INDEPENDENT AUDITOR'S REPORT

Board of Directors
Hughes County Rural Water District No. 4
Holdenville, Oklahoma

We have audited the accompanying financial statements of the business-type activities of the Hughes County Rural Water District No. 4 (the District), Holdenville, Oklahoma, as of and for the year ended June 30, 2015, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as

evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

Opinions

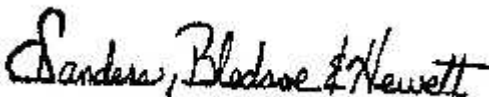

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the District as of June 30, 2015, and the respective changes in financial position and cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

The District has not presented the Management's Discussion and Analysis that governmental accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board (GASB), who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 10, 2015 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting or on compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
Hughes County Rural Water District No. 4
Holdenville, Oklahoma

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the accompanying financial statements of the Hughes County Rural Water District No. 4 (the District), Holdenville, Oklahoma, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the District's basic financial statements and have issued our report thereon dated August 10, 2015.

Internal Control Over Financial Reporting

Management of the District is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting in order to determine our auditing procedures that are appropriate for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over financial reporting.

Our consideration of the internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified no deficiencies in the internal controls that we considered to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that

there is a reasonable possibility that a material misstatement of the District's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Compliance

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Note 1 – Significant Accounting Policies

Business Activity

Hughes County Rural Water District No. 4 (the District) was formed under the provisions of Title 82, O.S. 1981, Sections 1324.1-1324.26 inclusive. The District operates as a nontaxable government agency to service residents of the Hughes County Rural Water District No. 4. The District's primary income is from the sale of water to its members in an area around Holdenville, Oklahoma.

Basis of Accounting

The accrual basis of accounting is followed for all accounts. Revenues are recorded when earned and expenses are recognized when incurred. This policy is in accordance with generally accepted accounting principles.

Cash

The District's accounts at June 30, 2015 are comprised as follows:

First United Bank, Holdenville, OK	
Operating Revenue	<u>\$ 129,756</u>

The District's cash deposits at June 30, 2015 are categorized to give an indication of the level of risk assumed by the district at year-end.

Investments

The District had no investments at June 30, 2015.

Accounts Receivable

Billings for accounts receivable at June 30, 2015 were \$12,494. No computation was made for allowance for doubtful accounts, which is not considered to be material to the financial statements. The aging of these accounts is detailed as follows:

HUGHES COUNTY RURAL WATER DISTRICT NO. 4
NOTES TO FINANCIAL STATEMENTS
FOR YEAR ENDED JUNE 30, 2015

Note 1 – Significant Accounting Policies – cont'd

Fixed Assets

Fixed assets are valued at cost, and depreciation is computed by use of the straight-line method. The estimated useful life of these assets is 33 1/3 years.

Other Assets

- a. There were note issuance costs totaling \$11,750 incurred during the 1997-98 fiscal year as part of processing the OWRB loan. This amount consisted of the following: Legal fees - \$8,500, Rating fees - \$2,500, and Acceptance fees - \$750. These loan fees will be recognized as amortization expenses over the life of the 27 year promissory note.
- b. The District maintains a \$1,000 deposit with the Oklahoma Water Resources Board Assurance Group in lieu of a membership fee. Interest is paid to the district on this deposit.

Contributed Capital

Hughes County Rural Water District No. 4 has received grant proceeds to assist in the construction of the water system from the Oklahoma Water Resources Board in the amount of \$175,000 in the 1997-98 fiscal year and \$75,000 in the 1999-00 fiscal year.

Inventories

The District does not carry a significant inventory of materials and supplies. The cost of such items is recorded as an expense when purchased.

Income Taxes

The District is recognized as a tax-exempt organization under the Internal Revenue Code. Because the District is exempt from federal income tax, no provision for taxes has been made in the financial statements.
