**INDEPENDENT AUDITOR'S REPORT**

To The Board of Directors  
Buckhorn Rural Water District #2, Murray County, Oklahoma

I have audited the accompanying statement of net assets of Buckhorn Rural Water District #2, Murray County (the "District") as of December 31, 2011, and the related statements of revenues, expenses and changes in net assets, and cash flows for the year then ended, which collectively comprise the District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the District's management. My responsibility is to express an opinion on these financial statements based on my audit.

Except as noted in the third paragraph, I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

As further explained in Note 1.B., the financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In my opinion the financial statements referred to above present fairly, in all material respects, the financial position of Buckhorn Rural Water District #2, Murray County at December 31, 2011, and the changes in financial position and cash flows, for the year then ended, on the basis of accounting described in Note 1. B., which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, I have also issued my report dated February 4, 2012 on my consideration of the District's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of my audit.

The District has not presented the Management's Discussion and Analysis required by the Governmental Accounting Standards Board (GASB) that the GASB has determined is necessary to supplement, although not required to be part of, the basic financial statements.

Pauls Valley, Oklahoma  
February 4, 2012

For the fiscal year ended December 31, 2011

---

**NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**1.A. FINANCIAL REPORTING ENTITY**

Buckhorn Rural Water District #2, Murray County, Oklahoma was established pursuant to "Nonprofit Corporation Act" Oklahoma State Law in March 1968. On May 14, 2001, the District was reorganized to be a Rural Water District pursuant to Title 82 of Oklahoma State Law. The purpose of the District remained the same, to provide a water distribution system for its members in the Sulphur, Oklahoma area. Members are owners of property located within the area who have subscribed to one or more Benefit Units. Each member represents one vote of the governing body of the District without any direct ownership in its assets.

The accompanying financial statements include all functions and activities over which the District exercises financial accountability. The District is considered a primary government as defined by the Governmental Accounting Standards Board (GASB) and has no other component units within its reporting entity.

**1.B. BASIS OF PRESENTATION**

The District utilizes the modified cash basis of accounting, which is comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting assets, liabilities and related revenues and expenses are recorded when they result from cash transactions with an adjustment for depreciation.

If the District utilized the basis of accounting recognized as generally accepted, as a proprietary type fund, they would use the accrual basis of accounting. In other words, revenues would be recognized when earned and expenses (including depreciation) would be recorded when the liability is incurred or economic asset used.

**1.C. ASSETS, LIABILITIES AND EQUITY**

Cash and Cash Equivalents

For the purpose of financial reporting, "cash and cash equivalents" includes all demand and savings accounts, and certificates of deposit or short-term investments with an original maturity of three-months or less.

Accounts Receivable

As a result of the use of the modified cash basis of accounting, accounts receivable and other revenue related receivables are not reported in the financial statements.

Capital Assets

Facilities purchased, constructed, or donated are recorded at cost and include improvements that significantly add to the productive capacity or extend the useful life of the asset. The District has determined that assets with a cost of more than \$1,000 will be capitalized. Costs of maintenance and repairs are charged to expense. Upon retirement or disposal of assets, the cost and related accumulated depreciation are removed from the accounts, and gain or loss, if any, is reflected in earnings for that period. Depreciation is provided on a straight-line method over the estimated useful lives of the assets, generally forty years for the water system and five years for office furniture and equipment.

**BUCKHORN RURAL WATER DISTRICT #2, MURRY COUNTY, OKLAHOMA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
For the fiscal year ended December 31, 2011

---

Organization Cost

Organization cost, with an original cost of \$7,777 is an intangible asset. Amortization has been provided over the estimated useful life of forty years using the straight-line method. This asset was fully amortized in the current year.

Long-Term Debt

Long-term debt to be repaid from District resources are reported as liabilities in the balance sheet. As of December 31, 2011 long-term debt is comprised of one note payable.

