Report on the Financial Statements

We have audited the accompanying financial statements of each major fund of the Housing Authority of the City of Bristow, Oklahoma as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of Bristow, Oklahoma's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design and audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly we express no such opinion. An audit also

includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund of the Housing Authority of the City of Bristow, Oklahoma, as of June 30, 2017, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Managements' Discussion and Analysis on pages 4 to 10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards general accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the City of Bristow, Oklahoma's basic financial statements. The statement of modernization costs-uncompleted, financial data schedules, and the schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The statement of modernization costs-uncompleted, financial data schedules, and the schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, statement of modernization

costs-uncompleted, financial data schedules, and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 29, 2018 on our consideration of the Housing Authority of the City of Bristow, Oklahoma's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Audit Standards* in considering the Housing Authority of the City of Bristow, Oklahoma's internal control over financial reporting and compliance.

***Bristow Housing Authority
Management's Discussion and Analysis
For the Year Ended June 30, 2017***

Introduction

This Management's Discussion and Analysis (MD&A) of the Bristow Housing Authority (Authority) provides an introduction and overview to the financial statements of the Bristow Housing Authority for the fiscal year ended June 30, 2017. The Bristow Housing Authority presents this discussion and analysis of its financial performance during the fiscal year ended June 30, 2017, to assist the reader in focusing on significant financial issues.

The primary focus of the Authority's financial statements is on the statements of its single enterprise fund encompassing all programs administered by the Bristow Housing Authority. This information contained herein this MD&A should be considered in conjunction with the Authority's financial statements and related notes to the financial statements.

The Authority has three significant programs. They include the Low Rent Housing Program, the Capital Fund Program, and the Housing Choice Voucher Program.

- The Low Rent Housing Program consists of 159 dwelling units. Funding is provided based on dwelling rents paid by the tenants and operating fund payments received from the Department of Housing & Urban Development based on a formula.
- The Capital Fund Program is also a formula based program from HUD. The purpose of this program is to provide funding for the modernization and improvement of the Low Rent Public Housing Program. These resources allow the Authority to provide capital improvements for the current dwelling structures and assist the Authority in operations.
- The Housing Choice Voucher Program provides rental assistance to aid low income families in affording decent, safe and sanitary rental housing. The Authority provides rental assistance in the form of a housing assistance payment to a landlord on behalf of the tenant. The Authority currently has 87 units available. Funds are provided by HUD to provide rental assistance payments. The Authority is provided an administrative fee for the purpose of covering the administrative costs of the program. The administrative fee is computed by HUD on an annual basis.

For financial statement presentation, the Authority has merged the Low Rent Public Housing Program and the Capital Fund Program into a single fund reported as the general fund. The Housing Choice Voucher Program is presented as a separate fund.

Overview of the Financial Statements

This overview of the financial statement is intended to inform and introduce the reader to the Authority's financial statements. The financial statements are comprised of three individual statements. These statements include:

- The Statement of Net Position

- The Statement of Revenues, Expense, and Changes in Net Position
- The Statement of Cash Flows

The Statement of Net Position presents information on the assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the differences between the two being reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial situation of the Authority is improving or deteriorating. Net position is comprised of three individual components:

- *Net Investment in Capital Assets* consists of capital asset balances net of accumulated depreciation less any outstanding balances of related debt associated with these assets.
- *Restricted* component of net position consists of resources that are restricted by limitations placed on these resources by an external source or imposed by law through constitutional provisions.
- *Unrestricted* component of net position represents the remaining resources available that does not meet the definition of the above categories. The unrestricted component of net position is basically the amount of resources available for future year appropriations.

The Statement of Revenues, Expenses, and Changes in Net Position reports the operating revenues, operating expenses, non-operating revenues, and non-operating expenses of the Authority for the fiscal year ended June 30, 2017, to determine the change in net position for the fiscal year.

The Statement of Cash Flows reports cash activities for the fiscal year resulting from operating activities, investing activities, non-capital financing activities, and capital and related to financing activities. The net result of these activities represents the increase or decrease of the cash equivalent account balance for the year ended June 30, 2017.

Financial Highlights

- The Bristow Housing Authority's net position decreased from \$3,176,858 to \$3,087,778, a decrease of \$89,080 or 3%. The total assets also decreased by \$89,9888 or 3%.
- The unrestricted net asset balance at June 30, 2017, was \$1,602,904. This represents an increase of \$125,433 or 8% from the previous year.
- Total revenues decreased from \$1,333,716 to \$1,155,308, a decrease of \$178,408 or 13%.
- Total expenses decreased by \$126,012, from \$1,370,400 to \$1,244,388 for the current year. This represents an decrease of 9%.

