## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
McCurtain County Rural Water District No. 8  
Broken Bow, Oklahoma

We have audited the accompanying financial statements of the business-type activities of the McCurtain County Rural Water District No. 8 (the District), Broken Bow, Oklahoma, as of and for the year ended October 31, 2015, which collectively comprise the District's basic financial statements as listed in the table of contents.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as

evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

### **Opinions**

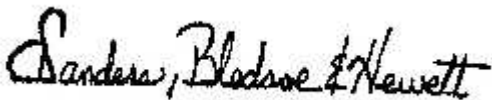

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the District as of October 31, 2015, and the respective changes in financial position and cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

### **Other Matters**

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 5 and 6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplemental information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated December 31, 2015 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting or on compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

## RURAL WATER DISTRICT NO. 8, McCURTAIN COUNTY

### MANAGEMENT'S DISCUSSION AND ANALYSIS

OCTOBER 31, 2015

Our discussion and analysis of the Rural Water District No. 8, McCurtain County's financial performance provides an overview of the District's financial activities for the fiscal year ended October 31, 2015. Please read it in conjunction with the District's financial statements that begin on page 11.

#### **FINANCIAL HIGHLIGHTS:**

- The District's total operating revenues exceeded total operating expenses by \$110,121, an increase of \$134,067 compared to the prior year.
- The District's total net position decreased by \$32,510 in the current fiscal year.
- The District continued to make timely payments on the existing ORWB loan.
- The District was awarded a \$655,000 grant from Indian Health Services to assist in the construction of a water line extension.
- The District opened a vehicle replacement account in 2012-13, and is transferring \$2,500 each month into this account in order to purchase new vehicles to be placed into service.

#### **Using This Report**

This report is presented in a format consistent with the presentation requirements of the Governmental Accounting Standards Board (GASB) Statement No. 34, as applicable to the District's basis of accounting.

#### **Basis of Accounting**

The District has elected to present its financial statements in the accrual basis of accounting. According to the accrual basis, revenues are recorded when earned and expenses are recognized when incurred. This policy is in accordance with generally accepted accounting principles.

#### **The Financial Statements**

One of the most important questions asked about the District's finances is, "Is the District as a whole better off or worse off as a result of the year's activities?" The Statement of Net Assets, the Statement of Activities and the Statement of Cash Flows report information about the District and about its activities in a way that helps answer this question.

These three statements report the District's net assets and the changes in them. You can think of the District's net assets – the difference between assets and liabilities – as one way to measure the District's financial health or financial position. Over time, increases or decreases in the District's net assets are one indicator of whether its financial health is improving or deteriorating. You will need to consider other nonfinancial factors, however, such as changes in water rates paid or charged and the condition of the District's water system, to assess the overall health of the District.

The District has only one type of fund or activity, which is defined as *Business-type activities*. This is considered a proprietary fund. This means the District charges a fee to customers to help it cover all or most of the cost of certain services it provides.

### **Fixed Assets**

At October 31, 2015, the District had \$8,071,780 invested in fixed assets, net of depreciation, including land, the water plant and system, vehicles and equipment. Capital assets of \$64,215 were added in 2014-15, as a few minor items and some materials were purchased.

### **Long-Term Debt**

The promissory note with the Oklahoma Water Resources Board was approved in 2008-09. The note was for \$7,038,410, and will be paid back in bi-annual payments over 30 years, at an interest rate of 3.29%. Through October 31, 2015, \$5,817,402 of these loan proceeds were received, and \$2,000,000 of the loan was forgiven by ARRA funds. The outstanding principal balance at October 31, 2015 was \$3,333,684.

### **Economic Factors and Next Year's Budget and Rates**

For the upcoming fiscal year ending October 31, 2016, the District's budget is fairly consistent with the prior fiscal year. The normal cost of operation continues to increase for all areas of the economy, and rural water is not exempt from these increases.

### **Contacting the District's Management**

This report is designed to provide our customers and creditors with a general overview of the District's finances and to demonstrate the District's accountability for the money it receives. If you have questions about this report or need additional financial information contact the District Office at 1803 N. US Hwy. 259, Broken Bow, OK 74728 or call (580) 584-2918.

CERTIFIED PUBLIC ACCOUNTANTS, LLP

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors  
McCurtain County Rural Water District No. 8  
Broken Bow, Oklahoma

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the accompanying financial statements of the McCurtain County Rural Water District No. 8 (the District), Broken Bow, Oklahoma, as of and for the year ended October 31, 2015, and the related notes to the financial statements, which collectively comprise the District's basic financial statements and have issued our report thereon dated December 31, 2015.

**Internal Control Over Financial Reporting**

Management of the District is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting in order to determine our auditing procedures that are appropriate for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over financial reporting.

