## INDEPENDENT AUDITOR'S REPORT

Board of Trustees  
Green Country Marketing Association, Inc.  
Tulsa, Oklahoma

We have audited the accompanying statement of financial position – modified cash basis of Green Country Marketing Association, Inc. (a nonprofit organization), as of June 30, 2011, and the related statements of activities – modified cash basis and cash flows for the year then ended. These financial statements are the responsibility of Green Country Marketing Association, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Green Country Marketing Association, Inc. as of June 30, 2011, and the change in net assets and cash flows for the year then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 9, 2011 on our consideration of Green Country Marketing Association, Inc.'s internal control over financial reporting and our tests of its compliance with certain

provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of the audit.

The Sources of Revenue Schedule, and Reconciliation of Cash Expenditures on pages 10 and 11 are not a required part of the basic financial statements but are supplementary information required by the Oklahoma Tourism and Recreation Department. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion on it.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE  
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Trustees  
Green Country Marketing Association, Inc.  
Tulsa, Oklahoma

We have audited the financial statements of Green Country Marketing Association, Inc. (a nonprofit organization) as of and for the year ended June 30, 2011 and have issued our report thereon dated August 9, 2011. Green Country Marketing Association, Inc. prepares its financial statements on the modified cash basis, a comprehensive basis of accounting other than generally accepted accounting principles. Except as discussed in the preceding sentence, we conducted our audit in accordance with auditing standards generally accepted in the United States of America and the Standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Green Country Marketing Association, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Green Country Marketing Association, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting we consider to be material weaknesses, as defined above.

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether Green Country Marketing Association, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the management, others within the organization, The Oklahoma Tourism and Recreation Department, and the Office of the State Auditor and Inspector and is not intended to be and should not be used by anyone other than these specified parties.
