INDEPENDENT AUDITOR'S REPORT

To the Members of the Oklahoma Department of Environmental Quality Oklahoma Drinking Water State Revolving Fund Loan Program

Opinion

We have audited the accompanying financial statements of the Oklahoma Department of Environmental Quality/Oklahoma Drinking Water State Revolving Fund Loan Program ("The Program") as of and for the years ended June 30, 2024 and 2023, and the related notes to the financial statements, which collectively comprise the Program's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Program as of June 30, 2024 and 2023, and the changes in financial position and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Program, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Program's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Program's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Program's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinion on the financial statements that collectively comprise the Program's basic financial statements. The combining financial statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining financial statements are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 16, 2024, on our consideration of the Program's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Program's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS (Unaudited)

Our discussion and analysis of the Oklahoma Drinking Water State Revolving Fund Program's (the "Program") financial performance provides an overview of the Program's financial activities for the fiscal year ended June 30, 2024. Please read it in conjunction with the Program's financial statements, which begin on page 5. The Oklahoma Department of Environmental Quality ("ODEQ") administers the Program. ODEQ's primary activities include providing direct assistance and managing the coordination of the Program to meet the objectives of the Safe Drinking Water Act. Pursuant to an interagency agreement between ODEQ and the Oklahoma Water Resources Board (the "OWRB"), OWRB handles certain financial functions including originating, approving and servicing loans made to qualifying recipients.

FINANCIAL HIGHLIGHTS

- The Program's net position increased by over 6.5% from \$355,938,351 in FY-2023 to \$379,007,984 in FY-2024. The increase in net position is primarily attributable to an increase in federal grant revenue provided by the Infrastructure Investment and Jobs Act known as the Bipartisan Infrastructure Law (BIL).
- The Program experienced an increase of \$106,089,072 in the amount of outstanding loans. At June 30, 2024, the Program had 173 outstanding loans with a principal balance of \$914,922,956. At June 30, 2023, the Program had 160 outstanding loans with a principal balance of \$808,833,884.

PROGRAM HIGHLIGHTS

- During FY 2024, nineteen (19) construction loans, totaling approximately \$136.2 million were
 made to correct deficiencies and achieve compliance with the national primary drinking water
 regulations or otherwise further public health protection objectives of the Safe Drinking Water
 Act (SWDA).
- During FY 2024, we completed construction on seventeen (17) projects totaling \$74.1 million.
- During FY 2024, we made binding commitments for twenty (20) new loans, totaling approximately \$214.6 million, in drinking water construction for communities to correct problems and achieve compliance with the SWDA.

ECONOMIC FACTORS AND NEXT YEAR'S OUTLOOK

The Oklahoma DWSRF has been extremely popular with communities that borrow from the program. The Program's financing strategy of providing long-term loans at 70% of market rate has been consistent for many years. No additional staff is planned at this time. The Program is expected to increase assets as well as operating income as more loans are approved and eligible draws are made from the federal capitalization grants and the bond issue.

CONTACTING THE PROGRAM'S FINANCIAL MANAGEMENT

This financial report is designed to provide the DEQ's accountability of the Program. If you have questions about this report or need additional financial information, contact the Administrative Services Division of the Oklahoma Department of Environmental Quality at 707 North Robinson, Oklahoma City, OK 73101.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The Oklahoma Drinking Water State Revolving Fund Loan Program (the "Program") was created pursuant to the Federal Safe Drinking Water Act Amendments of 1995 (the "Act"), Section 1452, to provide a perpetual fund for financing the construction of drinking water treatment facilities for municipalities and other entities. The program utilizes Federal Capitalization grants, required State matching funds, bond proceeds, interest received on loans and invested cash balances. Standard loans made by the Program must be repaid within 30 years from construction completion.

