Management is responsible for the accompanying financial statements of the Town of Ralston and Public Trust, Ralston, Oklahoma (a municipality) which comprise the Summary of Changes in Fund Balances-Cash Basis as of June 30, 2020 and the related Budgetary Comparison Schedule of General Fund-Cash Basis, Statement of Revenues, Expenses and Changes in Fund Balance-Cash Basis, and Schedule of Grant Activity-Cash Basis for the fiscal year ended June 30, 2020, in accordance with the cash basis of accounting and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance of these financial statements.

The financial statements have been prepared in a format and basis of accounting, as prescribed by Oklahoma Statutes, that demonstrates compliance with the cash basis and budget laws of the State of Oklahoma, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Town's assets, liabilities, equity, revenues and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.
