INDEPENDENT AUDITOR'S REPORT

To the City Council and City Manager
City of Prague, Oklahoma

Opinions

We have audited the accompanying modified cash basis financial statements of the governmental activities, the business-type activities, each major fund, and aggregate remaining fund information of the City of Prague, Oklahoma as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the basic financial statements of the City's primary government as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the primary government of the City of Prague, Oklahoma as of June 30, 2022, and the respective changes in modified cash basis financial position, and where applicable, cash flows thereof for the year then ended in accordance with the modified cash basis of accounting described in Note 1B.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City of Prague, Oklahoma and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis of Accounting

We draw attention to Note 1B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Emphasis of Matter

As discussed in Note 1A, the financial statements referred to above include only the primary government of the City of Prague, Oklahoma, which consists of all funds and trusts that comprise the City's legal entity. These primary government financial statements do not include financial data for the City's legally separate component unit, the Prague Hospital Authority (PHA). As a result, the City's primary government financial statements do not include all component units of the financial reporting entity. Our opinion on the opinion units listed in the first section above is not modified with respect to this matter. The

Prague Healthcare Authority issues separate audited financial statements which are presented in accordance with accounting principles generally accepted in the United States of America.

We have audited, in accordance with auditing standards generally accepted in the United States of America, the modified cash basis financial statements of the reporting entity of the City of Prague, Oklahoma, as of and for the year ended June 30, 2022, and our report thereon, dated November 8, 2022, expressed an unmodified opinion on those financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1B, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City of Prague, Oklahoma's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City of Prague, Oklahoma's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Other Information

Management is responsible for the other information included in the annual report. The other information comprises the management's discussion and analysis, budgetary comparison information, combining non-major governmental fund statements, schedules of federal and state awards, and debt service coverage information, but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 8, 2022, on our consideration of the City of Prague, Oklahoma's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Prague, Oklahoma's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering City of Prague, Oklahoma's internal control over financial reporting and compliance.

CITY OF PRAGUE, OKLAHOMA
Management's Discussion and Analysis
As of and for the Year Ended June 30, 2022

MANAGEMENT'S DISCUSSION AND ANALYSIS

CITY OF PRAGUE, OKLAHOMA
Management's Discussion and Analysis
As of and for the Year Ended June 30, 2022

The management of the City of Prague is pleased to provide this annual financial report to its citizens, taxpayers and other report users to demonstrate its accountability and communicate the City's financial condition and activities as of and for the year ended June 30, 2022. Management of the City is responsible for the fair presentation of this annual report, for maintaining appropriate internal controls over financial reporting, and for complying with applicable laws, regulations, and provisions of grants and contracts. The City reports its financial statements and schedules on a modified cash basis which is a comprehensive basis of accounting other than generally accepted accounting principles. All of the financial analyses in this report must be considered within the context of the limitations of the modified cash basis of accounting.

FINANCIAL HIGHLIGHTS

- As reported on a modified cash basis, the City's total net position increased by \$416,791, and the assets of the City exceed its liabilities at June 30, 2022, by \$1,894,409 (net position). Of this amount, \$824,198 (unrestricted net position) is available to meet the government's ongoing needs.
- At June 30, 2022, the City's governmental funds reported combined ending total fund balances on a modified cash basis of \$1,041,523.
- At the end of fiscal year 2022, unassigned fund balance on a modified cash basis for the General Fund was a deficit of \$152,847.

ABOUT THE CITY

The City of Prague is an incorporated municipality with a population of approximately 2,400 located in Lincoln County in central Oklahoma. The City is governed by a five-member Council and operates under state law and city ordinances through the three branches of democratic government:

- Legislative – the City Council is a five-member governing body elected by the citizens at large
- Executive – the City Manager is the Chief Executive Officer and is appointed by the City Council
- Judicial – the Municipal Judge is a practicing attorney appointed by the City Council

The City provides typical municipal services such as public safety, health and welfare, street and alley maintenance, parks and recreation, and through its Public Works Authority, certain utility services including electric, water, wastewater, and sanitation.

The City's Financial Reporting Entity

Except as noted below, this annual report includes all activities for which the City Council is financially accountable. These activities, defined as the City's financial reporting entity, are operated within separate legal entities.

The City's financial reporting entity includes the following separate legal entities.