The Program consists of two program components: 1) set-aside funds and 2) loan fund. The set-aside funds are administered by the Oklahoma Department of Environmental Quality ("ODEQ"). ODEQ's primary activities include providing direct assistance and managing the coordination of the Program to meet its primary objective pursuant to the Act. The loan fund is administered by the Oklahoma Water Resources Board ("OWRB") pursuant to an interagency agreement between ODEQ and OWRB. The OWRB handles certain financial functions, including the originating, approving and servicing loans made to qualifying recipients.

Basis of Accounting and Measurement Focus

The Program prepares its financial statements in conformity with generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board ("GASB"). The Program is accounted for and presented similar to a special-purpose government engaged solely in business type activities.

The financial statements of the Program are prepared under the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when the liability is incurred. The Program uses the economic resources measurement focus where all assets, liabilities, net position, revenues, expenses and transfers relating to the Program and net income and capital maintenance are measured.

Federal Letter of Credit Payments

Funding from Federal grants is provided through a Federal letter of credit ("LOC"). The Program records revenue as qualifying expenditures are made or as expenses are incurred, as appropriate. Availability of funds under the LOC is specified by the terms of the grant. The Program draws on the available funds as necessary to fund operations and selected loans.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Federal Grants

Federal grants are recognized as operating revenue upon payment of allowable grant expenditures eligible for reimbursement from the EPA and not covered by state matching or program income.

Cash and Cash Equivalents

The Program considers all highly liquid debt instruments purchased with an original maturity of three months or less and money market funds to be cash equivalents.

Restricted Cash

Restricted cash represents the portion of the Program's cash balance at year-end that has been obligated for known future expenditures, such as loans, which have been approved and are complete as to all application requirements. The restricted portion fluctuates as obligated funds are used or as funds are de-obligated.

Restricted Investments

Restricted investments at June 30, 2024 represents a portion of the Series 2013B Revenue Bonds as well as the residual investment amounts related to the Series 2003 Revenue Bonds remaining after the retirement of the Series 2003 Revenue bonds during FY-2016. The amount has been set-aside into a Debt Service Reserve Fund. The Debt Service Reserve fund portion of restricted investments totals \$8,215,792 and \$10,377,390 at June 30, 2024 and June 30, 2023, respectively (See Note 5).

Equipment

Equipment is recorded at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. The useful life of software has been estimated at 3 years. The useful life of computers has been estimated at 3 to 5 years. The useful life of equipment has been estimated at 5 years. The useful life of furniture has been estimated at 9 years. The Program's policy is to capitalize individual asset purchases in excess of \$5,000.

Debt Issuance Costs

Debt issuance costs are expensed as incurred.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

Bond Issue Discount and Premium

The Program's State Revolving Fund Revenue Bonds Series 2021, Series 2020, Series 2018, and Series 2016 were initially sold at a premium of \$76,316,271. Series 2023A was initially sold at a discount of \$984,845. The bond discount/premium is being amortized over the remaining life of the bonds. Net amortization expense of \$2,855,150 and \$4,833,194 was recorded in 2023 and 2022, respectively, and is included in interest expense in the accompanying statements of revenues, expenses, and changes in net position.

Loan Administration Fees

Loan administrative fees are assessed to each participating borrower by the OWRB at the rate of one-half of one percent per annum of the amount of each borrower's loan balance outstanding. Fees paid by the participating borrowers are remitted directly to OWRB and, therefore, are not included in the accompanying Program financial statements. These fees are deposited into the Drinking Water Loan Administration Fund, an account held outside the Program. The activity within this fund for the years ended June 30, 2024 and 2023, was as follows:

Balance, July 1, 2023	\$_	11,941,920	Balance, July 1, 2022	\$ 9,950,345
Fee income		4,405,922	Fee income	3,791,644
Interest income		367,471	Interest income	197,847
Operating expenses		(1,050,575)	Operating expenses	(660,116)
Transfers	_	(495,600)	Transfers	(1,337,800)
Balance, June 30, 2024	\$ _	15,169,138	Balance, June 30, 2023	\$ 11,941,920

Unrestricted Net Liability

The unrestricted net liability at June 30, 2024 and 2023, is attributed to the accrual for compensated absences for financial reporting purposes in advance of reimbursement of such costs under the Program's federal funding arrangements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

