#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Johnston County RWS&SWMD #4 Coleman, Oklahoma

Report on the Audit of the Financial Statements

### Opinion

I have audited the accompanying financial statements of Johnston County Rural Water, Sewer and Solid Waste Management District #4, Oklahoma, as of and for the years ended December 31, 2023, and the related notes to the financial statements, as listed in the table of contents.

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Johnston County Rural Water, Sewer and Solid Waste Management District #4 as of December 31, 2023, and the respective changes in financial position and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS), and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Johnston County Rural Water, Sewer and Solid Waste Management District #4 and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

PO Box 1355 Ponca City, Oklahoma 74602 Phone: (580) 762-1040 Fax: (580) 762-1047

Email: cpa@apriladamscpa.com

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Johnston County Rural Water, Sewer and Solid Waste Management District #4's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement. whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a quarantee that an audit conducted in accordance with GAAS Standards will Auditing always detect a misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial individually or in the aggregate, likelihood that, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, I

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design

PO Box 1355 Ponca City, Oklahoma 74602 Phone: (580) 762-1040 Fax: (580) 762-1047

Email: cpa@apriladamscpa.com

and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Johnston County Rural Water, Sewer and Solid Waste Management District #4's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Johnston County Rural Water, Sewer and Solid Waste Management District #4's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

### Required Supplementary Information

Management has omitted the Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. My opinion on the basic financial statements is not affected by this missing information.

#### Other Information

Management is responsible for the other information included in the annual report. The other information comprises the introductory information section listed in the accompanying table of contents but

PO Box 1355 Ponca City, Oklahoma 74602 Phone: (580) 762-1040 Fax: (580) 762-1047

Email: cpa@apriladamscpa.com

does not include the basic financial statements and my auditor's report thereon. My opinion on the basic financial statements does not cover the other information, and I do not express an opinion or any form of assurance thereon.

In connection with my audit of the basic financial statements, my responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, I conclude that an uncorrected material misstatement of the other information exists, I am required to describe it in my report.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, I have also issued my report dated August 23, 2024, on my consideration of the Johnston County Rural Water, Sewer and Solid Waste Management District #4's internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Johnston County Rural Water, Sewer and Solid Waste Management District #4's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Johnston County Rural Water, Sewer and Solid Waste Management District #4's internal control over financial reporting and compliance.

The accompanying notes are an integral part of the basic financial statements.

### NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICES

### A. The Reporting Entity

The Coleman Waterworks, Inc. is a non-profit corporation having been organized and established under the provisions of Title 18 of the Oklahoma Statutes, for the purpose of constructing and operating a water supply distribution system serving the members of the Corporation. The Corporation was organized in Coleman, Oklahoma on March 27, 1969.

On December 9, 2004, the corporation was dissolved and the District was reorganized under the provisions of the Rural Water, Sewer and Solid Waste Management Districts Act of Oklahoma (82 O.S. 1991 Sec. 1324-01-1324.26) as amended and supplemented. The new name of the District shall be "Rural Water, Sewer and Solid Waste Management District No. 4, Johnston County, Oklahoma."

### B. Basis of Presentation

The District is accounted for within the framework of enterprise fund accounting. Enterprise funds are used to account for operations that are operated in a manner similar to private business enterprises wherein the intent of the District's Board of Directors is to recover the cost of providing goods and services through user charges

### C. Basis of Accounting

The financial statements of the District are presented on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred.

### D. Budgetary Data

In accordance with the By-laws of the District, an annual budget is prepared for internal bookkeeping purposes. The District prepares USDA Form RD 442-2A Statement of Budget, Income and Equity as its budget for the year.

### E. Assets, Liabilities & Equity

### <u>Cash and Cash Equivalents</u>

For purposes of the statement of cash flows, the District considers all cash on hand, demand deposits and highly liquid investments (including restricted assets), with a maturity of three months or less when purchased, to be cash and cash equivalents.

