INDEPENDENT AUDITOR'S REPORT

To the Town Council
Town of Millerton, Oklahoma

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Millerton, Oklahoma, as of and for the fiscal year ended June 30, 2012, which collectively comprise the Town of Millerton, Oklahoma's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Millerton, Oklahoma's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and in accordance with Oklahoma Statutes. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in the Notes, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

As discussed in Note 1 to the financial statements, the Town has not maintained accurate capital asset records to support the historical cost of past capital asset purchases. Accounting principles generally accepted in the United States of America require that capital assets be recorded at historical cost net of accumulated depreciation. Documentation supporting historical cost was not readily available for our review. The amount by which this departure would affect the assets, net assets, and expenses of the Governmental & Business-Type Activities is not readily determinable.

In our opinion, except for the effects, if any, on the financial statements of improper capital asset recordkeeping described in the preceding paragraph, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, business-type activities, each major fund and the aggregate remaining fund information of the Town of Millerton, Oklahoma, as of June 30, 2012, and the changes in modified cash basis financial position thereof for the year then ended in conformity with the basis of accounting described above.

In accordance with Government Auditing Standards, we have also issued our report dated October 12, 2012, on our consideration of the Town of Millerton, Oklahoma's internal control over financial reporting and on our tests of its compliance with certain provisions of laws,

KERSHAW CPA & ASSOCIATES, PC

5300 WEST OKMULGEE AVENUE
MUSKOGEE, OKLAHOMA 74401
PHONE (918) 684-1040
FAX (918) 684-1041

WEB: KERSHAWCPA.COM
E-MAIL: REK@KERSHAWCPA.COM

PONCA CITY, OKLAHOMA 74601
PHONE (580) 762-1040
FAX (580) 762-1047

regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in compliance with Government Auditing Standards and should be considered in assessing the results of our audit.

The Budgetary Comparison Information is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

The Town of Millerton has implemented the general provisions of the Governmental Accounting Standards Board (GASB) Statement No. 34. However the Town has not presented the Management's Discussion and Analysis required by the Governmental Accounting Standards Board (GASB) that the GASB has determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Millerton's basic financial statements. The introductory and the other supplementary information sections listed in the accompanying table of contents are presented for the purpose of additional analysis and are not a required part of the basic financial statements of the Town. Such additional information has not been subjected to the auditing procedures applied in our audit of the basic financial statements, and accordingly, we do not express an opinion thereon.

TOWN OF MILLERTON, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Town of Millerton, Oklahoma is a "Statutory Town Government" under Title 11 of the Oklahoma Statutes.

The Town provides the following services: Public safety streets and highways, sanitation, public improvements, and general administrative services. The Millerton Public Works Authority (Enterprise Fund) provides sewer services. The Millerton Public Works Authority is a public trust created under authority of Title 60 Oklahoma Statutes.

The Town's financial statements were prepared upon the standards established by GASB-34, which provides for two levels of financial statements: fund financial statements and government-wide financial statements.

The accounts of the Town are organized based on funds and account groups. The operations of each fund are accounted for by providing a separate set of self-balancing accounts, which comprise its assets, liabilities, fund equity, revenues, and expenditures or expenses. The various funds in this report are grouped into three fund types.

General Fund - The General Fund is used to account for all of the general revenues of the Town not specifically levied or collected for other Town funds, and for expenditures primarily related to the rendering of the general services to the Town.

Special Revenue Funds - Special Revenue Funds are established to account for revenues derived from specific taxes or other earmarked revenues. The Street and Alley Fund is reported as a special revenue fund.

Proprietary Fund Types - Proprietary Funds are used to account for operations that are financed and operated in manner similar to private business enterprises, where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges, or where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. The Millerton Public Works Authority Enterprise Fund is a Proprietary Fund Type.

The Reporting Entity and Component Units

The Town, for financial purposes, includes all of the funds and account groups relevant to the operations of the Town of Millerton. The financial statements presented herein do not include agencies which have been formed under applicable state laws or separate and distinct units of government apart from the Town of Millerton.

The financial statements of the Town include those of separately administered component units that are controlled by or dependent on the Town. Control or

TOWN OF MILLERTON, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

dependence is determined based on budget adoption, taxing authority, funding, and appointment of the respective governing board.