2. CASH DEPOSITS AND INVESTMENT RISK

Cash of \$113,988,429 and \$105,934,013 at June 30, 2024 and 2023, respectively, was on deposit in the State Treasurer's office's internal investment pool – *OK Invest*. Restricted cash of \$7,377,758 and \$119,803,974 at June 30, 2024 and 2023, respectively, was on deposit with the Program's trustee. Amounts on deposit with the Program's trustee bank are invested in the *Federated Treasury Obligations*, *Federated Government Obligation, Goldman Sachs Financial Square Treasury Obligations and the Goldman Sachs Financial Square Federal Funds* money market mutual funds.

Custodial credit risk for deposits is the risk that in the event of a bank or other institution failure, the Program's deposits may not be returned or the Program will not be able to recover collateral securities in the possession of an outside party. The Program deposits its funds with the Office of the State Treasurer (OST). Oklahoma statutes require OST to ensure that all state funds either be insured by Federal Deposit Insurance, collateralized by securities held by the cognizant Federal Reserve Bank, or invested in U.S. government obligations. The Program's deposits with the State Treasurer are pooled with the funds of other State agencies and then, in accordance with statutory limitations, placed in financial institutions or invested as the Treasurer may determine, in the State's name.

Of the \$113,988,429 and \$105,934,013 in cash and cash equivalents on deposit with the State Treasurer as of June 30, 2024 and June 30, 2023, 100% represent amounts held within OK INVEST, an internal investment pool. Agencies and funds that are considered to be part of the State's reporting entity in the State's Comprehensive Annual Financial Report are allowed to participate in OK INVEST. Oklahoma statutes and the State Treasurer establish the primary objectives and guidelines governing the investment of funds in OK INVEST. Safety, liquidity, and return on investment are the objectives that establish the framework for the day-to-day OK INVEST management with an emphasis on safety of the capital and the probable income to be derived and meeting the State's daily cash flow requirements. Guidelines in the State Treasurer's Investment Policy address credit quality requirements, diversification percentages and the types and maturities of allowable investments. The specifics regarding these policies can be found on the State Treasurer's website at http://www.ok.gov/treasurer/. An evaluation of the use and purpose of the Program's participation in the internal investment pool determined that the amounts on deposit with OK INVEST are considered demand deposits and are reported as cash equivalents.

Investment Interest Rate Risk – the Program does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates as it relates to funds not directly associated with bond issue proceeds.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

2. CASH DEPOSITS AND INVESTMENT RISK (Cont'd)

Investment Credit Risk- Non-Debt Proceeds – for non-debt proceeds, the Program has no investment policy that limits its investment choices other than the limitation of state law imposed on the State Treasurer as follows:

- a. U.S. Treasury Bills, Notes and Bonds and U.S. Government Agency Securities with certain ratings and maturity limitations.
- b. Collateralized or insured certificates of deposit and other evidences of deposit issued by a bank, savings bank, savings and loan association or credit union located in the state.
- c. With certain ratings and maturity limitations, negotiable certificates of deposit, bankers' acceptances and commercial paper.
- d. Obligations of state and local governments, including obligations of Oklahoma state public trusts, with certain ratings and maturity limitations.
- e. Collateralized repurchase agreements tri-party repurchase agreements.
- f. Money market mutual funds and short-term bond funds regulated by the Securities and Exchange Commission (SEC) and in which investments consist of obligations of the U.S. Government and its agencies and instrumentalities and repurchase agreements collateralized by obligations of the U.S. Government and its agencies and instrumentalities.

Investment Credit Risk - Debt Proceeds – for debt proceeds, the bond indenture provides for restrictions on the investment choices of the Program as follows:

- a. Obligations of the United States Government, its agencies and instrumentalities.
- b. Collateralized or insured certificates of deposit and other evidences of deposit at banks, savings banks, savings and loan associations or credit unions located in the State of Oklahoma.
- c. Money market funds regulated by the Securities and Exchange Commission and which investments consist of those items specified in (a) and (b) above.
- d. Investment agreements with entities maintaining a rating in the top two categories by a nationally recognized municipal bond rating agency.

