.
- Made 1,247 single family mortgage loans available to first time homebuyers compared to 1,042 in 2011.
- Provided 122,989 unit months of Section 8 rental assistance compared to 124,159 in 2011.
- Paid $50.2 million in rental assistance to benefit Section 8 voucher holders compared to $50.5 million in 2011.
- Paid $71.7 million in rental assistance to project based Section 8 properties compared to $69.0 million in 2011.

The Agency has maintained a General Obligation issuer rating of A1 from Moody's Investors Service since June 2006. This rating reflects OHFA's sound financial condition, a bond program collateralized by highly rated mortgage backed securities, as well as capable and dedicated management.

The Section 8 program provides rental assistance to many elderly, single parent, or working families in need of help with their rent payments.

The Single Family bond program makes affordable home loans available to first time homebuyers through proceeds from mortgage revenue bonds.

Housing Tax Credits are provided to developers as an incentive to build new, affordable complexes or rehabilitate complexes in need of repair.

As Section 8 Contract Administrator for project-based Section 8 properties located throughout Oklahoma for the Department of Housing and Urban Development (HUD), OHFA's 2012 duties consisted of 193 contracts, totaling 13,069 assisted units, compared to 2011 duties of 194 contracts, totaling 13,119 assisted units. The Agency receives a fee to administer the program based on the number of units under contract and an incentive fee based on the Agency's performance level compared to HUD's acceptable quality levels of administration. Thus far, the Agency has achieved or exceeded the acceptable quality levels set by HUD.

CONDENSED FINANCIAL INFORMATION

Statement of Net Assets

The following table presents condensed statements of net assets for the Agency as of September 30, 2012, 2011 and 2010 (in millions):

Condensed Statements of Net Assets

	2012	2011	2010
Assets			
Current assets	$ 22.5	$ 29.0	$ 27.7
Noncurrent assets:			
Restricted	649.3	732.0	756.8
Net capital assets	2.9	3.3	3.4
Unrestricted	70.0	30.8	39.5
Total assets	744.7	795.1	827.4
Liabilities			
Current liabilities	97.5	69.0	47.8
Noncurrent liabilities	473.7	556.4	632.4
Total liabilities	571.2	625.4	680.2
Net Assets			
Invested in capital assets	2.9	3.2	3.4
Restricted for single family bond programs	116.2	115.5	96.5
Restricted for Section 8 Voucher Program	3.8	7.1	6.6
Unrestricted	50.6	43.9	40.7
Total net assets	$ 173.5	$ 169.7	$ 147.2

Explanations of significant variances between 2012 and 2011 on the condensed statements of net assets follow:

The decrease in total assets of $50.4 million is primarily due to the net effect of 1) adding $70.0 million of new assets and related bonds payable from new bond issues, 2) paying down $153.5 million of bonds payable from payments and prepayments of Agency Mortgage Backed Security investments due to homeowners refinancing their mortgages due to historic low market interest rates, 3) the Agency purchasing Mortgaged Backed Securities (MBS) with an additional $29.9 million increase in draws against its line of credit with the Federal Home Loan Bank of Topeka, and 4) $3.8 million of net assets generated by the Agency.

OHFA participates in the U.S. Department of Treasury's (Treasury) New Issue Bond Program (NIBP) to improve the Agency's ability to issue bond debt at attractive rates due to the decline in the tax exempt bond market. The NIBP provides temporary financing for Housing Finance Agencies (HFAs) to issue new housing bonds to fund new mortgages. The Treasury will purchase NIBP housing bonds backed by securities of Fannie Mae and Freddie Mac (Government Sponsored Enterprises or GSEs), which allows HFAs to continue to temporarily issue housing bonds equal to their normal traditional issuance volume given the current difficulties and challenges in the housing and related financing markets. The program allows HFAs, through the Treasury and GSEs, to issue bonds at a rate lower than market rate to blend with market rate bonds to facilitate loans to first time home buyers. This program was set to expire December 31, 2011, but was extended to December 31, 2012, by the Treasury Department on November 23, 2011. The Agency's NIBP participation is $150.0 million.

The decrease in total liabilities of $54.2 million is primarily due to the net effect of three factors. The addition of a new single family bond program increased bonds payable by $70.0 million in 2012. Payments and pre-payments of $153.5 million on bonds payable decreased total liabilities as loans were paid down early by homeowners refinancing their mortgages to take advantage of historic low market mortgage rates. In addition, liabilities increased due to the Agency advancing an additional $29.9 million on its line of credit with Federal Home Loan Bank of Topeka to purchase mortgage backed securities. The line of credit is used to warehouse (MBS) on a short term basis until they can be transferred into a future Single Family Bond Program or sold on the open market.

The $0.7 million increase in net assets restricted for Single Family Bond Programs is a result of $1.4 million of net operating loss (including a $3.4 million net decrease in the fair value of investments) and a transfer of $2.1 million from the Agency to the Single Family Bond program.

The Section 8 Voucher Program is included in the Agency General Fund and that program's net assets, which are restricted, decreased by $3.3 million due to receiving $3.3 million less in rental assistance payments than program expenditures in the current year. Since 2006, HUD has required agencies to report receipts from HUD in excess of program expenditures as income and to report assistance payments in excess of program receipts as expense in the current year. These items are reported in net assets instead of as a payable or receivable with HUD. These funds are only available to pay Housing Assistance Payments (HAP) under the Section 8 Voucher Program. The Agency had funds restricted for the Section 8 Voucher Program of $3.8 million and $7.1 million respectively, as of September 30, 2012 and 2011.

The increase of $6.4 million in Agency General Fund unrestricted net assets plus net assets invested in capital assets from $47.1 million to $53.5 million is due to $8.5 million in net operating income (excluding Single Family Bond Programs) less a transfer of $2.1 million from the Agency General Fund to the Single Family Bond program.