Equity Classification

Equity is classified as net assets and displayed in three components:

- a. Invested in capital assets, net of related debt - Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction or improvements of those assets.
- b. Restricted net assets - Consists of net assets with constraints placed on the use either by 1) external groups such as creditors, grantors, contributors or laws and regulations of other governments, or 2) law through constitutional provisions or enabling legislation.
- c. Unrestricted net assets - All other net assets that do not meet the definition of "restricted" or "invested in capital assets, net of related debt".

It is the District's policy to first use restricted net assets prior to the use of unrestricted net assets when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

**1.D. REVENUES, EXPENDITURES AND EXPENSES**

For purposes of the operating statement, revenues and expenses are classified by Operating and Non-Operating. The District reports expenses relating to use of economic resources including depreciation.

Benefit Unit Fees

Benefit unit fees represent a membership/connection fee required of each District member at the time they request service. This nonrefundable fee is designed to cover the estimated cost of connection, tap and related hook-up costs to the District's system. As such, the fees are recorded as operating revenue.

**1.E. USE OF ESTIMATES**

The preparation of financial statements in conformity with the other comprehensive basis of accounting used by the District requires management to make estimates and assumptions that affect certain reported amounts and disclosures (such as estimated useful lives in determining depreciation expense); accordingly, actual results could differ from those estimates.

**1.F. DIFFERENCES FROM GAAP**

Basis of Accounting

As discussed in Note 1.B., the District reports its financial statements on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

**BUCKHORN RURAL WATER DISTRICT #2, MURRY COUNTY, OKLAHOMA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
For the fiscal year ended December 31, 2011

---

**NOTE 2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY**

By its nature as a local government unit, the District is subject to various federal, state and local laws and contractual regulations. An analysis of the District's compliance with significant laws and regulations and demonstration of its stewardship over District resources follows:

**2.A. DEPOSITS AND INVESTMENT LAWS AND REGULATIONS**

In accordance with State law, all uninsured deposits of municipal funds in financial institutions must be secured with acceptable collateral valued at the lower of market or par. Acceptable collateral includes certain U.S. Government or Government Agency securities, certain State of Oklahoma or political subdivision debt obligations, surety bonds and certain letters of credit. As required by 12 U.S.C.A., Section 1823(e), all financial institutions pledging collateral to the District must have a written collateral agreement approved by the board of directors or loan committee. For the year ended December 31, 2011, the District's deposits were fully insured or collateralized.

**2.B. DEBT RESTRICTIONS AND COVENANTS**

In accordance with the requirements set by Rural Development, the District is required to set aside funds for the purpose of major catastrophic repair or extensions and improvements. The funding amounts required are equal to one year's worth of payments, with the provision the District has ten years to fully fund the reserve. At December 31, 2011, the amount of reserve funds required is \$19,478. The reserve was fully funded at December 31, 2011.

**NOTE 3. DETAIL NOTES-TRANSACTION CLASSES/ACCOUNTS**

The following notes present detail information to support the amounts reported in the basic financial statements for its various assets, liabilities, equity, revenues and expenditures/expenses.

**3.A. CASH AND CASH EQUIVALENTS**

Custodial Credit Risk

At December 31, 2011, the District held deposits of approximately \$309,233 at financial institutions. The District's cash deposits, including the interest-bearing certificates of deposit, are entirely covered by the Federal Depository Insurance (FDIC) or direct obligation of the U.S. Government insured or collateralized with securities held by the District or by its agent in the District's name.

Investment Interest Rate Risk

The District does not have a formal investment policy that limits the investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

**BUCKHORN RURAL WATER DISTRICT #2, MURRY COUNTY, OKLAHOMA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
For the fiscal year ended December 31, 2011

Investment Credit Risk

The District has no policy that limits its investment choices other than the limitation of state law as follows:

- a. Direct obligations of the U.S. Government, its agencies and instrumentalities to which the full faith and credit of the U.S. Government is pledged, or obligations to the payment of which the full faith and credit of the State is pledged.
- b. Certificates of deposits or savings accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.
- c. With certain limitation, negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations.
- d. County, municipal or school district tax supported debt obligations, bonds or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality, or school district.
- e. Notes or bonds secured by mortgage or trust deed insured by the Federal Housing Administrator and debentures issued by the Federal Housing Administrator, and in obligation of the National Mortgage Association.
- f. Money market funds regulated by the SEC and in which investments consist of the investments mentioned in the previous paragraphs (a.-d.).

