INDEPENDENT AUDITOR'S REPORT

The Board of Commissioners
Mayes County Public Facilities Authority
Mayes County, Oklahoma

We have audited the accompanying financial statements of the Mayes County Public Facilities Authority ("the Authority") of Mayes County, State of Oklahoma as of June 30, 2016, and the related statement of revenues, expenses, and changes in fund net position for the year then ended. .

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation, and fair presentation, of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation, and fair presentation, of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements, based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan, and perform, the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts, and disclosures, in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation, and fair presentation, of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used, and the reasonableness of significant accounting estimates made, by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Authority, as of June 30, 2016, and the changes in financial position and cash flows, for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

OTHER MATTERS

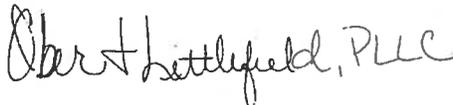

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, on pages 3-5, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting, for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information, in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information, and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion, or provide any assurance, on the information because the limited procedures do not provide us with sufficient evidence to express an opinion, or provide any assurance.

OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

In accordance with Government Auditing Standards, we have also issued our report, dated November 28, 2016, on our consideration of the Authority's internal control over financial reporting, and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide an opinion on internal control over financial reporting, or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Authority's internal control over financial reporting and compliance.

Very truly yours,

OBER & LITTLEFIELD, CPAs, PLLC

**MAYES COUNTY PUBLIC FACILITIES AUTHORITY
MANAGEMENT'S DISCUSSION AND ANALYSIS
(UNAUDITED)
JUNE 30, 2016**

WHO WE ARE

The Authority was created on April 15, 2002 for the purpose of promoting, developing and financing the acquisition, construction, rehabilitation and equipping county buildings. Specifically, the Authority has issued \$11,100,000 of revenue notes to construct and furnish a new County Court House and to demolish the old court house. Both of these were accomplished in prior years. At present the Authority is making repairs to county properties and acquiring some equipment. However, the main purpose now is the retirement of debt.

The Governing Board consists of the three Mayes County Commissioners, a resident of Mayes County appointed by the commissioners and a resident of Mayes County appointed by the Chief District Judge serving Mayes County. At June 30, 2016 these trustees were:

Darrell Yoder	Commissioner
Ryan Ball	Commissioner
Kevin Whiteside	Commissioner
Kim Ritchie	Citizen
Valerie Taylor	Citizen

Payment of improvements for other county facilities and the acquisition of land and construction of additional parking for the new county Courthouse facility may be paid for with either sales tax revenues directly or by indebtedness incurred by the Authority secured by said sales tax revenue.

The sales tax is to terminate at the earliest possible date that said sales tax revenues are sufficient to retire said bonds.

Essentially the purpose of the Authority is to finance and construct facilities for the primary government, which at present is a new court house.

1.E MEASUREMENT FOCUS AND BASIS OF ACCOUNTING -

Measurement focus is a term used to describe "which" transactions are recorded within the various financial statements. Basis of accounting refers to "when" transactions are recorded regardless of the measurement focus applied.

Measurement Focus

On the Statement of Net Position and the Statement of Activities, activities are presented using the economic resources measurement focus as defined in item b. below.

In the fund financial statements (statements 3 and 4), the "current financial resources" measurement focus or the "economic resources" measurement focus is used as appropriate:

- a. Statements 3 and 4 utilize a "current financial resources" measurement focus. Only current financial assets and liabilities are generally included on its balance sheet. The operating statements present sources and uses of available spendable financial resources during a given period. Fund balance is its measure of available spendable financial resources at the end of the period.
- b. Statements 1 and 2 utilize an "economic resources" measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position (or cost recovery) and financial position. All assets and liabilities (whether current or noncurrent) associated with activities are reported.

Basis of Accounting

Effective for the year ending June 30, 2004, the Authority prepared its financial statements in accordance with GASB 34 and, accordingly, the financial statements are prepared on a full accrual basis for all statements.

Cash - This consists of funds held by the Mayes County Treasurer for the benefit of the Authority. Such funds are the result of sales tax receipts and may be used for any purpose as outlined in this note.

Funds with Trustee Bank - These funds, at June 30, 2016 are essentially for the retirement of long-term debt.

Net Position - Represents the excess of assets over liabilities. Net position is divided into invested assets and reserved for the stated purpose of the Authority.

2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

State law requires the pledging of securities as collateral for all funds on deposit by the Authority. All funds are maintained in the name of the Treasurer, Mayes County, and collateral is pledged as security in the name of Mayes County to cover the cash and certificates of deposit contained in this report and is responsible for determining the adequacy of such collateral and determining compliance with state law.

3. TAXES RECEIVABLE

Taxes receivable consist of sales tax received in July and August, 2016 representing sales tax collected by vendors in May and June, 2016.

4. FUNDS WITH TRUSTEE BANK

Fund with the trustee bank are invested in money market funds and market value is equal to book value.

- 2) All right, title and interest of the Authority in and to the facilities and
- 3) The interest of the Authority in and to the lease agreement wherein Mayes County leased the County Courthouse to the Authority with no rent for the period June 1, 2004 through May 31, 2013, or until all indebtedness of the Authority is retired or provision for payment has been made.

7. NET POSITION

The book values of the land and the depreciable assets are reflected as invested in capital assets as these assets were not paid from bond proceeds. The remainder of net position is reflected as reserved for capital projects and debt as they are either the result of the bond proceeds or are available for the stated purpose of the Authority.

8. RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts, theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority and Mayes County manage these various risks through the purchase of commercial insurance with varying deductibles. These deductibles are below materiality levels for the Authority.

9. SUBSEQUENT EVENTS

It is anticipated that the bonds will be paid off in the year ending June 30, 2017, as sufficient funds will be available to retire the bonds. The Oklahoma Tax Commission has been notified to stop the 3/8 cent sales tax at March 31, 2017. Thus the authority will receive sales tax through May, 2017 for the month of March.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

The Board of Commissioners
Mayes County Public Facilities Authority
Mayes County, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America, and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the accompanying financial statements of the Mayes County Public Facilities Authority (“the Authority”), of Mayes County, State of Oklahoma, as of and for the year ended June 30, 2016, which collectively comprise the Authority’s basic financial statements, and have issued our report thereon dated November 28, 2016.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered the Authority’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate, in the circumstances, for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section, and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the Authority’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Board of Commissioners
Mayes County Public Facilities Authority

PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control, or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
