INDEPENDENT AUDITOR'S REPORT

The Honorable Board of Directors
Beckham County Rural Water District No. 3
Elk City, Oklahoma

Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities and the aggregate remaining fund information of Beckham County Rural Water District No. 3, Elk City, Oklahoma, as of and for the years ended December 31, 2015 and 2014, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities, and the aggregate remaining fund information of Beckham County Rural Water District No. 3, Elk City, Oklahoma, as of December 31, 2015 and 2014, and the respective changes in financial position and cash flows, thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis and budgetary comparison information that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Information

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the Beckham County Rural Water District No. 3, Elk City, Oklahoma's basic financial statements. The other information such as the introductory section and the accompanying Schedule of Insurance Coverage and Prepaid Premiums as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Schedule of Insurance Coverage and Prepaid Premiums as listed in the accompanying table of contents is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Insurance Coverage and Prepaid Premiums as listed in the accompanying table of contents is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 23, 2016, on our consideration of Beckham County Rural Water District No. 3, Elk City, Oklahoma's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Beckham County Rural Water District No. 3, Elk City, Oklahoma's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
OF
BECKHAM COUNTY RURAL WATER DISTRICT NO. 3
ELK CITY, OKLAHOMA

BECKHAM COUNTY RURAL WATER DISTRICT NO. 3
ELK CITY, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

1. Significant Accounting Policies

Organization

Beckham County Rural Water District No. 3 is organized and operated as a water-supply source for its members.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Accounting

The accrual basis of accounting is followed for all accounts. Revenues are recorded when earned and accrued liabilities are recognized when incurred. This policy is in accordance with accounting principles generally accepted in the United States of America.

Major Funds

The reporting model as defined in GASB Statement No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenditures/expenses, of either fund category or the governmental and enterprise combined) for the determination of major funds. The District's major fund is the Enterprise Fund.

Cash and Investments

The District's funds are required to be deposited into one or more banks, trust companies, credit unions or savings and loan associations. All deposits including investments in a depository may not exceed the Federal Deposit Insurance Corporation insurance plus the amount of approved collateral securities pledged by the depository.

The District may invest monies in direct obligations of the United States Government, certificates of deposit, savings accounts or certificates of savings and loan associations. The District's investments are recorded at cost.

**BECKHAM COUNTY RURAL WATER DISTRICT NO. 3
ELK CITY, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014**

Significant Accounting Policies, (Continued)

Cash and Investments, (Continued)

For the years ended December 31, 2015 and 2014, the District recognized \$2,082.35 and \$1,196.86 of investment income, respectively. Due to minimal rates of return on allowable investments in the current environment, most of the District's deposits are in demand deposits and short-term time deposits.

At December 31, 2015 and 2014, the District held the following cash and investments:

	<u>12-31-15</u>	<u>12-31-14</u>
Cash on Hand	\$ 400.00	\$ 400.00
Demand Deposits	959,279.49	574,145.95
Time Deposits	<u>39,442.42</u>	<u>39,337.03</u>
Total Cash and Investments	<u>\$ 999,121.91</u>	<u>\$ 613,882.98</u>

Custodial Credit Risk:

Exposure to custodial credit related to deposits exists when the District holds deposits that are uninsured and uncollateralized; collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the District's name; or collateralized without a written or approved collateral agreement. Exposure to custodial credit risk related to investments exists when the District holds investments that are uninsured and unregistered, with securities held by the counterparty or by its trust department or agent but not in the District's name. The District's policy as it relates to custodial credit risk is to secure its uninsured deposits with collateral, valued at no more than market value, at least at a level of 100% of the uninsured deposits and accrued interest thereon. Acceptable collateral is defined in state statutes and includes U.S. Treasury securities and direct debt obligations of municipalities, counties, and school districts in the state of Oklahoma, surety bonds, and letters of credit. As required by Federal 12 U.S.C.A., Section 1823(e), all financial institutions pledging collateral to the District must have a written collateral agreement approved by the board of directors or loan committee. As shown on the following page, the District was exposed to custodial credit risk related to the uncollateralized deposits held at the Bank of Western Oklahoma totaling \$206,895.72 and the First National Bank & Trust of Elk City totaling \$252,383.77. The District should obtain collateral pledges from all banks with whom it maintains a cash in bank balance over the \$250,000.00 FDIC coverage.

BECKHAM COUNTY RURAL WATER DISTRICT NO. 3
ELK CITY, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

Significant Accounting Policies, (Continued)

Cash and Investments, (Continued)

The cash deposits at December 31, 2015 are categorized to give an indication of the level of risk assumed by the District at year end as follows:

- (A) Insured or collateralized with securities held by the District or by its agent in the District's name.
- (B) Collateralized with securities held by the pledging financial institutions trust department or agent in the District's name.
- (C) Uncollateralized.

