INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Lake Tenkiller Association, Inc.
Cookson, OK 74427

Report on the Financial Statements

We have audited the accompanying financial statements of Lake Tenkiller Association, Inc. (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets-cash basis as of June 30, 2014 and 2015, and the related statement of support, revenue, and expenses-cash basis for the year then ended, and the related notes to the financial statements.

Managements Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting as described in Note B; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly we express no such opinion. An audit also includes evaluation the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Lake Tenkiller Association, Inc. as of June 30, 2014 and 2015, and its support, revenue, and expenses for the year then ended in accordance with the cash basis of accounting described in Note B.

Other Matters

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have issued a report dated September 16, 2015, on our consideration of Lake Tenkiller Association, Inc.'s, internal controls over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Lake Tenkiller Association, Inc.'s internal control over financial reporting and compliance

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLAINE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Lake Tenkiller Association, Inc.
Cookson, OK 74427

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Lake Tenkiller Association, Inc.'s (a nonprofit organization) which comprise the statement of assets, liabilities and net assets-cash basis as of June 30, 2014 and 2015, and the related statement of support, revenue and expenses-cash basis for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 16, 2015. The financial statements of Lake Tenkiller Association have been prepared on the cash basis of accounting.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Lake Tenkiller Association, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Lake Tenkiller Association, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Lake Tenkiller Association, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned cost that we consider to be significant deficiencies.

2015-1

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Lake Tenkiller Association, Inc. financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Lake Tenkiller Association, Inc.'s Response to Findings

Lake Tenkiller Association, Inc. response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. Lake Tenkiller Association, Inc. response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

X-1

The inherent limitation resulting from a small number of employees performing functions that would normally be divided among several employees were a larger number available presents a proper segregation of accounting functions deficiency. A much larger staff would be necessary in order to assure adequate internal accounting controls. This deficiency requires the board to remain actively involved in the day to day activities of the water district.

Managements Response

Management's response to the lack of segregation of duties is to closely monitor the day to day activities as well as all financial transactions to ensure that financial statements are free or material errors or fraud.