Explanations of significant variances between 2011 and 2010 on the condensed statement of net assets follow:

The decrease in total assets of $32.3 million is primarily due to the net effect of 1) adding $110.0 million of new assets and related bonds payable from new bond issues, 2) paying down $156.2 million of bonds payable from payments and prepayments of Agency Mortgage Backed Security investments due to homeowners refinancing their mortgages due to historic low market interest rates and 3) $22.5 million net assets generated by the Agency.

OHFA signed an agreement to participate in the U.S. Department of Treasury's (Treasury) New Issue Bond Program (NIBP) to improve the Agency's ability to issue bond debt at attractive rates due to the decline in the tax exempt bond market. The NIBP provides temporary financing for Housing Finance Agencies (HFAs) to issue new housing bonds to fund new mortgages. The Treasury will purchase NIBP housing bonds backed by securities of Fannie Mae and Freddie Mac (Government Sponsored Enterprises or GSEs), which allows HFAs to continue to temporarily issue housing bonds equal to their normal traditional issuance volume given the current difficulties and challenges in the housing and related financing markets. The program allows HFAs, through the Treasury and GSEs, to issue bonds at a rate lower than market rate to blend with market rate bonds to facilitate loans to first time home buyers. This program was set to expire December 31, 2011, but was extended to December 31, 2012, by the Treasury Department on November 23, 2011.

The decrease in total liabilities of $54.8 million is primarily due to the net effect of three factors. The addition of two new single family bond programs increased bonds payable by $110.0 million in 2011. Payments and pre-payments of $156.2 million on bonds payable decreased total liabilities as loans were paid down early by homeowners refinancing their mortgages to take advantage of historic low market mortgage rates. In addition, liabilities decreased due to the Agency paying down $8.3 million on its line of credit with Federal Home Loan Bank of Topeka. The line of credit is used to warehouse Mortgage Backed Securities (MBS) on a short term basis until they can be transferred into a future Single Family Bond Program or sold on the open market.

The $19.1 million increase in net assets restricted for Single Family Bond Programs is a result of $15.9 million of net operating income (including a $13.7 million net increase in the fair value of investments) and a transfer of $3.2 million from the Agency to the Single Family Bond program.

The Section 8 Voucher Program is included in the Agency General Fund and that program's net assets, which are restricted, increased by $0.3 million due to receiving $0.3 million more in rental assistance payments than program expenditures in the current year. Since 2006, HUD has required agencies to report receipts from HUD in excess of program expenditures as income and to report assistance payments in excess of program receipts as expense in the current year. These items are reported in net assets instead of as a payable or receivable with HUD. These funds are only available to pay Housing Assistance Payments (HAP) under the Section 8 Voucher Program. The Agency had funds restricted for the Section 8 Voucher Program of $7.1 million and $6.7 million respectively, as of September 30, 2011 and 2010.

The increase in Agency General Fund unrestricted net assets of $3.4 million is due to $6.3 million in net operating income (excluding Single Family Bond Programs) plus federal grants of $0.3 million less a transfer of $3.2 million from the Agency General Fund to the Single Family Bond program.

Revenues, Expenses and Changes in Fund Net Assets

The following table presents condensed statements of revenues, expenses and changes in fund net assets for the Agency for the years ended September 30, 2012, 2011, and 2010 (in millions):

Condensed Statements of Revenues, Expenses and Changes in Fund Net Assets

	2012	2011	2010
Operating and Nonoperating Revenues			
Investments and program loans	$ 33.0	$ 34.7	$ 38.3
Net increase in fair value of investments	0.5	15.8	10.2
Fees and other income	12.0	12.4	13.1
Gain on sale of investments	2.0	1.0	2.9
Federal and state program income	147.3	210.4	145.4
Total revenues	194.8	274.3	209.9
Operating and Nonoperating Expenses			
Interest on bonds and notes	25.2	27.1	30.8
Other bond program expenses	3.6	3.3	3.4
Salaries, general and administrative	11.6	11.4	12.5
Federal and state program expenses	150.6	210.0	146.0
Total expenses	191.0	251.8	192.7
Increase in net assets	3.8	22.5	17.2
Net assets at beginning of year	169.7	147.2	130.0
Net assets at end of year	$ 173.5	$ 169.7	$ 147.2

Explanations of significant fluctuations between 2012 and 2011 in revenues, expenses, and changes in fund net assets follow:

The net decrease in interest income from investments and program loans of $1.7 million is primarily due to older, higher interest bond program loan pools being paid down at a faster rate, as consumers refinance their mortgages, than new, lower interest rate bond program loan pools are added to the portfolio. Also, due to the current low market interest rate environment, as Agency investments mature, the proceeds are invested at a lower interest rate than the maturing investment.

The net increase in the fair value of investments of $0.5 million for 2012 was due to market interest rates stabilizing during 2012, compared to the significant drop in 2011. The market values of fixed interest rate investments typically have an inverse relationship to interest rates.

The gain on sale of investments of $2.0 million is due to the Agency capitalizing on an opportunity to sell Single Family Bond Program loan mortgage backed securities at a gain on the open market.

Federal program income decreased by $63.1 million, due primarily to the net effect of a $2.8 million increase in the Section 8 Contract Administration Program, a $3.4 million decrease in the Section 8 Housing Choice Voucher Program, a $44.3 million decrease in the Section 1602 Grants to States for Low-Income Housing in Lieu of Low-Income Housing Credits (American Recovery and Reinvestment Act or ARRA), and a $17.9 million decrease in the Tax Credit Assistance Program (American Recovery and Reinvestment Act or ARRA). The two ARRA programs were both new to the Agency in 2010 and closed out during 2012.

Federal program expenses decreased by $59.4 million, due primarily to the net effect of a $2.8 million increase in the Section 8 Contract Administration Program, a $0.2 million increase in the Section 8 Housing Choice Voucher Program, a $44.3 million decrease in the Section 1602 Grants to States for Low-Income Housing in Lieu of Low-Income Housing Credits (American Recovery and Reinvestment Act or ARRA), and a $17.9 million decrease in the Tax Credit Assistance Program (American Recovery and Reinvestment Act or ARRA). The two ARRA programs were both new to the Agency in 2010 and closed out during 2012.

