INDEPENDENT AUDITOR'S REPORT

Board of Directors
Custer County Rural Water District No. 3
Custer, Oklahoma

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of the Custer County Rural Water District No. 3 as of and for the years ended June 30, 2022 and 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Custer County Rural Water District No. 3 as of June 30, 2022 and 2021, and the respective changes in financial position and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

1. Exercise professional judgment and maintain professional skepticism throughout the audit.
2. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
3. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.

4. Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

5. Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

The District has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued a report dated September 6, 2022, on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the District's internal control over financial reporting and compliance.

McCulley & McCulley

**CUSTER COUNTY RURAL WATER DISTRICT NO. 3
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDING JUNE 30, 2022 AND 2021**

Note 1 - Significant Accounting Policies.

The accounting policies of the Custer County Rural Water District No. 3 (the District) conform to accounting principles generally accepted in the United States of America applicable to government organizations. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. The following is a summary of the more significant policies.

A. The Reporting Entity.

The District provides water to its members within its geographic boundaries. The District is governed by a seven member Board of Directors who are elected by the participating members. These financial statements include all of the funds under the control of the Board of Directors relevant to the operations of the District.

B. Basis of Presentation.

The accounts of governmental entities are organized on the basis of funds or account groups, each of which is considered to be a separate accounting entity. The operations of each fund have a separate set of accounts which are comprised of each fund's assets, liabilities, net position, revenues and expenses. The activities of the District are organized into a single fund, an enterprise fund (proprietary fund type).

Enterprise funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges, or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or change in net position is appropriate for capital maintenance, accountability, or other purposes.

**CUSTER COUNTY RURAL WATER DISTRICT NO. 3
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDING JUNE 30, 2022 AND 2021**

Note 1 - Significant Accounting Policies (continued)

C. Basis of Accounting.

Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurement focus applied.

Enterprise funds use the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when the obligation is incurred.

D. Accounts Receivable, Net.

Accounts receivable consists of the amounts owed to the District by customers for water sales, late fees, memberships and supplies paid by the District for the benefit of the customer and to be reimbursed by them, net of any allowance for loss. Allowance for losses on receivables are recorded when management believes a receivable is uncollectible. Management periodically reviews its receivables to determine what is collectible. At June 30, 2022 and 2021, management has set an allowance for loss of \$4,456 and \$2,810, respectively.

E. Capital Assets.

All capital assets are valued at historical cost. Capital assets with a historical cost > \$500 are depreciated on the straight-line basis over the estimated useful life of the asset. A summary of the capital assets and the service lives by type of asset at June 30, 2022 and 2021, are as follows:

<u>Estimated Useful Life</u>	
Wells, Lines and Buildings	10 - 65 yrs.
Vehicles	5 yrs.
Furniture and Fixtures	3 - 5 yrs.
Pumps and Equipment	3 - 5 yrs.

**CUSTER COUNTY RURAL WATER DISTRICT NO. 3
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDING JUNE 30, 2022 AND 2021**

Note 1 - Significant Accounting Policies (continued)

F. Accrued Compensated Absences.

The District has established a compensated absences policy which gives all full time employees compensation for vacation leave. This policy gives two weeks vacation leave for those with one year of continuous employment and three weeks for those with ten years or more. Vacation leave will be paid whether taken or not at the end of the calendar year. Employees may also earn one calendar day per month sick leave which can accumulate to 36 days, along with 3 personal days each year that cannot be accumulated. Unused sick leave or personal days will not be paid to the employee. These financial statements accrue only for the unused vacation leave at June 30, 2022 and 2021.

G. Net Position.

Net position is classified into three components:

1. Net investment in capital assets - Consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any debt attributable to these assets.
2. Restricted net position - Consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; or (2) law through constitutional revisions or enabling legislation.
3. Unrestricted net position - All other net position that do not meet the definition of the other two above. These include amounts designated by management for a particular purpose.

H. Operating Revenues and Expenses.

Operating revenues and expenses consist of those revenues that result from the ongoing principal operations of the District. Operating revenues consist primarily of charges for services. Nonoperating revenues and expenses consist of those revenues and expenses that are related to financing and investing type of activities and result from nonexchange transactions or ancillary activities.

**CUSTER COUNTY RURAL WATER DISTRICT NO. 3
 NOTES TO THE FINANCIAL STATEMENTS
 FOR THE YEAR ENDING JUNE 30, 2022 AND 2021**

Note 2 - Cash in Bank and Certificates of Deposit.

Cash in bank includes the District's demand deposits and savings accounts. The District's certificates of deposit are recorded at cost, which approximates market value. Certificates of deposit are authorized investments for the District. The District uses the state statutes as a deposit policy for custodial credit risk. The District has custodial credit risk which is defined as the risk that in the event of a bank failure, the District's deposits may not be returned to it. All of the District's deposits at June 30, 2022 and 2021, are secured by federal deposit insurance or collateralized by the bank.

	JUNE 30	
	2022	2021
Carrying Balance	\$750,918	\$674,301
Bank Balance	785,620	682,079
Insured	510,345	508,508
Not Insured but		
Collateralized by Bank	250,000	173,571
Not Insured or		
Collateralized	25,275	-0-

For the purpose of the Statement of Cash Flows, the District considers cash and cash equivalents to be petty cash, cash in bank, certificates of deposit, and restricted assets.