The program categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

2. CASH DEPOSITS AND INVESTMENT RISK (Cont'd)

At June 30, 2024 and 2023, the Program's investments in obligations not directly guaranteed by the U.S. Government and investments in money market mutual funds were valued according to the following hierarchy and were rated as follows:

				_	Carryi	ng Value
Туре	Maturities	Credit Rating	Fair Value Hierachy	_	2024	2023
OK Invest	On Demand	Not Rated	N/A	\$	113,988,429	\$ 105,934,013
Federated Government Obligation Fund	16 days	AAAm	Level 1		6,160,605	111,688,806
Goldman Sach Fin. Sq. Treasury Oblig. Fund	16 days	AAAm	Level 1		1,217,153	8,115,168
Federal Farm Credit Bank	2022/2025	AA+	Level 2		882,440	1,933,798
Fedreal Loan Mortgate Corp. Int. Strips	2025	AA+	Level 2		2,815,900	2,675,694
Tennessee Valley Authority Coupon Strips	2022/2025	AA+	Level 2		4,517,452	5,767,898
				\$	129,581,979	\$ 236,115,377
	Re	conciliation to Statement	of Net Position			
		Cash		\$	113,988,429	\$ 105,934,013
		Restricted Cash			7,377,758	119,803,974
		Restricted Investments		_	8,215,792	10,377,390
				\$	129,581,979	\$ 236,115,377

Concentration of Investment Credit Risk – neither the Program nor the bond indenture place any limit on the amount the Program may invest in any one issuer. The Program has the following concentration of credit risk at June 30, 2024: 6% or \$7,377,758 is invested in government obligations money market mutual funds, 6% or \$8,215,792 is invested directly in fixed income securities, and 88% or \$113,988,429 is invested in OK Invest. A "pooled cash" concept is used by ODEQ in maintaining cash and equivalents for the Program's Set Aside accounts. Under this method, cash and equivalents are pooled and each ODEQ program has equity in the pooled amount. There were no pooled cash overdrafts included in Due to ODEQ in the current year.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

3. FEDERAL LETTERS OF CREDIT

The Fund has access to a line of credit with the Federal government through the Environmental Protection Agency that can be accessed for various projects ny the Fund. Federal letters of credit ("LOC") balances available at June 30, 2024 and 2023, are as follows:

		Year Ended June 30, 2024										
	-	Administrative		Program Management & Reserve		Small Systems		Local Assistance	_	Loan	_	Totals

Due to the fact that the grants cover a period of more than 8 quarters, not all of the balances presented above are available for immediate drawdown.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

4. LOANS RECEIVABLE

The Program originates loans with Oklahoma municipalities and other entities for financing of public water supply infrastructure construction projects such as drinking water treatment, transmission or storage projects eligible under the Safe Drinking Water Act, or the refinance of existing debt for these purposes. Effective interest rates on the outstanding loans vary from 0% to 3.50% at June 30, 2023, and from 0% to 3.50% at June 30, 2024.

At least 14% of the 2023 annual federal grant must be used for principal forgiveness for projects meeting health-based issues, regionalization, or consolidation criteria. For the period ending June 30, 2024, the Program made zero (0) loans to borrowers in this category.

At least 12% up to a maximum of 35% of the 2023 federal grant must be used for principal forgiveness for project meeting disadvantaged criteria. For the period ending June 30, 2024, the program made five (5) loans to borrowers in this category.

During FY 2024, DEQ was awarded new grants from the Bipartisan Infrastructure Law allotments. The first new grant, DWSRF General Supplemental (GS), required a 49% subsidy. For the period ending June 30, 2024, the program made 18 loans to borrowers in this category. The second new grant, Lead Service Line Inventory/Replacement (LSLI/R), required 49% subsidy and 51% loan. For the period ending June 30, 2024, the program made zero (0) loans to borrowers in this category. The third new grant, Emerging Contaminants, (EC) requires 100% principal forgiveness. For the period ending June 30, 2024, the program made one (1) loan to a borrower in this category.