Interest expense on bonds and notes payable decreased by $1.9 million in 2012 from 2011. Bonds and notes payable are $53.6 million less than prior year due to principal payments in excess of new borrowings for lending to first time homebuyers. Also, higher interest rate bonds were paying off faster because borrowers were refinancing their homes due to the lower market interest rates.

The decrease of the increase in net assets of $18.7 million from $22.5 million in 2011 to $3.8 million in 2012 is primarily due to the increase in fair value of investments being $15.3 million lower in 2012 than in 2011. The increase in net assets of $3.8 million at the end of 2012 is due to the net income for 2012.

Explanations of significant fluctuations between 2011 and 2010 in revenues, expenses, and changes in fund net assets follow:

The net decrease in interest income from investments and program loans of $3.6 million is primarily due to older, higher interest bond program loan pools being paid down at a faster rate, as consumers refinance their mortgages, than new, lower interest rate bond program loan pools are added to the portfolio. Also, due to the current low market interest rate environment, as Agency investments mature, the proceeds are invested at a lower interest rate than the maturing investment.

The net increase in the fair value of investments of $15.8 million for 2011 was due to market interest rates being lower than in the previous year, causing an increase in the value of older, higher yielding interest rate securities. The market values of fixed interest rate investments typically have an inverse relationship to interest rates.

The gain on sale of investments of $1.0 million is due to the Agency capitalizing on an opportunity to sell newly pooled Single Family Bond Program loan mortgage backed securities originated in 2011 at a gain on the open market due to the drastic decrease in market interest rates during the year.

Federal program revenues and expenses increased by $64.0 million due primarily to the net effect of a $3.6 million increase in the Section 8 Contract Administration Program, a $45.2 million increase in the Section 1602 Grants to States for Low-Income Housing in Lieu of Low-Income Housing Credits (American Recovery and Reinvestment Act or ARRA), and a $14.9 million increase in the Tax Credit Assistance Program (American Recovery and Reinvestment Act or ARRA). The two ARRA programs were both new to the Agency in 2010.

Interest expense on bonds and notes payable decreased by $3.7 million in 2011 from 2010. Bonds and notes payable are $54.5 million less than prior year due to principal payments in excess of new borrowings for lending to first time homebuyers. Also, higher interest rate bonds were paying off faster because borrowers were refinancing their homes due to the lower market interest rates.

The increase in net assets of $5.3 million from 2010 to 2011 is primarily due to the increase in fair value of investments being $5.6 million higher in 2011 than in 2010. The increase in net assets of $22.5 million at the end of 2011 is due to the net income for 2011.

Capital Assets and Long-Term Debt Administration

Capital Assets

As of September 30, 2012, the Agency had invested $2.9 million in a broad range of capital assets, including buildings and building improvements, land and furniture and equipment. This amount represents a net decrease (including additions and disposals) of approximately $0.3 million.

Long-Term Debt

As of September 30, 2012, the Agency had $565.4 million in bonds and notes payable outstanding. This is a decrease of 8.7% from last year's amount of $619.0 million. (More detailed information about the bonds and notes payable is presented in Note 7 to the financial statements.)

ECONOMIC FACTORS AND OTHER FINANCIAL INFORMATION

OHFA's main sources of revenues include mortgage loan activity, investment interest income, and externally funded grants. Market interest rates have an effect on both the mortgage program and investment income revenues. If interest rates rise, mortgage and investment income should increase as new loans are originated and new investments are purchased at higher rates. If interest rates fall, mortgage and investment income will decrease as new loans are originated and new investments are purchased at the lower rates. Any decrease in interest rates could also cause an increase in prepayments on higher rate mortgages. Administrative fees for administering federal programs continue to be reduced. Large federal deficits or changes in programs or funding levels could have a negative impact on externally funded program revenues.

The Agency expects to continue its commitment to its mission of helping to place people in homes while preserving a strong financial position during the coming year.

CONTACTING OHFA'S FINANCIAL MANAGEMENT

This discussion and analysis is to provide additional information to our stakeholders regarding the activities of the Agency. If you have questions about this report, or need additional financial information, contact the OHFA Finance Team Leader, Eldon Overstreet, JD, CPA, at (405) 419-8209; Oklahoma Housing Finance Agency, P.O. Box 26720, Oklahoma City, Oklahoma 73126-0720; e-mail: eldon.overstreet@ohfa.org; or visit our website at www.ohfa.org.

Compensated absences	(19,578)	35,148
Net cash used in operating activities	$ (1,964,648)	$ (975,993)

See notes to the basic financial statements.

Note 1 – Authorizing Legislation and Activities

Oklahoma Housing Finance Agency (OHFA or Agency) is a public trust established pursuant to a Trust Indenture, as amended, which was originally adopted on May 1, 1975. Under the Trust Indenture, OHFA was created for the benefit of the State of Oklahoma (the State) pursuant to the Oklahoma Public Trust Act (the Act). Pursuant to the Act, the Governor of the State of Oklahoma, on behalf of the State, approved the creation of OHFA and accepted the beneficial interest created thereby on May 1, 1975. The Trust Indenture was last amended as of August 19, 2002, with the approval of the Governor of the State of Oklahoma. The Governor has, pursuant to the Trust Indenture, approved the by-laws of OHFA. The Governor also appoints the five-member Board of Trustees and the resident board member representing the Section 8 program.

OHFA is authorized, in the furtherance of public purposes, to issue mortgage revenue bonds through its Single Family Bond Programs (or Single Family Mortgage Revenue Bond Programs) in order to provide funds to promote the development of adequate residential housing and other economic development for the benefit of the State. In no event does the indebtedness constitute a debt, liability, or moral obligation of the State or any political subdivision thereof. OHFA has no taxing power. The Agency receives application, servicing and issuer fees in connection with its revenue bond programs.

OHFA is included in the State's financial reporting entity. The State reports the transactions of OHFA in its Comprehensive Annual Financial Report as a major component unit.

