INDEPENDENT AUDITOR'S REPORT

Board of Directors Hughes County Rural Water District No. 5 Holdenville, Oklahoma

Report on the Audit of the Financial Statements

We have audited the accompanying combined fund type and account group financial statements-regulatory basis of the Hughes County Rural Water District No. 5, Holdenville, Oklahoma (the District), as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the District as of June 30, 2023 and the respective changes in financial position and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

The District has not presented the Management's Discussion and Analysis that governmental accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board (GASB), who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

The prior year "memorandum only" comparative information and the supplementary information on page 20 are presented for the purposes of additional analysis and are not a required part of the basic financial statements of the District. Such information has not been subjected to the auditing procedures applied in our audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 8, 2023 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the District's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Hughes County Rural Water District No. 5 Holdenville, Oklahoma

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Hughes County Rural Water District No. 5, Holdenville, Oklahoma (the District), as of and for the year ended June 30, 2023 and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated November 8, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of District's internal control. Accordingly, we do not express an opinion on the effectiveness of District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

HUGHES COUNTY RURAL WATER DISTRICT NO. 5 DISPOSITION OF PRIOR YEAR AUDIT FINDINGS JUNE 30, 2023

22-01 Finding — Presently, the same individual performs all accounting functions: receives utility service-related payments, is responsible for service billing and adjustment, makes bank deposits, writes checks, reconciles the monthly bank statements and prepares monthly financial reports. This is considered a lack of segregation of duties.

Recommendation — While it may not be cost effective to hire additional administrative staff that would be necessary in order to adequately segregate the responsibilities, the District should consider a formal evaluation of their risks associated with this lack of segregation of duties. In response to the identified risks, consideration should be given to identifying and implementing controls that could help mitigate the risks associated with the lack of segregation of duties.

Disposition – The District has segregated various accounting functions enough to satisfy this finding. The District now has two people involved in the office procedures. The bookkeeper receipts all payments and makes the deposits, which are balanced to the software reports ran from the accounting software. The manager issues all checks to vendors, reconciles the bank statement and prepares financial reports for the board.

HUGHES COUNTY RURAL WATER DISTRICT NO. 5 SCHEDULE OF FINDINGS AND RESPONSES JUNE 30, 2023

Section 1 – Summary of Auditor's Results:

- 1. An unmodified opinion was issued on the financial statements.
- 2. The audit identified no material weakness in the internal controls.
- 3. The audit disclosed no instances of noncompliance.

<u>Section 2</u> – Findings relating to the financial statements required to be reported in accordance with *GAGAS*:

Reporting Entity

Hughes County Rural Water District No. 5 (the "District") was created under the provisions of Title 82, Oklahoma Statutes, Sections 1324.1-1324.26 inclusive, for the purpose of providing water to the members of the District it serves. Membership in the water district consists of water users who have paid the required membership and connection fees. The District is exempt from federal and state income taxes.

Basis of Accounting

The accrual basis of accounting is followed for all accounts. Revenues are recorded when earned and accrued liabilities are recognized when incurred. This basis of accounting is in accordance with generally accepted accounting principles.

Cash

The District's accounts are with First United Bank, Holdenville, Oklahoma and at June 30, 2023 are detailed as follows:

Maintenance and operation account	\$ 175,584
Reserve account (considered unrestricted cash	
at June 30, 2023)	100,658
Total	\$ 276.242

Investments

There were no outstanding investments as of June 30, 2023.

Restricted Assets

In accordance with the prior loan agreement with GMAC Commercial Mortgage, the District was required to maintain a reserve fund in an amount equal to one year's loan payments. Accordingly, the District was required to have \$6,372 in the reserve account at June 30, 2002. This loan was paid off by the District in the 2001-02 fiscal year. Therefore, these funds, which had a balance of \$100,658 are considered as unrestricted cash at June 30, 2023, but are still kept in the bank account called a "reserve account".

Note A - Significant Accounting Policies - cont'd

In accordance with the ORWB, two trustee accounts are required to be maintained at the Bank of Oklahoma. One, the debt service fund, for the payment of principal and interest on the note, had a balance of \$21,553 at June 30, 2023. The other, the debt service reserve fund, had a balance of \$49,781 at June 30, 2023.

Deposits and Investments

<u>Custodial Credit Risk</u> - At June 30, 2023, the District held deposits of approximately \$347,576 at financial institutions. The District's cash deposits are entirely covered by Federal Depository Insurance (FDIC) or direct obligation of the U.S. Government insured or collateralized with securities held by the District or by its agent in the District's name.

<u>Investment Interest Rate Risk</u> - The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

<u>Investment Credit Risk</u> – The District has no policy that limits its investment choices other than the limitations of state law, as follows:

- a. Direct obligations of the U.S. Government, its agencies and instrumentalities to which the full faith and credit of the U.S. Government is pledged, or obligations to the payment of which the full faith and credit of the State is pledged.
- b. Certificates of deposits or savings accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.
- c. With certain limitation, negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations.
- d. County, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district.
- e. Notes or bonds secured by mortgage or trust deed insured by the Federal Housing Administrator and debentures issued by the Federal Housing Administrator, and in obligations of the National Mortgage Association.
- f. Money market funds regulated by the SEC and in which investments consist of the investments mentioned in the previous paragraphs (a-d).

Equity Classification

Equity is classified as net position and displayed in three components:

- 1. Net Investment in Capital Assets Consists of capital assets, including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvements of those assets and adjusted for any deferred inflows and outflows of resources attributable to capital assets and related debt.
- 2. Restricted Consists of restricted assets reduced by liabilities and deferred inflows or resources related to those assets, with restriction constraints placed on the use either by (a) external groups such as creditors, grantors, contributors, or laws and regulations of other governments; or (b) laws through constitutional provisions of enabling legislation.
- 3. <u>Unrestricted</u> Net amount of assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component of net position.

Statement of Cash Flows

For purposes of the statement of cash flows, the District considers all highly liquid investments, such as certificates of deposit maturing within 60 days of year end, as cash equivalents.

Note B - Long-Term Debt

In June 2017, the District was awarded a loan with the Oklahoma Water Resources Board in the amount of \$835,000. This loan was used to pay off the 2002 OWRB loan, and make water system improvements. The current interest rate for this loan is 2.20 percent, payable over 30 years. The local trustee for the loan is the Bank of Oklahoma, Oklahoma City, Oklahoma. A debt service fund is used to pay variable bi-annual loan payments. A debt service reserve fund is used to retain a percentage of the loan amount, which was accumulated from the proceeds, in total, at closing in the amount of \$49,781.