- **The City of Prague** – an incorporated City that operates the public safety, streets and public works, health and welfare, culture and recreation, and administrative activities of the City – *reported as part of the primary government*

- **The Prague Public Works Authority (PPWA)** – public trust created pursuant to 60 O.S. § 176 to operate the water, wastewater, electric and sanitation services of the City, with the City Council members serving as the trustees – *considered part of the primary government presentation for reporting purposes*

The Prague Healthcare Authority – public trust created pursuant to 60 O.S. § 176 to operate the healthcare facilities that serve the residents of the City, trustees are appointed by the mayor with City Council members approval. This trust was formed to potentially take over operation of the hospital when all legal proceedings were complete. Management of the City has elected to exclude the Authority in this financial statement report.

For the included public trust, the Prague Public Works Authority (PPWA), the City of Prague is the beneficiary of the trust and the entire City Council serves as the governing body of the trust. In addition, as required by state law, all debt obligations incurred by the trust must be approved by two-thirds vote of the City Council. This is considered sufficient imposition of will to demonstrate financial accountability and to include the trusts within the City's financial reporting entity. This public trust does not issue separate annual financial statements.

For the excluded public trust, the Prague Healthcare Authority, the City of Prague is also the beneficiary of the trust. The City Council appointed the original Trustees of the Authority and selects the replacement Trustees from a list of names provided by the remaining Trustees of the Authority. In addition, all debt obligations incurred by the trust must be approved by two-thirds vote of the Town Council.

OVERVIEW OF THE FINANCIAL STATEMENTS

The financial statements presented herein include all of the activities of the City of Prague (the "City"), the Prague Public Works Authority (the "Public Works Authority"). Included in this report are government-wide statements for each of the two categories of activities - governmental and business-type.

The government-wide financial statements present the complete financial picture of the City using the modified cash basis of accounting. They present governmental and business-type activities separately and combined. For governmental and business-type activities, these statements tell how these services were financed in the short term as well as what remains for future spending. Fund financial statements also report the City's operations in more detail than the government-wide statements by providing information about the City's most significant funds.

Reporting the City as a Whole

The Statement of Net Position and Statement of Activities

One of the most important questions to ask about the City's finances is, "Has the City's overall financial condition improved, declined or remained steady as a result of the year's activities?" The Statement of Net Position and the Statement of Activities report information about the City as a whole and about its activities in a way that helps answer this question. You will need to consider other non-financial factors, however, such as changes in the City's sales tax base, the condition of the City's roads, and quality of service to assess the overall health of the City. You will also need to keep in mind that these government-wide statements are prepared in accordance with the modified cash basis of accounting and include only those City assets and liabilities resulting from cash transactions.

CITY OF PRAGUE, OKLAHOMA
Management's Discussion and Analysis
As of and for the Year Ended June 30, 2022

In the Statement of Net Position and the Statement of Activities, we divide the City into two kinds of activities: *Governmental activities* - Most of the City's basic services are reported here, including the police, fire, administration, and streets. Sales taxes, franchise fees, fines, and state and federal grants finance most of these activities; and *Business-type activities* - Activities where the City charges a fee to customers to help cover all or most of the cost of certain services it provides are reported here. The City's electric, water, sewer, and sanitation utilities are reported as business-type activities.

Reporting the City's Most Significant Funds - Fund Financial Statements

Fund Financial Statements

The fund financial statements provide detailed information about the City's most significant (major) funds -- not the City as a whole. Some funds are required to be established by State law and by debt covenants. However, the City Council may also establish certain other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants, and other money.

Governmental funds - All of the City's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. Governmental funds report their activities on a modified cash basis of accounting. For example, these funds report the acquisition of capital assets and payments for debt principal as expenditures and not as changes to asset and debt balances. The governmental fund statements provide a detailed short-term view of the City's general government operations and the basic services it provides. Governmental fund information helps you determine (through a review of changes to fund balance) whether there are more or fewer financial resources that can be spent in the near future to finance the City's programs. The differences of results in the governmental fund financial statements to those in the government-wide financial statements are explained in a reconciliation following each governmental fund financial statement.

Proprietary funds - When the City, through the Public Works Authority, charges customers for the services it provides, these services are generally reported in proprietary funds. Proprietary funds are also reported on the modified cash basis of accounting. The City's proprietary fund is the Prague Public Works Authority that accounts for the operation of the electric, water, sewer, and sanitation activities.

