Independent Auditor's Report

Board of Directors
Rural Water and/or Sewer and/or Gas and/or Solid Waste
Management District No. 1, Grady County, Oklahoma

Report on the Financial Statements

We have audited the accompanying statement of net position of Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma as of October 31, 2014 and the related statements of revenues, expenses and changes in net position and of cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such an opinion. An audit also includes evaluating the appropriateness of accounting policies used, and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above, present fairly, in all material respects, the financial position of Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma, as of October 31, 2014; the changes in financial position; and, cash flows thereof, for the year then ended in conformity with the accounting principles generally accepted in the United States of America.

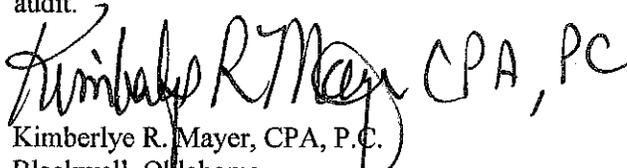

Other Matters

Required Supplementary Information

Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma has not presented the Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basis financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basis financial statements in an appropriate operational, economic or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated February 29, 2015 on our consideration of Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma's internal control over financial reporting and on our tests of its compliance with certain laws, regulations, contracts and grants and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

Board of Directors
Rural Water and/or Sewer and/or Gas and/or Solid Waste
Management District No. 1, Grady County, Oklahoma

We have audited the financial statements of Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma as of and for the year ended October 31, 2014 and have issued our report thereon dated February 29, 2015. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma's internal control. Accordingly, we do not express an opinion on the effectiveness of the Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified a certain deficiency in internal control that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of control deficiencies, in internal control that there is reasonable possibility that a material misstatement of the District's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings and questioned costs to be a material weakness.

Compliance and Other Matters

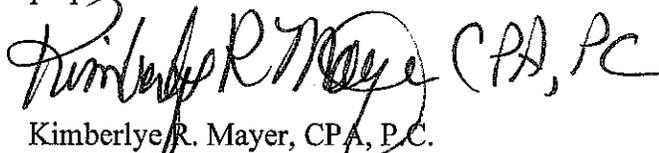

As part of obtaining reasonable assurance about whether Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Response to Findings

Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

RURAL WATER AND/OR SEWER AND/OR GAS AND/OR SOLID WASTE
MANAGEMENT DISTRICT NO. 1, GRADY COUNTY, OKLAHOMA
SCHEDULE OF FINDINGS AND RESPONSES
YEAR ENDED OCTOBER 31, 2014

Material Weakness Communicated In Prior Year:

Material Weakness in Internal Control Over Financial Reporting: Inadequate Segregation of Duties:

Criteria:

The segregation of duties and responsibilities between different individuals and the reconciliation of those asset accounts is an important control activity needed to adequately protect the entity's assets and ensure accurate financial reporting.

Condition:

Presently, the same individual is responsible for water service billings and receiving payments; making and recording deposits; maintaining billing registers; and reconciling the monthly bank statements. Only limited oversight is provided over this individual in the conduct of their daily functions.

Cause:

The entity's limited size has made it difficult for management to fully segregate the duties.

Effect or Potential Effect:

Without sufficient segregation of duties, the risk significantly increases that errors and/or fraud related to the water billing and collection activities, including misappropriation of assets, could occur and not be detected within a timely basis.

Recommendation:

The board should evaluate the risks associated with the lack of segregation of duties and consider implementing controls that could mitigate these risks.

Board's Response:

The board has concluded that due to the limited number of personnel, an adequate segregation of duties is not achievable and that the cost of correcting the weakness would exceed the benefits that would be derived from it.

RURAL WATER AND/OR SEWER AND/OR GAS AND/OR SOLID WASTE
MANAGEMENT DISTRICT NO. 1, GRADY COUNTY, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED OCTOBER 31, 2014

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Nature of Organization

Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma was organized and established in 1964 under the provisions of Title 82 of the laws of the State of Oklahoma. The purpose of this District is to furnish and supply to owners and occupants of property within the corporate limits water, sanitation and related facilities and services.

The District is a governed entity administered by a Board of Directors that act as the authoritative and legislative body of the entity. The Board is comprised of elected board members. Members are owners of land located within the District who have subscribed to benefit units. Participating members are entitled to one vote.

Basis of Accounting

The accounting policies of Rural Water and/or Sewer and/or Gas and/or Solid Waste Management District No. 1, Grady County, Oklahoma conform to the basic principles of governmental accounting and financial reporting set forth by the Governmental Accounting Standards Board.

The District is classified as an Enterprise Fund. The costs of providing the water services to the public are financed mainly through user charges. The financial statements of the District have been prepared using the accrual basis of accounting. Their revenues are recognized when they are earned and their expenses are recognized when they are incurred.

