COVERAGE OF THIS REPORT

The financial reporting entity for which information is to be presented should comply with generally accepted accounting principles for governments. Current authoritative guidance is provided in GASB Codification Section 2100 and/or GASB Statement No. 14. These statements prescribe that the financial reporting entity should consist of the primary government or oversight unit and all blended and discretely presented component units.

Oklahoma Statutes, Section 17-105.1 of Title 11 require that municipalities include information relating to all of its duly constituted authorities. Copies of this form may be distributed to component units for their completion. Forms completed by component units should not be filed separately but should be returned to the appropriate municipality for inclusion in the report filed for the financial reporting entity. Such component units would include special districts, hospitals, boards, trusts, and authorities meeting the inclusion criteria of the statements reference above.

INDEPENDENT ACCOUNTANT'S REPORT ON ANNUAL SURVEY OF CITY AND TOWN FINANCES PURSUANT TO SECTION 17-105.1 OF TITLE 11 OF THE OKLAHOMA STATUTES

To the Board of Trustees
Town of Okay, Oklahoma

We have compiled the 2010 Annual Survey of City and Town Finances (SA&I Form 2643) included in the accompanying prescribed form in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

The annual survey has been prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles.

Our compilation was limited to presenting in the form prescribed by the Oklahoma State Auditor and Inspector information that is the representation of management. We have not audited or reviewed the annual survey referred to above and, accordingly, do not express an opinion or any other form of assurance on it.

This annual survey is presented in accordance with the requirements of the Oklahoma State Auditor and Inspector which differ from generally accepted accounting principles. Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the annual survey, they might influence the user's conclusions about the financial position and results of operations. Accordingly, this annual survey is not designed for those who are not informed about such differences.
