INDEPENDENT AUDITOR'S REPORT

September 11, 2012

Board of Directors
Seminole County Public Buildings Authority
Wewoka, Oklahoma

We have audited the accompanying financial statements of Seminole County Public Buildings Authority, a component unit of Seminole County, Oklahoma, as of and for the years ended June 30, 2012 and 2011, which collectively comprise the Seminole County Public Buildings Authority's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Seminole County Public Buildings Authority's governing board. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Seminole County Public Buildings Authority as of June 30, 2012 and 2011, and the changes in financial position and cash flows thereof for the years then ended in conformity with accounting principals generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated September 11, 2012, on our consideration of the Seminole County Public Buildings Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The Seminole County Public Buildings Authority has not presented Management's Discussion and Analysis that governmental accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board (GASB), who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

SEMINOLE COUNTY PUBLIC BUILDINGS AUTHORITY
Wewoka, Oklahoma

NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2012 and 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization and Management

Seminole County Public Buildings Authority (SCPBA) is a public trust created August 13, 2007 under the authority and pursuant to the provisions of Title 60, Oklahoma Statutes 2001, Sections 176-180.4, as amended and supplemented in the Oklahoma Trust Act.

SCPBA by virtue of common control and dependence is a component unit of Seminole County, Oklahoma. SCPBA has a five-member board consisting of resident property owners and registered voters in Seminole County, of which three are appointed by the County Commissioners to serve as Trustees of the Authority. The fourth Trustee is considered the chairman, who is also the chairman of the Board of County Commissioners. The fifth Trustee is the Sheriff of Seminole County or the Sheriff's designee. Seminole County maintains beneficial interest in SCPBA. The financial activities of Seminole County and its other component units are not included in the financial statements of SCPBA.

The financial statements present only the Seminole County Public Buildings Authority and do not purport to, and do not, present the financial position of Seminole County, Oklahoma, as of June 30, 2012 and 2011.

B. Measurement Focus, Basis of Accounting and Basis of Presentation – Fund Accounting

The accounts of the SCPBA are organized as a proprietary fund that is considered to be a separate accounting entity. The operations of the fund are summarized by providing a separate set of self-balancing accounts that include its assets, liabilities, net assets, revenues and expenses. A proprietary fund is used to account for operations that are financed in a manner similar to private business enterprises where the costs (expenses, including depreciation) of providing facilities is financed through sales taxes. Funds are accounted for on a cost of services or "capital maintenance" measurement focus. This means that all assets and liabilities (whether current or non-current) are included in the balance sheet.

Financial activity is accounted for on the flow of economic resources measurement focus using the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. In compliance with the Governmental Accounting Standards Board (GASB) Statement No. 29 SCPBA has elected to only apply Financial Accounting Standards Board (FASB), Accounting Principles Board (APB) and Accounting Research Board (ARB) materials issued on or before November 30, 1989 that do not conflict with GASB.

C. Assets, Liabilities and Equity

1. Deposits and Investments

Oklahoma Statutes authorize SCPBA to invest in certificates of deposit, repurchase agreements, passbooks, bankers' acceptances, and other available bank investments provided that all deposits are fully covered by approved securities pledged to secure those funds. In addition, SCPBA can invest in direct debt securities of the United States unless law expressly prohibits such an investment.

For financial statement presentation and for purposes of the statement of cash flows, SCPBA's cash and cash equivalents are considered to be; cash on hand, demand deposits, and certificates of deposit with a maturity date of three months or less. Debt instruments with a maturity date of more than three months are considered to be investments.

SEMINOLE COUNTY PUBLIC BUILDINGS AUTHORITY
Wewoka, Oklahoma

NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2012 and 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Assets, Liabilities and Equity (Continued)

1. Deposits and Investments (Continued)

Custodial Credit Risk

At June 30, 2012, SCPBA held unrestricted deposits of approximately \$1,811,167 at financial institutions. SCPBA's cash deposits, including interest-bearing certificates of deposit, are entirely covered by Federal Depository Insurance (FDIC) or direct obligation of the U.S. Government insured or collateralized with securities held by SCPBA or by its agent in SCPBA's name.