Based on the foregoing criteria, the financial statements of the following component units are blended into the accompanying financial statements: Millerton Public Works Authority. The Town board of trustees and PWA board of directors are the same.

Basis of Accounting

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental funds are accounted for using the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Expenditures are generally recognized under the cash basis when paid and revenue is recognized when received.

The Enterprise Fund (The Millerton Public Works Authority) financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. The cash basis has been modified to include depreciation of capitalized assets.

Cash and Investments

Cash includes amounts in demand deposits (checking accounts, NOW accounts, and savings). All investments are stated at cost, which approximates market, unless otherwise indicated. For financial statement purposes, certificates of deposits are classified as investments.

Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is employed in the governmental funds. Encumbrances are not recognized as the equivalent of expenditures; therefore, the reserve for encumbrances is reported as part of the fund balance on the balance sheet. However, it should be noted that the Town did not recognize any outstanding reserves at June 30, 2012. All budget appropriations lapse at the end of the fiscal year.

Budget

In accordance with Oklahoma Statutes, Title 68, the Town Council formally adopts annual budgets, which include substantially all general funds. These annual budgets are adopted on a basis consistent with the guidelines established by the Oklahoma Municipal Code. All budgets are prepared on the same cash basis of accounting as the financial statements are prepared.

TOWN OF MILLERTON, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

Fixed Assets

The Town records all fixed assets at cost. Assets acquired by the PWA (Enterprise Fund) are recorded in the PWA as assets at cost or if contributed property at the estimated fair market value at the time of contribution. Repairs and maintenance cost are recorded as expenses. Assets of governmental activities are reported in the Government-Wide financial statements are depreciated over lives of 5 to 50 years using the straight-line method. Assets recorded in the PWA are depreciated over their useful lives of 5 to 50 years using the straight-line method. The Enterprise Fund applies FASB No. 62 and capitalizes interest expense of borrowings related to construction project loans less the related interest earned on temporary interest bearing investment.

Complete detailed records of the cost of fixed assets owned and still in service are not available. The amounts recorded as property, plant and equipment of the Enterprise Fund have been estimated. The amount of property, plant, and equipment of and related depreciation, recorded as governmental activities has also been estimated.

Capitalization Policy

Purchases of capital items in excess of \$750.00 that increase the capacity or operation efficiency or extend the useful life of any asset are capitalized. Repairs and maintenance are expensed as incurred.

Due to and Due from Other Funds

Interfund receivables and payables arise from interfund transactions and are recorded by all funds affected in the period in which transactions are executed.

Estimates

The preparation of financial statements, in conformity with the cash basis of accounting, requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Compensated Absences and Fringe Benefits

Governmental Generally Accepted Accounting Principles require the recording of an expenditure and the accrual of a liability for future vacation, sick pay, and other leave benefits for employee service already rendered, related to rights that vest, if the payment of compensation is probable and the amount of benefits can be reasonably estimated.

TOWN OF MILLERTON, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

The Town's financial statements have been prepared on the modified cash basis and benefit cost (if any) are recognized when the benefits are paid. An accrued liability for benefits has not be recognized or reported in the financial statements.

Equity Classification

Equity is classified as net assets and displayed in three components:

1. Invested in capital assets, net of related debt—Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvements of those assets.
2. Restricted net assets—Consists of net assets with constraints placed on the use either by (a) external groups such as creditors, grantors, contributors, or laws and regulations of other governments; or (b) law through constitutional provisions or enabling legislation.
3. Unrestricted net assets—All other net assets that do not meet the definition of “restricted” or “invested in capital assets, net of related debt.”

Fund Balance

In accordance with Government Accounting Standards Board 54, Fund Balance Reporting and Governmental Fund Type Definitions, the Town classifies governmental fund balances as follows:

- Non-spendable - Includes fund balance amounts that cannot be spent either because it is not in spendable form or because of legal or contractual constraints.
- Restricted - Includes fund balance amounts that are constrained for specific purposes which are externally imposed by providers, such as creditors or amounts constrained due to constitutional provisions or enabling legislation.
- Committed - Includes fund balance amounts that are constrained for specific purposes that are internally imposed by the government through formal action of the highest level of decision making authority and does not lapse at year-end.
- Assigned - Includes fund balance amounts that are intended to be used for specific purposes that are neither considered restricted or committed. Fund Balance may be assigned by the Board.
- Unassigned - Includes positive fund balance within the General Fund which has not been classified within the above mentioned categories and negative fund balances in other governmental funds.