	Category			Bank Balance
	(A)	(B)	(C)	
Cash	\$ 500,400.00	\$ 0.00	\$ 459,279.49	\$ 959,679.49
Investments	<u>39,442.42</u>	<u>0.00</u>	<u>0.00</u>	<u>39,442.42</u>
Total	<u>\$ 539,842.42</u>	<u>\$ 0.00</u>	<u>\$ 459,279.49</u>	<u>\$ 999,121.91</u>

Investment Credit Risk:

The District has no investment policy that limits its investment choices. The District generally authorizes investments in (1) full faith and credit, direct obligations of the U.S. Government, its agencies and instrumentalities, and the State of Oklahoma and certain mortgage insured federal debt; (2) certificates of deposit or savings accounts that are either insured or secured with acceptable collateral; (3) negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations; (4) county, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district; and government money market funds regulated by the SEC. The investments held by the District are certificates of deposit.

BECKHAM COUNTY RURAL WATER DISTRICT NO. 3
ELK CITY, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

Significant Accounting Policies, (Continued)

Cash and Investments, (Continued)

Investment Interest Rate Risk:

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The District has no investment policy that limits based on maturity. The District discloses its exposure to interest rate risk by disclosing the maturity dates of its various investments. The District's only investment at December 31, 2015 and 2014 is a short-term certificate of deposit with Great Plains National Bank of Elk City, Oklahoma.

Concentration of Investment Credit Risk:

Exposure to concentration of credit risk is considered to exist when investments in any one issuer represent a significant percent of total investments of the District. Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from this consideration. The District has no investment policy regarding concentration of credit risk. At December 31, 2015 and 2014, the District had no concentration of credit risk as defined above.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the District considers all highly liquid investments with a maturity of three (3) months or less when purchased to be cash equivalents.

Accounts Receivable

Billings for accounts receivable at December 31, 2015 and 2014 are \$38,612.95 and \$57,592.78, respectively. Allowance for doubtful accounts was not computed on these balances because uncollectibles do not have a material effect on the balance sheet.

Inventory

Inventory is valued at cost. Inventory consists of supplies necessary for the maintenance and operation of the water system. Expenses are incurred only when the inventory item is used.

BECKHAM COUNTY RURAL WATER DISTRICT NO. 3
ELK CITY, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

Significant Accounting Policies, (Continued)

Fixed Assets

Fixed assets are valued at cost. Depreciation is computed using the straight-line method over the fixed assets estimated useful life. The estimated useful lives of these assets are as follows:

Office Furniture and Fixtures	7 years
Equipment and Tools	7 years
Transportation Equipment	10 years
Lines and Storage	40 years

Restricted Assets

Under the terms of the USDA Rural Development loan agreements, the Beckham County Rural Water District No. 3, Elk City, Oklahoma, must maintain reserve funds. The original loan agreements required the district to deposit \$860.00 monthly into the reserve fund until a required balance of \$103,200.00 was reached. In July 1993, Rural Development agreed that the District could defer making transfers to the reserve account until the District received income from the sale of water to Hammon Public Works Authority (PWA). Rural Development also agreed to accept reduced payments until the Hammon PWA income was received. The sale of water to Hammon PWA began in March 1995, and the original loan was reamortized. The District resumed transfers to the reserve account one month after the loan reamortization. (See Note 2 for more information on the loan reamortization.)

Under the terms of the new Rural Development loan agreement, the district is to deposit 10% of the monthly payment (\$6,564.00) into the reserve account until a balance of 120 times the 10% is achieved which equals \$78,768.00. During the year ended December 31, 2004, the \$78,768.00 reserve requirement balance was met.

A summary of the Rural Development reserve fund is presented below:

	<u>12-31-15</u>	<u>12-31-14</u>
Beginning Balance	\$ 78,768.00	\$ 78,768.00
Monthly Deposits	0.00	0.00
Interest	0.00	0.00
Ending Balance	<u>\$ 78,768.00</u>	<u>\$ 78,768.00</u>

BECKHAM COUNTY RURAL WATER DISTRICT NO. 3
ELK CITY, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

Significant Accounting Policies, (Continued)

Restricted Assets, (Continued)

The December 31, 2015 and 2014, ending balance of \$78,768.00 consists of a money-market savings account at First National Bank and Trust of Elk City, Oklahoma.

Under the terms of the Rural Development loan agreement dated June 2, 2000, the District must maintain a second separate reserve fund. The loan agreement requires the District to deposit 10% of the monthly payment of \$273.00 into this reserve account every month for the entire life of the loan. This loan was paid off during the year ended December 31, 2015, and the remaining balance in this reserve account was transferred to the reserve balance for Loan No. 91-06. All required monthly payments were made to this reserve account as of December 31, 2015 and 2014.

Under the terms of the Rural Development loan agreement dated June 22, 2011, the District must maintain a reserve fund. The loan agreement requires the District to deposit 10% of the monthly payment of \$1,804.00 into this reserve account every month until a balance of \$21,648.00 is reached. The District has elected to combine the funding of this reserve with the reserve requirement of the loan agreement dated June 2, 2000. Therefore, the reserve requirements for the loan agreements dated June 2, 2000 and June 22, 2011 are both being deposited into the Rural Development Reserve Fund 2 bank account which consists of a money market savings account at First National Bank and Trust of Elk City, Oklahoma.

