Schedule of Findings	E - 1

INDEPENDENT AUDITOR'S REPORT

To the Trustees of Canadian County
Educational Facilities Authority
El Reno, Oklahoma

We have audited the accompanying financial statements of the business-type activities of the **Canadian County Educational Facilities Authority**, a component unit of Canadian County, as of and for the year ended June 30, 2011, which collectively comprise the Authority's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the Authority prepares its financial statements on a cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the respective financial position-cash basis of the business-type activities of **Canadian County Educational Facilities Authority** as of June 30, 2011, and the respective changes in financial position-cash basis and cash flows-cash basis, thereof for the year then ended in conformity with the basis of accounting described in Note 1.

Canadian County Educational Facilities Authority
December 15, 2011

In accordance with *Government Auditing Standards*, we have also issued a report dated December 15, 2011, on our consideration of the Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The **Canadian County Educational Facilities Authority** has not presented the Management's Discussion and Analysis and budgetary information for the year ended June 30, 2011. Those are not a required part of the basic financial statements but are supplementary information required to accompany those financial statements.

Canadian County Educational Facilities Authority

Notes to Basic Financial Statements

For the Year Ended June 30, 2011

Note 1 - Summary of Significant Accounting Policies

As discussed further in Note 1.C., these financial statements are presented on the cash basis of accounting. The cash basis of accounting differs from accounting principles generally accepted in the United States of America (GAAP). Generally accepted accounting principles include all relevant Governmental Accounting Standards Board (GASB) pronouncements. In the financial statements, Financial Accounting Standards Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989, have been applied, to the extent with they are applicable to the cash basis of accounting, unless those pronouncements conflict with or contradict GASB pronouncements, in which case GASB prevails. The accounting and reporting framework and the more significant accounting policies are discussed in subsequent sections of these notes.

1.A. Financial Reporting Entity

Canadian County Educational Facilities Authority a public trust, created August 3, 2009, for the benefit of Canadian County, Oklahoma, and an agency of the State of Oklahoma. The Authority was created under provisions of the Oklahoma statutes by a Declaration of Trust to furnish the Beneficiary with services and facilities, promote local industrial development, provide cultural and educational activities and facilities, and to assist in financing and constructing other facilities, all for the benefit of the County. The Authority accomplishes its mission through various educational development trusts. The Authority is empowered to borrow money and to pledge assets, properties and revenue as security against its borrowings. The Authority has no taxing power.

Canadian County Educational Facilities Authority generally does not acquire any assets or incur any liability when it issues bonds for eligible entities. It may earn and collect administrative fees however and must be informed of the unpaid balances. If however Canadian County Educational Facilities Authority manages the assets and liabilities and does not assign them, the assets and liabilities would be recognized. In the supplemental information section additional information discloses the outstanding obligation, which the authority has facilitated.

Canadian County Educational Facilities Authority is a component unit of the governmental entity of Canadian County, Oklahoma. Canadian County's financial information is not presented in these financial statements.

Canadian County Educational Facilities Authority

Notes to Basic Financial Statements

For the Year Ended June 30, 2011

1.A. Financial Reporting Entity (continued)

Related Organizations

Canadian County The Authority, organized in 2009, is a public trust created and established pursuant to the term of Title 60, Oklahoma Statutes 2001, Sections 176 to 180.3, inclusive, as amended and supplemented, the Oklahoma Trust Act and other applicable statutes and laws of the State of Oklahoma and Canadian County is the beneficiary of this public trust. The elected Canadian County commissioners are the Authority's trustees. Therefore, the Authority is considered to be a component unit of Canadian County.

1.B. Basis of Presentation

Government-Wide Financial Statements – The Statement of Net Assets and Statement of Revenues, Expenses, and Changes in Net Assets display information about the reporting government as a whole. These statements generally distinguish between governmental and business-type activities. However, all the activities of the Authority are business-type activities. Business-type activities are financed in whole or in part by fees charged to external parties for goods or services.

Fund Financial Statements – Fund financial statements of the reporting entity are organized into funds, each of which is considered to be separate accounting entities. Each fund is accounted for by providing a separate set of self-balancing accounts which, are comprised of each fund's assets, liabilities, net assets, revenues and expenditures/expenses. The funds are reported by generic classification within the financial statements. The funds of the financial reporting entity are described below:

There were no major fund categories for the Authority.

Proprietary Fund Types

Proprietary funds are used to account for business-like activities provided to the general public. These activities are financed primarily by user charges and the measurement of financial activity focuses on net income measurement similar to the private sector.

Proprietary Fund

Brief Description

General Fund

Account to defray the administrative and audit costs associated or attributable to the Beneficiary's educational facilities projects and other projects which are selected to promote the development of industry, cultural and educational activities within Canadian County, Oklahoma.

Canadian County Educational Facilities Authority

Notes to Basic Financial Statements

For the Year Ended June 30, 2011

1.C. Measurement Focus and Basis of Accounting

Basis of accounting refers to when revenue and expenditures are recognized in the accounts and reported in the financial statements. This relates to the timing of revenues, expenditures/expenses regardless of the measurement focus applied. Measurement focus identifies which transactions and events should be recorded. In the governmental fund financial statements, a current financial resources measurement focus is applied.

The Authority prepares its financial statements using the cash basis of accounting. Under this basis, revenues and expenditures are recognized when they result from cash transactions. This method of accounting does not conform to generally accepted accounting principles. If the books of the Authority were maintained on the basis of accounting required by generally accepted accounting principles, the proprietary fund type would utilize the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred.