Total Net Position	\$ 3,087,778	\$ 3,176,858	\$ (89,080)	-3%

Current Assets

Current assets increased by \$128,669. The increase resulted from excess operating revenues over operating expenses. Unrestricted cash and investments increased from \$1,288,136 to \$1,416,319, an increase of \$128,183 from June 30, 2016 to June 30, 2017.

Noncurrent Assets

Noncurrent assets decreased by \$218,657, due primarily to the recording of the current year depreciation expense. More details are provided in the Capital Assets section in a subsequent paragraph.

Current Liabilities

Current liabilities decreased by \$1,242 from the previous fiscal year. The decrease is due primarily to accounts payable less than 90 days decreasing by \$2,348, accrued compensated absences – current portion increasing by \$440, and accounts payable – other government increasing by \$3,264.

NonCurrent Liabilities

Non-current liabilities increased by \$334 due to an increase in accrued compensated absences (non-current portion).

Net Position

The restricted component of the financial positions held for HAP payments increased by \$4,144 due to HAP funding exceeding HAP expenditures in the current fiscal year.

The Authority's unrestricted component of net position changed from \$1,477,471 to \$1,602,904, an increase of \$125,433, or 8% for the current year. The primary reason for the increase was due to excess operating revenues over operating expenditures for the current year. The unrestricted component of net position is the amount available for future appropriations. This balance is subject to program specific guidelines. Individual program balances that comprise the unrestricted component of net position are as follows:

Low Rent Housing Program	\$1,447,483
Section 8 Housing Choice Voucher Program:	
Administrative Funding	<u>155,421</u>
 Total Unrestricted Net Financial Position	 <u>\$1,602,904</u>