The Town uses restricted/committed amounts to be spent first when both restricted and unrestricted fund balance is available unless there are legal documents/contracts that prohibit doing this, such as a grant agreement requiring dollar for dollar spending. Additionally, the Government would first use committed, then assigned and lastly unassigned amounts of unrestricted fund balance when expenditures are made.

TOWN OF MILLERTON, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

The Government does not have a formal minimum fund balance policy.

The purpose of each major special revenue fund and revenue source is listed below:

<u>Major Special Revenue Fund</u>	<u>Revenue Source</u>
Street & Alley Fund	Commercial Vehicle Tax Gasoline Excise Tax
Grant Fund	Grant Income

Memorandum Only

The “Memorandum Only” captions above the total columns mean that totals are presented for overview information purposes only.

NOTE 2 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

As a local government unit, the Town is subject to various federal, state, and local laws and contractual regulations. In accordance with Government Auditing Standards, the auditor has issued a report on his consideration of the District’s internal control over financial reporting and tested its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in compliance with Government Auditing Standards and should be read in conjunction with this report in considering the results of the audit.

Finance-related Legal & Contractual Provisions

As described in Note 4, the Authority was in compliance with the reserve requirement of the GMAC (Berkadia) loan agreement.

Deficit Fund Balance or Retained Earnings

As indicated in the financial statements, there are no fund balance or retained earnings deficits for the District for this fiscal year.

Excess of Expenditures Over Appropriations

As indicated in Note 1, the District prepares an Estimate of Needs budget. The expenditures for the year did not exceed appropriations by more than the revenues exceeded budgeted revenues.

TOWN OF MILLERTON, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

NOTE 3 - DEPOSIT COLLATERAL

Custodial Credit Risk

At June 30, 2012, the Town held deposits of approximately \$40,201 at financial institutions. The Town's cash deposits, including interest-bearing certificates of deposit are covered by Federal Depository Insurance (FDIC) or direct obligation of the U.S. Government insured or collateralized with securities held by the Town or by its agent in the Town's name.

Investment Interest Rate Risk

The Town does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Investment Credit Risk

The Town has no policy that limits its investment choices other than the limitation of state law as follows:

- a. Direct obligations of the U.S. Government, its agencies and instrumentalities to which the full faith and credit of the U.S. Government is pledged, or obligations to the payment of which the full faith and credit of the State is pledged.
- b. Certificates of deposits or savings accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.
- c. With certain limitation, negotiable certificates of deposit, prime bankers' acceptances, prime commercial paper and repurchase agreements with certain limitations.
- d. County, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district.
- e. Notes or bonds secured by mortgage or trust deed insured by the Federal Housing Administrator and debentures issued by the Federal Housing Administrator, and in obligations of the National Mortgage Association.
- f. Money market funds regulated by the SEC and in which investments consist of the investments mentioned in the previous paragraphs (a.-d.).

NOTE 4 - RESTRICTED ASSETS

Moneys held on deposit for water utility customers of \$5,830 and construction funds of \$0 are restricted and unavailable for general use by the Town or Public Works Authority. The Enterprise Fund has a certificate of deposit for \$14,155, which is restricted for debt service per loan agreements.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

NOTE 6 - LONG-TERM DEBT

ENTERPRISE FUND - MILLERTON PUBLIC WORKS AUTHORITY

The Millerton Public Works Authority is a component unit of the Town of Millerton. The Public Works Authority provides sewer service for the community.

The Millerton Public Works Authority is obligated to Berkadia Commercial Mortgage. (Formerly Capmark Finance, Inc. and GMAC Commercial Mortgage). This note carries a 5% annual percentage rate and requires monthly installment payments of \$811 per month with final payment due February 2022. The note is dated June 23, 1982 - original amount of \$165,000 and original maturity June 2022. Collateral for the note is the sewer revenue generated by the system and a mortgage on the sewer system.

