INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and City Council
City of Warr Acres, Oklahoma

Report on the Financial Statements

We have audited the accompanying modified cash basis financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Warr Acres, Oklahoma (the "City") as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the City as of December 31, 2018, and the respective changes in modified cash basis financial position for the year then ended in accordance with the modified cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Supplementary and Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The management's discussion and analysis, budgetary comparison information, combining non-major fund financial statements, general fund account schedules– modified cash basis and federal and state awards information, which are the responsibility of management, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining non-major fund financial statements and general fund account schedules – modified cash basis and federal and state award information as listed in the table of contents, were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining statements and schedules and awards information are fairly stated, in all material respects, in relation to the basic financial statements as a whole on the modified cash basis of accounting described in Note 1.

Management's discussion and analysis and the budgetary comparison information, as listed in the table of contents, has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 3, 2019, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS (OTHER INFORMATION)

**CITY OF WARR ACRES, OKLAHOMA
MANAGEMENT'S DISCUSSION AND ANALYSIS (OTHER INFORMATION)
As of and for the Year Ended December 31, 2018**

The management of the City of Warr Acres (the "City") is pleased to provide this annual financial report to its citizens, taxpayers and other report users to demonstrate its accountability and communicate the City's financial condition and activities as of and for the fiscal year ended December 31, 2018. Management of the City is responsible for the fair presentation of this annual report, for maintaining appropriate internal controls over financial reporting, and for complying with applicable laws, regulations, and provisions of grants and contracts. The City reports its financial statements and schedules on a modified cash basis which is a comprehensive basis of accounting other than generally accepted accounting principles. All of the financial analyses in this report must be considered within the context of the limitations of the modified cash basis of accounting.

FINANCIAL HIGHLIGHTS

- As reported on a modified cash basis, the City's total net position increased by \$190,878 and the assets of the City exceed its liabilities at December 31, 2018, by \$10,778,214 (net position). Of this amount, \$4,914,434 (unrestricted net position) is available to meet the government's ongoing needs.
- At December 31, 2018, the City's governmental funds reported combined ending fund balances on a modified cash basis of \$10,778,214.
- At December 31, 2018, the unassigned fund balance of the General Fund on a modified cash basis was \$0; however, the General Fund had a balance of \$1,593,779 or 22% of General Fund revenues assigned for other purposes.

ABOUT THE CITY

The City of Warr Acres is an incorporated municipality with a population of approximately 10,043 located in Oklahoma County in central Oklahoma. The City is a Mayor/Council form of government. Under this form of government, the City is governed by the Mayor and an eight-member City Council and operates under state law and City ordinances through the three branches of democratic government:

- Legislative – the City Council is an eight-member governing body elected by the citizens by ward
- Executive – the City Mayor is the Chief Executive Officer and is elected by the citizenry
- Judicial – the Municipal Judge is a practicing attorney appointed by the City Council

The City provides typical municipal services such as public safety, street and alley maintenance, parks and recreation, community development, and sanitation services. Water services to residents of Warr Acres are provided by the City of Oklahoma City.

The City's Financial Reporting Entity

This annual report includes all activities for which the City of Warr Acres City Council is financially accountable. These activities, defined as the City's financial reporting entity, are operated within separate legal entities that make up the primary government. The City's financial reporting entity includes the following separate legal entities.

**CITY OF WARR ACRES, OKLAHOMA
MANAGEMENT'S DISCUSSION AND ANALYSIS (OTHER INFORMATION)
As of and for the Year Ended December 31, 2018**

- **The City of Warr Acres** – an incorporated City that operates the public safety, streets and public works, health and welfare, culture and recreation, and administrative activities of the City – *reported as part of the primary government*

- **The Warr Acres Public Works Authority (WAPWA)** – public trust created pursuant to 60 O.S. § 176 that collects wastewater service charges and remits collections to the Bethany/Warr Acres Public Works Authority which operates the wastewater system. The City Council members serving as the trustees – *considered part of the primary government presentation for reporting purposes*

- **The Warr Acres Economic Development Authority (WAEDA)** - public trust created pursuant to 60 O.S. § 176 that promotes general economic development within the City, with the City Council members serving as the trustees – *considered part of the primary government presentation for reporting purposes*

In addition, as required by state law, all debt obligations incurred by the trusts must be approved by two-thirds vote of the City Council. This is considered sufficient imposition of will to demonstrate financial accountability and to include the trust within the City's financial reporting entity. The public trusts do not issue separate annual financial statements.