As of FY24, the Fund remains in compliance with the relevant requirements for the programs outlined above.

The Program also provides for extended loan terms to borrowers meeting the "disadvantaged communities" criteria. Loan terms can be extended to up to thirty years and not to exceed the useful life of the proposed project. For the periods ending June 30, 2024 and 2023, the Program made 9 and 6 loans, respectively, under the "disadvantaged" criteria.

Loans are collateralized by various revenue sources including, but not limited to, user charges and sales taxes collected by the borrowers. Principal payments must start within one year of construction completion or at an earlier date set in the loan agreement. Loan terms are available up to a maximum of twenty years, except for loans qualifying under the "disadvantaged" criteria for which the maximum term is thirty years. During the years ended June 30, 2024 and 2023, principal payments of \$40,878,055 and \$29,391,233, respectively, had been received.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

4. LOANS RECEIVABLE (Cont'd)

Loans receivable activity from July 1, 2023 to June 30, 2024 is as follows:

Balance, June 30, 2022	\$ 662,905,990
Loan Disbursements Loan Principal repayments and forgiveness	183,967,782 (38,039,888) 145,927,894
Balance, June 30, 2023	\$ 808,833,884

	\$	8,215,792	\$ 10,377,390

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

6. BINDING COMMITMENTS

The OWRB, pursuant to an interagency agreement entered into between ODEQ and OWRB, approves funding of various loan applications through the Program. These binding commitments will be funded by the Program provided that a loan agreement and promissory note are executed within one year from the date of original approval unless an extension is granted by the OWRB. Binding commitments approved by the OWRB for which a loan agreement and promissory note have not been executed totaled \$1,000,000 and \$0 at June 30, 2024 and 2023, respectively.

7. EQUIPMENT

A summary of changes to equipment is as follows:

		Year ended 2024									
	-	June 30, 2023	Additions	Disposals		June 30, 2024

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

8. LONG-TERM DEBT

Bonds Payable

On May 18, 2023, the Program issued State Revolving Fund Revenue Bonds, Series 2023A, in the amount of \$175,000,000. The bonds are secured by the loans made to the local entities by the OWRB, investment income in the Drinking Water State Revolving Fund Account, and monies held in the Debt Service Reserve Fund. These bonds were issued to provide low interest cost financing for Oklahoma Local governmental entities for acquiring, constructing, or improving their drinking water treatment systems, to reimburse the Program for amounts previously advanced to local governments, and to enable the Program to meet the State matching requirements to obtain Federal grants.

On December 22, 2021, the Program issued State Revolving Fund Revenue Bonds, Series 2021, in the amount of \$199,000,000. The bonds are secured by the loans made to the local entities by the OWRB, investment income in the Drinking Water State Revolving Fund Account and monies held in the Debt Service Reserve Fund. These bonds were issued to provide low interest cost financing for Oklahoma Local governmental entities for acquiring, constructing, or improving their drinking water treatment systems, to reimburse the Program for amounts previously advanced to local governments, and to enable the Program to meet the State matching requirements to obtain Federal grants.

On October 22, 2020, the Program issued State Revolving Fund Revenue Bonds, Series 2020 in the amount of \$95,000,000. The bonds are secured by the loans made to the local entities by the OWRB, investment income in the Drinking Water State Revolving Fund Account and monies held in the Debt Service Reserve Fund. These bonds were issued to provide low interest cost financing for Oklahoma Local governmental entities for acquiring, constructing, or improving their drinking water treatment systems, to reimburse the Program for amounts previously advanced to local governments, and to enable the Program to meet the State matching requirements to obtain Federal grants.