### Allowance for Doubtful Accounts

The District does not have an allowance for doubtful accounts because it believes the ultimate amount received will be materially similar to the amount accrued.

### Capital Assets

Water distribution facilities, office furniture and equipment purchased, or constructed by the District are stated at cost. Depreciation is computed on the straight-line method based on the estimated useful lives of the assets ranging from five to forty years. The capitalization threshold has been set at \$100.00.

Construction in progress is recorded at cost. No depreciation is recognized until construction contracts are complete and the applicable facilities become operational.

### Long-Term Debt

Long-term liabilities are recorded at the amount payable as of the report date.

### Equity Classification

Equity is classified as net position and displayed in three components:

1. Net investment in capital assets — Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition,

construction, or improvements of those assets and adjusted for any deferred inflows and outflows of resources attributable to capital assets and related debt.

- 2. Restricted Consists of restricted assets reduced by liabilities and deferred inflows or resources related to those assets, with restriction constraints placed on the use either by (a) external groups such as creditors, grantors, contributors, or laws and regulations of other governments; or (b) law through constitutional provisions or enabling legislation.
- 3. Unrestricted Net amount of assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component of net position.

It is the District's policy to first use restricted net resources prior to the use of unrestricted net resources when an expense is incurred for purposes for which both restricted and unrestricted net resources are available.

F. Revenues, expenditures & expenses

Operating revenues and expenses for proprietary funds result from providing services and producing and delivering goods and/or services. They also include all revenues and expenses not related to capital and related financing, noncapital financing, or investing activities.

G. Governmental Accounting Standards Board Statement No. 34

In June 1999, the Governmental Accounting Standards Board (GASB) unanimously approved Statement No. 34, Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments. Certain of the significant changes in the Statement include the following:

- 1. For the first time the financial statement should include:
  - a. A Management Discussion and Analysis (MD&A) section providing analysis of the District's overall financial position and results of operations. However, the District

has chosen not to present the required MD&A for the current year.

- b. Financial statements prepared using full accrual accounting for all of the District's activities, except for including the General capital assets or infrastructure (lines, pump stations, etc.).
- 2. A change in the fund financial statements to focus on major funds.

These and other changes are reflected in the accompanying financial statements (including the notes to the financial statements). The District has elected to implement the general provisions of the Statement and report infrastructure acquired after December 31, 2003 as provided by GASB standards.

### NOTE 2 - CASH AND INVESTMENTS

Custodial Credit Risk

At December 31, 2023, the District held deposits of approximately \$352,717 at financial institutions. The District's cash deposits, including interest-bearing certificates of deposit are covered by Federal Depository Insurance (FDIC) or direct obligation of the U.S. Government insured or collateralized with securities held by the District or by its agent in the District's name.

Investment Interest Rate Risk

The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Investment Credit Risk

The District has no policy that limits its investment choices other than the limitation of state law as follows:

- a. Direct obligations of the U.S. Government, its agencies and instrumentalities to which the full faith and credit of the U.S. Government is pledged, or obligations to the payment of which the full faith and credit of the State is pledged.
- b. Certificates of deposits or savings accounts that are either insured or secured with acceptable collateral with in-state

financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.

- c. With certain limitation, negotiable certificates of deposit, prime bankers' acceptances, prime commercial paper and repurchase agreements with certain limitations.
- d. County, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district.
- e. Notes or bonds secured by mortgage or trust deed insured by the Federal Housing Administrator and debentures issued by the Federal Housing Administrator, and in obligations of the National Mortgage Association.
- f. Money market funds regulated by the SEC and in which investments consist of the investments mentioned in the previous paragraphs (a.-d.).

Concentration of Investment Credit Risk

The District places no limit on the amount it may invest in any one issuer. The District has the following of credit risk: 100% in CDs (\$7,956).