OVERVIEW OF THE FINANCIAL STATEMENTS

The financial statements presented herein include all of the activities of the City of Warr Acres (the "City"), the Warr Acres Public Works Authority (the "Public Works Authority"), and the Warr Acres Economic Development Authority (the "Economic Development Authority"). Included in this report are government-wide and fund financial statements for governmental activities.

The government-wide financial statements present the complete financial picture of the City using the modified cash basis of accounting. These statements tell how these services were financed in the short term as well as what remains for future spending. Fund financial statements also report the City's operations in more detail than the government-wide statements by providing information about the City's most significant funds.

Reporting the City as a Whole

The Statement of Net Position and Statement of Activities

One of the most important questions to ask about the City's finances is, "Has the City's overall financial condition improved, declined or remained steady as a result of the period's activities?" The Statement of Net Position and the Statement of Activities report information about the City as a whole and about its activities in a way that helps answer this question. You will need to consider other non-financial factors, however, such as changes in the City's sales tax base, the condition of the City's roads, and quality of service to assess the overall health of the City. You will also need to keep in mind that these government-wide statements are prepared in accordance with the modified cash basis of accounting and include only those City assets and liabilities resulting from cash transactions.

**CITY OF WARR ACRES, OKLAHOMA
MANAGEMENT'S DISCUSSION AND ANALYSIS (OTHER INFORMATION)
As of and for the Year Ended December 31, 2018**

In the Statement of Net Position and the Statement of Activities, the City has only one kind of activity: *Governmental activities* - All of the City's basic services are reported here, including the police, fire, administration, streets, and sanitation. Sales taxes, franchise fees, fines, sanitation charges, and state and federal grants finance most of these activities.

Reporting the City's Most Significant Funds - Fund Financial Statements

Fund Financial Statements

The fund financial statements provide detailed information about the City's most significant (major) funds -- not the City as a whole. Some funds are required to be established by State law and by debt covenants. However, the City Council may also establish certain other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants, and other money. The City only reports *governmental* funds.

Governmental funds - All of the City's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. Governmental funds report their activities on a modified cash basis of accounting. For example, these funds report the acquisition of capital assets and payments for debt principal as expenditures and not as changes to asset and debt balances. The governmental fund statements provide a detailed short-term view of the City's general government operations and the basic services it provides. Governmental fund information helps you determine (through a review of changes to fund balance) whether there are more or fewer financial resources that can be spent in the near future to finance the City's programs. The differences of results in the governmental fund financial statements to those in the government-wide financial statements are explained in a reconciliation following each governmental fund financial statement.

Notes to the Financial Statements

The notes provide additional information that is essential to gain an understanding of the data provided in the government-wide and fund financial statements. The Notes to the Financial Statements can be found on pages 21-33 of this report.

Other Information

In addition to the basic financial statements and accompanying notes, this report also presents Budgetary Comparison Schedules for the General Fund and major special revenue funds, combining and individual fund financial statements and schedules, and a schedule of expenditures of federal awards.

CITY OF WARR ACRES, OKLAHOMA
ANNUAL FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2018

FOOTNOTES TO THE BASIC FINANCIAL STATEMENTS

Footnotes to the Basic Financial Statements:

1. Summary of Significant Accounting Policies

A. Financial Reporting Entity

In determining the financial reporting entity, the City complies with the provisions of Governmental Accounting Standards Board Statement No. 14, as amended by Statement 61, “*The Financial Reporting Entity*” that requires the reporting entity and all component units of which the reporting entity is financially accountable be included in the financial report. The City’s financial reporting entity includes three separate legal entities reported as the reporting entity.

- **The City of Warr Acres** – operates the public safety, streets and public works, health and welfare, culture and recreation, sanitation, and administrative activities of the City
- **The Warr Acres Public Works Authority (WAPWA)** – public trust created pursuant to 60 O.S. § 176 to operate the wastewater services of the City, with the City Council members serving as the trustees
- **The Warr Acres Economic Development Authority (WAEDA)** – public trust created pursuant to 60 O.S. § 176 to provide economic development opportunities, in or near the City, with the trustees appointed by the City Council

The City provides typical municipal services such as public safety, street and alley maintenance, parks and recreation, community development, and sanitation services. Water services to residents of Warr Acres are provided by the City of Oklahoma City.