Cash and Deposits

Cash and deposits are maintained in financial institutions which provide coverage to depositors through the Federal Deposit Insurance Corporation. The State of Oklahoma allows government entities to invest in the following: direct obligations of the United State Government, its agencies or instrumentalities; collateralized or insured certificates of deposit; insured savings accounts or savings certificates; or county, municipal or school district direct debt.

Net Position

Net position presents the difference between assets and liabilities in the statement of net position. Net investment in capital assets is reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvement of those assets. Net position is reported as restricted when there are legal limitations imposed on their use by District legislation or external restrictions by creditors, grantors, laws or regulations of other governments.

RURAL WATER AND/OR SEWER AND/OR GAS AND/OR SOLID WASTE
MANAGEMENT DISTRICT NO. 1, GRADY COUNTY, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED OCTOBER 31, 2014

NOTE 2 – CASH AND CASH EQUIVALENTS:

For the purpose of the Statement of Cash Flows, the District considers all highly liquid investments with a maturity of three months or less to be cash equivalents.

NOTE 3 – ACCOUNTS RECEIVABLES:

The accounts receivable balance at October 31, 2014 includes amounts due from customers for water service fees. The District's bad debts in the past have been immaterial, therefore, no allowance for doubtful accounts is recorded.

NOTE 4 – WATER SYSTEM:

Depreciable assets are recorded at cost when purchased or constructed. Improvements are capitalized; the cost of normal maintenance and repairs that do not add to the value of the asset or materially extend the asset's life are not. Depreciation is calculated on a straight-line basis over the estimated useful lives of the depreciable assets. Total depreciation for the year ended October 31, 2014 was \$16,902. The following is a summary by category of changes in property and equipment:

Category	10/31/13	Additions	Deletions	10/31/14
Machinery and equipment	\$ 5,907	\$	\$	\$ 5,907
Office equipment	4,084			4,084
Land and buildings	25,824			25,824
Waterline system	687,971	3,300		691,271
Accumulated depreciation	(360,681)	(16,902)		(377,583)
Net	<u>\$ 363,105</u>	<u>\$ (13,602)</u>	<u>\$</u>	<u>\$ 349,503</u>

NOTE 5 – DEPOSITS:

At October 31, 2014, all of the District's deposits were covered by Federal Depository Insurance Corporation.

NOTE 6 – NOTES PAYABLE:

The District entered into a note agreement with the OWRB for improvements to their system. The note carries an interest rate of 3% and an administration fee of .5%. The payments are semiannual and the note matures on September 15, 2023.

RURAL WATER AND/OR SEWER AND/OR GAS AND/OR SOLID WASTE
MANAGEMENT DISTRICT NO. 1, GRADY COUNTY, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED OCTOBER 31, 2014

NOTE 6 – NOTES PAYABLE (continued):

The following is a detail of the note activity during the fiscal year ended October 31, 2014:

Balance at 10/31/13	\$ 124,685
Principle payments	<u>(11,010)</u>
Balance at 10/31/14	<u>\$ 113,675</u>

The following is a schedule detailing the annual debt service requirements:

Year Ended	Principle	Interest
10/31/15	\$ 11,354	\$ 2,419
10/31/16	11,700	2,064
10/31/17	13,271	486
10/31/18	13,374	371
10/31/19	13,487	303
10/31/20-10/31/23	<u>50,489</u>	<u>539</u>
	<u>\$ 113,675</u>	<u>\$ 6,182</u>

NOTE 7 – ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

NOTE 8 – RISK MANAGEMENT:

The District is exposed to various risks of losses related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees and natural disasters. The District manages this risk through the purchase of commercial insurance policies. Claims are recognized when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. In determining claims, events that might create claims, but for which none have been reported, are considered.

NOTE 9 – COMMITMENTS AND CONTINGENCIES:

As of October 31, 2014, the District did not have any pending litigation or potential non-disclosed liabilities that management believes would have a material effect on the financial statements.

RURAL WATER AND/OR SEWER AND/OR GAS AND/OR SOLID WASTE
MANAGEMENT DISTRICT NO. 1, GRADY COUNTY, OKLAHOMA
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED OCTOBER 31, 2014

NOTE 10 -- FAIR VALUE OF FINANCIAL INSTRUMENTS:

The District's financial instruments include cash and cash equivalents, certificates of deposits, receivables and payables. The District's estimate of the fair value of all financial instruments does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of net assets. The carrying amount of these financial instruments approximates fair value because of the short maturity of these instruments.

NOTE 11 -- EVALUATION OF SUBSEQUENT EVENTS:

The District has evaluated subsequent events through February 29, 2015, the date which the financial statements were available to be issued.
