Accountant's Compilation Report

To the Board of Directors
Little River Conservation District

Management is responsible for the accompanying modified cash basis financial statements of the Little River Conservation District (the District), as of and for the year ended June 30, 2023, and related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents, and for determining that the modified cash basis of accounting is an acceptable financial reporting framework. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. I do not express an opinion, a conclusion, nor provide any assurance on these financial statements.

I draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Regards,

Michael Green, CPA

LITTLE RIVER CONSERVATION DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
For the fiscal year ended June 30, 2023

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Little River Conservation District (the District) was created under Title 27A, sections 3-1-101 through 3-3-410, as amended, of the Oklahoma State Statutes. The purpose of the District is to provide for the conservation of renewable natural resources in the area for which the District is responsible.

Basis of Accounting

The District prepares its financial statements using the modified cash basis of accounting. This basis recognizes assets, liabilities, net assets/fund equity, revenues, and expenditures/expenses when they result from cash transactions with provisions for depreciation in the financial statements. This basis is a basis of accounting other than accounting principles generally accepted in the United States of America.

As a result of the District's use of the modified cash basis of accounting, certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not yet collected) and certain liabilities and their related expenses (such as accounts payable and expenses for goods and services received but not yet paid, and accrued expenses and liabilities) are not recorded in these financial statements.

Cash and Cash Equivalents

For the purpose of the financial statements, "cash and cash equivalents" includes all demand and savings accounts, certificates of deposit or short-term investments with an original maturity of three months or less and money market accounts.

Capital Assets

Capital assets are accounted for as property and equipment and are depreciated.

Restricted Assets

Restricted assets include cash and investments that are legally restricted as to their use. The primary restricted assets of the District are cash accounts limited to a specific purpose. At June 30, 2023, there was restricted cash totaled \$7,824.

Net Position

Net Position presents the difference between assets and liabilities in the statement of net position. Net investments in capital assets are reduced by the outstanding balances of any borrowing used for the acquisition, construction, or improvement of those assets.

Net position may be displayed in three components as applicable:

- *Net investment in capital assets* – Consists of capital assets, net of accumulated depreciation and reduced by any debt related to the acquisition, construction, or improvements of those assets.
- *Restricted net position* – Consists of net position with constraints placed on the use either by 1) external groups such as creditors, grantors, contributors, or laws and regulations of other governments, or 2) law through constitutional provisions or enabling legislation.
- *Unrestricted net position* – All remaining net position that does not meet the definition of "restricted".

It is the District's policy to first use restricted net position prior to the use of unrestricted net position when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

Operating Revenue and Expenses

Operating revenues and expenses result from providing services and delivering goods and/or services. They also include all revenues and expenses not related to capital and related financing, noncapital financing, or investing activities.

Prior Period Adjustment

Prior period adjustment is due to reconciling differences of \$6,800 in accumulated depreciation and \$3,494 for a CD that was closed in June of 2021.

NOTE 2: CASH AND DEPOSITS

Custodial Credit Risk - Custodial credit risk related to deposits exists when the District holds deposits that are uninsured and uncollateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the District's name or collateralized without a written or approved collateral agreement. Exposure to custodial credit risk related to investments exists when the District holds investments that are uninsured and unregistered, with securities held by the counterparty or by its trust department or agent but not in the District's name. The District's policy for custodial credit risk is to secure its uninsured deposits with collateral. At June 30, 2023, all of the District's bank balances of \$69,288 were covered by FDIC insurance or securities pledged by the bank.

Investment Credit Risk - The District has no investment policy that limits investment choices other than the limitation of state law. As of June 30, 2023, the District did not hold investments other than certificates of deposits which were insured by FDIC insurance.

NOTE 3: INVESTMENTS

The State of Oklahoma allows government entities to invest in the following: direct obligations of the United States Government, its agencies or instrumentalities, collateralized or insured certificates of deposit, insured savings accounts or savings certificates, or county, municipal or school district direct debt.

NOTE 4: PROPERTY AND EQUIPMENT

Depreciable Assets are recorded at cost when purchased or constructed. Improvements are capitalized; the cost of normal maintenance and repairs that do not add to the value of the asset or materially extend the asset's life are expensed. Depreciation is calculated on a straight-line basis over the estimated useful lives of the depreciable assets. Total depreciation for the year ended June 30, 2023 was \$43,410. The following is a summary of category of changes in property and equipment:

	Balance (restated) July 1, 2022	Additions	Deletions	Balance June 30, 2023

NOTE 5: NOTES PAYABLE

In October 2021, the district entered into a lease purchase agreement with First State Bank, Valliant, OK., in the amount of \$32,819 to purchase a 2021 Dodge Truck. The lease purchase agreement is renewable annually and bears an interest rate of 5.5% the lease purchase is to be repaid in monthly installments for 60 months. Total outstanding of the lease as of June 30, 2023 was \$27,334.

In November of 2021, the district entered into a lease purchase agreement with First State Bank, Valliant, OK., in the amount of \$32,805 to purchase a John Deer 5100 Tractor. The lease purchase agreement is due in full one year from the date of the lease and bears an interest rate of 6.25%. The lease was renewed in November 2022 for the term of one year. The balance as of June 30, 2023 was \$32,805.

In September of 2022, the district entered into a lease purchase agreement with First State Bank, Vallian, OK., in the amount of \$40,743 to purchase a John Deer 5075E Tractor. The lease purchase agreement is due in full one year form the date of the lease and bears an interest rate of 4.75%. The balance as of June 30, 2023 was \$40,743.

For the year ended June 30, 2023, the District’s lease purchase changed as follows:

2027	6,230	426
2028	4,340	87
	<u>\$ 27,334</u>	<u>\$ 3,717</u>

NOTE 6: OCC REIMBURSEMENTS

The District is reimbursed by the Oklahoma Conservation Commission for salaries, payroll taxes, mileage, telephone charges, office supplies, and certain other office expenses. When received, such reimbursements are recognized as revenues.

NOTE 7: RETIREMENT PLAN

Oklahoma public employees who work 1,599 hours or more per year were enrolled in the Oklahoma Public Employees Retirement System. On salaries paid from reimbursable funds from the Oklahoma Conservation Commission, the employers 16.5% share of retirement was paid directly by the Commission. The employees' share of the retirement contribution was 3.5% of locally earned wages and 3.5% of state reimbursable wages.

NOTE 8: ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

NOTE 9: RISK MANAGEMENT

The District is exposed to various risks of losses related to torts; thefts of, damage to, and destruction of assets; errors and omissions; injuries to employees and natural disasters. The OCC and the District manage this risk through the purchase of commercial insurance policies. Claims are recognized when it is probable that a loss has occurred, and the amount of the loss can be reasonably estimated. In determining claims, events that might create claims, but for which none have been reported, are considered.

NOTE 10: CONTINGENCIES

The District is a party to various legal proceedings that normally occur in the course of operations. As of June 30, 2023, the District did not have any pending litigation or potential non-disclosed liabilities that management believe would have a material effect on the financial statements.

NOTE 11: SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 7, 2023, which is the date the financial statements were available to be issued.