In addition to its revenue bond programs, OHFA administers Section 8 Housing Assistance Payments Programs for the U.S. Department of Housing and Urban Development (HUD). OHFA receives an administrative fee based on the number of housing units administered under its contracts with HUD plus reimbursement for certain preliminary costs incurred during the implementation phase of units added to OHFA's contracts with HUD. OHFA also administers the HOME (Home Investment Partnerships) Program for HUD. The intent of the HOME Program is to provide decent affordable housing to lower-income households, expand the capacity of nonprofit housing providers, strengthen the ability of state and local governments to provide housing, and leverage private sector participation. Activities that are eligible under HOME include homeowner rehabilitation, home buyer activities, rental housing and tenant-based rental assistance. OHFA receives reimbursement of eligible costs associated with the administration of the program.

OHFA is the Section 8 Contract Administrator for federal HUD-financed Section 8 properties located throughout Oklahoma. The Agency receives a fee to administer the program and an incentive-based administrative fee determined by the number of units under contract and the Agency's performance level compared to HUD's acceptable quality levels of administration. The Agency also administers the U.S. Department of Treasury's (Treasury) Low Income Housing Tax Credit (LIHTC) program for the State of Oklahoma. The Agency receives application and service fees from developers who participate in the LIHTC program. In 2009, OHFA was selected to administer the disbursement of federal funds from two new programs under the American Recovery and Reinvestment Act (ARRA). Tax Credit Assistance Program (TCAP) administered through HUD and Section 1602 Grants to States for Low-Income Housing in Lieu of Low-Income Housing Credits administered through the Treasury are used to complete housing tax credit developments that were stalled due to the collapse of the tax credit syndication market as a result of the housing and financial crisis. The Agency receives no fees for administering these programs. Also in 2009, OHFA signed an agreement with Treasury to participate in the New Issue Bond Program (NIBP) to improve the Agency's ability to issue bond debt at attractive rates due to the decline in the tax exempt bond market. The program allows the Treasury, through Fannie Mae and Freddie Mac (Government Sponsored Enterprises or GSEs), to purchase housing bonds issued by the Agency at a lower than market rate to blend with market rate Single Family Bond Program bonds to provide funds for low interest loans to first time home buyers.

OHFA also administers certain other federal and state programs.

Note 2 – Summary of Significant Accounting Policies

Financial statement presentation

OHFA accounts for revenues and expenses related to temporary funding of certain single family first mortgage loans within its general fund until the loans are sold in specified increments in connection with related bond programs, when required, due to the temporary restrictions associated with bond programs. Intergovernmental grants are also accounted for within the Agency's general fund. Pursuant to OHFA's bond obligation resolutions, separate funds are established by each trustee bank to record all transactions relating to OHFA programs financed under each of the resolutions. Within each fund, there is a group of accounts required by the respective resolutions. The Single Family Bond Program funds and the general fund have been presented on a combined basis because OHFA is considered a single enterprise fund for financial reporting purposes. All interfund balances and transactions have been eliminated in the financial statements.

The accompanying financial statements have been prepared in conformity with generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board (GASB). The financial statements are prepared in accordance with GASB Statement No. 34, *Basic Financial Statements – and Management's Discussion for State and Local Governments*, GASB No. Statement 37, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments: Omnibus*, and GASB Statement No. 38, *Certain Financial Statement Note Disclosures.*

Basis of accounting

The Agency accounts for its activities within a proprietary fund type. The Agency's activities meet the definition of an enterprise fund because it is the intent of the Agency to recover, primarily through user charges, the cost of providing goods or services to the general public.

The proprietary fund type is accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of this fund are included on the statement of net assets. Proprietary fund operating statements present increases (e.g., revenues) and decreases (e.g., expenses) in net total assets. The accrual basis of accounting is utilized by the proprietary fund. Under this basis of accounting, revenues are recognized when earned and expenses are recognized when the liability is incurred.

The Governmental Accounting Standards Board (GASB) is the standard-setting body for governmental accounting and financial reporting. The GASB periodically updates its codification of the existing Governmental Accounting and Financial Reporting Standards, which, along with subsequent GASB pronouncements (Statements and Interpretations), constitutes GAAP for governmental units.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund's principal ongoing operations. Revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When the Agency incurs an expense for which it may use either restricted or unrestricted net assets, it uses restricted net assets first unless unrestricted net assets will have to be returned because they were not used.

Cash and cash equivalents

For purposes of the statement of cash flows, OHFA's cash equivalents are defined as short-term, highly liquid investments that are readily convertible to cash with an original maturity of 90 days or less.

Investments

The Agency's investment policy for the general fund is governed by state statute and the Board of Trustees' "Statement of Investment Policy." Permissible investments include direct obligations of the United States Government and Agencies, mortgage-backed securities guaranteed by Federal Agencies, certificates of deposit, repurchase agreements and savings accounts. Collateral is required for demand deposits and certificates of deposit for all amounts not covered by Federal Deposit Insurance Corporation (FDIC) insurance. Investments are reported at fair value.

The short-term investments within the Single Family Bond Programs are generally restricted by the various bond resolutions as to authorized investments. Most are commonly held in guaranteed investment contracts or money market accounts collateralized by government securities. These short-term investments are reported at cost, which approximates their fair values.

As required by GASB Statement No. 31, *Accounting for and Financial Reporting for Certain Investments and External Investment Pools*, U.S. government and agency securities and mortgage-backed securities are reported at fair value as determined by the investment custodians utilizing prices quoted by securities dealers, brokers, investment banks or other services at the valuation date.

Mortgage-backed securities reported by the Single Family Bond Programs are pass-through certificates of the Government National Mortgage Association (GNMA) and Federal National Mortgage Association (FNMA), which securitize qualified pools of loans or individual loans under the respective programs. These securities are reported at fair value. Mortgage-backed securities do not have a contractual maturity date, and the Agency may be subject to the risk of prepayment on these mortgage-backed securities.