For each of the above public trusts, the City of Warr Acres is the beneficiary of the trust and the City Council either serves as the governing body of the trust or appoints the trustees. In addition, as required by state law, all debt obligations incurred by the trusts must be approved by two-thirds vote of the City Council. This is considered sufficient imposition of will to include the trusts within the City’s financial reporting entity. The public trusts do not issue separate annual financial statements.

Participation in Joint Venture

The Warr Acres Public Works Authority has entered into an operation and maintenance contract with the Bethany-Warr Acres Public Works Authority for the provision of sewer services for the residents of the City. The contract requires that the Warr Acres Public Works Authority and the Bethany Public Works Authority remit all sewer billings on or before the fifteenth day of each month to the Bethany-Warr Acres Public Works Authority.

**CITY OF WARR ACRES, OKLAHOMA
ANNUAL FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2018**

The Bethany-Warr Acres Public Works Authority is also permitted to transfer any surplus receipts, after the payment of operating and maintenance cost, current principal and interest on indebtedness, and capital improvements, back to the cities of Bethany and Warr Acres. These distributions are made in the proportion that the total revenues billed within the corporate limits of each said municipality bears to the total revenues collected.

The Bethany-Warr Acres Public Works Authority is jointly governed by the two governments. The governments do not exercise specific control over the budgeting and financing of the Authority's activities, and do not have a specified equity interest in the joint venture. For the year ended December 31, 2018, \$630,098 was remitted to the Bethany-Warr Acres Public Works Authority by the Warr Acres Public Works Authority.

The following summary is segment information from the Bethany-Warr Acres Public Works Authority's most recently issued annual audited financial report, which was for the period ended June 30, 2018:

Total Assets	\$7,378,369
Deferred Outflows	\$ 113,695
Total Liabilities	\$ 472,179
Deferred Inflows	\$ 70,731
Total Net Position	\$6,949,154
Total Revenues	\$1,805,456
Total Expenses	\$1,375,978
Increase in Net position	\$ 429,478

In addition, at June 30, 2018, the Bethany-Warr Acres Public Works Authority had paid off all notes payable. Separate financial statements for the fiscal year ended June 30, 2018, are available from the Finance Department, P.O. Box 219, Bethany, OK 73008-0219.

B. Basis of Presentation and Accounting

Government-Wide Financial Statements:

The statement of net position and activities are reported on a modified cash basis of accounting. The modified cash basis of accounting is based on the recording of cash and cash equivalents and changes therein, and only recognizes revenues, expenses, assets and liabilities resulting from cash transactions adjusted for modifications that have substantial support in generally accepted accounting principles. These modifications include adjustments for the following balances arising from cash transactions:

- cash-based interfund receivables and payables
- other cash-based receivables/payables
- investments
- utility deposit liabilities

**CITY OF WARR ACRES, OKLAHOMA
ANNUAL FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2018**

As a result of the use of this modified cash basis of accounting, certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not yet collected, and accrued revenue and receivables) and certain liabilities and their related expenses (such as accounts payable and expenses for goods or services received but not yet paid, and accrued expenses and liabilities) are not recorded in these financial statements.

Program revenues within the statement of activities are derived directly from each activity or from parties outside the City's taxpayers. The City has the following program revenues in each activity:

- General government: License and permits, weed tax and vehicle impound fees
- Public safety: Fine revenue, ambulance charges, and E911 collections
- Streets and highways: Gas excise and commercial vehicle taxes
- Public works: Sanitation and sewer charges

Governmental Funds:

The City's governmental funds are comprised of the following:

Major Funds:

- General Fund – accounts for all activities not accounted for in other special-purpose funds and includes the activity of the Emergency Fund
- Capital Improvement Plan Fund – accounts for ½ cent voter approved sales tax for capital improvements
- Warr Acres Economic Development Authority Fund – accounts for economic development activities

Non-Major Funds (Reported as Other Governmental Funds):