Changes in Long-Term Debt

The following is a summary of long-term debt additions and deductions for the year ended June 30, 2012:

	Balance 7/1/2011	Additions	Deductions	Balance 6/30/2012
Note Payable - Berkadia	\$ 80,081	\$ -	\$ (5,836)	\$ 74,245
	\$ 80,081	\$ -	\$ (5,836)	\$ 74,245

Debt Service Requirements to Maturity

A summary of future maturities of principal and interest are as follows:

Year Ending June 30,	Note Payable - Berkadia		Total
	Principal	Interest	
2013	\$ 6,158	\$ 3,574	\$ 9,732
2014	6,473	3,259	9,732
2015	7,386	2,346	9,732
2016	6,569	3,163	9,732
2017	7,518	2,214	9,732
2018-2022	40,141	4,959	45,100
Total	\$ 74,245	\$ 19,515	\$ 93,760

NOTE 7 - FUND EQUITY

As described in Note 1 above, equity is classified as net assets and displayed in three components:

1. Invested in capital assets, net of related debt
2. Restricted net assets
3. Unrestricted net assets

The restricted net assets include assets related to Note 3 above.

TOWN OF MILLERTON, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS

Fire Department Vehicles	Oklahoma Risk Mgmt Div.	
Workers Compensation	Oklahoma State Ins. Fund	

NOTE 9 - COMMITMENTS AND CONTINGENCIES

GRANT PROGRAMS

The Town participates in certain federal and state grant programs as available; currently the town is not participating in any ongoing programs. These programs are subject to financial and compliance audits by the grantor or its representative. Such audits could lead to requests for reimbursements to the grantor agency for expenditures disallowed under terms of the grant. The amount of expenditures that may be disallowed by the granting agency cannot be determined at this time, although it is believed by the Town that the amount, if any, would not be significant.

TOWN OF MILLERTON, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2012

LITIGATION

The financial statements do not include accrual or provision for loss contingencies resulting from litigation. Under applicable Oklahoma statutes, such judgments may become liabilities only of the Debt Service Fund and only in the year in which tax revenue is specifically assessed for payment of the claim, and only to the extent of the taxes so specifically assessed in that year. Such claims are generally paid through special tax assessments over a three-year period.

Accordingly, the Town believes that such claims should be recorded in the year in which taxes are assessed for payment on the claim, only to the extent of such tax revenue that is actually provided. This method is preferable to the conflicting rule for treatment of loss contingencies as set out in Statement of Financial Accounting Standards No.5 (issued by the Financial Accounting Standards Board) wherein contingencies should be recorded in full in the year in which it is probable that a liability has been created if the amount of loss can be reasonably estimated.

NOTE 10 - LEASE OF REAL ESTATE

On October 18, 2006, the Town entered into a lease agreement, with First Option to Purchase Real Estate, with Charles and Joyce McGehee. The McGehees are the owners of the following described McCurtain County, Oklahoma real estate: the west 727 feet of the east 1057 feet of Lot 1, Section 5, Township 07 south, Range 22 east Millerton, McCurtain County, Oklahoma containing 22 acres more or less and a parcel of land in Section 32, Township 06 south, Range 22 east beginning at the SE corner of the SE/4 of said Section, thence west 1057 feet thence, north 1550 feet to the south right of way line of the SL&SF railroad, thence SE along said right of way a distance of 1212 feet, thence south 957 feet to the point of beginning containing 30.48 acres more or less in Millerton, McCurtain County, Oklahoma. The lease is for a term of 20 years. Compensation for the lease is for the Town to provide approximately 1,300 linear feet of five strand barbed wire cross fence on said property with one 16 foot metal gate. The Town will install an above ground sprinkler system and protective equipment, for the discharge of water from its sewer lagoons located in the near vicinity of this real estate.

