INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Creek Co. RWD No. 4 Oakhurst, OK 74050-0576

Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities of Creek Co. RWD No. 4 (the District), Oakhurst, Oklahoma, as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of Creek Co. RWD No. 4 as of December 31, 2021, and the respective changes in net position and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Creek Co. RWD No. 4 has not presented the Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on these financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued a report dated June 9, 2022, on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the District's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Trustees Creek Co. RWD No. 4 Oakhurst, Oklahoma 74050-0576

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Creek Co. RWD No. 4 as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the District's basic financial statements and have issued our report thereon, dated June 9, 2022. Creek Co. RWD No. 4 has not presented the Management's Discussion and Analysis that the Governmental Accounting Standards Board requires to supplement, although not be a part of, the basic financial statements.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not

express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The accompanying notes are an integral part of the financial statements

Note 1 – Organization

Creek County Rural Water District No. 4, Oakhurst, Oklahoma, is recognized as a public not for profit rural water district under Oklahoma Statutes, Title 82. The purpose of the organization is to provide water to residential and commercial customers who are members of the District.

Note 2 – Summary of significant accounting policies

Reporting Entity

Creek County Rural Water District No. 4 is an independent, self-contained reporting entity with no associated component units. It is operated in a manner similar to a private business enterprise where the cost of providing water services is financed through user charges. The District purchases water primarily from the city of Sapulpa.

Measurement Focus, Basis of Accounting and Basis of Presentation - Fund Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with Generally Accepted Accounting Principles promulgated in the United States of America. The accounting and financial reporting treatment is accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and liabilities associated with the operation are included on the balance sheet. The operating statements present increases and decreases in net total assets. Depreciation expense is provided for capital assets based upon estimated useful lives.

Financial activity is accounted for on the flow of economic resources measurement focus using the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

Accounts Receivable

Billings for accounts receivable at December 31, 2021 were \$27,876. No computation was made for allowance for doubtful accounts, which is not considered to be material to the financial statements. The aging of these accounts are detailed as follows:

December 31,

2021

1-30 days \$27,876

Note 2 – Summary of significant accounting policies – cont'd

Inventory

Inventory is expensed when used and the amount of inventory on hand was deemed to be immaterial to the financial statements.

Property and Equipment

Property and equipment is recorded at cost when purchased. Depreciation expense is recorded using the straight-line method over the estimated useful life of the asset. Water line extensions and improvements are depreciated using a 40-year life. Equipment is depreciated using a 5-year life. Water system improvements constructed by the District include capitalizing the direct cost of materials and labor. If an asset is permanently impaired in value, the asset cost is written down to market value. Line extension costs reimbursed by the customer are not capitalized and accordingly not depreciated.

Cash and Cash Equivalents

Cash and cash equivalents, shown in the financial statements, are amounts that are not subject to fluctuations in principal value due to changing market conditions and have a maturity of less than three months.

Custodial Credit Risk

At December 31, 2021, the District held deposits at financial institutions of approximately \$187,381. The District's cash deposits are entirely covered by Federal Depository Insurance.

Note 3 – Accumulated Unpaid Vacation and Sick Pay

At December 31, 2021, no determination of the aggregate dollar value of vacation and sick pay had been made.

Note 4 – Contingent Liabilities

The District had no known contingent liabilities as of the balance sheet date.

Note 5 – Risk Management

Creek County Rural Water District No. 4 is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District continues to carry commercial insurance for these risks, including general and auto liability, property damage, and public officials liability. Settled claims resulting from these risks have not exceeded the commercial insurance coverage in any of the past three fiscal years.

Note 6 – Capital Assets

The following is a summary of changes in property, plant and equipment:

	Additions	Deletions	Balance December 31, 2021
\$ 10,000	- 55 072		10,000 416,058
370			61,214
\$	NAME AND DESCRIPTION		(196,997) 290,275
Dec		December 31, 2020 Additions \$ 10,000 - 360,086 55,972 61,214 - (188,437) (8,560)	December 31, Additions Deletions \$ 10,000 - 360,086 55,972 61,214 - (188,437) (8,560)

Note 7 – Long-Term Debt

The following is a summary of the long-term debt transactions of the District for the year ended December 31, 2021:

Balance 12/31/20	-
Additions	100,000
Retirements	(11,802)
Balance 12/31/21	88,198

Note 7 - Long-Term Debt - cont'd

Long-term debt at December 31, 2021, is detailed as follows:

Promissory Note, dated March 23, 2021 for \$100,000, payable to OK Rural Development Finance Corp., 5.5% interest, monthly payments of \$1,910 beginning May 10, 2021, final payment in April, 2026.

\$ 88,198

The annual debt service requirements for the retirement of principal and interest payments are as follows:

Year-ending December 31	P	rincipal	Interest	Total
2022	\$	18,533	4,388	22,921
2023		19,579	3,342	22,921
2024		20,683	2,238	22,921
2025		21,850	1,071	22,921
2026		7,553	87	7,640

88,198

Note 8 – Subsequent Events

Total

Management has evaluated subsequent events through the date of the audit report, which is the date the financial statements were available to be issued and have determined that no additional information needs to be added to the financial statements.