### NOTE 3 - RESTRICTED ASSETS

For the loan number 92-02, the loan agreement with the United States Department of Agriculture Rural Development (USDA) requires the District to set aside into a Reserve Account the sum of 10% of the monthly installment or \$57.00 each month until there is accumulated in that account the sum of the annual installment (\$6,840.00), after which deposits may be suspended, except to replace withdrawals. The District cannot withdraw funds from the reserve account without USDA approval. As of December 31, 2023, the District was no longer required to have a reserve as the loan was paid in full during 2023.

For the loan number 92-03, the loan agreement with the United States Department of Agriculture Rural Development (USDA) requires the District to set aside into a Reserve Account the sum of 10% of the monthly installment or \$9.30 each month until there is accumulated in that account the sum of the annual installment (\$1,116.00), after which deposits may be suspended, except to replace withdrawals. The District cannot withdraw funds from the reserve account without USDA approval As of December 31, 2023, the District was no longer required to have a reserve as the loan was paid in full during 2023.

### NOTE 4 - CAPITAL ASSETS

Capital asset activity, for the fiscal year ended December 31, 2023, was as follows:

	12/31/22 Balance Additions		Deductions		12/31/23 Balance	
Capital assets not being depreciated:						
Land	\$	28,000	\$ -	\$	-	\$ 28,000
Construction in Progress		-	-		-	-
Total capital assets not being						
depreciated		28,000	-		-	28,000
Other capital assets:						
Water Distribution Facilities		656,302	-		-	656,302
Sewer Distribution Facilities		607,276	-		-	607,276
Buildings		22,454	-		-	22,454
Furniture & Fixtures		46,656	-		-	46,656
Total other capital assets at						
historical cost		1,332,689	-		-	1,332,689
Less accumulated depreciation for:						
Water Distribution Facilities		(322,604)	(14,613)		-	(337,218)
Sewer Distribution Facilities		(328,104)	(15,129)		-	(343,234)
Buildings		(14,742)	(748)		-	(15,491)
Furniture & Fixtures		(41,856)	(1,740)		-	(43,596)
Total accumulated depreciation		(707,306)	(32,232)		-	(739,538)
Other capital assets, net		625,383	(32,232)		-	593,151
Total Capital Assets, net	\$	653,383	\$ (32,232)	\$	-	\$ 621,151

### NOTE 5 - ACCUMULATED UNPAID VACATION BENEFITS

Accumulated unpaid vacation benefits have not been shown as a liability in the financial statements. The District's position is that any accrued benefits are not significant and would not materially affect the financial statements.

### NOTE 6 - LONG-TERM DEBT

The District has two notes payable to the United States Department of Agriculture Rural Development (USDA), payable in monthly installments of \$570.00 and \$93.00 until maturity, including interest at 4.50% and 4.375%, respectively. The final payment is scheduled for 2037 and 2046. The notes are secured by the distribution facilities and a pledge of revenues of the District. Both notes were paid in full during the current year.

### Changes in Long-Term Debt

The following is a summary of changes in long-term debt for the year ended December 31, 2023:

	Ва	lance at					Ва	alance at		
	December 31,					Dec	cember 31,			
		2022		Additions		Additions		ductions		2023
Note Payable – USDA RD 92-02	\$	67,748	\$	-	\$	(67,748)	\$	-		
Note Payable – USDA RD 92-03		16,233				(16,233)		-		
Total Long-Term Debt	\$	129,312	\$	-	\$	(83,981)	\$	_		

### NOTE 7 - CONTINGENCIES

### <u>Litigation</u>

According to management there were no known contingent liabilities at December 31, 2023, which would have a material effect on the financial statements.

### Federally Assisted Programs

In the normal course of operations, the District participates in various federal or state/loan programs from year to year. The grant/loan programs are often subject to additional audits by agents of the granting or loaning agency, the purpose of which is to ensure compliance with the specific conditions of the grant or loan. Any liability of reimbursement that may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

### NOTE 8 - RETIREMENT PLAN

The District has no retirement or pension plans.