On December 19, 2019 the Program issued State Revolving Fund Refunding Bonds, Series 2019 in the amount of \$154,420,000. A portion of the bonds, \$28,210,000, were issued together with certain other available moneys and investments to refund the \$48,545,000 of the State Revolving Fund Revenue Bonds, Series 2011A and \$36,890,000 of the State Revolving Fund Revenue Bonds, Series 2012B, and to pay the cost of issuance of the bonds. The remaining portion of the issue was used to refund bonds in the OWRB Clean Water Loan Program.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

8. LONG-TERM DEBT (Cont'd)

Bonds Payable (Cont'd)

On March 22, 2018, the Program issued State Revolving Fund Revenue Bonds, Series 2018 in the amount of \$80,055,000. The bonds are secured by the loans made to the local entities by the OWRB, investment income in the Drinking Water State Revolving Fund Account and monies held in the Debt Service Reserve Fund. These bonds were issued to provide low interest cost financing for Oklahoma Local governmental entities for acquiring, constructing, or improving their drinking water treatment systems, to reimburse the Program for amounts previously advanced to local governments, and to enable the Program to meet the State matching requirements to obtain Federal grants.

On October 19, 2016, the Program issued State Revolving Fund Revenue Bonds, Series 2016 in the amount of \$90,000,000. The bonds are secured by the loans made to the local entities by the OWRB, investment income in the Drinking Water State Revolving Fund Account and monies held in the Debt Service Reserve Fund. These bonds were issued to provide low interest cost financing for Oklahoma Local governmental entities for acquiring, constructing, or improving their drinking water treatment systems, to reimburse the Program for amounts previously advanced to local governments, and to enable the Program to meet the State matching requirements to obtain Federal grants.

On September 19, 2013, the Program issued State Revolving Fund Revenue Bonds, Series 2013B in the amount of \$35,505,000. The bonds are secured by the loans made to the local entities by the OWRB, investment income in the Drinking Water State Revolving Fund Account and monies held in the Debt Service Reserve Fund. These bonds were issued to provide funds, together with certain other available monies and investments, to retire the Program's Series 2003 Revenue Bonds, and to fund a debt service reserve fund.

Advanced Refunding

The Program used \$24,581,196 of funds available in the 2013A revenue fund along with cash on hand to refund \$23,985,000 of outstanding principal of the 2013A Drinking Water State Revolving Fund bonds. The available funds were placed in escrow to refund the bonds on December 14, 2021. As a result, the 2013A Series bonds are considered defeased and the liability for the bond has been removed from the Statement of Net Position.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

8. LONG-TERM DEBT (Cont'd)

Bonds Payable (Cont'd)

The current refunding resulted in a difference between the reacquisition price and the net carrying amount of the old debt of \$1,792,672. This difference, reported in the accompanying financial statements as a deferred inflow, is being charged to operations through the year 2043 using the straight line method. The Board completed the advance refunding to reduce its total debt service payments over the next twenty two years by \$1,065,459 and to obtain an economic gain (the difference between the present values of the old and new debt service payments) of \$7,473,559 for the DW Program.

Future debt service payments required by the Program's serial bonds as of June 30, 2024, are as follows:

Year Ended June 30,		Principal	Interest	 Total
2025	\$	22,715,000	\$ 23,366,318	\$ 46,081,318
2026		19,800,000	22,295,981	42,095,981
2027		19,160,000	21,435,333	40,595,333
2028		20,385,000	20,539,220	40,924,220
2029		20,930,000	19,626,444	40,556,444
2030-2034		106,450,000	82,749,912	189,199,912
2035-2039		113,365,000	63,604,240	176,969,240
2040-2044		108,480,000	46,677,833	155,157,833
2045-2050		130,525,000	30,241,269	160,766,269
2051-2053	_	42,460,000	 1,821,519	 44,281,519
Total	\$	604,270,000	\$ 332,358,068	\$ 936,628,068

In addition to their normal scheduled maturity dates as shown above, the bonds may also be redeemed at the option of the Board, in whole or part, at such dates and for such prices, plus accrued interest as are set forth in the bond indenture.