Results of Operations

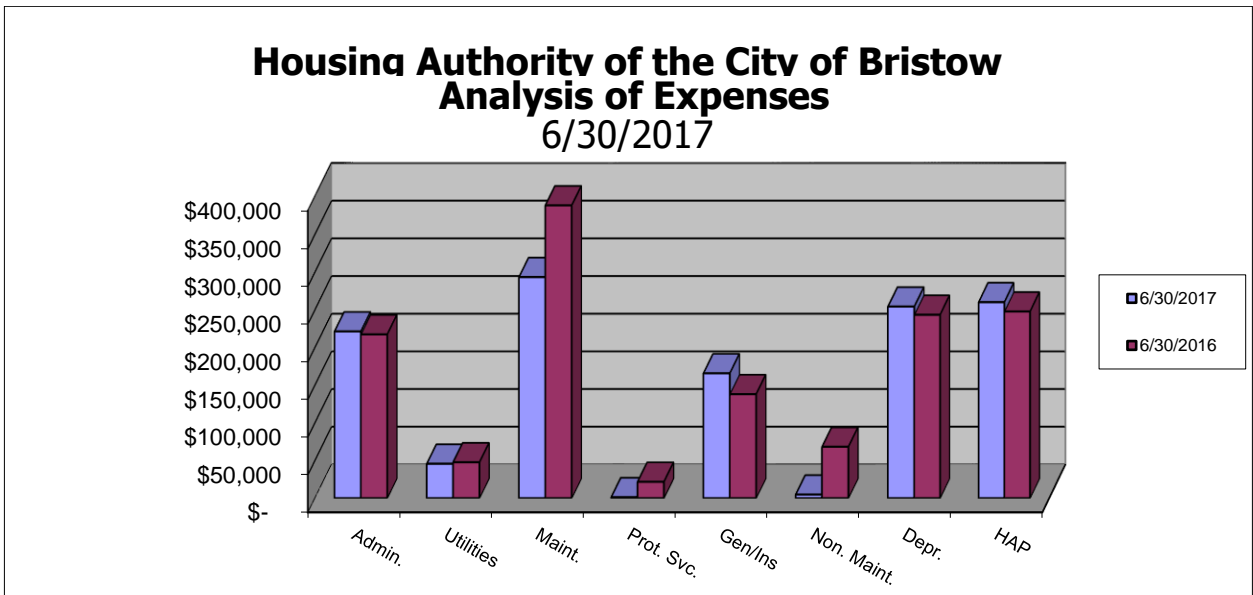

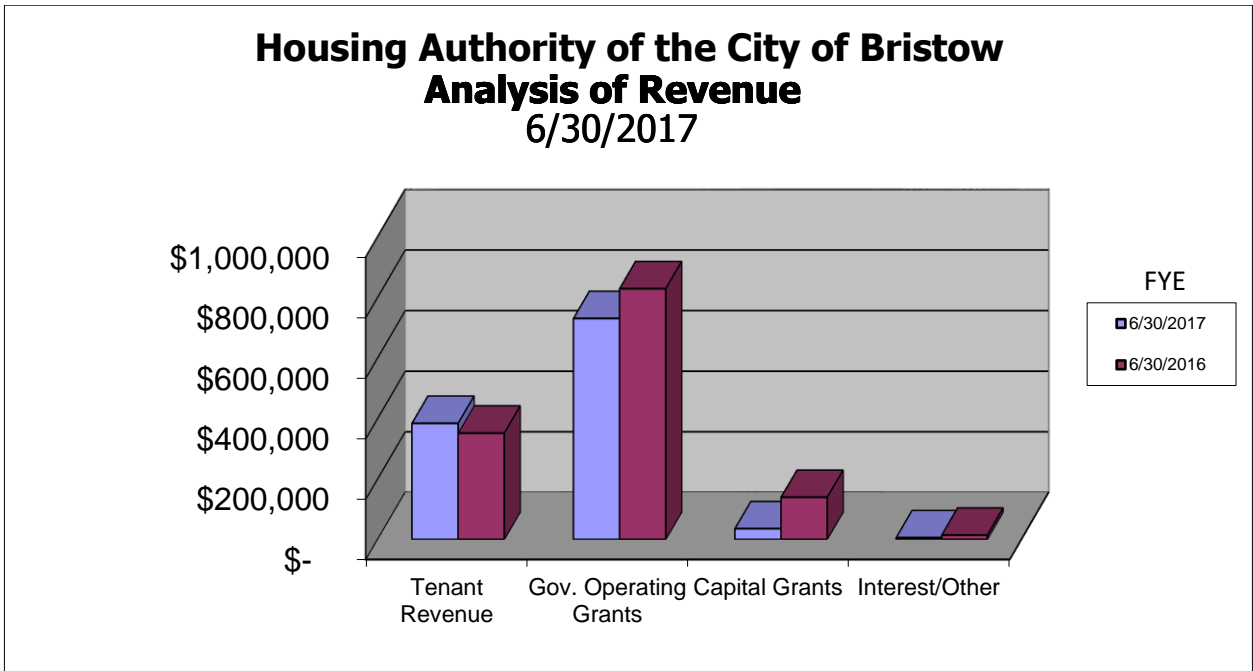

Revenues of the Authority are generated principally from dwelling rents and HUD grants. The Authority's revenue decreased by \$178,408 during the current fiscal year as compared to the previous year amounts.

- Tenant revenue increased by \$32,380 from the prior year. The increase is primarily due to the increase in average rent from \$182 in the prior year to \$202 in the current year.
- HUD operating grants decreased by \$98,190. Low Rent Program operating subsidy increased by \$9,086, CFP operating grants decreased by \$123,942, and Section 8 Voucher's operating grants increased by \$16,666 from the prior year.
- Capital grants decreased by \$104,076 due to decreased capital improvement activity in the current year.
- Other revenue decreased by \$9,194 due primarily to insurance proceeds received in the prior year in the amount of \$5,327.

Total expenses decreased by \$126,012. Significant differences between the current and previous fiscal years include:

- Maintenance costs decreased by \$95,140 from the previous year due to materials decreasing by \$45,117, heating and cooling contracts decreasing by \$10,260, Unit turnaround contracts decreasing by \$7,252, and miscellaneous contracts decreasing by \$23,045.
- Protective services decreased by \$20,416 due to a decrease in security personnel in the current year.
- The nonroutine maintenance expense of \$4,487 in the current year consists of plumbing replacement in the slab of a unit.

We have provided the following presentations to demonstrate the revenues and expenses by summarized account category:

Capital Assets

As of June 30, 2017, the Authority's net investment in capital assets was \$1,480,730. This investment includes land, building, equipment, and construction in progress net of accumulated depreciation.

