INDEPENDENT AUDITOR'S REPORT

To the City Commission
City of Perkins, Oklahoma

Report on the Financial Statements

I have audited the accompanying financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the City of Perkins, Oklahoma, as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

Basis for Adverse Opinion on the Perkins Industrial Development Authority and Qualified Opinion on Business-Type Activities

Management has not included the Perkins Industrial Development Authority in the City's, financial statements. Accounting principles generally accepted in the United States of America require the Perkins

Industrial Development Authority to be presented as a major enterprise fund and financial information about the Perkins Industrial Development Authority to be part of the business-type activities, thus increasing that activity's assets, liabilities, revenues, and expenses, and changing its net position. The amount by which this departure would affect the assets, liabilities, net position, revenues, and expenses of the business-type activities and the omitted major fund has not been determined.

Adverse Opinion

In my opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on the Perkins Industrial Development Authority and Qualified Opinion on Business-Type Activities" paragraph, the financial statements referred to above do not present fairly the financial position of the business-type activities of the City of Perkins, Oklahoma, as of June 30, 2014, or the changes in financial position or cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Unmodified Opinions

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund other than the Perkins Industrial Development Authority, and the aggregate remaining fund information of the City of Perkins, Oklahoma, as of June 30, 2014, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Management has omitted the management's discussion and analysis and the budgetary comparison information that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. My opinion of the basic financial statements is not affected by this missing information.

Other Information

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Perkins, Oklahoma's basic financial statements. The schedule of grant funds, on pages 44 and 45, is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The schedule of grant funds is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the schedule of grant funds is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued my report dated November 18, 2014, on my consideration of the City of Perkins, Oklahoma's, internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Perkins, Oklahoma's, internal control over financial reporting and compliance.

A handwritten signature in black ink, appearing to read "Bruce Luttrell". The signature is written in a cursive style with a large, prominent initial "B".

NOTES TO BASIC FINANCIAL STATEMENTS

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The City of Perkins, Oklahoma (the City) complies with accounting principles generally accepted in the United States of America (GAAP) as applicable to governmental units. The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations.) The accounting and reporting framework and the more significant accounting policies established in GAAP and used by the City are discussed below.

1.A. FINANCIAL REPORTING ENTITY

In evaluating how to define the reporting entity, management has considered all potential component units. The decision to include a potential component unit in the reporting entity was made by applying the criteria established by the Governmental Accounting Standards Board (GASB), GASB Statement No. 14, *The Financial Reporting Entity*, GASB Statement No. 34, *Basic Financial Statements—and Management’s Discussion and Analysis—for State and Local Governments*, and GASB Statement No. 61, amending GASB Statements No. 14 and 34. The basic criteria for including a potential component unit within the reporting entity is the governing body’s ability to exercise oversight responsibility. Accountability flows from the notion that individuals are obligated to account for their acts, including the acts of the officials they appoint to operate governmental agencies. Thus, elected officials are accountable for an organization if they appoint a voting majority of the organization’s governing board. The primary government is financially accountable if it appoints a voting majority of the organization’s governing body *and* (1) it is able to impose its will on that organization, *or* (2) there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the primary government. An organization has a financial benefit or burden relationship with the primary government if the primary government is legally obligated or has otherwise assumed the obligation to finance the deficits of, or provide financial support to, the organization.

Based upon the application of these criteria, the City’s financial reporting entity is composed of the following:

Primary Government:	City of Perkins
Blended Component Unit:	Perkins Public Works Authority Oklahoma Territorial Plaza Trust Perkins Public Library Trust
Omitted Component Unit:	Perkins Industrial Development Authority

BLENDED COMPONENT UNITS

A blended component unit is a separate legal entity that meets the component unit criteria. In addition, the blended component unit’s governing body is the same or substantially the same as the City Commission, or the component unit provides services entirely to the City. The component unit’s funds are blended into those of the City by appropriate fund type to constitute the primary government presentation. The blended component units are presented below:

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

1.A. FINANCIAL REPORTING ENTITY (continued)

<u>Component Unit</u>	<u>Brief Description / Inclusion Criteria</u>	<u>Fund Included In</u>
Public Works Authority (PPWA)	Created November 6, 1967, to finance, develop, and operate the water, wastewater, and sanitation activities of the City. Current City Commission serves as entire governing body (trustees). The City of Perkins is the beneficiary of the trust.	PWA Enterprise Fund
Oklahoma Territorial Plaza Trust	Created February 7, 2008, to establish, develop, acquire, construct, purchase, install, repair, enlarge, improve, maintain, equip, operate and manage the Oklahoma Territorial Plaza, for cultural, recreational and educational purposes, located on or near the plaza area. The Mayor of the City of Perkins along with eight other individuals from various organizations serve as the governing body (trustees.) The duration of the trust is the same as the duration of the City of Perkins, and the City of Perkins is the beneficiary of the trust.	Separate Fund
Perkins Public Library Trust	Created June 11, 2013, to form a vehicle for the reception and administration of contributions for the benefit of the Perkins public library. The governing body is made up of five trustees, two appointed by the city council, two appointed by the library board, and one appointed by Friends of the Perkins Public Library (an independent organization formed by individuals to support the library.) The City of Perkins is the beneficiary of the trust.	Separate Fund

