#### **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors
Frontier Country Marketing Association, Inc.
Oklahoma City, OK 73102

We have audited the accompanying statement of assets, liabilities and net assets – cash basis of Frontier Country Marketing Association, Inc. (a nonprofit organization), as of June 30, 2011, and the related statement of revenues, expenses and changes in net assets – cash basis and cash flows for the year then ended. These financial statements are the responsibility of Frontier Country Marketing Association, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Frontier Country Marketing Association, Inc. as of June 30, 2011, and the changes in net assets and its cash flows for the year then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 9, 2012 on our consideration of Frontier Country Marketing Association, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing on internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the

internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Frontier Country Marketing Association, Inc.'s basic financial statements the budgetary comparison information on page 13 and 14 is not a required part of the basic, financial statements but is supplementary information. The reconciliation of cash expenditures to amounts claimed on page 16 and the detail of publication revenues on pages 17 through 31 are not required parts of the basic financial statements but supplementary information required by the Oklahoma Tourism and Recreation Department. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and according, we express no opinion on them.

#### Revenue Sources

The Organization derives a significant portion of its income from advertising sales and managed cooperative advertising, as well as contributions and the sale of memberships. Frontier Country Marketing Association's capitalization policy is to capitalize any equipment over \$500. Any purchases of equipment under \$500 is expensed in the period purchased.

#### Estimates

### Report on Internal Control Over Financial Reporting and on Compliance and Other Maters Based on an Audit of Financial Statements Performed in Accordance With Governmental Auditing Standards

To the Board of Directors of Frontier Country Marketing Association, Inc. Oklahoma City, Ok 73102

We have audited the financial statement – cash basis of Frontier Country Marketing Association, Inc. (a nonprofit organization) as of and for the year ended June 30, 2011, and have issued our report thereon dated January 9, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States.

#### Internal Control Over Financial Reporting

Management of Frontier Country Marketing Association, Inc. is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered Frontier Country Marketing Association, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of Frontier Country Marketing Association, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Frontier Country Marketing Association, Inc.'s internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether Frontier Country Marketing Association, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct material effect on the determination of the financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance and other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the executive director, Board of Directors, federal and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