### NOTE 9 - SUBSEQUENT EVENTS

The District did not have any subsequent events through the date the financial statements were issued, for events requiring recording or disclosure in the financial statements for the year ending December 31, 2023.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Johnston County RWS&SWMD #4
Coleman, Oklahoma

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Johnston County RWS&SWMD #4, as of and for the years ended December 31, 2023, and the related notes to the financial statements, and have issued my report thereon dated August 23, 2024. The Johnston County RWS&SWMD #4 has implemented the general provisions of the Governmental Accounting Standards Board (GASB) Statement No. 34, except that the District did not present the required MD&A.

### Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Johnston County RWS&SWMD #4's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Johnston County RWS&SWMD #4's internal control. Accordingly, I do not express an opinion on the effectiveness of Johnston County RWS&SWMD #4's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during my audit I did not identify any deficiencies in internal control that I

PO Box 1355 Ponca City, Oklahoma 74602 Phone: (580) 762-1040 Fax: (580) 762-1047

Email: cpa@apriladamscpa.com

consider to be material weaknesses. However, material weaknesses may exist that have not been identified. I did identify certain deficiencies in internal control described in the accompanying Schedule of Findings that I consider to be significant deficiencies. Those deficiencies are listed as Items 2023-01 and 2023-02.

### <u>Compliance and Other Matters</u>

As part of obtaining reasonable assurance about whether the Johnston County RWS&SWMD #4's financial statements are free of material misstatement, I performed tests of compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Johnston County RWS&SWMD #4's Response to Findings

Johnston County RWS&SWMD #4's response to the findings identified in my audit is described in the accompanying Schedule of Findings. Johnston County RWS&SWMD #4's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, I express no opinion on it.

### Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

April Adams CPA PLLC Ponca City, Oklahoma

August 23, 2024

# JOHNSTON COUNTY RWS&SWMD #4 COLEMAN, OKLAHOMA SCHEDULE OF FINDINGS DECEMBER 31, 2023

### INTERNAL CONTROL FINDINGS:

### Item 2023-01: Segregation of Duties

<u>Criteria:</u> A good system of internal control requires a proper segregation of duties to prevent one person from being in a position to authorize, execute, and record the same transaction.

<u>Condition:</u> Due to the size of the District's major areas of internal control, that would be prevalent in a larger District, such segregation of duties is not available for this size operation. Duties are concentrated in the hands of a few individuals, who are responsible for all phases of the accounting functions. Because of this lack of division of responsibility, internal control is determined to be weak.

<u>Cause/Effect:</u> Due to the limited number of personnel, a breach of internal controls could occur and not be detected in the normal course of operations.

<u>Recommendation:</u> The Board should continue to be actively involved in the operations of the organization.

<u>Response:</u> The Board continues to be actively involved in the operations of the organization.

### Item 2023-02: Internal Control over Financial Reporting

<u>Criteria:</u> Per government auditing and accounting standards management must designate an individual or individuals that possess skill, knowledge and experience to the extent they can perform year-end closing adjustments and evaluate any non-attest services or audit adjustments performed by the independent auditor.

<u>Condition:</u> Material adjusting journal entries were required to arrive at the final adjusted trial balance.

<u>Cause/Effect:</u> The District relied on the auditor to propose entries after audit procedures. The District was not able to report accurate financial information without the required adjustments.

<u>Recommendation:</u> The District should consider making required yearend adjusting entries without auditor assistance when preparing the financial statements.

# JOHNSTON COUNTY RWS&SWMD #4 COLEMAN, OKLAHOMA SCHEDULE OF FINDINGS DECEMBER 31, 2023

<u>Response:</u> Management will take into consideration the Auditor's recommendation and will work to improve performance in this area.

### **COMPLIANCE FINDINGS:**

None reported

<u>Current Status:</u> Finding 2023-01 is repeated from the previous year's audit. Finding 2023-02 is a new finding for the increased dollar amount of audit adjustments required.