Our consideration of the internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified no deficiencies in the internal controls that we considered to be material weaknesses.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material*

*weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the District's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

#### Compliance

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The accompanying notes to the financial statements are an integral part of this statement

## **McCURTAIN COUNTY RURAL WATER DISTRICT NO. 8**

### **Broken Bow, Oklahoma**

#### **Notes to the Financial Statements**

**October 31, 2015**

### **Note A – Significant Accounting Policies**

#### Organization

McCurtain County Rural Water District No. 8 (the District) is an Oklahoma water district organized under Title 82 of Oklahoma Statutes, Sections 1324.1-1324.26 inclusive, to provide water service to rural residents of McCurtain County, Oklahoma. The District is considered a subdivision of the State of Oklahoma. The District is exempt from federal and state income taxes. The membership consists of approximately 2,330 members.

The District is an independent, self-contained reporting entity with no associated component units. It is operated in a manner similar to a private business enterprise where the cost (expenses, including depreciation) of providing water services is financed through user charges.

#### Basis of Accounting

The accrual basis of accounting in accordance with Generally Accepted Accounting Principles (GAAP) promulgated in the United States of America is followed for all accounts. Revenues are recorded when earned and liabilities are recognized when incurred. This policy is in accordance with generally accepted accounting principles. The District has also complied with GASB Statement No. 34 financial reporting requirements.

#### Deposits and Investments

Oklahoma Statutes authorize the District to invest in certificates of deposit, repurchase agreements, passbooks, bankers' acceptances, and other available bank investments provided that all deposits are fully covered by approved securities pledged to secure those funds. In addition, the District can invest in direct debt securities of the United States unless such an investment is expressly prohibited by law.

Bank deposits are held at several financial institutions and are carried at cost. For purposes of statements of cash flows, the District considers cash and all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

**Custodial Credit Risk** - At October 31, 2015, the District held deposits of approximately \$1,182,117 at financial institutions. The District's cash deposits, including interest-bearing certificates of deposit, are entirely covered by Federal Depository Insurance (FDIC) or direct obligation of the U.S. Government insured or collateralized with securities held by the District or by its agent in the District's name.

**McCURTAIN COUNTY RURAL WATER DISTRICT NO. 8**

**Broken Bow, Oklahoma**

Notes to the Financial Statements

October 31, 2015

**Note A – Significant Accounting Policies – cont'd**

**Investment Interest Rate Risk** - The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

**Investment Credit Risk** – The District has no policy that limits its investment choices other than the limitations of state law, as follows:

- a. Direct obligations of the U.S. Government, its agencies and instrumentalities to which the full faith and credit of the U.S. Government is pledged, or obligations to the payment of which the full faith and credit of the State is pledged.
- b. Certificates of deposits or savings accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.
- c. With certain limitation, negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations.
- d. County, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district.
- e. Notes or bonds secured by mortgage or trust deed insured by the Federal Housing Administrator and debentures issued by the Federal Housing Administrator, and in obligations of the National Mortgage Association.
- f. Money market funds regulated by the SEC and in which investments consist of the investments mentioned in the previous paragraphs (a-d).

The investments held at October 31, 2015 are as follows:

	Wtd. Avg Maturity	Credit Rating	Market	Cost
Money market/checking	N/A	AAAm	\$ 624,071	624,071
Certificates of deposit	1.0 Yr	N/A	558,046	558,046
Total Deposits			<u>\$ 1,182,117</u>	<u>1,182,117</u>

**Concentration of Investment Credit Risk** – The District places no limit on the amount it may invest in any one issuer. The District has the following of credit risk: 47% in Certificates of Deposit (\$558,046) and 53% in Money Market funds (\$624,071).

## **McCURTAIN COUNTY RURAL WATER DISTRICT NO. 8**

### **Broken Bow, Oklahoma**

#### **Notes to the Financial Statements**

**October 31, 2015**

#### **Note A – Significant Accounting Policies – cont'd**

Fair Value of Financial Instruments – The District's financial instruments include cash and cash equivalents, accounts receivable, accounts payable and notes payable. The District's estimate of the fair value of all financial instruments does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying statement of net position. The carrying amount of these financial instruments approximates fair values because of the short maturity of these instruments.

#### Inventories

Inventories consist primarily of materials and supplies for repairs and improvements of existing water lines, meters and all other capital assets. Inventory is valued at cost, principally on a first-in, first-out basis, but not in excess of market.

#### Accounts Receivable

Billings for accounts receivable at October 31, 2015 were \$150,395. Allowance for doubtful accounts was computed at 2.5% (\$3,857) based upon historical collection rates.

#### Inventory

Supplies inventory is valued at the lower of cost or market, using the FIFO method (first in, first out).

#### Compensated Absences

It is the District's policy to permit employees to accumulate earned but unused vacation time. Full-time employees are granted vacation and sick leave benefits in varying amounts to specified maximums depending on tenure. The District has not accrued compensated absences because the amount, if any, would not be considered material to the financial statements.