Investment Interest Rate Risk

SCPBA does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Investment Credit Risk

SCPBA has no policy that limits its investment choices other than the limitation of state law as follows:

- a. Direct obligations of the U.S. Government, its agencies and instrumentalities to which the full faith and credit of the U.S. Government is pledged, or obligations to the payment of which the full faith and credit of the State is pledged.
- b. Certificates of deposits or savings accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.
- c. With certain limitation, negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations.
- d. County, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district.
- e. Notes or bonds secured by mortgage or trust deed insured by the Federal Housing Administrator and debentures issued by the Federal Housing Administrator, and in obligations of the National Mortgage Association.
- f. Money market funds regulated by the SEC and in which investments consist of the investments mentioned in the previous paragraphs (a.-d.).

The cash and investments held at June 30, 2012 are as follows:

Type	Weighted Average Maturity (Months)	Credit Rating	Market Value	Cost
Investments				
Money Market	N/A	AAAm	\$ 290,786	\$ 290,786
Total investments			<u>\$ 290,786</u>	<u>\$ 290,786</u>

Concentration of Investment Credit Risk

SCPBA places no limit on the amount it may invest in any one issuer. SCPBA has the following of credit risk: 100% in Money Market funds (\$290,786).

SEMINOLE COUNTY PUBLIC BUILDINGS AUTHORITY
Wewoka, Oklahoma

NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2012 and 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Assets, Liabilities and Equity (Continued)

2. Restricted Cash and Investments

The restricted accounts of cash and investments are the result of financial requirements of the sales tax revenue note and consist of funds held in accounts with the Trustee bank. Under the terms and provisions of the Sales Tax Revenue Note Indenture, these special accounts and reserve funds are maintained for the benefit of the holders of the Note and are not subject to lien or attachment by any other creditors. These accounts and reserve funds are to be maintained so long as any notes are outstanding. Monies contained in the accounts and reserve funds held by the Trustee are required to be continuously invested in authorized securities that mature not later than the respective dates when the funds shall be required for the purpose intended by the trust indenture. The County has levied a sales tax in which related revenues are to be applied to the balance of the note.

3. Fair Value of Financial Instruments

SCPBA's financial instruments include cash and cash equivalents, temporary investments, accounts receivable, interest receivable, interest payable and accounts payable. SCPBA's estimates of the fair value of all financial instruments do not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of net assets. The carrying amount of these financial instruments approximates fair value because of the short maturity of these instruments.

4. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

5. Inventories

Inventories consist of minimal amounts of expendable supplies held for consumption. The costs of inventories are recorded as expenditures when purchased rather than when consumed.

6. Capital Assets

Additions to the buildings and equipment are recorded at cost or, if contributed property, at their estimated fair value at time of contribution. Repairs and maintenance are recorded as expenses; renewals and betterments are capitalized. The sale or disposal of fixed assets is recorded by removing cost and accumulated depreciation from the accounts and charging the resulting gain or loss to income. The Authority maintains a capitalization threshold of \$500.

Depreciation for major movable equipment and building and improvements is computed on the straight-line method over useful lives of 5-20 years for equipment and 30 years for buildings and improvements.

7. Deferred Charges

Bond issue costs and bond discounts are amortized ratably over the repayment period of the applicable bond using the straight-line method.

SEMINOLE COUNTY PUBLIC BUILDINGS AUTHORITY
Wewoka, Oklahoma

NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2012 and 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Assets, Liabilities and Equity (Continued)

8. Compensated Absences

SCPBA provides for the salaries of County jail employees but for Federal reporting purposes all employees are reported as County employees. It is the County's policy to permit employees to accumulate earned by unused vacation and sick time. Full-time employees are granted vacation benefits in varying amounts to specified maximums depending upon tenure with the County. Generally, employees are entitled to accrued vacation leave upon termination. Sick leave may be accumulated to a maximum of 1,460 hours but employees are not compensated for unused sick leave upon termination. The expense and related liability for vested vacation benefits and compensatory time is record in these financial statements.