Notes to the Financial Statements

The notes provide additional information that is essential to gain an understanding of the data provided in the government-wide and fund financial statements. The Notes to the Financial Statements can be found on pages 25-37 of this report.

Other Information

In addition to the basic financial statements and accompanying notes, this report also presents Budgetary Comparison Schedules for the General Fund and Emergency Reserve Fund, combining and individual fund financial statements and schedules, a federal and state award schedule, and debt service coverage schedule.

CITY OF PRAGUE, OKLAHOMA
Management's Discussion and Analysis
As of and for the Year Ended June 30, 2022

Business-type current assets and also unrestricted net position increased approximately \$301,000 due to an increase in cash. There is a decrease in hospital expenditures in the current year due to the issuance of debt in the prior year and the expense that was associated with it.

Governmental activities capital grants and contributions decreased approximately \$305,000 due the City not receiving as many capital grants in the current year. The decrease in airport expense and is due to the grant expenses being higher in the prior year. The City did receive ARPA grant revenue this year but it is recorded in intergovernmental revenue so that is the reason for the increase there. This is also the reason for the increase in restricted net position and the decrease in unrestricted net position. The ARPA grant revenue is reported as restricted until it is spent.

Governmental Activities

The City's governmental activities had an increase in net position of \$117,967. See explanations above.

TABLE 3
Net Revenue (Expense) of Governmental Activities

A FINANCIAL ANALYSIS OF THE CITY'S FUNDS

As the City completed its 2022 fiscal year, the governmental funds reported a combined total fund balance of \$1,041,523.

Other fund highlights include:

- For the year ended June 30, 2022, the Emergency Reserve Fund's total fund balance increased by \$125,899.
- The Capital Improvement Fund had an increase of \$45,001 in fund balance.
- Street Improvement Sales Tax Fund had an increase of \$47,702 in fund balance.

Budgetary Highlights

For the year ended June 30, 2022, the General Fund reported actual budgetary basis revenues under final estimates by \$72,830 or a 3.4% negative variance. General Fund actual expenditures were under final appropriations by \$62,577 or 2.9% positive variance.

ECONOMIC FACTORS AND NEXT YEAR'S ESTIMATES

The following information outlines significant known factors that will affect subsequent year finances:

- The Prague Healthcare Authority taking over control of the hospital is still in its beginning stages, but it is a vital asset to the community.
- Sales and use tax revenues are still doing well and need to be monitored for changes.
- COVID 19 still has some lasting impacts on all functions within the city and the community.
- The City will continue to go after additional grants to help meet the needs of the city, add new amenities and to improve the aging infrastructure.
- The City is working in hand with the Chamber to try to fill the empty buildings in town with new businesses and promote new construction, both commercial and residential.

Contacting the City's Financial Management

This report is designed to provide our citizens, taxpayers, customers and creditors with a general overview of the City's finances and to demonstrate the City's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the City Clerk's office at 820 N. Jim Thorpe Blvd., Prague, Oklahoma 74864 or telephone at 405-567-2270.

**CITY OF PRAGUE, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2022**

FOOTNOTES TO THE BASIC FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

A. Financial Reporting Entity

The City's financial reporting entity consists of the primary government, one blended component unit, and one component unit that management has elected to exclude from the financial statements.

- **The City of Prague** – an incorporated municipality that operates the public safety, streets and public works, health and welfare, culture and recreation, and administrative activities of the City – *reported as part of the primary government*
- **The Prague Public Works Authority (PPWA)** – public trust created pursuant to 60 O.S. § 176 to operate the water, wastewater, electric, and sanitation services of the City, with the City Council members serving as the trustees – *considered part of the primary government for reporting purposes*

For the above public trust, the City of Prague is the beneficiary of the trust and the City Council either serves as the governing body of the trust or appoints the trustees. In addition, as required by state law, all debt obligations incurred by the trust must be approved by two-thirds vote of the City Council. This is considered sufficient imposition of will to include the trust within the City's financial reporting entity. The public trust does not issue separate annual financial statements.

The Prague Healthcare Authority (PHA) – public trust created pursuant to 60 O.S. § 176 to operate the healthcare facilities that serve the residents of the City, trustees are appointed by the mayor with City Council members approval. The City took over operation of the hospital in December 2020. The PHA will present GAAP financial statements with a September 30 year end and will be audited separately.

