WASHITA COUNTY CONSERVATION DISTRICT NO. 86 NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2012

A. Summary of Significant Accounting Policies.

The Washita County Conservation District No. 86, (the District), is a special district of the State of Oklahoma. The District was created to implement soil conservation measures in Washita County, State of Oklahoma, and is financed by user charges and Oklahoma Conservation Commission.

1. Basis of Accounting.

The District's policy is to prepare is financial statements on the cash basis of accounting; consequently, revenues are recognized when received rather than when earned, and expenses are recognized when cash is disbursed rather than when the obligation is incurred.

2. Cash in Bank and Certificate of Deposit.

Cash in bank consists of the District's checking and savings accounts. The Market value of the certificate of deposit approximates cost. All deposits are insured by the Federal Deposit Insurance Corporation.

For purposes of the statement of cash flows, the District considers all cash in bank and the certificate of deposit to be cash equivalents.

B. Capital Assets.

In accordance with the cash basis of accounting, the District's capital assets are recognized as an expense when cash is disbursed. Sales of capital assets are recognized as revenue when sold.

C. Risk Management.

The District purchases insurance on its equipment and building. Surety bonds are purchased for the employees and Board of Directors. The Oklahoma Conservation Commission purchases workers compensation insurance for the District.

WASHITA COUNTY CONSERVATION DISTRICT NO. 86 NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2012

D. <u>Employee Retirement System</u>.

The District participates in the state-administered Oklahoma Public Employees Retirement System (the "System"), which is a cost-sharing, multiple-employer public employee retirement system (PERS). Under the System, contributions are made by the District, the State of Oklahoma, and the participating employees. Participation is required for all regular employees who work at least 1000 hours per year and are not seasonal or temporary employees. A participant's date of membership is the date the first contribution is made to the System. The System is administered by a Board of Trustees which acts as a fiduciary for investing the funds and governing the administration of the System. The District has no responsibility or authority for the operation and administration of the System nor has it any liability, except for the current contribution requirements.

A participant with 80 age/service points if hired before July 1, 1992 or 90 age/service points if hired after July 1, 1992, may retire with a normal retirement allowance at the age of sixty-two or with reduced benefits as early as age fifty-five with 10 years of service. The normal retirement allowance, equals two percent of the members final average compensation multiplied by the number of years of credited service. When a retired participant dies, the beneficiary is entitled to a death benefit.

The contribution rates for the District, which are not actuarial determined, and its employees are established by statute and applied to the employee's earnings, plus employer-paid fringe benefits. The District is required by statute to contribute 16.5% of the applicable compensation for the year ended June 30, 2012. This contribution is actually paid by the Oklahoma Conservation Commission. The District is allowed by the Oklahoma Public Employees Retirement System to make the required contributions on behalf of the participating members. Employees contribute 3.5% of earnings for the year ended June 30, 2012.

Ten year historical trend information is presented in the Oklahoma Public Employees' Retirement System Annual Report for the year ended June 30, 2012. This information is useful in assessing the pension plan's accumulation of sufficient assets to pay pension benefits as they become due.