- E911 Fund – accounts for the E-911 fees legally restricted for improvements to the system
- Community Center Donations Fund – accounts for donations from various groups and individuals to buy equipment for the community center
- Debt Service Fund – accounts for ad valorem tax revenue levied for judgment retirement
- Sewer Line Maintenance Fund – accounts for sewer line maintenance fees collected to be used in sewer improvements
- Public Safety Tax Fund – accounts for ½ cent voter-approved sales tax for public safety purposes
- Reserved for Capital Replacement Fund – accounts for purchases of necessary equipment
- Warr Acres Public Works Authority Fund – accounts for activities as set forth in a trust indenture and the operation and maintenance contract with the Bethany-Warr Acres Public Works Authority concerning sewer operations

**CITY OF WARR ACRES, OKLAHOMA
ANNUAL FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2018**

The governmental funds are reported on a modified cash basis of accounting. Only current financial assets and liabilities resulting from cash transactions are included on the fund balance sheets. The operating statements present sources and uses of available spendable financial resources during a given period. These fund financial statements use fund balance as their measure of available spendable financial resources at the end of the period.

All of the above noted funds are legally required to adopt annual budgets or appropriations. The public trusts (or Authorities) are not required to adopt legal annual appropriations. While each trust develops an annual budget, it is for financial management purposes and does not constitute legal appropriations.

C. Cash, Cash Equivalents, and Investments

Cash and cash equivalents includes all demand and savings accounts, certificates of deposit, and any short-term investments with an original maturity of three months or less, and open-end government mutual funds. Investments consist of long-term certificates of deposits and are reported at cost.

D. Compensated Absences

As a result of the use of this modified cash basis of accounting, liabilities related to accrued compensated absences are not recorded in the financial statements. Expenditures/expenses related to compensated absences are recorded when paid. The amount of accrued compensated absences for accumulated, unpaid compensatory time that would be due to employees upon termination is reported as a commitment in Note 8.

E. Equity Classifications

Government-Wide Statements

Equity is classified as net position and displayed in two components:

a. *Restricted net position* - Consists of net position with constraints placed on the use either by 1) external groups such as creditors, grantors, contributors, or laws and regulations of other governments, or 2) law through constitutional provisions or enabling legislation.

b. *Unrestricted net position* - All other net position that does not meet the definition of "restricted".

It is the City's policy to first use restricted net position prior to the use of unrestricted net position when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

**CITY OF WARR ACRES, OKLAHOMA
ANNUAL FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2018**

Fund Statements

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned, and unassigned. These classifications are defined as:

- a. *Nonspendable* – includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.
- b. *Restricted* – consists of fund balance with constraints placed on the use of resources either by (a) external groups such as creditors, grantors, contributors, or laws or regulations of other governments, or (b) law through constitutional provisions or enabling legislation.
- c. *Committed* – includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the City’s highest level of decision-making authority. The City’s highest level of decision-making authority is made by ordinance while the Authorities highest level of decision-making authority are made by resolution.
- d. *Assigned* – includes amounts that are constrained by the City’s intent to be used for specific purposes but are neither restricted nor committed. Assignments of fund balance may be made by City Council action or management decision when the City Council has delegated that authority. Assignments for transfers and interest income for governmental funds are made through the budgetary process.
- e. *Unassigned* – represents fund balance that has not been assigned to other funds and has not been restricted, committed, or assigned to specific purposes within the general fund.

It is the City’s policy to first use restricted fund balance prior to the use of unrestricted fund balance when an expense is incurred for purposes for which both restricted and unrestricted fund balance are available. The City’s policy for the use of unrestricted fund balance amounts require that committed amounts would be reduced first, followed by assigned amounts and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balances classifications could be used.

The following tables show the fund balance classifications as shown on the Governmental Funds Balance Sheet:

F. Internal and Interfund Balances and Transfers

The City's policy is to eliminate interfund transfers and balances in the statement of activities and net position to avoid the grossing up of balances. Internal transfers and balances between funds are not eliminated in the fund financial statements.

2. Deposits and Investments

For the year ended December 31, 2018, the City recognized \$72,509 of investment income. Most of the City's deposits are in demand and short-term time deposits.