In determining the financial reporting entity, the City complies, with the exception of the omission of the Prague Healthcare Authority, with the provisions of Governmental Accounting Standards Board Statement No. 14, "*The Financial Reporting Entity*" as amended by Statement 61, that requires the primary government and all component units of which the primary government is financially accountable be included in the financial report.

B. Basis of Accounting and Presentation

Government-Wide Financial Statements:

The statement of net position and activities are reported on a modified cash basis of accounting. The modified cash basis of accounting is based on the recording of cash and cash equivalents and changes therein, and only recognizes revenues, expenses, assets and liabilities resulting from cash transactions adjusted for certain modifications that the City has selected which have substantial support in generally accepted accounting principles.

These modifications include adjustments for the following balances arising from cash transactions:

CITY OF PRAGUE, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2022

- cash-based interfund receivables and payables
- other cash-based receivables/payables
- investments
- utility deposit liabilities

As a result of the use of this modified cash basis of accounting, certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not yet collected, and accrued revenue and receivables) and certain liabilities and their related expenses (such as accounts payable and expenses for goods or services received but not yet paid, and accrued expenses and liabilities) are not recorded in these financial statements. In addition, property, equipment, and infrastructure assets are not recorded or depreciated, nor is debt reflected as a liability.

Program revenues within the statement of activities are derived directly from each activity or from parties outside the City's taxpayers. The City has the following program revenues in each activity:

- General government: License and permits
- Public safety: Fine revenue and operating grants
- Streets and highways: Gas excise and commercial vehicle taxes

Governmental Funds:

The City's governmental funds are comprised of the following:

Major Funds:

- **General Fund** - accounts for all activities not accounted for in other special-purpose funds. For external financial statement reporting purposes, the Library account, which accounts for certain revenues and expenditures of the Prague Public Library, is combined and reported with the General Fund.
- **Emergency Reserve Fund** – a special revenue fund that accounts for revenues constrained for special projects of the City
- **Capital Improvement Fund** – a capital projects fund that accounts for contributions and specific revenue and transfers from other City funds for various capital outlay and improvement projects
- **Street Improvement Sales Tax Fund**– a capital project fund that accounts for voter restricted sales tax revenue, contributions and specific revenues, and transfers from other City funds for various street capital projects as the City Council may designate

Non-Major Funds (Reported as Other Governmental Funds):

- **Cemetery Care Fund** – a capital project fund that accounts for 12.5 percent of cemetery revenue restricted by State law for cemetery capital improvements and other cemetery revenues
- **E-911 Fund** – a special revenue fund that accounts for a transfer from the PPWA for E-911 services
- **CDBG Grant Fund** – a capital project fund that accounts for CDBG grant revenues and related expenditures

CITY OF PRAGUE, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2022

- **Fire Fund**– a capital project fund that accounts for the voter restricted sales tax revenue from previous years that is to be used by or for the City of Prague fire department
- **Airport Grant Fund**– a capital project fund that accounts for the airport grant revenues and related projects

The governmental funds are reported on a modified cash basis of accounting. Only current financial assets and liabilities are generally included on the fund balance sheets. The operating statements present sources and uses of available spendable financial resources during a given period. These fund financial statements use fund balance as their measure of available spendable financial resources at the end of the period. The reconciliation of the governmental funds financial statements to the governmental activities presentation in the government-wide financial statements is not provided.

Proprietary Funds:

The City’s proprietary fund is comprised of the following:

- Prague Public Works Authority (PPWA) – accounts for the operation of the electric, water, wastewater, sanitation and hospital rental activities

The proprietary funds are reported on a modified cash basis, as defined above.

For purposes of the statement of revenues, expenses and changes in fund net position, operating revenues and expenses are considered those whose cash flows are related to operating activities, while revenues and expenses related to financing, capital and investing activities are reported as non-operating or transfers and contributions.

C. Cash, Cash Equivalents, and Investments

Cash and cash equivalents includes all demand and savings accounts, certificates of deposit or short-term investments with an original maturity of three-months or less, and money market accounts.

Investments consist of long-term certificates of deposits, reported at cost, and shares of a government obligation mutual fund reported at the current fund share price, which also represents its fair value.