A summary of the Rural Development Reserve Fund 2 by year is presented below:

12-31-15

NOTES TO FINANCIAL STATEMENTS
December 31, 2015 and 2014

Significant Accounting Policies, (Continued)

Net Position

It is the District's policy to first use restricted net position prior to the use of the unrestricted net position when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

Net position of the business-type activity (proprietary fund) are displayed in the following three components:

1. Invested in Capital Assets, Net of Related Debt - Consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvements of those assets.
2. Restricted Net Position - Consists of net position with constraints placed on the use either by external groups such as creditors, grantors, contributors, or laws and regulations of other governments, or law through constitutional provisions or enabling legislation.
3. Unrestricted Net Position - All other net position that does not meet the definition of restricted or invested in capital assets, net of related debt.

Federal Income Tax

The District is exempt from federal and state income taxes.

2. **Long-term Debt**

The original Rural Development loan is dated April 11, 1990, for \$1,350,000 at an interest rate of 7.125%. The payment schedule called for monthly payments of \$8,600.00 beginning April 1991. The District paid \$2,902.09 principal on the note through December 31, 1994. The balance of principal payments was delinquent at December 31, 1994. Rural Development worked with the District to increase its revenue base in order for the District to be able to fund its debt-service requirements. Rural Development and Hammon Public Works Authority completed negotiations for the construction of a water line to connect the PWA to the District system. Hammon PWA completed the water line to the District's distribution system and was connected in March 1995.

Long-term Debt, (Continued)

Dayton K. Watkins, Rural Development acting administrator, approved that after the District was on-line with Hammon for approximately one month (target date April 14, 1995) and Hammon PWA began purchasing water, the District could reamortize the original loan. With the reamortization transaction, unpaid interest in the amount of \$111,364.58 as of the date of closing became principal. The new principal amount will be repaid at an interest rate of 4.5% for 40 years. The first monthly installment was due (May 9, 1995) thirty days from the date of closing. As of April 14, 1995, the new loan balance was \$1,458,462.49 at an interest rate of 4.5%. The payment schedule called for monthly payments of \$6,564.00 beginning May 1995. During the year ended December 31, 2015, a total of \$32,434.49 was applied to the principal on this loan.

On June 2, 2000, the District obtained a second loan from Rural Development, loan number 91-04, in the amount of \$58,000.00 to help with the construction of the combined office and shop building. The interest rate for this loan is 4.75%. The loan terms called for an interest-only payment on June 2, 2001, then monthly payments of \$273.00 beginning July 2, 2001, and each month thereafter until the principal and interest are fully paid, except that the final installment of the entire indebtedness, if not sooner paid, shall be due and payable 40 years from the date of this note. During the year ended December 31, 2015, a total of \$46,804.63 was applied to the principal on this loan to pay off this loan in full.

On June 22, 2001, the District obtained a third loan from Rural Development, loan number 91-06, in the amount of \$415,600.00 for the purpose of providing a portion of the cost of acquiring and constructing improvements to the District's water distribution system. The interest rate for this loan is 4.25%. The loan terms call for monthly payments of \$1,804.00 beginning July 22, 2011, and each month thereafter until the principal and interest are fully paid, except that the final installment of the entire indebtedness, if not sooner paid, shall be due and payable 40 years from the date of this note. During the year ended December 31, 2015, a total of \$5,345.17 was applied to the principal on this loan.

	<u>\$ 380,695.12</u>	<u>\$ 321,387.73</u>	<u>\$ 702,082.85</u>

The total interest paid on all debt for the years ended December 31, 2015 and 2014, was \$64,010.44 and \$66,532.70, respectively.

3. Accumulated Unpaid Vacation and Sick Pay

At December 31, 2015 and 2014, no determination of the aggregate dollar value of vacation or sick pay had been made.

4. Hammon Water Purchase Agreement Amendment

The contract was amended to read Hammon Public Works Authority (Hammon PWA) in lieu of Town of Hammon.

5. Risk Management

The District is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District purchases commercial insurance to cover these risks of loss, including general and auto liability, property damage, and director liability. Management believes such coverage is sufficient to preclude any significant uninsured losses to the District. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE
AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS*

The Honorable Board of Directors
Beckham County Rural Water District No. 3
Elk City, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities, and the aggregate remaining fund information of Beckham County Rural Water District No. 3, Elk City, Oklahoma, as of and for the years ended December 31, 2015 and 2014, and the related notes to the financial statements, which collectively comprise Beckham County Rural Water District No. 3, Elk City, Oklahoma's basic financial statements, and have issued our report thereon dated May 23, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Beckham County Rural Water District No. 3, Elk City, Oklahoma's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we do not express an opinion on the effectiveness of the entity's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Beckham County Rural Water District No. 3, Elk City, Oklahoma's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

This purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