<u>Category</u>	<u>6/30/2017</u>	<u>6/30/2016</u>	<u>Change \$</u>	<u>Change %</u>

Total Net Fixed Assets	\$ 1,480,730	\$ 1,699,387	\$ (218,657)	-13%

The addition to the building account is from a concrete work project that was funded by the 2013 Capital Fund Program Grant.

The equipment account increased due to the purchase of a van with the 2013 Capital Fund Program Grant.

Long Term Debt Liability

The Authority classifies a portion of the employee's leave as long term debt. This is because the Authority does not anticipate paying out the total amount accrued in the upcoming fiscal year. The amount estimated as long term was \$847, a net increase of \$334 from the previous year.

Subsequent Event

Due to the 2017 Congressional Appropriations, the Authority's operating subsidy provided by HUD for the Low Rent Housing Program was prorated to 92% for the calendar year 2017.

The amount of funding for the 2017 calendar year for the Housing Choice Voucher Program will include the proration of administrative fees at an estimated 77% and HAP funding at 97%.

HOUSING AUTHORITY OF BRISTOW, OKLAHOMA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES The accompanying financial statements of the Housing Authority of the City of Bristow have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

A. REPORTING ENTITY Housing Authorities are chartered as public corporations under the state laws for the purpose of providing safe and sanitary dwellings accommodations. This creation was contingent upon the local governing body of the city declaring a need for the Housing Authority to function in such city. The Housing Authority is governed by a five member Board of Commissioners. The members, appointed by the Honorable Mayor of the City of Bristow, serve staggered multi-year terms.

The Housing Authority has the following units:

PHA Owned Housing	FW 159
Section 8	
Housing Choice Vouchers	87

GASB Statement 14 establishes criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Under provisions of this Statement, the Housing Authority is considered a primary government, since it is a special purpose government that has a separate governing body, is legally separate, and is fiscally independent of other state or local governments. As used in GASB Statement 14, fiscally independent means that the Housing Authority may, without the approval or consent of another governmental entity, determine or modify its own budget, levy its own taxes or set rates or charges, and issue bonded debt with HUD approval.

The Housing Authority is a related organization of the City of Bristow since the City of Bristow appoints a voting majority of the Housing Authority's governing board. The City of Bristow is not financially accountable for the Housing Authority as it cannot impose its will on the Housing Authority and there is no potential for the Housing Authority to provide financial benefit to, or impose financial burdens on, the City of Bristow. Accordingly, the Housing Authority is not a component unit of the financial reporting entity of the City of Bristow.

Governmental Accounting Standards Board (GASB) Codification Section 2100 establishes criteria for determining which, if any, component units should be considered part of the Housing Authority for financial reporting purposes. The basic criteria for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability, which includes:

HOUSING AUTHORITY OF BRISTOW, OKLAHOMA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

- 1) Appointing a voting majority of an organization's governing body, and:
 - a) The ability of the government to impose its will on that organization and/or
 - b) The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the government.
- 2) Organizations for which the government does not appoint a voting majority but are fiscally dependent on the government.
- 3) Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Based on the previous criteria, the Housing Authority has determined that there are no component units that should be considered as part of the Housing Authority reporting entity.

B. FUNDS The accounts of the Housing Authority are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds are maintained consistent with legal and managerial requirements.

The transactions of the Housing Authority are reported in a proprietary enterprise fund. The general fund accounts for the transactions of the Public Housing Low Rent program and the Capital Fund program. The housing choice voucher fund accounts for the Section 8 Housing Choice Voucher program.

C. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

PROPRIETARY FUNDS Proprietary funds are accounted for on the flow of economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the statement of net position.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary funds' principal ongoing operations. According to the Authority's policy, governmental operating grants are considered operating revenues. The other principal operating revenues of the Housing Authority are rent and maintenance charges to residents and operating fees earned. Operating expenses for proprietary funds include the administrative costs of providing the service and the housing assistance payments to landlords. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

D. CASH AND CASH EQUIVALENTS Cash includes amounts in demand deposits and interest-bearing demand deposits. Cash equivalents include amounts in time deposits, of less than ninety days, and cash with fiscal agent. Under state law, the Housing Authority may deposit funds in demand deposits, interest-bearing demand deposits, money market accounts, or time deposits with state banks organized under state law and national banks having their principal offices in the state.

On the Statement of Cash Flows, cash and cash equivalents, end of year, is \$515,311. This is comprised of cash and cash equivalents of \$476,875 and restricted assets – cash of \$38,436, on the statement of net position.