At December 31, 2018, the primary government held the following deposits and investments:

<u>Type of Deposits and Investments</u>	<u>Carrying Value</u>
Deposits:	
Petty cash	\$ 850
Demand deposits	10,419,181
Time deposits - certificates of deposit	504,975
Total Deposits and Investments	\$ 10,925,006
Reconciliation to Statement of Net Position:

Investments	504,975
	\$ 10,925,006

**CITY OF WARR ACRES, OKLAHOMA
ANNUAL FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2018**

Custody Credit Risk - Custodial credit risk is the risk that in the event of a bank failure, the government deposits may not be returned to it. The City is governed by the State Public Deposit Act which requires that the City obtain and hold collateral whose fair value exceeds the amount of uninsured deposits. Investment securities are exposed to custody credit risk if the securities are uninsured, are not registered in the name of the government, and if held by either a counterparty or a counterparty's trust, department or agent, but not in the government's name.

As of December 31, 2018, the City had no custodial credit risk as defined above.

Investment Interest Rate Risk – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The City does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. At December 31, 2018, the investments were limited to non-negotiable time deposits.

Investment Credit Risk - The City has no investment policy that limits its investment choices other than the limitations of state law that generally authorize investments in: (1) full faith and credit, direct obligations of the U.S. Government, its agencies and instrumentalities, and the State of Oklahoma and certain mortgage insured federal debt; (2) certificates of deposit or savings accounts that are either insured or secured with acceptable collateral; (3) negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations; (4) county, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district; and government money market funds regulated by the SEC. These investment limitations do not apply to the City's public trusts. As of December 31, 2018, the City had no investments subject to investment credit risk.

Concentration of Investment Credit Risk – Exposure to concentration of credit risk is considered to exist when investments in any one issuer represent a significant percent of total investments of the City (any over 5% are disclosed). Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from this consideration. The City has no investment policy regarding concentration of credit risk. At December 31, 2018, the reporting entity had no concentration of credit risk as defined above.

3. Sales Tax Revenue

Sales tax revenue represents a 4 cent local tax on each dollar of taxable sales within the City, of which ½ cent is voter-restricted for capital outlay and improvements and ½ cent voter-restricted for public safety purposes in accordance with a City ordinance. Three cents is received and recorded in the General Fund. One-half cent is received and recorded in the Capital Improvement Fund per Ordinances #1003 and #1004 passed by voters effective on and after October 1, 2005, and one-half cent is recorded in the Public Safety Tax Fund per Ordinance #1044 passed by voters effective on and after April 1, 2008.

**CITY OF WARR ACRES, OKLAHOMA
ANNUAL FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2018**

4. Property Tax Levy

The City presently levies no property tax, although the City did receive a small amount of delinquent property taxes during the fiscal year. In accordance with state law, a municipality may only levy a property tax to retire general obligation debt approved by the voters and to pay judgments rendered against the City.

5. Interfund Balances

Balances:

<u>Receivable Fund</u>	<u>Payable Fund</u>	<u>Amount</u>	<u>Nature of Interfund Balance</u>
General Fund	WAPWA	\$ 59,888	Expenditures paid by General Fund for WAPWA
WAPWA	General Fund	735	Expense recorded in wrong fund
Capital Replacement Fund	General Fund	486,310	Hotel room tax
Economic Development Authority	General Fund	131,837	Hotel room tax
Community Center Deposit Fund	General Fund	150	Deposits to wrong fund
General Fund	Capital Improvement	3,547	Expense recorded in wrong fund
General Fund	WAPWA	150	Deposits to wrong fund
		<u>\$ 682,617</u>	

6. Risk Management

The City and its public trusts are exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employee health and life; and natural disasters. These risks are managed by securing commercial insurance for all risks. Management believes such insurance coverage is sufficient to preclude any significant uninsured losses. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

7. Employee Retirement Plan Participation

The City of Warr Acres participates in four pension or retirement plans:

- Oklahoma Firefighter's Pension and Retirement System (OFPRS) – a statewide cost-sharing plan
- Oklahoma Police Pension and Retirement System (OPPRS) – a statewide cost-sharing plan
- Oklahoma Municipal Retirement System Master Defined Benefit Plan and Trust (OkMRF-DBP) – an agent multiple-employer defined benefit plan