Without consideration of the respective net increase in the fair value of investments, OHFA's 2012 and 2011 net operating income would have been $6,577,337 and $6,395,226, respectively.

Program loans receivable

Program loans receivable primarily consist of Housing Trust Fund loans secured by mortgages. These loans are reported at cost. Based on management's evaluation of program loans receivable, the Agency has determined that program loans receivable were fully collectible as of September 30, 2012.

Capital assets

Capital assets are carried at cost. Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the assets, which range from 1 to 40 years. Maintenance and repairs are expensed as incurred. Total depreciation expense for the years ended September 30, 2012 and 2011, was $395,262 and $473,258, respectively, and is included with other general and administrative expense on the Statements of Revenues, Expenses and Changes in Fund Net Assets.

Deferred revenue

Deferred revenue arises when potential revenue does not meet the available criterion for recognition or the resources were received by the Agency before it has a legal claim to the resources. Amounts received under certain intergovernmental grant agreements are recognized only to the extent of allowable expenses. Any amounts received in excess of expenditures incurred are deferred.

The lone exception to this revenue deferral accounting policy is the Section 8 Housing Choice Voucher Program. Per HUD guidance issued in Public and Indian Housing Notice, PIH 2006-3, excess budget authority disbursed to a Public Housing Agency that is not utilized to pay Housing Assistance Payments (HAP) will become part of the fund balance account. Accordingly, OHFA records payments received from HUD in excess of HAP expenditures as federal program revenues which flow to net assets restricted to Section 8 Voucher Program.

Deferred finance costs

Deferred finance costs are costs associated with bond funds which are being recovered through future revenues associated with the funds and are amortized over the life of the loans.

Restrictions and designations of net assets

The use of assets of each of the Single Family Bond Program funds is restricted by the related bond resolution. Certain amounts in the program funds are considered subject to the restriction that they may be applied to the financing of housing for the respective program purposes or to the retirement of obligations issued for such purposes. The Agency has designated $8,000,000 of unrestricted net assets to provide funds and reserves to purchase single family loans to be acquired from future issuances under the Single Family Mortgage Revenue Bond Programs.

Net assets restricted for the Section 8 Voucher Program represent funds received from HUD in excess of HAP expenditures which are classified as fund balance per Public and Indian Housing Notice 2006-3. These funds can only be utilized to make HAP payments for the Section 8 Voucher Program.

Note 3 – Cash and Investments

Deposit custodial credit risk

Custodial credit risk is the risk that in the event of a bank failure, the Agency's deposits may not be returned. The Agency requires that financial institutions pledge collateral securities to secure the deposits of the Agency in each institution.

Current Agency policy for deposits not held by the Single Family Bond Programs requires the lesser of the cost or fair value of the collateral pledged to be 110% of the deposit value. As of September 30, 2012 and 2011, the Agency was not exposed to custodial credit risk.

As of September 30, 2012 and 2011, $87,930,529 and $115,814,800 of the total cash consisted primarily of money market accounts held at trustee banks. These funds are classified as investments for the purposes of GASB Statement No. 40 *Deposit and Investment Risk Disclosures* requirements and therefore are not subject to custodial credit risk. For presentation on the face of the Statements of Net Assets, these funds are classified as cash equivalents.

Investment interest rate risk

The Agency limits investments to those having maturities of no more than 36 months, unless specifically authorized by the Agency Board of Trustees, which helps manage its exposure to fair value losses from increasing interest rates. The Agency's investments in securities and related maturities as of September 30 are listed below:

	September 30, 2012			
		Investment Maturity		
	Fair Value	Less than One Year	One to Three Years	Greater Than Three Years
Agency General Fund:				
GNMA pooled loans	$ 62,965,934	$ -	$ -	$ 62,965,934
Corporate Bonds	1,669,216	-	1,669,216	-
Federal Home Loan Mortgage Corporation	1,000,740	-	1,000,740	-
Federal National Mortgage Association	812,213	-	812,213	-
Federal Farm Credit Bank	500,010	-	500,010	-
Certificates of deposit	6,272,029	3,186,000	3,086,029	-
Total investments in securities	73,220,142	$ 3,186,000	$ 7,068,208	$ 62,965,934
Single Family Bond Programs:				
GNMA pooled loans	473,054,047			
FNMA pooled loans	75,217,593			
Guaranteed investment contracts	3,119,066			
Total investments	$ 624,610,848			

	September 30, 2011			
		Investment Maturity		
	Fair Value	Less than One Year	One to Three Years	Greater Than Three Years
Agency General Fund:				
GNMA pooled loans	$ 28,380,631	$ -	$ -	$ 28,380,631
Federal Home Loan Mortgage Corporation	499,625	-	499,625	-
Certificates of deposit	4,469,546	2,584,000	1,885,546	-
Total investments in securities	33,349,802	$ 2,584,000	$ 2,385,171	$ 28,380,631
Single Family Bond Programs:				
GNMA pooled loans	505,830,579			
FNMA pooled loans	101,351,476			
Guaranteed investment contracts	3,533,806			
Total investments	$ 644,065,663			

Investment custodial credit risk

For investments, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Agency will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. All of the Agency's investments in securities are held by the investment's counterparty in the name of the Agency. Federal Home Loan Bank, FNMA, GNMA and Federal Home Loan Mortgage Corporation, are all rated AA+ by Standard & Poor's and AAA by Moody's. Credit ratings were not available for the bond debentures held by the Agency.

At September 30 total investments are reported in the Statements of Net Assets in the following classifications:

	2012	2011
Current:		
Agency General Fund	$ 3,186,000	$ 2,584,000
Noncurrent:		
Restricted - Single Family Bond Programs	551,390,706	610,715,861
Agency General Fund	70,034,142	30,765,802
Total noncurrent	621,424,848	641,481,663
Total investments	$ 624,610,848	$ 644,065,663

The net change in fair value of investments shown in the financial statements takes into account all changes in fair value that occurred during the year. Fair value amounts for individual investments fluctuate based on changes in the market interest rates available to investors.

