## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Johnston County RWS&SWMD #4  
Coleman, Oklahoma

### *Report on the Financial Statements*

We have audited the accompanying financial statements of Johnston County RWS&SWMD #4, as of and for the fiscal year ended December 31, 2019, as listed in the table of contents and the related notes to the financial statements.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and in accordance with Oklahoma Statutes. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements

in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used, and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

JOHNSTON COUNTY RWS&SWMD #4  
COLEMAN, OKLAHOMA  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

A. The Reporting Entity

The Coleman Waterworks, Inc. is a non-profit corporation having been organized and established under the provisions of Title 18 of the Oklahoma Statutes, for the purpose of constructing and operating a water supply distribution system serving the members of the Corporation. The Corporation was organized in Coleman, Oklahoma on March 27, 1969.

On December 9, 2004, the corporation was dissolved and the District was reorganized under the provisions of the Rural Water, Sewer and Solid Waste Management Districts Act of Oklahoma (82 O.S. 1991 Sec. 1324-01-1324.26) as amended and supplemented. The new name of the District shall be "Rural Water, Sewer and Solid Waste Management District No. 4, Johnston County, Oklahoma."

B. Basis of Presentation

The District is accounted for within the framework of enterprise fund accounting. Enterprise funds are used to account for operations that are operated in a manner similar to private business enterprises wherein the intent of the District's Board of Directors is to recover the cost of providing goods and services through user charges

C. Basis of Accounting

The financial statements of the District are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

D. Budgetary Data

In accordance with the By-laws of the District, an annual budget is prepared for internal bookkeeping purposes. The District prepares USDA Form RD 442-2A Statement of Budget, Income and Equity as its budget for the year.

JOHNSTON COUNTY RWS&SWMD #4  
COLEMAN, OKLAHOMA  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019

E. Assets, Liabilities & Equity

Cash and Cash Equivalents

For purposes of the statement of cash flows, the District considers all cash on hand, demand deposits and highly liquid investments (including restricted assets), with a maturity of three months or less when purchased, to be cash and cash equivalents.

Allowance for Doubtful Accounts

The District does not have an allowance for doubtful accounts because it believes the ultimate amount received will be materially similar to the amount accrued.

Capital Assets

Water distribution facilities, office furniture and equipment purchased, or constructed by the District are stated at cost. Depreciation is computed on the straight-line method based on the estimated useful lives of the assets ranging from five to forty years. The capitalization threshold has been set at \$100.00.

Construction in progress is recorded at cost. No depreciation is recognized until construction contracts are complete and the applicable facilities become operational.

Long-Term Debt

Long-term liabilities are recorded at the amount payable as of the report date.

Equity Classification

Equity is classified as net position and displayed in three components:

1. Net investment in capital assets – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition,

JOHNSTON COUNTY RWS&SWMD #4  
COLEMAN, OKLAHOMA  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019

construction, or improvements of those assets and adjusted for any deferred inflows and outflows of resources attributable to capital assets and related debt.

2. Restricted – Consists of restricted assets reduced by liabilities and deferred inflows or resources related to those assets, with restriction constraints placed on the use either by (a) external groups such as creditors, grantors, contributors, or laws and regulations of other governments; or (b) law through constitutional provisions or enabling legislation.
3. Unrestricted - Net amount of assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component of net position.

It is the District's policy to first use restricted net resources prior to the use of unrestricted net resources when an expense is incurred for purposes for which both restricted and unrestricted net resources are available.

F. Revenues, expenditures & expenses

Operating revenues and expenses for proprietary funds result from providing services and producing and delivering goods and/or services. They also include all revenues and expenses not related to capital and related financing, noncapital financing, or investing activities.

G. Governmental Accounting Standards Board Statement No. 34

In June 1999, the Governmental Accounting Standards Board (GASB) unanimously approved Statement No. 34, Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments. Certain of the significant changes in the Statement include the following:

1. For the first time the financial statement should include:
  - a. A Management Discussion and Analysis (MD&A) section providing analysis of the District's overall financial position and results of operations. However, the District

JOHNSTON COUNTY RWS&SWMD #4  
COLEMAN, OKLAHOMA  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019

has chosen not to present the required MD&A for the current year.

b. Financial statements prepared using full accrual accounting for all of the District's activities, except for including the General capital assets or infrastructure (lines, pump stations, etc.).

2. A change in the fund financial statements to focus on major funds.

These and other changes are reflected in the accompanying financial statements (including the notes to the financial statements). The District has elected to implement the general provisions of the Statement and report infrastructure acquired after December 31, 2003 as provided by GASB standards.

H. Memorandum Totals

The "memorandum only" captions above the total columns mean that totals are presented for overview information purposes only.

NOTE 2 - STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

As a local government unit, the District is subject to various federal, state, and local laws and contractual regulations. In accordance with Government Auditing Standards, the auditor has issued a report on his consideration of the District's internal control over financial reporting and tested its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in compliance with Government Auditing Standards and should be read in conjunction with this report in considering the results of the audit.

Finance-related Legal & Contractual Provisions

As described in Note 4, the District was in compliance with the reserve requirement of the Rural Development loan agreement.

Deficit Fund Balance or Retained Earnings

As indicated in the financial statements, there are no fund balance or retained earnings deficits for the District for this fiscal year.

Investment Interest Rate Risk

The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Investment Credit Risk

The District has no policy that limits its investment choices other than the limitation of state law as follows:

- a. Direct obligations of the U.S. Government, its agencies and instrumentalities to which the full faith and credit of the U.S. Government is pledged, or obligations to the payment of which the full faith and credit of the State is pledged.
- b. Certificates of deposits or savings accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors  
Johnston County RWS&SWMD #4  
Coleman, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and in accordance with Oklahoma Statutes, the financial statements of the Johnston County RWS&SWMD #4, as of and for the year ended December 31, 2019, and the related notes to the financial statements, and have issued our report thereon dated July 8, 2020. The Johnston County RWS&SWMD #4 has implemented the general provisions of the Governmental Accounting Standards Board (GASB) Statement No. 34, except that the District did not present the required MD&A.

### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Johnston County RWS&SWMD #4's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Johnston County RWS&SWMD #4's internal control. Accordingly, we do not express an opinion on the effectiveness of Johnston County RWS&SWMD #4's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that

we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control described in the accompanying Schedule of Findings that we consider to be significant deficiencies. Those deficiencies are listed as Item 19-01.

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Johnston County RWS&SWMD #4's financial statements are free of material misstatement, we performed tests of compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## Johnston County RWS&SWMD #4's Response to Findings

Johnston County RWS&SWMD #4's response to the findings identified in our audit is described in the accompanying Schedule of Findings. Johnston County RWS&SWMD #4's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

COLEMAN, OKLAHOMA  
SCHEDULE OF FINDINGS  
DECEMBER 31, 2019

INTERNAL CONTROL FINDINGS:

Item 19-01: Segregation of Duties

Criteria: A good system of internal control requires a proper segregation of duties to prevent one person from being in a position to authorize, execute, and record the same transaction.

Condition: Due to the size of the District's major areas of internal control, that would be prevalent in a larger District, such segregation of duties is not available for this size operation. Duties are concentrated in the hands of a few individuals, who are responsible for all phases of the accounting functions. Because of this lack of division of responsibility, internal control is determined to be weak, and in some instances, non-existent.

Cause/Effect: Due to the limited number of personnel, a breach of internal controls could occur and not be detected in the normal course of operations.

Recommendation: The Board should continue to be actively involved in the operations of the organization.

Response: The Board continues to be actively involved in the operations of the organization.

COMPLIANCE FINDINGS:

None