**CITY OF WARR ACRES, OKLAHOMA
ANNUAL FINANCIAL STATEMENTS
As of and for the Year Ended December 31, 2018**

- Oklahoma Municipal Retirement System (OkMRF-DCP) – an agent multiple-employer defined contribution plan

OFPRS

The City of Warr Acres, as the employer, participates in a statewide cost-sharing multiple employer defined benefit pension plan through the Oklahoma Firefighter’s Pension and Retirement System (OFPRS). The OFPRS defined benefit pension plan provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Pursuant to the requirements of Title 11, section 22-102, the City must participate in the plan if they employ full-time or volunteer firefighters. OFPRS plan members are required to contribute 9% to the plan. The City is required by state law to contribute 14% per year of covered payroll per paid firefighter. OFPRS plan members that are volunteer firefighters are not required to contribute to the plan. The City is required by the state to contribute \$60 per year for each volunteer firefighter. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary.

OPPRS

The City of Warr Acres, as the employer, participates in a statewide cost-sharing multiple employer defined benefit pension plan through the Oklahoma Police Pension and Retirement System (OPPRS). The OPPRS defined benefit pension plan provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Pursuant to the requirements of Title 11, section 22-102, the City must participate in the plan if they employ a certain number of full-time police officers. The City is required by state law to contribute 13% of covered payroll per year for each police officer. Employees contribute 8% of covered payroll. The plan is funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary.

OkMRF Defined Contribution Plan

The City has also provided, effective November 1, 1990, a defined contribution plan and trust known as the City of Warr Acres Plan and Trust (the “Plan”) in the form of the Oklahoma Municipal Retirement System Master Defined Contribution Plan. OkMRF operations are supervised by a nine-member Council of Trustees elected by the participating municipalities. The Plan is administered by Chase bank. The defined contribution plan is available to all full-time employees on a voluntary basis who are not already participating in another plan. According to City Ordinance, the employee may contribute to the Plan an amount up to 4% of their gross wages. The City, as employer, contributes, per ordinance, an amount up to 100% of the employee contribution. If an employee terminates before becoming fully vested, the employer’s contributions that are forfeited may be used to reduce the City’s current-period contribution requirements.

8. Commitments and Contingencies

Compensated Absences:

As a result of the City’s use of the modified cash basis of accounting, accrued liabilities related to compensated absences (vacation and comp leave) earned but unpaid at year-end are not reflected in the basic financial statements. The compensated absence commitment at December 31, 2018 is \$267,249.

Litigation:

The City and its public trusts are parties to various legal proceedings or have threatened litigation which normally occurs in the course of municipal governmental operations. The financial statements do not include accruals or provisions for loss contingencies that may result from these

proceedings. State Constitution and statutes provide for the levy of an ad valorem tax over a three-year period by a Sinking Fund for the payment of any court assessed judgment rendered against the City. (This provision is not available to public trusts.) While the outcome of the above noted proceedings or threatened litigation cannot be predicted, due to the insurance coverage maintained by the City and the State statute relating to judgments, the City feels that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the City.

Federal and State Award Programs:

The City of Warr Acres participates in various federal or state grant/loan programs from year to year. For the year end of December 31, 2018, the City's involvement in federal and state award programs was not significant. The grant/loan programs are often subject to additional audits by agents of the granting or loaning agency, the purpose of which is to ensure compliance with the specific conditions of the grant or loan. The City has not been notified of any noncompliance with federal or state award requirements.

9. Subsequent Event

Debt Issuance:

On April 2nd, 2019, a bond issue proposed by the City of Warr Acres was passed by a vote of the people. At the time of this report, preliminary paperwork states that the \$12 million City of Warr Acres, Oklahoma Combined Purpose General Obligation Bonds, Series 2019 will be used for the purposes of constructing and repairing streets, public safety projects and paying the cost of issuing the 2019 bonds. These bonds will mature in 2039. The bonds will be repaid from ad valorem taxes which may be levied on all taxable property within the City, excepting homestead exemptions and other exemptions as applicable, as prescribed in Article X, Section 27, of the Constitution of the State of Oklahoma.

INTERNAL CONTROL AND COMPLIANCE

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Honorable Mayor and City Council
City of Warr Acres, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Warr Acres, Oklahoma (the "City"), as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated June 3, 2019. Our report included an emphasis of matter paragraph related to the City's use of a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