NOTE 11 - INTERFUND TRANSACTIONS

Interfund operating transfers for the year ended June 30, 2012, were as follows:

TOWN OF MILLERTON, OKLAHOMA

TOWN OF MILLERTON, OKLAHOMA
NOTES TO BUDGETARY COMPARISON SCHEDULE
JUNE 30, 2012

The Town's annual operating budget represents appropriations as authorized by the Board of Trustees and County Excise Board in accordance with the provisions of Title 68 of the Oklahoma Statutes. The Town's budget is limited by law to 90% of the amount of revenue collected in the prior year plus unreserved fund balance. In addition, revisions may be made to the budget throughout the year as authorized by the Board of Trustees and County Excise Board. The legal level of control of the budget is the expenditures category within a department. The expenditure categories required by the applicable State Statutes are:

1. Personal Services;
2. Maintenance and Operations; and
3. Capital Outlay

The budget is prepared on the same modified cash basis of accounting as applied to the basic financial statements. Revenues and expenses are reported when they result from cash transactions.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Town Council
Town of Millerton, Oklahoma

We have audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining funds of the Town of Millerton, State of Oklahoma, as of June 30, 2012, which were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles and which collectively comprise the Town's basic financial statements and have issued our report thereon dated October 12, 2012, which was qualified for the effect on the basic financial statements for the improper capital asset recordkeeping. The Town of Millerton has implemented the general provisions of Governmental Accounting Standards Board (GASB) Statement No. 34, except that the Town did not present the required MD&A. We conducted our audit in accordance with U.S. generally accepted auditing standards, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and in accordance with Oklahoma Statutes.

Internal Control Over Financial Reporting

Management of the Town of Millerton is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the Town of Millerton's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town of Millerton's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Town of Millerton's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weakness, as defined above. However, we identified certain deficiencies in internal control over financial reporting, described in the accompanying Schedule of Findings that we consider to be significant deficiencies in internal control over financial reporting. Those deficiencies are listed as Items 12-01 & 12-02. A

KERSHAW CPA & ASSOCIATES, PC

5300 WEST OKMULGEE AVENUE
MUSKOGEE, OKLAHOMA 74401
PHONE (918) 684-1040
FAX (918) 684-1041

WEB: KERSHAWCPA.COM
E-MAIL: REK@KERSHAWCPA.COM

607 NORTH 1ST STREET
PONCA CITY, OKLAHOMA 74601
PHONE (580) 762-1040
FAX (580) 762-1047

significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Town of Millerton's financial statements are free of material misstatement, we performed tests of compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Town's response to the findings identified in our audit is described in the accompanying Schedule of Findings. We did not audit the Town's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the board of trustees and management of the Town of Millerton, Oklahoma and is not intended to be and should not be used by anyone other than these specified parties.

Kershaw CPA & Associates, P.C.
Kershaw CPA & Associates, PC

October 12, 2012

TOWN OF MILLERTON, OKLAHOMA
SCHEDULE OF FINDINGS
JUNE 30, 2012

Item 12-01 - Segregation of Duties

Criteria - The segregation of duties is important to have adequate control over financial assets.

Condition - The Town of Millerton has the same employees performing work normally segregated between two or more employees, including receiving funds and posting those funds to the town's books. This is a repeat condition from the prior years.

Cause - The Town of Millerton's small size limits the amount of staffing needed to properly segregate the clerk and treasurer functions.

Effect - The lack of segregation of duties could increase the risk that misstatements material to the financial statements could occur and not be detected within a timely manner.

Recommendation - The lack of segregation of duties is a common deficiency in Town's the size of Millerton. The governing body should be aware of the increased risk and develop policies and procedures to reduce the effect of the internal control deficiency.

Response - The board continues to be actively involved in the operations of the Town.

Item 12-02: Refundable Customer Deposits

Criteria: It is the responsibility of the Authority to properly report and account for the financial information.

Condition: The Authority keeps a ledger documenting the balance of customer deposits, however, the balance in the ledger does not reconcile to the liability account and the bank account does not have a sufficient balance to cover the reported balance of the liability.

Cause/Effect: Customers could potentially not receive proper reimbursement on their deposit and the organization's balance sheet could be incorrect with respect to the deposit account.

Recommendation: It is recommended that the organization properly report and account for the balance of customer deposits.

Response: The Authority is aware of the problem.