In order for the interest on the Program's Series 2023A, 2021, 2020, 2018, and 2016 bonds to be tax-exempt, the Board must comply with certain provisions of the Internal Revenue Code, as amended. One provision requires that the arbitrage earnings (defined as the excess of the amount earned on all nonpurpose investments over the amount which would have been earned if the nonpurpose investments were invested at a rate equal to the note/bond yield) be rebated to the Internal Revenue Service. This rebate is payable at the end of each five years during the term of the issues. Management has estimated the arbitrage rebate liability at June 30, 2024 to be immaterial for the Series 2023A, 2021, 2020, 2018, and 2016 bonds.

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

8. LONG-TERM DEBT (Cont'd)

Bonds Payable (Cont'd)

NOTES TO FINANCIAL STATEMENTS June 30, 2024 and 2023

9. COMMITMENTS AND CONTINGENCIES

The Program is exposed to various risks of loss related to torts, thefts of assets, efforts and omissions, injuries to employees while performing Program business, or acts of God. The Program maintains insurance through the State of Oklahoma Risk Management Division, which is included in the indirect costs charged to the Program. There have not been any claims against the Program since its inception in 1998.

10. <u>SUBSEQUENT EVENTS</u>

Management has evaluated subsequent events through September 16, 2024, the date on which the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Directors of the Oklahoma Department of Environmental Quality Oklahoma Drinking Water State Revolving Fund Loan Program

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Oklahoma Department of Environmental Quality/Oklahoma Drinking Water State Revolving Loan Account Program (the "Program) as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Program's basic financial statements, and have issued our report thereon dated September 16, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Program's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Program's internal control. Accordingly, we do not express an opinion on the effectiveness of the Program's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Program's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE AND REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

To the Directors of the Oklahoma Department of Environmental Quality Oklahoma Drinking Water State Revolving Fund Loan Program

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Oklahoma Department of Environmental Quality/Oklahoma Drinking Water State Revolving Fund Loan Program's (the "Program") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Program's major federal programs for the year ended June 30, 2024. The Program's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Program complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Program and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Program's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Program's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Program's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Program's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Program's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Program's internal control over compliance relevant to the audit in order to design
 audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance
 in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of
 the Program's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on The Program's response to the internal control over compliance findings identified in our audit described in the accompanying schedule of findings and questioned costs. The Program's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the Program as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Program's basic financial statements. We issued our report thereon dated September 16, 2024, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

Oklahoma City, Oklahoma September 16, 2024

Helefize & Hisociates PC

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2024

Federal Grantor/Program or Cluster Title	Federal AL Number	Tot	tal Expenditures	Operating Expenditures	S	Loans Funded ubaward Amount	Loan Forgiveness Subaward Amount
Environmental Protection Agency DWSRF Cluster: Capitalization Grants for Drinking Water State Revolving Funds	66.468	\$	43,499,884	\$ 5,829,290	\$	18,943,265	\$ 18,727,329
Total Federal Expenditures		\$	43,499,884	\$ 5,829,290	\$	18,943,265	\$ 18,727,329

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the Oklahoma Drinking Water State Revolving Fund Loan Program ("Program") and is presented on the accrual basis of accounting. The information in these schedules is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance").

The Program did not use the 10% de minimis indirect cost rate. The Program used a 29.47% negotiated indirect cost rate from the United States Environmental Protection Agency.

2. RECONCILIATION OF 2024 EXPENDITURES

The 2024 expenditures are detailed as follows:

Loan forgiveness funded during 2024 from federal funds	\$	18,727,329
Loans funded during 2024 from federal funds		18,943,265
Set-aside program expenditures per financial statements		6,130,675
Depreciation expense		(314,966)
Purchases of equipment		-
Fiscal year 2024 change in compensated absences	_	13,581
Total 2024 expenditures	\$	43,499,884

3. OUTSTANDING LOANS RECEIVABLE

At June 30, 2024, the Program's outstanding balance on loans receivable funded by federal awards and related matching funds was \$914,922,956, net of an allowance of \$0.

4. SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 16, 2024, the date on which the financial statements were available to be issued.