D. Compensated Absences

As a result of the use of the modified cash basis of accounting, liabilities related to accrued compensated absences are not recorded in the financial statements. Expenditures/expenses related to compensated absences are recorded when paid. The amount of accrued compensated absences for accumulated, unpaid compensatory time that would be due employees upon termination is reported as a commitment in Note 8.

E. Fund Balances and Net Position

Fund Statements:

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned and unassigned. These classifications are defined as:

- a. Nonspendable – includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.
- b. Restricted – consists of fund balance with constraints placed on the use of resources either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments, or (2) laws through constitutional provisions or enabling legislation.
- c. Committed – included amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the city’s highest level of decision-making authority. The City’s highest level of decision-making authority is made by ordinance.
- d. Assigned – includes amounts that are constrained by the city’s intent to be used for specific purposes but are neither restricted nor committed. Assignments of fund balance may be made by city council action or management decision when the city council has delegated that authority. Assignments for transfers and interest income for governmental funds are made through budgetary process.
- e. Unassigned – represents fund balance that has not been assigned to other funds and has not been restricted, committed, or assigned to specific purposes within the general fund.

It is the City’s policy to first use restricted fund balance prior to the use of the unrestricted fund balance when an expense is incurred for purposes for which both restricted and unrestricted fund balance are available. The City’s policy for the use of unrestricted fund balance amounts require that committed amounts would be reduced first, followed by assigned amounts and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

Net position is displayed in two components:

- a. *Restricted net position* - Consists of net position with constraints placed on the use either by 1) external groups such as creditors, grantors, contributors, or laws and regulations of other governments, or 2) law through constitutional provisions or enabling legislation.
- b. *Unrestricted net position* - All other remaining net position that does not meet the definition of “restricted.”

It is the City’s policy to first use restricted net position prior to the use of unrestricted net position when expenses are incurred for purposes for which both restricted and unrestricted net position are available.

CITY OF PRAGUE, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2022

F. Internal and Interfund Balances and Transfers

The City’s policy is to eliminate interfund transfers and balances in the statement of activities and net position to avoid the grossing up of balances. Only the residual balances transferred between governmental and business-type activities are reported as internal transfers and internal balances then offset in the total column in the government-wide statements. Internal transfers and balances between funds are not eliminated in the fund financial statements.

2. Deposits and Investments

For the year ended June 30, 2022, the City recognized \$3,501 of investment income. At June 30, 2022, the primary government held the following deposits and investments:

Type	Maturities	Carrying Value
Deposits:		
Demand deposits		\$ 26,275
Petty cash		1,563
Time deposit	10/7/2022	1,975,857
Total deposits and investments		\$ 2,003,695
 Reconciliation to Statement of Net Position:		
Cash and cash equivalents		\$ 1,993,695
Investments		10,000
		\$ 2,003,695

Custodial Credit Risk

Exposure to custodial credit related to deposits exists when the City holds deposits that are uninsured and uncollateralized; collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the City’s name; or collateralized without a written or approved collateral agreement. Exposure to custodial credit risk related to investments exists when the City holds investments that are uninsured and unregistered, with securities held by the counterparty or by its trust department or agent but not in the City’s name.

The City’s policy as it relates to custodial credit risk is to comply with state law and secure its uninsured deposits with collateral, valued at no more than market value, at least at a level of 100% of the uninsured deposits and accrued interest thereon. Acceptable collateral is defined in state statutes and includes U.S. Treasury securities and direct debt obligations of municipalities, counties, and school districts in the state of Oklahoma, surety bonds, and letters of credit. As required by Federal 12 U.S.C.A., Section 1823(e), all financial institutions pledging collateral to the City must have a written collateral agreement approved by the board of directors or loan committee. At June 30, 2022, the City deposits were exposed to custodial risk in the amount of \$255,312 at a financial institution.

CITY OF PRAGUE, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2022

Investment Credit Risk

The City limits its investments to those allowed in state law applicable to municipalities. Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The City has no formal policy limiting investments based on credit rating, but discloses any such credit risk associated with their investments by reporting the credit quality ratings of investments in debt securities as determined by nationally recognized statistical rating organizations—rating agencies—as of the year end. Unless there is information to the contrary, obligations of the U.S. government or obligations explicitly guaranteed by the U.S. government are not considered to have credit risk and do not require disclosure of credit quality. As noted in the schedule of deposits and investments above, at June 30, 2022, the City had no marketable investments.

