Accountant's Compilation Report

Board of Directors
Okmulgee County Conservation District

We have compiled the accompanying financial statements of the Okmulgee County Conservation District as of and for the year ended June 30, 2013. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance about whether the financial statements are in accordance with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair representation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

OKMULGEE COUNTY CONSERVATION DISTRICT
 NOTES TO FINANCIAL STATEMENTS
 YEAR ENDED JUNE 30, 2013

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Organization

The Okmulgee County Conservation District was created under Title 27A, sections 3-1-101 through 3-3-410, as amended, of the laws of the State of Oklahoma. The purpose of the District is to provide for the conservation of the renewable natural resources in the area for which the District is responsible.

Basis of Accounting

The District maintains its records and prepares its financial statements on the basis of modified cash accounting. Under the modified cash basis, revenues are recognized when received, rather than when earned, and expenditures are recognized as expenses when paid, rather than when incurred. Fixed assets are recorded at cost when purchased and annual depreciation is calculated on a straight-line basis over the estimated useful lives of the assets.

Net assets present the difference between assets and liabilities in the statement of net assets. Net assets invested in capital assets are reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvement of those assets. Net assets are reported as restricted when there are legal limitations imposed on their use by District legislation or external restrictions by creditors, grantors, laws or regulations of other governments.

NOTE 2 - CASH AND CASH EQUIVALENTS:

The District considers all checking and savings accounts and deposits with a maturity of three months or less to be cash equivalents.

NOTE 3 - PROPERTY AND EQUIPMENT:

Depreciable assets are recorded at cost when purchased or constructed. Improvements are capitalized; the cost of normal maintenance and repairs that do not add to the value of the asset or materially extend the asset's life are expensed. Depreciation is calculated on a straight-line basis over the estimated useful lives of the depreciable assets. Total depreciation for the year ended June 30, 2013 was \$26,772. The following is a schedule of property and equipment and the related accumulated depreciation at June 30, 2013:

	6/30/12	Additions (Deletions)	6/30/13
Land	\$ 113,298	\$	\$ 113,298
Building and improvements	193,390		193,390
Machinery and equipment	235,539	(24,160)	211,379
Vehicles	45,645	(28,945)	16,700
	<u>587,872</u>	<u>(53,105)</u>	<u>534,767</u>
Less accumulated depreciation	(341,457)	26,333	(315,124)
Net	<u>\$ 246,415</u>	<u>\$ (26,772)</u>	<u>\$ 219,643</u>

OKMULGEE COUNTY CONSERVATION DISTRICT
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2013

NOTE 4 -- OCC REIMBURSEMENTS:

The District is reimbursed by the Oklahoma Conservation Commission for salaries, payroll taxes, mileage, telephone charges, office supplies and certain other office expenses up to their allocated amount. Such reimbursements are recognized as revenue when received.

NOTE 5 - RETIREMENT PLAN:

Oklahoma public employees who work 1,599 hours or more per year were enrolled in the Oklahoma Public Employees Retirement System. On salaries paid from reimbursable funds from the Oklahoma Conservation commission the employers 16½% share of retirement was paid directly by the Commission. The employees' share of the retirement contribution was 3½% of locally earned wages and 3½% of state reimbursable wages.

NOTE 6 -- INVESTMENTS:

The State of Oklahoma allows government entities to invest in the following: direct obligations of the United States Government, its agencies or instrumentalities; collateralized or insured certificates of deposit; insured savings accounts or savings certificates; or county, municipal or school district direct bonds.

NOTE 7 -- ESTIMATES:

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

NOTE 8 -- RISK MANAGEMENT:

The District is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The District and the OCC purchase commercial insurance for these and other risks of loss. Settled claims have not exceeded the commercial coverage in past years.

NOTE 9 -- CONTINGENCIES:

As of June 30, 2013, the District did not have any pending litigation or potential non-disclosed liabilities that management believes would have a material effect on the financial statements.