Note 3 - Restricted Assets.

Restricted assets consist of cash and accounts receivable restricted for customer deposits and which are offset by a related liability payable.

**CUSTER COUNTY RURAL WATER DISTRICT NO. 3
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDING JUNE 30, 2022 AND 2021**

Note 4 - Capital Assets.

Capital assets and its changes consist of the following:

	June 30, <u>2021</u>	Additions	Deletions	June 30, <u>2022</u>
Tank Sites - Land *	\$ 5,000	\$	\$	\$ 5,000

* non-depreciable assets

CUSTER COUNTY RURAL WATER DISTRICT NO. 3
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDING JUNE 30, 2022 AND 2021

Note 5 - Other Assets.

Other assets consist of a reserve certificate issued by the Oklahoma Rural Water Association Assurance Group. It earns a variable rate of interest and can be redeemed by the District upon written demand (providing the net position of the Oklahoma Rural Water Association Assurance Group equal or exceed \$125,000). The total amount of this reserve certificate is \$1,000. The balance of other assets is utility deposits paid.

Note 6 - Unearned Revenue.

Pasture Meters were billed on an annual basis in advance. At its August 2021 Board Meeting, the Board approved changing the pasture taps to monthly billing effective January 1, 2022. This removed the unearned revenue from the June 30, 2022 financial statements. The amount in the financial statements for unearned revenue represents the unearned portion of water billed for these pasture meters as of June 30, 2021.

Note 7 - Pension Plan.

On August 4, 1992, the Board of Directors approved a Simplified Employee Pension plan for any full-time employee. The District has established a monthly contribution of 15% to comply with Internal Revenue Service regulations. The employees' length of service requirement to be eligible for this plan is six months. Employees are not required to contribute to this plan. For the fiscal year ending June 30, 2022 and 2021, the total employer contributions amounted to \$17,566 and \$17,633, respectively. Covered salaries for fiscal year 2022 and 2021 totaled \$117,042 and \$116,985, respectively. Total salaries for fiscal year 2022 and 2021 were \$138,063 and \$131,444, respectively.

Note 9 - Risk Management.

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omission; injuries to employees; and natural disasters. The District purchases commercial insurance to reduce their risk of loss. This insurance has a \$1,000 deductible for capital assets (except for the generators), personal injuries, and errors & omissions. The generators have a \$250 deductible.

**CUSTER COUNTY RURAL WATER DISTRICT NO. 3
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDING JUNE 30, 2022 AND 2021**

Note 10 - Net Position - Designated or Restricted.

On November 4, 1997, the District's Board of Directors designated the District's savings accounts and certificate of deposits to be used for system improvements, expansions, and emergencies. Designated net position totaled \$292,772 and \$289,047 for the year ending June 30, 2022 and 2021, respectively.

Note 11 - Commitment.

The District has received approval for an American Rescue Plan Act grant for \$109,000. Funds are to be used for refurbishing two of the District's water towers. The District has accepted a bid of \$93,750 to do the refurbishing. No grant funds were received or spent as of June 30, 2022.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Custer County Rural Water District No. 3
Custer, Oklahoma

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of the Custer County Rural Water District No. 3 as of and for the year ended June 30, 2022 and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated September 6, 2022. The District has not presented the management's discussion and analysis that accounting principles generally accepted in the United States has determined is necessary to supplement, although not required to be, a part of the basic financial statements.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's

financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed in the Schedule of Findings and Responses, we identified certain deficiencies in internal control that we consider to be material weaknesses. We considered the deficiencies described in the accompanying Schedule of Findings and Responses as item 1 to be a material weakness.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not the objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instance of noncompliance or other matters that are required to be reported under Government Auditing Standards.

District Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the District's response to the findings identified in our audit and described in the accompanying Schedule of Findings and Responses. The District's response was not subjected to the other auditing procedures applied in the audit of the financial statements and accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's

internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CUSTER COUNTY RURAL WATER DISTRICT NO. 3
SCHEDULE OF FINDINGS AND RESPONSES
JUNE 30, 2022

1. Lack of Segregation of Duties.

CONDITION AND EFFECT - The District does not have adequate segregation of duties since it only has one office employee. Material errors or fraud could occur and not be found in a timely manner.

RECOMMENDATION - The District should segregate the duties to the extent possible should new employees be hired.

RESPONSE - The District has surety bond insurance to reduce any risk of loss. The District believes the cost of hiring additional employees is not economically feasible.

**CUSTER COUNTY RURAL WATER DISTRICT NO. 3
UPDATE ON PRIOR YEAR'S SCHEDULE OF FINDINGS AND RESPONSES
JUNE 30, 2022**

1. Lack of Segregation of Duties.

CONDITION AND EFFECT - The District does not have adequate segregation of duties since it only has one office employee. Material errors or fraud could occur and not be found in a timely manner.

RECOMMENDATION - The District should segregate the duties to the extent possible should new employees be hired.