Concentration of investment credit risk

The Agency places no limit on the amount the Agency can invest in any one type of issuer. Investments by issuer that account for 5% or more of the Agency's total investments are indicated by an asterisk (*) below.

	September 30, 2012			September 30, 2011		
	Fair Value		Credit Exposure as a Percentage of Total Investments	Fair Value		Credit Exposure as a Percentage of Total Investments
Agency General Fund:						
GNMA pooled loans	$ 62,965,934	*	10.1%	$ 28,380,631		4.4%

Note 4 – Program Loans Receivable

Program loans receivable consist of the following at September 30:

	2012	2011
Single Family Program Funds, Special Securities (1993 A & B), bearing interest at 8.50% - 8.95%, maturing December 2014, AMBAC insured.	$ 30,425	$ 55,936
Housing Trust Fund, Chickasha Housing - Part 1, bearing interest at 5.00%, loan to be repaid out of 75.00% of cash flow from the property, collateralized by mortgages, maturing September 2023.	195,510	195,510
Housing Trust Fund, Chickasha Housing - Part 2, bearing interest at 3.90%, 219-month term, collateralized by mortgages, maturing September 2023.	256,508	263,333
Housing Trust Fund, S.A.S. Construction, bearing interest at 1.00%, 18-month term, maturing July 2013.	402,766	-
Housing Trust Fund, Turning Point Ministries, Inc., bearing interest at 1.00%, 18-month term, maturing April 2013.	257,769	-
HOME Investment Partnerships Program, ORO Development Corporation, bearing interest at 0.00%, collateralized by a mortgage; no set term or maturity date.	300,000	-
Housing Trust Fund, Wyndam-Norman, bearing interest at 1.00%, 24-month term, collateralized by mortgages, maturing March 2012. Board of Trustees approved modification of the original loan in July 2010 with new terms, matured March 2012.	-	100,000
Housing Trust Fund, Delta Community Action Foundation, bearing interest at 1.00% 12-month term, collateralized by mortgages, maturing September 2011. Board of Trustees approved modification of the original loan in July 2010 with new terms, matured June 2012.	-	101,649
Housing Trust Fund, Tri-County Indian Nations, bearing interest at 1.00%, 6-month term, collateralized by mortgages, matured September 2010. Board of Trustees approved modification of the original loan in May 2010, matured March 2012.	-	86,900
Housing Trust Fund, City of Miami, bearing interest at 1.00%, 18-month term, matured September 2012.	-	38,800
	$ 1,442,978	$ 842,128

Note 5 – Capital Assets

Capital assets activity for the year ended September 30, 2012, was as follows:

	Beginning Balance	Additions	Retirements	Ending Balance
Capital assets not being depreciated:				
Land	$ 550,000	$ -	$ -	$ 550,000
Capital assets being depreciated:				
Furniture and equipment	2,809,724	52,114	(107,954)	2,753,884
Building	2,409,299	-	-	2,409,299
Improvements	1,284,518	3,020	(782)	1,286,756
Total capital assets being depreciated	6,503,541	55,134	(108,736)	6,449,939
Less accumulated depreciation:

Improvements	(840,945)	(121,669)	-	(962,614)
Total accumulated depreciation	(3,448,203)	(473,258)	117,807	(3,803,654)
Total capital assets being depreciated	2,889,804	(189,652)	(265)	2,699,887
Capital assets, net	$ 3,439,804	$ (189,652)	$ (265)	$ 3,249,887

Note 6 – Conduit Debt

As indicated in Note 1, the Agency has issued multi-family mortgage revenue bonds to promote the development of adequate residential housing and other economic development. The net proceeds of these bonds are used to provide interim and permanent financing for multi-family construction projects, and establish debt-service reserves as required by the various trust indentures. The bonds are secured by the property financed and are payable solely from payments received on the underlying mortgage loans. Neither the Agency, the State of Oklahoma, nor any political subdivision thereof, is obligated in any manner for repayment of these bonds.

As of September 30, 2012 and 2011, there were two series of multi-family bonds outstanding with an aggregate principal amount payable of $7,271,594 and $8,344,399, respectively.

Note 7 – Bonds and Notes Payable

The Single Family Bond Programs are generally payable in annual and semiannual installments and are subject to mandatory sinking fund requirements. These bonds are special obligations payable solely from the income and receipts of these indentures. Neither the Agency, the State of Oklahoma, nor any political subdivision thereof, is obligated in any manner for the repayment of these bonds, which are secured by mortgage loans and other assets of their respective indentures.

During 2010, OHFA received $150.0 million under an agreement to participate in the U.S. Department of Treasury's (Treasury) New Issue Bond Program (NIBP) to improve the Agency's ability to issue bond debt at attractive rates due to the decline in the tax exempt bond market. The NIBP provides temporary financing for Housing Finance Agencies (HFAs) to issue new housing bonds to fund new mortgages. The Treasury will purchase NIBP housing bonds backed by securities of Fannie Mae and Freddie Mac (Government Sponsored Enterprises or GSEs). This allows HFAs to continue to issue housing bonds equal to their traditional issuance volume given the current difficulties and challenges in the housing and related financing markets. The program allows HFAs, through the Treasury and GSEs, to issue bonds at a rate lower than market to blend with market rate bonds to facilitate loans to first time home buyers. As a result, the 2009C Single Family Bond Program was issued for $150.0 million in 2010. This low interest rate facility is utilized in bond issues to lower rates for first time home buyers. During 2011, OHFA utilized $30.0 million of NIBP funds for the 2010A Single Family Bond Program and $36.0 million for the 2011A Single Family Bond Program. During 2012, OHFA utilized $42.0 million of NIBP funds for the 2011B Single Family Bond Program. The NIBP program was initially set to expire December 31, 2011, but was extended to December 31, 2012, by the Treasury Department on November 23, 2011. Since the program expired December 31, 2012, the remaining $42.0 million of the 2009C Single Family Bond Program bonds is presented as a current liability and was utilized for a refunding in December 2012 (fiscal year 2013).