E. INVESTMENTS Investments are limited by the Housing Authority’s investment policy to Certificates of Deposit. If the original maturities of investments exceed 90 days, they are classified as investments; however, if the original maturities are 90 days or less, they are classified as cash equivalents.

The investments are reflected at quoted market prices except for the following which are required/permitted as per GASB Statement No. 31:

Investments in *nonparticipating* interest-earning contracts, such as nonnegotiable certificates of deposit with redemption terms that do not consider market rates, are reported using a cost-based measure.

Definitions:

Interest-earning investment contract include time deposits with financial institutions (such as certificates of deposit), repurchase agreements, and guaranteed investment contracts.

F. REVENUE RECOGNITION Revenues and other governmental fund financial resource increments are recognized in the accounting period in which they become susceptible to accrual – that is, when they become *measurable* and *available* to the finance expenditures of the fiscal period. “Available” is determined as collectible within the 12 months of the fiscal year or soon enough thereafter to be used in pay liabilities of the current period.

G. INVENTORY All purchased inventory items are valued at cost using the first-in, first-out method. Inventory is recorded using the purchase method. At year end, the amount of inventory is recorded for external financial reporting.

H. PREPAID ITEMS Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

HOUSING AUTHORITY OF BRISTOW, OKLAHOMA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

I. CAPITAL ASSETS Capital assets are recorded at historical cost and depreciated over their estimated useful lives (excluding salvage value). The capitalization threshold is \$1,000. Donated capital assets are recorded at their estimated fair value at the date of donation. Estimated useful life is management's estimate of how long the asset is expected to meet service demands. Straight line depreciation is used based on the following estimated useful lives:

Site improvements	15 years
Buildings	40 years
Building improvements	15 years
Furniture and equipment	5-7 years
Computers	3 years

J. UNEARNED INCOME The Housing Authority reports prepaid revenues on its statement of net position. Prepaid revenues arise when resources are received by the Housing Authority before it has a legal claim to them, as when grant monies are received prior to the occurrence of qualifying expenditures. In subsequent periods, when the Housing Authority has a legal claim to the resources, the liability for prepaid revenue is removed from the statement of net position and the revenue is recognized.

K. COMPENSATED ABSENCES Under adopted policy, employees earn one week of annual vacation leave for each year of service. For two to five years, two weeks is earned. After five years of service, three weeks of annual vacation is earned. Annual leave is forfeited if it is not used within one year of the date it is earned.

Sick days are earned for each month of service. It may be accrued, but unused time is not paid upon termination or retirement.

L. POST EMPLOYMENT BENEFITS The Authority does not recognize or pay any post employment benefits. Accordingly, Governmental Accounting Standards Board (GASB) Statement Number 45 does not apply.

M. NET POSITION AND FLOW ASSUMPTIONS Net position is reported as restricted when constraints placed on net position use as either:

Externally imposed by creditors (such as debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation.

Sometime the Authority may fund outlays from both restricted and unrestricted resources. In the event that should occur, the Authority must make a flow assumption about the order in which the resources are considered to be applied. It is the Authority's policy to consider restricted-net position to have been depleted before unrestricted-net position is applied.

NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

N. USE OF ESTIMATES The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses and other financing sources and uses during the reporting period. Actual results could differ from those estimates.

NOTE 2 – DEPOSITS AND INVESTMENTS The Housing Authority has reported their investments with a maturity at time of purchase of one year or less at amortized cost. Investments with maturity at time of purchase of greater than one year are presented at fair value at June 30, 2017. Deposits are stated at cost, which approximates fair value.

Interest Rate Risk: The Housing Authority's policy does not address interest rate risk.

Credit Rate Risk: GASB 40 disclosure of credit rate risk does not apply, since the Authority's only investments are certificates of deposit.

Custodial Credit Risk: The Authority's policy requires the financial institution to cover the first \$250,000 of deposits with FDIC coverage. Any excess deposits must be collateralized with securities held by the pledging financial institution, with a fair market value that equals or exceeds the amount of excess deposits.

Restricted Cash: \$34,392 is restricted in the General Fund for security deposits. \$4,144 is restricted in the Housing Choice Voucher fund for Admin Fees.

At June 30, 2017, the Housing Authority's carrying amount of deposits was \$1,454,555 and the bank balance was \$1,507,678, which includes \$939,444 in certificates of deposits classified as investments. Petty cash consists of \$200. \$975,911 of the bank balance was covered by FDIC Insurance. The remaining bank balance of \$531,767 was covered by pledged securities. However, this \$531,767 was exposed to custodial credit risk, as defined by GASBS No. 40, para. 8, because it was uninsured and collateralized with securities held by the pledging financial institution's trust department or agent but not in the Housing Authority's name.