9. Comparative Data

Comparative information for the prior year has been presented in the accompanying financial statements in order to provide an understanding of changes in SCPBA's financial position and operations. No reclassifications have been made for comparability.

2. CAPITAL ASSETS

The following is a summary of changes in property and equipment.

	<u>Balance</u> <u>6/30/11</u>	<u>Additions</u>	<u>Deletions</u>	<u>Balance</u> <u>6/30/12</u>
Land	\$ 26,136	\$ -	\$ -	\$ 26,136

SEMINOLE COUNTY PUBLIC BUILDINGS AUTHORITY
Wewoka, Oklahoma

NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2012 and 2011

3. LONG-TERM DEBT

SCPBA's Sales Tax Revenue Note Series 2009 was issued to fund construction of the Seminole County jail. The County shall levy a \$0.005 sales tax as of August 13, 2007, which was approved by voters on September 6, 2006. Sales tax funding is to be used for the sole purpose of all related costs for acquiring, constructing, equipping, repairing, renovating, operating and maintaining the County jail facilities for the County of Seminole, Oklahoma.

SCPBA's long-term debt and amounts to be repaid from business-type activities are described below.

\$6,695,000 Series 2009 Sales Tax Revenue Note dated July 30, 2009 due in semi-annual installments of \$90,000 to \$280,000 through July 1, 2027 with interest payable semi-annually at 5.25%.

The following is a summary of long-term debt transactions of SCPBA:

	Original Amount	Balance Outstanding 6/30/11	Issued	or Defeased During Year	Balance Outstanding 6/30/12
SCPBA					
Series 2009 Note	\$ 6,695,000	\$ 6,375,000	\$ -	\$ (250,000)	\$ 6,125,000
Total	<u>\$ 6,695,000</u>	<u>\$ 6,375,000</u>	<u>\$ -</u>	<u>\$ (250,000)</u>	<u>\$ 6,125,000</u>

The annual debt service requirements to maturity, including principal and interest, for long-term debt are as follows:

Year Ending June 30,	Principal	Interest	Totals
2013	\$ 265,000	\$ 318,150	\$ 583,150
2014	275,000	304,106	579,106
2015	295,000	289,406	584,406
2016	305,000	273,787	578,787
2017	325,000	257,512	582,512
2018-2022	1,905,000	1,008,919	2,913,919
2023-2027	2,475,000	445,201	2,920,201
2028	280,000	7,350	287,350
Total Liability	<u>\$ 6,125,000</u>	<u>\$ 2,904,431</u>	<u>\$ 9,029,431</u>

4. RISK MANAGEMENT

SCPBA is exposed to various risks of loss related to general liability and torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The Authority continues to carry commercial insurance for these risks, including general liability, property damage, and public officials' liability.

5. CONCENTRATIONS

Approximately 100% of the Authority's revenues were derived from sales tax collections for June 30, 2012. Any significant change in sales tax appropriations by Seminole County could have a significant impact on operations.

6. SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 11, 2012, which is the date the financial statements were available to be issued and has determined that no additional information needs to be added to the financial statements.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

September 11, 2012

Board of Directors
Seminole County Public Buildings Authority
Wewoka, Oklahoma

We have audited the basic financial statements of the Seminole County Public Buildings Authority (SCPBA), a component unit of Seminole County, Oklahoma, as of and for the year ended June 30, 2012, and have issued our report thereon dated September 11, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. SCPBA did not present the Management's Discussion and Analysis required by the Governmental Accounting Standards Board.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the SCPBA's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the basic financial statements, but not for the purpose of expressing an opinion on the effectiveness of the SCPBA's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the SCPBA's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance over Other Matters

As part of obtaining reasonable assurance about whether the SCPBA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Seminole County Public Buildings Authority
