Independent Auditor's Report

Board of Directors Lincoln County Rural Water District No. 1 Sparks, Oklahoma

We have audited the accompanying financial statements -cash basis of the business-type activities of the Lincoln County Rural Water District No. 1 (the District), Sparks, Oklahoma, as of and for the year ended July 31, 2011, which collectively comprise the District's basic financial statements -cash basis as listed in the table of contents. These financial statements cash basis are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements -cash basis based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements -cash basis are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements -cash basis. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement –cash basis presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in *Note A*, the District prepares its financial statements on a basis of accounting that demonstrates compliance with the cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements - cash basis referred to in the first paragraph present fairly, in all material respects, the financial position of the District for the year ended July 31, 2011, and the related statements of revenues, expenses, and changes in retained earnings and cash flows for the year then ended, on the basis of accounting described in *Note A*.

Management has elected to omit the Management Discussion and Analysis, which is considered required supplementary information that is normally subjected to auditing procedures. Due to this omission, the usefulness and accessibility of the financial statements -cash basis are limited to the District's management. The omission of this information does not affect the opinion expressed on the financial statements -cash basis as a whole.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements -cash basis. The combining and individual fund financial statements -cash basis have been subjected to the auditing procedures applied in the audit of the basic financial statements -cash basis and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole on the basis of accounting described in Note A.

Report on Compliance and on Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Board of Directors Lincoln County Rural Water District No. 1 Sparks, Oklahoma

We have audited the financial statements –cash basis of the Lincoln County Rural Water District No. 1 (the District), Sparks, Oklahoma, as of and for the year ended July 31, 2011, and have issued our report thereon dated December 1, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the District's financial statements —cash basis are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements—cash basis and not to provide assurance on the internal control over financial reporting. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be a reportable condition. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the District's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements—cash basis. This reportable condition is described in the accompanying schedule of audit results as item 11-1.

Board of Directors Lincoln County Rural Water District No. 1

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements —cash basis being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we believe that item 11-1 is not a material weakness.

This report is intended solely for the information and use of management and is not intended to be, and should not be, used by anyone other than these specified parties.

Notes To The Financial Statements July 31, 2011

Note A - Significant Accounting Policies

Financial Reporting Entity

Lincoln County Rural Water District No. 1 (the District), Sparks, Oklahoma, was established pursuant to Title 82 of Oklahoma Statutes. The purpose of the District is to provide a water distribution system for its members in the Sparks, Oklahoma, area. Members are owners of land located within the District who have subscribed to one or more benefit units, provided payments of charges are current on at least one of the benefit units. Each member represents one vote of the governing body of the District without any direct ownership in its assets.

The accompanying financial statements include all functions and activities over which the District exercises financial accountability. The District is considered a primary government as defined by the *Governmental Accounting Standards Board* (GASB) and has no other component units within its reporting entity.

Basis of Accounting

The cash basis of accounting is followed for all accounts. Revenues are recorded when received and expenditures are recognized when paid. This basis of accounting is not in accordance with accounting principles generally accepted in the United States of America.

<u>Cash</u>

The District's checking and savings accounts are with First United Bank of Chandler, Chandler, Oklahoma, and at July 31, 2011, are detailed as follows:

Maintenance and operation account	\$ 4,261
Savings account	 12,453
Total	\$ 16,714

Investments

All investments are recorded at value at renewal date. Investments at July 31, 2011, are detailed as follows.

First Bank of Chandler, Chandler, Oklahoma:

Certificate of deposit No. 25870, dated June 23, 1999,	
due June 23, 2012, @ .95%	\$ 22,123

Lincoln County Rural Water District No. 1 Sparks, Oklahoma Notes To The Financial Statements

Notes To The Financial Statements July 31, 2011

Statement of Cash Flows

For purposes of the statement of cash flows, the District considers all highly liquid investments, such as savings accounts, but not long-term certificates of deposit, as cash equivalents.

Federal Income Tax

The District is exempt from all federal and state income taxes.

Fixed Assets

Facilities purchased, constructed, or donated are recorded at cost and include improvements that significantly add to the productive capacity or extend the useful life of the asset. Costs of maintenance and repairs are charged to expense. Upon retirement or disposal of assets, the cost and related accumulated depreciation are removed from the accounts, and gain or loss, if any, is reflected in earnings for that period. Depreciation is provided on a straight-line method over the estimated useful lives of the assets, generally 40 years for plant and building, 7 years for equipment and 5 years for office furniture and equipment.

Long-Term Debt

Long-term debt to be repaid from District resources is reported as a liability in the balance sheet. The long-term debt presently is comprised of one (1) note payable.

Equity Classifications

The District's fund equity is classified as contributed capital and retained earnings – reserved and unreserved.

Revenues and Expenses

For purposes of the operating statement, revenues and expenses and classified by operating and non-operating. The District reports expenses relating to use of economic resources, including depreciation.

Benefit Unit Fees

Benefit unit fees represent a membership/connection fee required of each District member at the time they request service. This nonrefundable fee is designed to cover the estimated cost of connection, tap and related hook-up costs to the District's system. As such, the fees are recorded as operating revenue.

Notes To The Financial Statements
July 31, 2011

Debt Restrictions and Covenants

In accordance with the requirements set by Rural Development, a government agency to which the District is indebted, the District is required to set aside funds for the purpose of major catastrophic repair or extensions and improvements. The funding amounts required are equal to one year's worth of payments, with the provision that the District has ten years to fully fund the reserve. At July 31, 2011, the amount of reserve funds required is \$12,713, and, therefore, the reserve was fully funded at July 31, 2011.

Note B - Detail Notes - Transaction Classes/Accounts

Restricted Assets

The amounts reported as restricted assets of the District on the balance sheet are comprised of amounts held by the District for utility deposits (refunded upon termination of service or applied to final billing) and the amount of cash held as debt service on the Farmer's home Administration notes payable. The restricted assets as of July 31, 2011, were as follows:

Notes To The Financial Statements JULY 31, 2011

Note C - Risk Management

The District is exposed to various risks of loss related to torts, theft or damage to, and destruction of assets, errors and omissions and natural disasters. The District manages these various risks of loss as follows:

Type of Loss	Method Managed	Risk of Loss Retained
a. Torts, errors and omissions and vehicle	Participation in ORWAG risk entity pool	\$1,000 deductible per occurrence
b. Injuries to employees (workers compensation)	Participation in ORWAG risk entity pool	None
c. Physical property loss and natural disasters	Participation in ORWAG risk entity pool	None

Management believes such coverage is sufficient to preclude any significant uninsured losses to the District.

Employee Pension and Other Benefits

The District provides no pension, deferred compensation or other post-employment benefits to employees of the District.

Commitments and Contingencies

Commitments

The District had no commitments as of July 31, 2011.

Contingencies-Litigation

The District is not involved with any legal proceedings, which normally occur in the course of governmental operations, at this time. Therefore, the financial statements do not include accruals or provisions for loss contingencies.

While legal proceedings cannot be foreseen, the District believes that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the District.