Effective April 26, 2010, the Agency entered into a line of credit agreement with the Federal Home Loan Bank. The agreement requires monthly interest payments at the three month LIBOR rate (0.25% at September 30, 2012), matures April 25, 2013, and is collateralized by investment securities. The outstanding balance at September 30, 2012, was $37,601,726.

Bonds and notes payable and changes for the fiscal year then ended are as follows:

Single Family Bond Program	Issued	Average Interest Rates	Maturity Through	Ending Balance 9/30/2010	Additions	Reductions	Ending Balance 9/30/2011	Additions	Reductions	Ending Balance 9/30/2012	Amount Due in One Year

Note 8 – Retirement Plans

Employees hired prior to July 1, 1997, who elect not to be covered by the Oklahoma Public Employees Retirement Plan (OPERS Plan), are covered by the Oklahoma Housing Finance Agency Retirement Plan (OHFA Plan). The OHFA Plan is a defined contribution plan. No new employees are allowed to join this plan after June 30, 1997. OHFA's contribution amount is at the discretion of the Board of Trustees and does not have any limitations. The Board of Trustees approved a monthly contribution to the OHFA Plan equaling the required contribution for the OPERS plan. The contribution to the OHFA plan was 15.5% of allowable compensation beginning July 1, 2009, and increased to 16.5% of allowable compensation July 1, 2011.

All employees hired after June 30, 1997, are required to participate in the OPERS Plan. The OPERS Plan is a multi-employer public employee retirement plan, which is a defined benefit pension plan. The benefit provisions of the OPERS Plan are established by state statute. The contribution rates for employees and participating employers are as follows: employees – 3.5% of all allowable compensation; employers – 15.5% of allowable annual compensation beginning July 1, 2009, and 16.5% of allowable compensation for July 1, 2011. There is no maximum compensation level for retirement purposes. OHFA is not liable to fund any OPERS Plan deficiency. The OPERS Plan issues separate annual financial reports. Copies of these reports may be obtained from the retirement system.

OHFA's required contributions under the plans for 2012, 2011, and 2010 were $1,029,283, $961,290, and $925,666, respectively and were equal to the required contributions under both plans for each respective year.

Note 9 – Risk Management

OHFA is exposed to various risks of loss related to torts; theft of, damage to, and destruction to assets; errors and omissions; injuries to employees; and natural disasters. OHFA pays an annual premium to a private insurance carrier for its tort liability, property loss and general liability insurance coverage. OHFA purchases commercial employee life insurance and pays an annual premium to the Oklahoma State and Education Employers Group Insurance Board for its employee health insurance coverage. OHFA carries insurance with the State Insurance Fund for other risks of loss, including workers' compensation and employee accident insurance. There has not been any significant reduction in insurance coverage from the prior year. Settled claims resulting from these risks have not exceeded insurance coverage in any of the past three fiscal years. The Agency is not subject to significant risk of loss with respect to the above risks.

Note 10 – Contingencies

Intergovernmental Financial Assistance – OHFA administers various federal and state programs. These programs are subject to audit and adjustments by the awarding agencies and other organizations. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable program. The amount, if any, of expenditures disallowed cannot be determined at this time. OHFA expects such amounts, if any, to be immaterial.

Litigation – OHFA, in the normal course of business, is a defendant in various lawsuits. Although the outcome of these lawsuits is not presently determinable, OHFA believes the resolution of these matters will not have a material adverse effect on the financial condition of OHFA.

SUPPLEMENTAL INFORMATION

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTAL INFORMATION

To the Board of Trustees
Oklahoma Housing Finance Agency

Our report on our audit of the basic financial statements of Oklahoma Housing Finance Agency for September 30, 2012, appears on page 1. That audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental information on the Single Family Mortgage Revenue Bond Programs and the combining statements are presented for the purpose of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Trustees
Oklahoma Housing Finance Agency

We have audited the financial statements of Oklahoma Housing Finance Agency (the Agency) as of and for the year ended September 30, 2012, and have issued our report thereon dated January 28, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

Management of the Agency is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Agency's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Agency's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

OKLAHOMA HOUSING FINANCE AGENCY

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

September 30, 2012

Note 1 – Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes all federal grant activity of the Oklahoma Housing Finance Agency (the Agency) and is presented on the accrual basis of accounting. The information in the Schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Nonprofit Organizations.* Because the Schedule presents only a selected portion of the operations of the Agency, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Agency.

Note 2 – Commitments and Contingencies

The Agency participates in various federal and state grant programs, which are governed by various rules and regulations of the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the Agency has not complied with the rules and regulations governing the grants, refunds of any money received may be required and the collectibility of any related receivable at September 30, 2012, may be impaired. In the opinion of management, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the grants.

Note 3 – Subrecipients

Of the federal expenditures presented in the Schedule, the Agency provided federal awards to subrecipients as follows:

Program Title Provided	Federal CFDA Number	Amount
HOME Investment Partnerships Program	14.239	$ 11,900,141
Housing Oportunities for Persons with AIDS	14.241	$ 207,635
Tax Credit Assistance Program	14.258	$ 1,531,802

Note 4 – ARRA Funded Programs not Subject to A-133 Audit

The Agency administered the U.S. Department of Treasury Section 1602 program which is not covered by the single audit requirements and is not required to be included in the Schedule. The Agency incurred expenditures of $13,789,626 for this program during 2012.

CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Trustees
Oklahoma Housing Finance Agency

We have audited the financial statements of Oklahoma Housing Finance Agency (the Agency) as of and for the year ended September 30, 2012, and have issued our report thereon dated January 28, 2013. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

Management of the Agency is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Agency's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

January 28, 2013

HoganTaylor LLP
CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Trustees
Oklahoma Housing Finance Agency

Compliance

We have audited the compliance of Oklahoma Housing Finance Agency (the Agency) with the types of compliance requirements described in the U. S. Office of Management and Budget (OMB) Circular A-133, *Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2012. The Agency's major federal programs are identified in the summary of auditor's results section of the accompanying *Schedule of Findings and Questioned Costs.* Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the Agency's management. Our responsibility is to express an opinion on the Agency's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Agency's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Agency's compliance with those requirements.