The investments held at December 31, 2011 are as follows:

Type	Weighted Average Maturity (Months)	Credit Rating	Market Value	Cost
Investments				
Certificates of deposit	2.34	N/A	\$248,298	\$248,298
Total Investments			\$248,298	\$248,298

**3.B. RESTRICTED ASSETS**

The amount reported as restricted assets of the District on the Statement of Net Assets is comprised of amounts held by the District for cash held as debt service reserves on the Rural Development note payable. The restricted asset as of December 31, 2011 was as follows:

Investments: Debt service	<u>\$19,478</u>
---------------------------	-----------------

**BUCKHORN RURAL WATER DISTRICT #2, MURRY COUNTY, OKLAHOMA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
For the fiscal year ended December 31, 2011

**3.C. CAPITAL ASSETS**

Capital assets activity resulting from modified cash basis transactions for the fiscal year ended December 31, 2011, was as follows:

	Balance at January 1, 2011	Additions	Disposals	Balance at December 31, 2011
Business-type activities:				
Office equipment	6,998	-	-	6,998
Plant equipment	16,850	1,062	-	17,912
Building	54,950	-	-	54,950
Utility property and improvements	1,547,474	73,507	-	1,620,981
Total other capital assets at historical cost	<u>1,626,272</u>	<u>74,569</u>	-	<u>1,700,841</u>
Less accumulated depreciation for:				
Office equipment	6,196	288	-	6,484
Building	2,175	1,374	-	3,549
Plant equipment	16,849	53	-	16,902
Utility property and improvements	632,134	34,678	-	666,812
Total accumulated depreciation	<u>657,354</u>	<u>36,393</u>	-	<u>693,747</u>
Capital assets, net	<u>968,918</u>	<u>38,176</u>	-	<u>1,007,094</u>

**3.D. LONG-TERM DEBT**

At December 31, 2011, the District had the following long-term debt outstanding:

Note payable to RECD, payable in monthly installments of \$1,855, including principal and interest at 4.625%, final payment due March 17, 2043, secured by utility facilities.

Current portion	\$ 6,283
Noncurrent portion	<u>342,009</u>
Total Note Payable	<u>\$348,292</u>

**BUCKHORN RURAL WATER DISTRICT #2, MURRY COUNTY, OKLAHOMA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
For the fiscal year ended December 31, 2011

Changes in Long-Term Debt

The following is a summary of changes in long-term debt for the year ended December 31, 2011:

	Balance January 1, 2011	Additions	Deductions	Balance December 31, 2011	Amounts Due Within One Year
Note Payable	\$ 354,293	\$ -	\$ 6,001	\$ 348,292	\$ 6,283
Total Debt	<u>\$ 354,293</u>	<u>\$ -</u>	<u>\$ 6,001</u>	<u>\$ 348,292</u>	<u>\$ 6,283</u>

Annual Debt Service Requirements

The annual debt service requirements to maturity, including principal and interest, for long-term debt as of December 31, 2011 are as follows:

Year Ending December 31,	<u>Notes Payable</u>	
	<u>Principal</u>	<u>Interest</u>
2012	\$6,283	\$15,977
2013	6,580	15,680
2014	6,891	15,369
2015	7,217	15,043
2016	7,558	14,702
2017-2021	43,493	67,807
2022-2026	54,785	56,515
2027-2031	69,008	42,292
2032-2036	86,923	24,377
2037-2039	<u>59,554</u>	<u>4,144</u>
Principal outstanding at December 31, 2011	<u>\$348,292</u>	<u>\$271,906</u>

**NOTE 4. OTHER NOTES**

**4.A. RISK MANAGEMENT**

Buckhorn Rural Water District No. 2 is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District continues to carry commercial insurance for these risks, including general and auto liability, and property damage liability. Settled claims resulting from these risks have not exceeded the commercial insurance coverage in any of the past three fiscal years.