NOTE 9 – RETIREMENT SYSTEM The Housing Authority participates in an IRA Simple Retirement Plan. After a 90 day waiting period, employees may elect to participate, if they are projected to earn at least \$5,000 per annum. Participating employees may contribute up to 3% of their salary and the PHA contributes 3% of their salary. All contributions are immediately fully vested.

The Housing Authority has the right to establish or amend retirement plan provisions. The Housing Authority's Joinder Agreement with the Plan may be amended or modified by Board Resolution. Amendment of the Joinder Agreement is limited to provisions affecting plan specifications.

The Housing Authority made the required contributions of \$7,745 for the year ended June 30, 2017, of which \$3,861 was paid by the Housing Authority and \$3,884 was paid by employees. No payments were made out of the forfeiture account.

NOTE 10 – COMMITMENTS AND CONTINGENCIES

Litigation The Housing Authority is not presently involved in litigation.

Grant Disallowances The Housing Authority participates in a number of federally assisted grant programs. The programs are subject to compliance audits under the single audit approach. Such audits could lead to requests for reimbursement by the grantor agency for expenditures disallowed under terms of the grants. Housing Authority management believes that the amount of disallowance, if any, which may arise from future audits will not be material.

Construction Projects There are certain renovation or construction projects in progress at June 30, 2017. These include modernizing rental units. These projects are being funded by HUD. Funds are requested periodically as the cost is incurred.

Risk Management The Housing Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Housing Authority carries commercial insurance.

The Housing Authority transfers risk of loss by participating in a public entity risk pool and contracting with a commercial insurance carrier for all major categories of exposed risk.

This includes coverage of worker's compensation. The risk pool and insurance contracted are obligated to meet settlements up to the maximum coverage, after the PHA's premiums and deductions are met.

The policies of the Housing Authority Insurance Group do not include a stipulation for assessment, which would expose the entity to additional liability. If the mutual carrier was unable to meet its obligations, the risk to the participating entity would be that only its own claim would be unpaid.

HOUSING AUTHORITY OF BRISTOW, OKLAHOMA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

Coverage has not significantly changed from the previous year and settlements for each of the past three years have not exceeded insurance coverage.

NOTE 11– ECONOMIC DEPENDENCE The Department of Housing and Urban Development provided \$765,665 to the Housing Authority, which represents approximately 66% of the Housing Authority’s total revenue and capital contributions for the year.

NOTE 12 - SUBSEQUENT EVENTS Management has evaluated events and transactions subsequent to the statement of net position date through, January 29, 2018, of the independent auditor's report for potential recognition or disclosure in the financial statements. Management has not identified any items requiring recognition or disclosure.

Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards*

Independent Auditor's Report

Housing Authority of Bristow
Bristow, Oklahoma

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of each major fund of the Housing Authority of the City of Bristow, Oklahoma, as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of Bristow, Oklahoma's basic financial statements, and have issued our report thereon dated January 29, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority of the City of Bristow, Oklahoma's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the City of Bristow, Oklahoma's internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the City of Bristow, Oklahoma's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses, or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the City of Bristow, Oklahoma's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance For Each Major Federal Program; Report on Internal Control Over Compliance; and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

Independent Auditor's Report

Housing Authority of Bristow
Bristow, Oklahoma

Report on Compliance for Each Major Federal Program

We have audited the Housing Authority of the City of Bristow, Oklahoma's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Housing Authority of the City of Bristow, Oklahoma's major federal programs for the year ended June 30, 2017. The Housing Authority of the City of Bristow, Oklahoma's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Housing Authority of the City of Bristow, Oklahoma's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Housing Authority of the City of Bristow, Oklahoma's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Housing Authority of the City of Bristow, Oklahoma's compliance.

Opinion on Each Major Federal Program

In our opinion, the Housing Authority of the City of Bristow, Oklahoma complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of the Housing Authority of the City of Bristow, Oklahoma is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Housing Authority of the City of Bristow, Oklahoma's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of Bristow, Oklahoma's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charges with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of Housing Authority of the City of Bristow, Oklahoma as of and for the year ended June 30, 2017, and have issued our report thereon dated January 29, 2018, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.
