ACCOUNTANTS' COMPILATION REPORT

August 10, 2017

Board of Directors
GROVE EMS DISTRICT

We have compiled the accompanying balance sheet - all funds and account groups - governmental basis of GROVE EMS DISTRICT as of June 30, 2017, and the related statement of income for the one month and twelve months then ended. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with governmental basis of accounting.

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with the governmental basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with the Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist owners in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made in the financial statements. During our compilation, we did become aware of a departure from the governmental basis of accounting that is described in the following paragraph.

Accounts receivables and accounts payable are recorded only at the year end.

The directors have elected to omit substantially all of the disclosures and the statement of cash flows required by governmental basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's assets, liabilities, equity, revenues, and expenditures. Accordingly, these financial statements are not designed for those who are not informed about such matters.