**4.B. EMPLOYEE PENSION AND OTHER BENEFITS**

The District provides pension benefits through a Simplified Employee Pension Plan. As of December 31, 2011, the District provided a benefit to each employee in the amount of 7% of each employee's gross income. The District provides no other deferred compensation or other post-employment benefits to employees of the District.

**BUCKHORN RURAL WATER DISTRICT #2, MURRY COUNTY, OKLAHOMA**  
**NOTES TO BASIC FINANCIAL STATEMENTS**  
For the fiscal year ended December 31, 2011

---

**4.C. COMMITMENTS AND CONTINGENCIES**

Commitments

Buckhorn Rural Water District #2, Murray County, Oklahoma has a contract with Rural Water District #1, Murray County, Oklahoma, which sets the cost of water purchased by the Buckhorn. At December 31, 2011, the contract allowed a purchase rate of \$.73 per thousand gallons of water used. The contract extends through November 2046.

Contingencies: Litigation

The District is not involved with any legal proceedings, which normally occur in the course of governmental operations at this time. Therefore, the financial statements do not include accruals or provisions for loss contingencies.

While legal proceedings cannot be foreseen, the District feels that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the District.

**4.D. SUBSEQUENT EVENTS**

Management has evaluated subsequent events through February 4, 2012, which is the date the financial statements were available to be issued and have determined that no additional information needs to be added to the financial statements.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

February 4, 2012

Board of Directors  
Buckhorn Rural Water District #2, Murray Co., Oklahoma

I have audited the basic financial statements of Buckhorn Rural Water District #2, Murray County (the District) as of and for the year ended December 31, 2011, and have issued my report thereon dated February 4, 2012 which was a special report on the District's use of a comprehensive basis of accounting other than accounting principles generally accepted in the United State of America. Except as noted in my report dated February 4, 2012, I conducted my audit in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The District did not present the Management's Discussion and Analysis required by the Governmental Accounting Standards Board.

Internal Control over Financial Reporting

In planning and performing my audit, I considered the District's internal control over financial reporting as a basis for designing my audit procedures for the purpose of expressing my opinion on the basic financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of the District's internal control over financial reporting.

My consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. However, as discussed below, I identified a certain deficiency in internal control over financial reporting that I consider to be a significant deficiency.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the organization's financial statements that is more than inconsequential will not be prevented or detected by the organization's internal control. I consider the deficiencies described in the accompanying schedule of findings and responses to be significant deficiencies in internal control over financial reporting. I consider the following to be a control deficiency.

An adequate internal control structure does not exist because of the small size of the entity, nor is there adequate segregation of duties. A good internal control system would provide for separation of duties and responsibilities in financial matters between various employees. The individual receiving payments for utility billings would not be the same as the individual doing the billing, making the deposits and maintaining accounts receivable. The individual writing checks would not be the same as the individual recording those checks and reconciling bank accounts. However, because of the very limited number of administrative employees and the small size of the District budget, it is generally not financially efficient to have enough employees for proper segregation of duties. The best protection is to maintain sufficient bond on those handling cash to cover losses should they occur. This condition has been discussed with management, and management has concluded that the cost to correct this condition would exceed the benefit.

Buckhorn Rural Water District #2, Murray Co., Oklahoma  
February 4, 2012

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the basic financial statements will not be prevented or detected by the organization's internal control.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, the deficiency described above, I consider to be a material weakness.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The District's response to the findings identified in my audit is described above. I did not audit the District's response and, accordingly, I express no opinion on it.

This report is intended solely for the information and use of management, all applicable federal and state agencies, and is not intended to be and should not be used by anyone other than these specified parties.

Kristi L. Dobbins, CPA