1.D. Assets, Liabilities and Equity

Cash and Cash Equivalents - For the purpose of the statement of cash flows, the Authority considers all cash in hand, demand deposit accounts, interest bearing checking accounts and time deposit accounts including certificates of deposit with maturities of three months or less to be cash and cash equivalents.

Note Receivable - The Authority has not issued any loans.

Equity Classifications – Equity is classified as net assets. Net assets present the difference between assets and liabilities in the statement of net assets. Net assets invested in capital assets are reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvement of those assets. Net assets are reported as restricted when there are legal limitations imposed on their use by legislation or restrictions by creditors, grantors, laws or regulations of other governments.

1.E. Revenues, Expenditures and Expenses

Operating and Nonoperating Revenues – Operating revenues are considered those whose cash flows are related to operating activities, while revenues related to financing, capital and investing activities are reported as non-operating.

Expenditures/Expenses – Expenditures/expenses are reported by object or activity.

Canadian County Educational Facilities Authority

Notes to Basic Financial Statements

For the Year Ended June 30, 2011

Note 2 – Detailed Notes on Cash and Investments

2.A Deposits and Investments, and Collateral

Deposits and Investments – The Authority does not have a written investment policy that limits its investment choices other than the limitations stated in *Oklahoma Statutes*. Public trusts created under O.S. Title 60, are not subject to investment limitations and are primarily governed by any restrictions in the trust and bond indenture.

Custodial Credit Risk - Deposits – Custodial credit risk is the risk that in the event of a bank failure, the Authority’s deposits may not be returned to it. The Authority does not have a written policy for custodial risk. At no time during the year did the Authority exceed the FDIC insurance level .

2.B Long-Term Debt

CCEFA- Conduit Debt – The Canadian County Educational Facilities Authority has the following conduit debt outstanding at June 30, 2011, in the form of Lease Revenue Bonds:

	<u>Original Issue</u>	<u>Outstanding June 30, 2011</u>
CCEFA – Mustang Public Schools	\$38,070,000.00	\$29,120,000.00
CCEFA – Mustang Public Schools	<u>\$50,000.00</u>	<u>\$0</u>
Total	\$38,120,000.00	\$29,120,000.00

This debt is considered non-commitment debt to the Authority since debt payments are made solely by Mustang Public Schools. Payments are made directly by Mustang Public Schools to Bancfirst, the Trustee. In the event of default by Mustang Public Schools, the Authority has no obligation, in substance, to make any payments on the debt since the note receivable, financing agreements and mortgages on the property with the school are the only security for the debt.

As a result of the non-commitment determination, the Authority’s indebtedness and related receivables from the school are not recorded in the financial statements.

Note 3 - Concentrations and Contingencies

The Authority is dependent upon repayment of bonds solely from the beneficiary, if the beneficiary defaulted on the bond payment it would not have a significant impact on the Authority’s financial condition.

Canadian County Educational Facilities Authority

Notes to Basic Financial Statements

For the Year Ended June 30, 2011

Note 4 – Risk Management

The Authority is exposed to various risks of loss related to torts, errors and omissions. At this time the Authority carries no surety bonds or other types of insurance. As the Authority has no capital assets it carries no property insurance.

Supplemental Information

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Trustees of
Canadian County Educational
Facilities Authority
El Reno, Oklahoma 73036

We have audited the accompanying cash basis financial statements of the business-type activities of the Canadian County Educational Facilities Authority, as of and for the year ended June 30, 2011, which comprise the Authority's basic financial statements and have issued our report thereon dated December 15, 2011. The Authority did not prepare a Management's Discussion and Analysis that the Governmental Accounting Standards Board has determined is necessary to supplement, although not required to be a part of the basic financial statements. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Canadian County Educational Facilities Authority's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on effectiveness of the Authority's internal control over financial reporting. Accordingly we do not express an opinion on the effectiveness of the Authority's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weakness. However, as discussed below we identified certain deficiencies in internal control over financial reporting that we consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Authority's

Canadian County Educational Facilities Authority
December 15, 2011

ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Authority's financial statements that is more than inconsequential will not be prevented or detected by the Authority's internal control. We consider the deficiencies described in the accompanying schedule of findings and responses as item 10-01 to be significant deficiency in internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that result in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Authority's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies and, accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. However, the significant deficiency described above, 11-01, we consider to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Authority's response to the findings identified in our audit is described in the accompanying schedule of findings and response. We did not audit the Authority's response and accordingly, we express no opinion on it.

This report is intended solely for the information of the governing board, management, all applicable state agencies, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Angel, Johnston and Blasingame, P.C.
Chickasha, Oklahoma
December 15, 2011

Canadian County Educational Facilities Authority
Schedule of Findings
For the Year Ended June 30, 2011

11-01 Criteria - A good system of internal control provides for a proper segregation of the accounting functions.

Condition - The Authority has no employees and a small number of volunteers that perform the duties that would normally be divided among a large number of employees.

Cause and Effect – The lack of internal control surrounding the accounting functions could result in more than a low risk that errors or irregularities may occur and not be detected within a timely period.

Recommendation – Council should assess the advantages of segregating the accounting functions in order to determine whether hiring personnel would be cost effective.

Management response – At this time it is not cost effective to hire administrative staff that would be necessary in order to adequately segregate duties.
