Office of the State Auditor and Inspector  
State of Oklahoma  
2300 North Lincoln Boulevard  
Room 100 State Capitol  
Oklahoma City, OK 73105

I have compiled the accompanying annual survey of the city and town finances (SA&I Form 2643) of City of Pawnee, Pawnee, Oklahoma included in the accompanying prescribed form in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared on a prescribed basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Oklahoma, which is a basis of accounting other than generally accepted accounting principles.

My compilation was limited to presenting, in the form prescribed by the Oklahoma State Auditor and Inspector, information that is the representation of management. I have not audited or reviewed the financial statements referred to above and accordingly do not express an opinion or any other form of assurance on them.

These financial statements are presented in accordance with the requirements of the Oklahoma State Auditor and Inspector, which differ from generally accepted accounting principles. Management has elected to omit all of the disclosures ordinarily included in financial statements. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the City's assets, liabilities, revenues and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Certified Public Accountant
