INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Great Plains Country Association, Inc.
Waurika, Oklahoma

We have audited the accompanying financial statements of the Great Plains Country Association, Inc., (a nonprofit organization), which comprise of the statement of assets, liabilities and net assets - cash basis as of June 30, 2014, the related statements of revenues, expenses, and changes in net assets - cash basis, and cash flows - cash basis, for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting as described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the

United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and the audit requirements of the State of Oklahoma Department of Tourism and Recreation. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of the Great Plains Country Association, Inc., at June 30, 2014, and its revenues, expenses, and changes in net assets and cash flows for the year then ended in accordance with the cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting prescribed by the State of Oklahoma Department of Tourism and Recreation, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the accompanying financial statements taken as a whole. The accompanying supplemental schedules and information presented are not necessary for a fair presentation of the financial statements for the year ended June 30, 2014, but are presented for purposes of additional analysis, as required by the State of Oklahoma Department of Tourism and Recreation, which established audit requirements for nonprofit organizations that received state matching funds. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The accompanying supplemental schedules and information (except the List of Advertisers in the Great Plains Country Promotional Periodical Publication - Cash Basis - Unaudited) was subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole on the basis of accounting described above.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued a report dated December 16, 2014, on our consideration of the Association's internal control over financial reporting and our test of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Association's internal control over financial reporting and compliance.

The Association uses the cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles. The following is a summary of the more significant policies under the cash basis of accounting.

A. Reporting Entity.

Great Plains Country Association, Inc., was incorporated as a nonprofit organization under code section 501(c)(6) of the Internal Revenue Code and is tax exempt. Its incorporated name is the Southwestern Oklahoma Recreation and Tourist Association, Inc. Its promotional name is Great Plains Country Association, Inc. or simply Great Plains Country. This report is written under the promotional name since that is the name used by the State of Oklahoma Department of Tourism and Recreation, the Association's letterhead, and related documents. Its primary purpose is to provide a multi-county organization to extend aid, promote, sponsor, encourage, and finance projects that will result in the economic growth of Southwestern Oklahoma by educating the public to programs of tourism, recreational, beautification, and cultural development. 1. Summary of Significant Accounting Policies (continued).

B. Basis of Presentation - Accounting.

Great Plains Country Association, Inc., reports on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Revenues are reported as earned when cash is received and expenses are reported when the related liability is paid in cash, except as noted below. Under the accrual basis, revenues are recognized when earned and expenses are recognized when the liability is incurred.

C. Cash in Bank, Cash Equivalents and Bank Overdrafts.

The Association maintains its cash accounts with an FDIC insured bank (Arvest Bank in Duncan, Oklahoma). Cash in bank is the entity's checking account. All cash in bank is FDIC insured. This average is expressed as a percentage of the sum of the total average amounts for all multi-county organizations. INDEPENDENT AUDITOR'S REPORT
ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Great Plains Country Association, Inc.
Waurika, Oklahoma

We have audited, in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and the audit requirements of the State of Oklahoma Department of Tourism and Recreation, the financial statements of Great Plains Country Association, Inc., (a nonprofit organization), which comprise the accompanying statement of assets, liabilities, and net assets - cash basis, as of June 30, 2014, the related statement of revenues, expenses and changes in net assets - cash basis and cash flows - cash basis, for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 16, 2014. These financial statements are reported on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Internal Control Over Financial Reporting.

In planning and performing our audit of the financial statements, we considered the Association's internal control over financial

reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

Our consideration of the internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and responses, we identified certain deficiencies in internal control over financial reporting that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies described in the accompanying schedule of findings and responses as item number 1 to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instance of noncompliance or other matters that are required to be reported under the State of Oklahoma Department of Tourism and Recreation regulations or Government Auditing Standards.

Great Plains Country Association's Response to Findings

Great Plains Country Association, Inc.'s response to the findings identified in our audit is described in the accompanying schedule of findings and responses. The Association's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Association's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

GREAT PLAINS COUNTRY ASSOCIATION, INC.
SCHEDULE OF FINDINGS AND RESPONSES
JUNE 30, 2014

1. Lack of Segregation of Duties.

CONDITION AND EFFECT - The Association only has one full-time employee who is responsible for receiving the monies for deposit, depositing them into the Association's bank account and paying the bills. The Association hired an outside professional accountant to maintain its books and records and to reconcile the bank account. Although this strengthens this weakness, overall segregation of duties is still not adequate. The effect of incompatible segregation of duties could result in material errors or fraud occurring and not be detected in a timely manner.

RECOMMENDATION - Recommend the Association segregate the duties to the extent possible if additional employees are hired in the future.

RESPONSE - The Association considers the cost of adequately segregating these duties as not being economically feasible. The Board of Directors approves all decisions.
