August 14, 2019

To the Board of Directors:
GROVE EMS DISTRICT

The directors are responsible for the accompanying balance sheet - all funds and account groups - governmental basis of GROVE EMS DISTRICT as of June 30, 2019, and the related statements of income for the 1 Month and 12 Months then ended. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We have not audited or reviewed the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by the directors. We do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Accounts receivable and accounts payable are recorded only at the year end.

The directors have elected to omit substantially all of the disclosures and the statement of cash flows required by the governmental basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's assets, liabilities, equity, revenues, and expenditures. Accordingly these financial statements are not designed for those who are not informed about such matters.

We are not independent with respect to GROVE EMS DISTRICT.