Investment Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The City has no investment policy that limits based on maturity. The City discloses its exposure to interest rate risk by disclosing the maturity dates of its various investments. As noted in the schedule of deposits and investments above, at June 30, 2022, the investments were limited to a certificate of deposit with a maturity of no later than October 2022.

Concentration of Investment Credit Risk

Exposure to concentration of credit risk is considered to exist when investments in any one issuer represent a significant percent of total investments of the City (any over 5% are disclosed). Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from this consideration. The City has no investment policy regarding concentration of credit risk. At June 30, 2022, the City had no concentration of credit risk as defined above.

Restricted Cash and Investments – The amounts reported as restricted assets on the statement of net position are comprised of amounts restricted for utility deposits. The restricted assets as of June 30, 2022 are as follows:

	Cash and cash equivalents
Utility Deposits	\$ 101,230
2020 Taxable Note P&I Account	5
Total	\$ 101,235

3. Sales Tax Revenue

Sales tax revenue represents a 4 cent local tax on each dollar of taxable sales within the City, of which one cent is voter restricted for street improvements (25% of 1 cent); for the Emergency Reserve fund (25% of 1 cent); and for capital needs (50% of 1 cent) in accordance with a City ordinance. Three cents of the sales tax is received and recorded in the General Fund for general operations. The restricted sales tax is recorded directly into the respective funds in accordance with Ordinance 361.

CITY OF PRAGUE, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2022

4. Property Tax Levy

The City presently levies no property tax. In accordance with state law, a municipality may only levy a property tax to retire general obligation debt approved by the voters and to pay judgments rendered against the City.

5. Internal and Interfund Balances and Transfers

Interfund balances at June 30, 2022, were as follows:

<u>Due From</u>	<u>Due To</u>	<u>Amount</u>	<u>Nature of Balance</u>
General Fund	Street Improvement Sales Tax Fund	52,351	Deposited in incorrect fund
General Fund	PPWA	58,551	Paid in incorrect fund
Total		<u>\$ 110,902</u>	

Reconciliation to Fund Financial Statements:

	<u>Due From</u>	<u>Due To</u>	<u>Net Internal Balances</u>
Governmental Funds	\$ 52,351	\$ (110,902)	\$ (58,551)
Proprietary Funds	58,551	-	58,551
Total	<u>\$ 110,902</u>	<u>\$ (110,902)</u>	<u>\$ -</u>

Transfers between funds and legal entities are comprised of the following:

<u>Transfer From</u>	<u>Transfer To</u>	<u>Amount</u>	<u>Purpose of Transfer</u>
PPWA	General Fund	\$ 50,000	Operating subsidy
PPWA	E911	18,000	Operating subsidy
General Fund	PPWA	132,608	Operating subsidy
General Fund	Street Improvement	4,972	Operating subsidy
Airport Fund	Capital Improvement	22,460	Operating subsidy
Total		<u>\$ 228,040</u>	

Reconciliation to Fund Financial Statements:

	<u>Transfers In</u>	<u>Transfers Out</u>	<u>Net Transfers</u>
Governmental Funds	\$ 95,432	\$ (160,040)	\$ (64,608)
Proprietary Funds	132,608	(68,000)	64,608
Total	<u>\$ 228,040</u>	<u>\$ (228,040)</u>	<u>\$ -</u>

6. Risk Management

The City and its public trusts are exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employee health and life; and natural disasters. These risks are managed by securing commercial insurance for all risks. Management believes such insurance coverage is sufficient to preclude any significant uninsured losses. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

7. Employee Retirement Plan Participation

The City of Prague participates in three pension or retirement plans:

1. Oklahoma Firefighter’s Pension and Retirement System (OFPRS) – a statewide cost-sharing plan
2. Oklahoma Police Pension and Retirement System (OPPRS) – a statewide cost-sharing plan
3. Oklahoma Municipal Retirement Fund Defined Contribution Plan (OMRF-DCP) – an agent multiple-employer defined contribution plan

Firefighter Pension System:

Plan Summary Information. The City of Prague, as the employer, participates in a statewide cost-sharing multiple employer defined benefit pension plan through the Oklahoma Firefighter’s Pension and Retirement System (OFPRS). The OFPRS defined benefit pension plan provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Pursuant to the requirements of Title 11, section 22-102, the City must participate in the plan if they employ full-time or volunteer firefighters.

