INDEPENDENT AUDITOR'S REPORT

Board of Trustees  
Adair County Jail Trust Authority  
Stilwell, Oklahoma

***Report on the Financial Statements***

I have audited the accompanying financial statements of the business-type activities of the Adair County Jail Trust Authority (the Authority) as of and for the year then ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

## ***Opinion***

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Adair County Jail Trust Authority as of June 30, 2020, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## ***Other Matters***

### ***Required Supplementary Information***

Management has omitted the management discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operation, economic, or historical context. My opinion on the basic financial statements is not affected by this missing information.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with Government Auditing Standards, I have also issued my report dated June 22, 2021, on my consideration of Adair County Jail Trust Authority's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Adair County Jail Trust Authority's internal control over financial reporting and compliance.

**ADAIR COUNTY JAIL TRUST AUTHORITY**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**JUNE 30, 2020**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***A. GENERAL***

Under the provision of the Oklahoma Trust Act, the Adair County Jail Trust Authority (hereinafter referred to as the "Authority") was established March 12, 1996, for the purpose of promoting the establishment and maintenance of an effective corrections and detention system which will enhance the preservation of the welfare and safety of the residents of the county. The authority is governed by a board of trustees, which include the Chairman of the Board of the County Commissioners, the County Sheriff, and three appointed trustees.

***B. REPORTING ENTITY***

The Adair County Jail Trust Authority is a component unit of Adair County and for the purpose of this report is considered to be a proprietary fund. A proprietary fund is used to account for activities similar to those found in the private sector, where the determination of net income is necessary or useful to sound financial administration. Goods or services from such activities can be provided either to outside parties (enterprise funds) or to other departments or agencies primarily within the governmental unit (internal service funds).

***C. BASIS OF ACCOUNTING***

Basis of Accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of Accounting relates to the timing of the measurements made, regardless of the measurement focus applied. The financial statements of the ("Authority") record revenue when cash is appropriated and expenses are recorded in the period in which encumbrances are made. The financial statements have been adjusted at year-end to reflect the accrual basis of accounting, revenues are recognized when they are measurable and susceptible to accrual and expenses are recognized when they are incurred, in accordance with accounting principles generally accepted in the United States of America.

***D. FIXED ASSETS; PROPERTY, PLANT, AND EQUIPMENT***

Depreciation is provided in the Trust Fund in amounts sufficient to relate the cost of depreciable assets to operations over their estimated useful lives computed on the straight-line method.

Those rates are as follows:	Rates
Buildings	2.5%
Furniture, Fixtures, and Equipment	20%

One of the primary purposes for the establishment of the Adair County Jail Trust Authority was for the construction of a new jail facility. The amounts disclosed in the financial statements represent the construction costs of this facility. Depreciation has been recorded in relation to this asset, starting March 6, 2003, the occupancy date. The following is a summary by category of changes in property and equipment:

	Balance at June 30, 2019	Additions	Deletions	Balance at June 30, 2020

Buildings	2,928,694			2,928,694

Net Property and Equipment	1,878,133	(70,319)	-	1,807,814

#### ***E. INVENTORY AND PREPAID EXPENSES***

#### ***F. CASH AND INVESTMENTS***

The Authority's investment policies are governed by state statute. Permissible investments include direct obligations of the United States Government and Agencies; certificates of deposit of savings and loan associations, and bank and trust companies; and savings accounts or savings certificates of savings and loan associations, and trust companies; collateral is required for demand deposits and certificates of deposit for all amounts not covered by federal deposit insurance. For the purposes of the statement of cash flows, the Authority considers all cash on hand, demands deposits and highly liquid investments, with an original maturity of twelve months or less when purchased, to be cash and cash equivalents.

#### ***Deposit Categories of Credit Risk***

(A) Insured or collateralized with securities.

(B) Collateralized with securities held by the pledging financial institutions trust department.

### ***G. LONG TERM DEBT***

At the balance sheet date of June 30, 2020, there was long-term debt of \$1,379,301 (See Note 3).

### ***H. INCOME TAXES***

The Authority is a political subdivision of Adair County organized under the laws of the State of Oklahoma and is not subject to Federal or State income taxes.

### ***I. BUDGETS***

The Adair County Jail Trust is required to legally adopt a formal operating budget as required by State Statute.

### ***J. SALES TAX REVENUE***

The Authority's major source of revenue is a sales tax of one percent (1%) upon the gross proceeds or gross receipts derived from all sales or services in the County of Adair, State of Oklahoma, upon which a consumer's sales tax is levied by the State of Oklahoma.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results differ from those estimates.

The initial sales tax of one half of one percent was passed by the voters of Adair County on September 17, 1996. On April 1<sup>st</sup> of 2014 the voters of Adair County voted to pass an additional tax of one half of one percent for a total sales tax of 1% to fund the operations of the Adair County Jail Trust Authority.

#### NOTE 4: UNCERTAINTIES

During March 2020, the World Health Organization declared a pandemic with the outbreak of the COVID-19 and declared a “Public Health Emergency of International Concern”. The U.S. Government and local governmental authorities implemented procedures to attempt to contain the virus and lessen its impact. The spread of this virus has caused business interruptions that are expected to continue for the foreseeable future. The extent of the impact of COVID-19 on the Organization’s operational and financial performance has not yet been determined. As such, these financial statements do not include any adjustments that might result from the outcome of this uncertainty.

**NOTE 5: RELATED PARTY**

The Adair County Sheriff's Office operates the jail with funds provided by the Adair County Jail Trust Authority and appropriations from Adair County. Revenues related to appropriations from Adair County are declining due to a ruling by the Supreme Court; "McGirt v. Oklahoma", stating Native American Tribal Citizens are not under the jurisdiction of the State. The ruling has caused a decline in revenues from forfeitures and daily rate charges for prisoners.

Subsequent events have been evaluated through the date of the Independent Auditor's report; June 22, 2021.

INDEPENDENT AUDITOR'S  
REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING  
STANDARDS*

Board of Trustees  
Adair County Jail Trust Authority  
Stilwell, Oklahoma

I have audited the balance sheet of the Adair County Jail Trust Authority as of June 30, 2020, and the related statements of revenue, expenses and changes in net assets, and cash flows for the year then ended, and have issued my report thereon dated June 22, 2021. I conducted the audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered Adair County Jail Trust Authority's (the Authority) internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, I do not express an opinion on the effectiveness of the Organization's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Adair County Jail Trust Authority's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed one instances of noncompliance that is required to be reported under *Government Auditing Standards*; (2020-01) Schedule of Findings and Responses. The Authority's response to the finding identified in our audit is described in the schedule of findings and responses. The Authority's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, I express no opinion on it.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## **Schedule of Findings and Responses**

**Year Ended June 30, 2020**

### **2020-01 – Timely Financial Statements and Audit**

**Criteria:** Title 11 O.S. § 17-105-113 and Title 60 § 180.1-.3 of the Oklahoma Statutes requires all audits to be filed with the Oklahoma Office of the State Auditor and Inspector within six months of the year end.

**Condition:** The Authority is not in compliance with State Statutes. The financial statements were not available for audit until after this deadline. These violations create potential issues with funding sources and can create a situation where management decisions are not made based on relevant financial information.

**Cause:** Inadequate control over year end closing and financial statement preparation appear to be the cause of this issue.

**Recommendation:** The year-end closing, and financial statement preparation should be completed by mid-October each year to allow adequate time to complete the audit.

**Responsible Official's Response:** Management of the Authority agree that the financial statements and annual audit should be completed within 6 months of the year end.
