INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Canadian County Rural Water District #4,
Canadian County, OK
El Reno, OK

Report on the Financial Statements

We have audited the accompanying financial statements of Canadian County Rural Water District #4, Canadian County, Oklahoma, which comprise the balance sheet and the statements of income, expenses, and changes in equity, and cash flows as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Canadian County Rural Water District #4's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Canadian County Rural Water District #4, Canadian County, Oklahoma as of December 31, 2014, and the results of operations and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

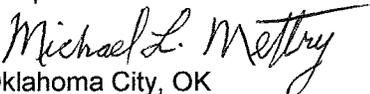

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an

appropriate operational, economic, or historical context. Management has omitted the Management's Discussion and Analysis. Our opinion is not affected by the missing information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated July 2, 2015, on our consideration of Canadian County Rural Water District #4's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

Canadian County Rural Water District No. 4
Canadian County, Oklahoma
Notes to Financial Statements
For the year ended December 31, 2014

1. Organization and Nature of Operations and Summary of Significant Accounting Policies

Canadian County Rural Water District #4, Canadian County, Oklahoma (District) is organized under Title 60 of the Oklahoma Statutes. It operates under a Board of Directors elected by the land owners within the District. The purpose of the District is to provide water to the residents of its service area. The District currently provides rural water service. It does not provide waste management service. The District is recognized as a tax exempt organization under Section 501(c) (12) of the Internal Revenue Code and is exempt from Federal and State income tax.

The financial statements are prepared on the accrual basis of accounting, which recognizes revenue when earned and expense when incurred. Revenue earned but not received is shown as a receivable. Expense incurred but not paid is shown as a payable.

Property, plant, and equipment are recorded at cost and depreciated. Depreciation is computed straight line over the estimated useful lives. Assets lives are estimated to be between ten and forty years. Loan application costs are being amortized over a period of 28.8 years.

2. Cash and Investments

The following details the cash and investment balances as of December 31,

	2014	2013
Cash in bank, checking	\$ 3,552	\$ 5,150
Cash on hand	200	200
	<u>\$ 3,752</u>	<u>\$ 5,350</u>

	<u>\$ 949,186</u>	<u>\$ 1,058,756</u>
Bank One, Loan Reserve Account	\$ -	\$ 42,441

Canadian County Rural Water District No. 4
Canadian County, Oklahoma
Notes to Financial Statements
For the year ended December 31, 2014

The District's cash and investment accounts are insured by the Federal Depositors Insurance Corporation to \$250,000. For the Statement of Cash Flows cash and cash equivalents includes cash and unreserved investments.

3. Long Term Debt

The long term debt of the District consists of an Oklahoma Water Resources Board note dated November 28, 1990 in the amount of \$450,000 with a variable interest rate. The Bank of New York Trust Company is trustee for the note. The note requires a reserve account to be maintained with the trustee. The note is to be paid with periodic payments with the final payment on August 15, 2019. The note is secured by assets of the corporation. On May 15, 2014 the balance of debt was paid-off.

Balances as of:

	December 31,	
	2014	2013
Total long term debt	\$ -	\$ 182,700
Less current portion	-	(25,700)
	\$ -	\$ 157,000

Principle maturities for the next five years

OKLAHOMA CITY, OK 73112

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Canadian County Rural Water District #4,
Canadian County, OK
P. O. Box 386
El Reno, OK

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Canadian County Rural Water District #4, Canadian County, Oklahoma as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise Canadian County Rural Water District #4's basic financial statements, and have issued our report thereon dated July 2, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Canadian County Rural Water District #4's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Canadian County Rural Water District #4's internal control. Accordingly, we do not express an opinion on the effectiveness of Canadian County Rural Water District #4's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

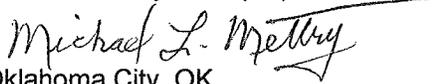

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Canadian County Rural Water District #4's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