The OFPRS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to OFPRS, 4545 N. Lincoln Blvd., Suite 265, Oklahoma City, OK 73105-3414.

Funding Policy. OFPRS plan members that are volunteer firefighters are not required to contribute to the plan. The City is required by state law to contribute \$60 per year for each volunteer firefighter. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary.

The OFPRS contributions are as follows:

<u>Fiscal Year</u>	<u>Required Contribution</u>	<u>Amount Contributed</u>
2020	\$1,140	\$1,140
2021	\$1,260	\$1,260
2022	\$1,260	\$1,260

OPPRS:

Plan Summary Information. The City of Prague, as the employer, participates in a statewide cost-sharing multiple employer defined benefit pension plan through the Oklahoma Police Pension and Retirement System (OPPRS). The OPPRS defined benefit pension plan provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Pursuant to the requirements of Title 11, section 22-102, the City must participate in the plan if they employ a certain number of fulltime police officers.

**CITY OF PRAGUE, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2022**

The OPPRS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to:

OPPRS
1001 N.W. 63rd St., Suite 305
Oklahoma City, OK 73116-7335

Funding Policy. The City is required by state law to contribute 13% of covered payroll per year for each police officer. Employees contribute 8% of covered payroll. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary. The OPPRS contributions are as follows:

<u>Fiscal Year</u>	<u>Employee Contribution</u>	<u>Employer Contribution</u>
2020	\$25,854	\$42,013
2021	\$25,804	\$41,931
2022	\$24,299	\$39,486

Oklahoma Municipal Retirement Fund

The City provides a pension benefit for all of its full-time employees with the exception of the fire and police departments, through a defined contribution plan with the Oklahoma Municipal Retirement Fund. In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. Employees are eligible to participate from the date of employment. Employee contributions were equal to 2.5% of total earnings with employer contributions equal to 4% of the employee’s total salary each month. The City’s contributions for each employee (and interest allocated to the employee’s account) are fully vested after ten years continuous service.

OkMRF issues separate plan financial statements which may be obtained by contacting the Oklahoma Municipal Retirement Fund, 525 Central Park Dr., Suite 320, Oklahoma City, Oklahoma 73105.

Contributions for the last three years are as follows:

<u>Fiscal Year</u>	<u>Employee Contribution</u>	<u>Employer Contribution</u>
2020	\$23,142	\$33,620
2021	\$20,388	\$32,582
2022	\$22,518	\$36,030

8. Commitments and Contingencies

Long-term Debt Commitments:

At June 30, 2022, the PPWA reported the following as long-term debt commitments:

CITY OF PRAGUE, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2022

Prague Public Works Authority:

Long-term obligations payable from direct borrowings and direct placements include the following:

Notes Payable:

\$285,000 note payable with BancFirst for the purchase of the Wrangler Building, payable in monthly installments, with a variable interest rate of prime, final payment due November 2022. The note is unsecured and in the event of default, the lender may accelerate the payment of principal and interest accrued on the note and even raise the interest rate to 21%. \$ 6,759

\$300,000 note payable for the remodel of the Wrangler Building, payable in monthly installments of \$1,250, with a 0% interest rate, final payment due November 2023. This note is with Oklahoma Department of Commerce. It is collateralized with the building lease between Prague Public Works Authority and Artic Temp, Inc. In the event of default, the lender may accelerate the payment of principal and interest accrued on the note and begin charging interest on the note. 33,750

\$129,155 note payable for the purchase of electric bucket truck, payable in monthly payments of \$1,717 with annual interest rate of 3.14%, final payment due July 15, 2027. The note is with Vision Bank and is collateralized by the property lease between the Prague Public Works Authority and Vision Bank. In the event of default, the lessor may 1) accelerate the payment and collect amounts due under obligation; 2) take possession of the property; 3) terminate the agreement and repossess the property and lessee shall be liable for any amounts payable; 4) sell the property or any portion of the lessor's account at public or private sale. 96,468

