## INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
Frontier Country Marketing  
Association, Inc.

We have audited the accompanying financial statements of Frontier Country Marketing Association, Inc. (a nonprofit organization), which comprise the statement of financial position- modified cash basis as of June 30, 2017, and the related statement of activities, functional expense, and cash flows- modified cash basis for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 1, this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant

accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Frontier Country Marketing Association, Inc. as of June 30, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with the modified cash basis of accounting as described in Note 1.

## **Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

## **Other Matters**

### *Supplementary Information*

The schedule of reconciliation of cash expenditures to amounts claimed, the sources of revenue schedule and the schedule of advertisers are presented for purposes of additional analysis, as required by Oklahoma Tourism and Recreation Department, and are not a required part of the financial statements.

The schedules are the responsibility of management and were derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### *Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The budgetary comparison information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

### **Other Reporting Required by *Government Auditing Standards***

In Accordance with *Government Auditing Standards*, we have also issued our report dated January 3, 2018, on our consideration of Frontier Country Marketing Association, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Frontier Country Marketing Association, Inc.'s internal control over financial reporting and compliance.

Frontier Country Marketing Association, Inc.  
**NOTES TO THE FINANCIAL STATEMENTS**  
June 30, 2017

## **1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICY**

### General Statement

The Frontier Country Marketing Association, Inc. is a multi-county organization established under the laws of the State of Oklahoma. The purpose of the Association is to promote and encourage the development of tourism and commerce through various forms of advertising and promotion.

### Reporting Entity

Frontier Country Marketing Association, Inc. prepares its financial statements on the modified cash basis, a basis other than generally accepted accounting principles. Accordingly, revenues are reported in the year received rather than when earned, and expenditures are recognized when paid rather than when the obligation is incurred.

### Cash and cash equivalents

For purposes of the statement of cash flows, cash and cash equivalents are considered to be highly liquid depository accounts with a maturity of less than three months.

### Revenue Sources

The Association derives a significant portion of its income from advertising sales and managed cooperative advertising, as well as contributions and the sale of memberships. These revenues come mainly from business enterprises in the twelve county area of central Oklahoma known as Frontier Country. The remainder of revenues is derived from the State of Oklahoma and fund raising events. The Organization presents periodic reports to the State showing expenses paid, and the State reimburses the organization for one hundred percent of the allowable expenses limited to the amount allocated to Frontier Country Marketing Association, Inc. Reimbursements from the state are recorded as income in the fiscal year in which they are received.

### Fixed Assets

Equipment is recorded at historical cost. Depreciation is computed on the straight-line basis over its estimated useful life. Frontier Country Marketing Association's capitalization policy is to capitalize any equipment over \$500. Any purchases of equipment under \$500 is expensed in the period purchased.

### Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### Income Tax

The Internal Revenue Service has determined that the Association meets the requirements of the Internal Revenue Code making it exempt from federal income tax under Section 501(c)(6) of the Code.

The Organization's Forms 990, *Return of Organization Exempt from Income Tax*, for the years ending 2014, 2015, and 2016 are subject to examination by the IRS, generally for three years after they were filed.

## 3. REIMBURSEMENT FROM THE STATE OF OKLAHOMA

As described in Note 1, the Organization receives funding from the State of Oklahoma in the form of the reimbursement of 100% of allowable expenditures, limited to the amount allocated by the state for matching funds. State reimbursements are identified according to the fiscal year program from which the State makes the payments. Frontier Country Marketing Association, Inc. was allocated \$113,005 for 2017 and received \$49,275 during the fiscal year in matching funds. The Association received \$63,730 from the remaining balance after June 30, 2017. The reimbursements are approximately 16.05% of the total revenue for this Association during their fiscal year.

TOTALS	<u>51,336</u>	<u>1,518</u>	<u>48,551</u>	<u>4,303</u>

## 5. LEASE AGREEMENT

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors  
Frontier Country Marketing Association, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Frontier Country Marketing Association, Inc. (a nonprofit organization), which comprise the statement of financial position-modified cash basis as of June 30, 2017, and the related statements of activities, functional expense-modified cash basis, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 3, 2018.

**Internal Control over Financial Reporting**

In planning and performing our audit, we considered the Association's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that we consider to be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not

identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Association's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control or on compliance. This report is an integral part of an audit preformed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