In our opinion, the Agency complied, in all material respects, with the compliance requirements referred to above that are could have a direct and material effect on each of its major federal programs for the year ended September 30, 2012. However, the results of our auditing procedures disclosed instances of noncompliance with those requirements that are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying *Schedule of Findings and Questioned Costs* as items 12-1 and 12-2.

Internal Control over Compliance

Management of the Agency is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the Agency's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on

internal control over compliance in accordance with OMB circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

The Agency's responses to the findings identified in our audit are described in the accompanying *Schedule of Findings and Questioned Costs*. We did not audit the Agency's responses and, accordingly, we express no opinion on them.

We have audited the financial statements of the Agency as of and for the year ended September 30, 2012, and have issued our report thereon dated January 28, 2013, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

This report is intended solely for the information and use of management, the Board of Trustees, others within the entity and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than those specified parties.

OKLAHOMA HOUSING FINANCE AGENCY

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year ended September 30, 2012

Section I – Summary of Auditors' Results

Financial Statements

Type of auditors' report issued: Unqualified

	Yes	No	None Reported
Internal control over financial reporting:			
Material weakness(es) identified?		X	
Significant deficiency(ies) identified?			X
Noncompliance material to financial statements noted?		X	

Federal Awards

	Yes	No	None Reported
Internal control over major programs:			
Material weakness(es) identified?		X	
Significant deficiency(ies) identified?			X

Type of auditors' report issued on compliance for major programs: Unqualified

	Yes	No	None Reported
Any audit findings disclosed that are required to be reported in accordance with section 510(a) of Circular A-133?	X		

OKLAHOMA HOUSING FINANCE AGENCY

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (continued)

Year ended September 30, 2012

Identification of major programs:

CFDA Number(s)	Name of Federal Program or Cluster
14.239	HOME Investment Partnerships Program
14.871	Section 8 Housing Choice Vouchers Program

Dollar threshold used to distinguish between type A and type B programs: $4,381,980

	Yes	No
Auditee qualified as low-risk auditee?	X	

Section II – Financial Statement Findings

None

Section III – Findings and Questioned Costs for Federal Awards

Finding 12-1: Program Reporting

Criteria:
For each grant over $200,000 that involves housing rehabilitation, housing construction, or other public construction, the prime recipient must submit Form HUD 60002 (24 CFR sections 135.3(a) and 135.90). As such, OHFA is required to submit Form HUD 60002 annually for the HOME Investment Partnerships Program. The report is due within 90 days of the program year-end and must contain key line items such as total dollar amount of construction contracts awarded on the project, total dollar amount of construction contracts awarded to Section 3 businesses, and total number of Section 3 businesses receiving construction contracts. The HOME program year-end is March 31st resulting in a June 30th reporting deadline.

Condition:
For the program year ended March 31, 2012, Form HUD 60002 for the HOME Investment Partnerships Program was not submitted until November 15, 2012. In addition, required amounts were not reported. All amounts reported were zeros.

Questioned Cost:
N/A

Cause:
OHFA was unclear as to whether or not amounts reported should be relative to OHFA as a participating jurisdiction or relative to its subrecipients (grantees). As such, OHFA gathered the grantee information as usual but elected to report the participating jurisdiction amounts.

Effect:
The inability to meet grant conditions could jeopardize the awarding of future grants. OHFA subsequently received notification from the U.S. Department of Housing and Urban Development to update the filing with the information gathered from grantees.

Recommendation:
We recommend OHFA submit the updated report as soon as possible and continue to report information at the subrecipient level for future reports by the specified deadline.

Oklahoma Housing Finance Agency Response:
Management concurs. The Section 3 report (form 6002) is normally submitted with the annual Consolidated Annual Performance and Evaluation Report (CAPER report) each year. The CAPER report is due annually by June 30. The CAPER report for program year 2011 was submitted in November 2011. The delay was due to implementing new processes within the HOME payment process. In the future, the report will be submitted by June 30.

Finding 12-2: Subaward Reporting under the Transparency Act

Criteria:
Prime Grant Recipients awarded a new Federal grant greater than or equal to $25,000 as of October 1, 2010, are subject to FFATA (Federal Funding Accountability and Transparency Act) sub-award reporting requirements as outlined in the Office of Management and Budgets guidance issued August 27, 2010. The prime awardee is required to file a FFATA sub-award report by the end of the month following the month in which the prime recipient awards any sub-grant greater than or equal to $25,000.

Condition:
Under the HOME Investment Partnerships Program, OHFA was the prime grant recipient. During 2012, OHFA awarded grants to subrecipients in excess of $25,000. No reporting of subawards was performed as required under FFATA.

Questioned Cost:
N/A

Cause:
The Federal Funding Accountability and Transparency Act is a relatively new legislation. 2012 was the first full year the A-133 Compliance Supplement requirement was in effect for OHFA's HOME Investment Partnerships Program. OHFA was unaware of the reporting requirement.

Effect:
The inability to meet grant conditions could jeopardize the awarding of future grants. OHFA subsequently received notification from the U.S. Department of Housing and Urban Development requesting OHFA to register and report the required information.

Recommendation:
We recommend OHFA register and submit the required information as soon as possible as well as implement controls to ensure future accurate and timely reporting.

Oklahoma Housing Finance Agency Response:
Management concurs. Management was unaware of the new reporting requirement. OHFA has consulted with the local HUD field office and obtained access to the FFATA Sub-award Reporting System (FSRS) database and entered all 2012 HOME awards. Future HOME awards will be entered into the FSRS database after awards are made by the OHFA Board.

OKLAHOMA HOUSING FINANCE AGENCY

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS

Year ended September 30, 2012

There were no prior year findings or questioned costs.