2020 Utility System Revenue Note, original amount of \$1,600,000, dated December 23, 2020, by Prague Public Works Authority, interest rate at 3.125%, with final payment due December 1, 2032, secured by and payable by a pledge of utility revenues (water, sewer, garbage, and electric) as well as a mortgage on the said utility systems; to finance acquisition of the Prague Hospital and related costs; the collateral is issued on a parity with the 2001 Amended Small Community CWSRF OWRB Promissory Promissory Note. Upon default and acceleration of the indebtedness pursuant to the provisions of the Note and Loan Agreement, the Secured Party, may at its discretion, require the Debtor to assemble the Collateral and make the same available to the Secured Party. 1,429,783

Balance Outstanding at June 30, 2022 \$ 1,566,760

CITY OF PRAGUE, OKLAHOMA

Pledge of Future Revenues

Utility Net Revenues Pledge – The City has pledged future net water and sewer revenues to repay \$1,650,000 of the 2001 Series OWRB SRF Promissory Note. Proceeds from the note provided financing for utility system capital assets. The note is now paid in full. The note is payable from the above-mentioned utility net revenues. The debt service payments on the note this year were \$56,007 which was 17% of pledged net utility revenues of \$329,059.

Utility Net Revenues Pledge – The City has pledged future net water, sewer, sanitation and electric revenues to repay \$1,600,000 of the 2020 Utility System Revenue Note. Proceeds from the note provided financing for the purchase of the hospital. The note is payable through 2032. The total principal and interest payable for the remainder of the life of this note is \$1,676,943. The note is payable from the above-mentioned utility net revenues. The debt service payments on the note this year were \$160,987 which was 21% of pledged net utility revenues of \$751,146.

Compensated Absences:

As a result of the City’s use of the modified cash basis of accounting, accrued liabilities related to compensated absences (vacation, sick and comp leave) earned but unpaid at year-end are not reflected in the basic financial statements. The compensated absence commitment at June 30, 2022, is summarized as follows:

- City and PPWA– accrued compensated absences \$184,594

Litigation:

The City is party to various legal proceedings which normally occur in the course of governmental operations. The financial statements do not include accruals or provisions for loss contingencies that may result from these proceedings. State statutes provide for the levy of an ad valorem tax over a three-year period by a City “Sinking Fund” for the payment of any court assessed judgment rendered against the City. These statutory provisions do not apply to the City’s Public Trust Authority. While the outcome of the above noted proceedings cannot be

**CITY OF PRAGUE, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2022**

predicted, due to the insurance coverage maintained by the City and the State statute relating to judgments, the City feels that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the City.

Federal and State Award Programs:

The City of Prague participates in various federal or state grant/loan programs from year to year. In 2022, the City's involvement in federal and state award programs was not significant. The grant/loan programs are often subject to additional audits by agents of the granting or loaning agency, the purpose of which is to ensure compliance with the specific conditions of the grant or loan.

Dedicated County Fire Tax:

Lincoln and Pottawatomie county sales tax funds held by and reported by the Counties are restricted for the City's fire departments use are not reported in the City's financial statements as cash or receivables. The Counties spend the funds for the City's fire departments operations at the City's request. The amounts of cash held and reflected in the Counties financial statements for the City at June 30, 2022, is \$171,534. The revenues received by the Counties for the City were \$67,688 and the expenditures for the fire department were \$48,474 for this fiscal year.

Footnotes to Budgetary Comparison Schedules:

1. The budgetary comparison schedules are reported on the same modified cash basis as governmental funds within the basic financial statements.
2. The legal level of appropriation control is the department level within a fund. Transfers of appropriations within a fund require City Manager's approval, while supplemental appropriations require City Council approval.
3. Expenditures exceeded appropriations in the following departments:
 - General Fund – Transfers out \$87,580
 - Emergency Reserve Fund – General Gov't \$125,570

INTERNAL CONTROL AND COMPLIANCE

CITY OF PRAGUE, OKLAHOMA
ANNUAL FINANCIAL REPORT
As of and for the Year Ended June 30, 2022

THIS PAGE INTENTIONALLY LEFT BLANK

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The City Council and City Manager
The City of Prague, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the modified cash basis financial statements of the governmental activities, the business-type activities, each major fund, and aggregate remaining fund information of the City of Prague, Oklahoma, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the basic financial statements of the City's primary government, and have issued our report thereon dated November 8, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Prague's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Prague's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Prague's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the financial statements of the City of Prague are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and

material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