#### Prior Year Information

Prior year financial statement information is included in the other supplementary information section for comparative purposes only. No opinions are issued on these amounts, and are included as memorandum.

**McCURTAIN COUNTY RURAL WATER DISTRICT NO. 8**

**Broken Bow, Oklahoma**

Notes to the Financial Statements

October 31, 2015

**Note A – Significant Accounting Policies – cont'd**

Fixed Assets

Additions to the water system and other equipment are recorded at cost or, if contributed property, at their estimated fair value at time of contribution. Repairs and maintenance are recorded as expenses; renewals and betterments are capitalized. Non-cash contributions relate to both existing and new members of the District. If installation or water lines is required to a member's property, the District performs this service for the member at cost. The member's payment for such installation is recorded as a capital asset contribution. The District maintains a capitalization threshold of \$500 and an estimated useful life in excess of two (2) years.

Fixed assets are valued at cost, depreciation is computed by use of the straight-line method. The estimated useful lives of these assets are as follows:

Land	N/A
Office furniture & fixtures	5-10 years
Equipment & tools	10-15 years
Transportation equipment	5 years
Water & sewer system	50 years
Buildings	40 years
Computer equipment	5-7 years

The fixed asset information for the District is shown below:

	<u>11/1/2014</u> <u>Amount</u>	<u>Additions</u>	<u>Deletions</u>	<u>10/31/2015</u> <u>Amount</u>
Land & easements	\$ 51,716	-	-	51,716
Buildings & improv.	181,508	2,233	-	183,741
Water system	9,181,247	60,904	-	9,242,151
Equipment	<u>2,692,037</u>	<u>1,078</u>	<u>-</u>	<u>2,693,115</u>
Total Fixed Assets	12,106,508	64,215	-	12,170,723
Less: Accumulated Depreciation	<u>(3,833,351)</u>	<u>(265,592)</u>	<u>-</u>	<u>(4,098,943)</u>
Total	<u>\$ 8,273,157</u>	<u>(201,377)</u>	<u>-</u>	<u>8,071,780</u>

**McCURTAIN COUNTY RURAL WATER DISTRICT NO. 8**

**Broken Bow, Oklahoma**

Notes to the Financial Statements

October 31, 2015

**Note B – Long-Term Debt**

The District acquired a promissory note from the Oklahoma Water Resources Board. The approved note is in the amount of \$7,038,410 and will be used for drinking water treatment system improvements. The District received \$366,794 of the loan proceeds in 2008-09, \$4,059,007 in 2009-10, and \$1,391,601 in 2010-11 for a total loan of \$5,817,402. In the 2010-11 fiscal year, the ARRA Stimulus funds forgave \$2,000,000 of the principal balance of this note. The note will bear interest at a rate of 3.29%, and payments will be made bi-annually for 30 years.

	October 31,	
	2015	2014
Principal Balance, beginning	\$ 3,393,705	3,469,161
Additions	-	-
Less: Principal Paid	(60,021)	(75,456)
Principal Balance, end	<u>\$ 3,333,684</u>	<u>3,393,705</u>

Future principal payments on the outstanding loan are as follows:

October 31,	
2016	\$ 81,067
2017	84,570
2018	87,850
2019	91,258
2020	94,476
2021-25	531,743
2026-30	643,252
2031-35	778,150
2036-40	<u>941,318</u>
Total	<u>\$ 3,333,684</u>

## **McCURTAIN COUNTY RURAL WATER DISTRICT NO. 8**

### **Broken Bow, Oklahoma**

#### **Notes to the Financial Statements**

**October 31, 2015**

#### **Note C – Insurance Coverage**

The District maintained adequate insurance coverage through the Oklahoma Rural Water Association Group. Coverage includes auto liability and damage, property, inland/marine, comprehensive general liability, errors and omissions, employment liability and employment dishonesty and crime.

#### **Note D – Employee Pension Plan**

In January 1992, the District established a defined contribution pension plan for its employees. The plan is non-contributory and is administered by Edward D. Jones Company. Under the plan, a predetermined contribution is made to the account of each individual employee, based upon the annual compensation levels, and accrued for their benefit. An employee must have one year of service with the District before they can participate in the plan.

#### **Note E – Sewer and Fire Protection Collections**

The District collects payments from its users for sewer services and passes these payments forward to the Broken Bow PWA. In the 2014-15 year, the District collected and paid forward \$10,503 in sewer collections.

The District also collects payments from its users for fire protection services and passes these payments forward to the City of Broken Bow and the Holly Creek – Oak Hill Volunteer Fire Department. For the 2014-15 year, the District collected and paid forward \$45,759 in fire protection collections.

#### **Note F – Subsequent Events**

Management has evaluated subsequent events through December 31, 2015, which is the date the financial statements were available to be issued and have determined that no additional information needs to be added to the financial statements.