OMITTED COMPONENT UNIT

Based upon the application of these criteria, the Perkins Industrial Development Authority is considered a component unit of the City of Perkins. However, management has not included the Perkins Industrial Development Authority in the City of Perkins, Oklahoma's, financial statements. Accounting principals generally accepted in the United States of America require the Perkins Industrial Development Authority to be presented as a major enterprise fund and financial information about the Perkins Industrial Development Authority to be part of the business-type activities, thus increasing that activity's assets, liabilities, revenues, and expenses, and changing its net assets. The amount by which this departure would affect the assets, liabilities, net assets, revenues, and expenses of the business-type activities and the omitted major fund is not reasonably determinable.

DISCRETELY PRESENTED COMPONENT UNIT

Discretely presented component units are separate legal entities that meet the component unit criteria but do not meet the criteria for blending. The City of Perkins does not have any discretely presented component units.

The Perkins Public Works Authority, the Oklahoma Territorial Plaza Trust, and the Perkins Public Library Trust, do not issue separately audited component unit financial statements. The Perkins Industrial Development Authority does issue separately audited component unit financial statements.

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

1.A. FINANCIAL REPORTING ENTITY (continued)

GOVERNMENT-WIDE FINANCIAL STATEMENTS

The Statement of Net Assets and Statement of Activities display information about the reporting government as a whole. They include all funds of the reporting entity except for fiduciary funds. The statements distinguish between governmental and business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange revenues. Business-type activities are financed in whole or in part by fees charged to external parties for goods or services.

1.B. BASIS OF PRESENTATION

FUND FINANCIAL STATEMENTS

Fund financial statements of the reporting entity are organized into funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts that constitutes its assets, liabilities, fund equity, revenues, and expenditures/expenses. Funds are organized into three major categories: governmental, proprietary, and fiduciary. The City presently has no fiduciary funds. An emphasis is placed on major funds within the governmental and proprietary categories. A fund is considered major if it is the primary operating fund of the City or meets the following criteria:

- a. Total assets, liabilities, revenues, or expenditures/expenses of that individual governmental or enterprise fund are at least 10 percent of the corresponding total for all funds of that category or type, and
- b. Total assets, liabilities, revenues, or expenditures/expenses of the individual governmental fund or enterprise fund are at least 5 percent of the corresponding total for all governmental and enterprise funds combined.

The funds of the financial reporting entity are described below:

Governmental Funds

Governmental funds are those through which most governmental functions are financed. Governmental fund reporting focuses on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purpose for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and liabilities is reported as fund balance.

General Fund

The General Fund is the primary operating fund of the City and is always classified as a major fund. It is used to account for all activities except those legally or administratively required to be accounted for in other funds.

Special Revenue Funds

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

1.B. BASIS OF PRESENTATION (continued)

Special Revenue Funds are used to account for the proceeds of the specific revenue sources that are either legally restricted to expenditures for specified purposes or designated to finance particular functions or activities of the City. Currently, the City does not have any special revenue funds.

Capital Project Funds

Capital project funds are used to account for resources restricted for the acquisition or construction of specific capital projects or items. The reporting entity includes the following capital project fund that is reported as a major fund:

Capital Improvement Fund	Accounts for specific revenues and transfers from other City funds and expenditures for various capital projects. During the current year, the City allocated one cent of its sales tax to the Capital Improvement Fund, to be used for remodeling, renovating, maintaining, and constructing the City's library facilities; repairing and extending the water supply and distribution system; constructing additional water storage facilities; improving and extending the sanitary sewer system; acquiring, remodeling, renovating, maintaining, and constructing the City's fire department facilities and/or equipment; and resurfacing, repairing, paving and improving limited access facilities of the City. The City allocates the one half cent to the Capital Improvement Fund to be used for police, fire and emergency management. With the election in April, 2014, the City can now acquire library facilities as well as equipment to be utilized for any of these purposes, or to deposit into a sinking fund for debt service on bonds or loans issued for any or all of these purposes.
--------------------------	--

Proprietary Funds

Enterprise Fund

Enterprise funds are used to account for business-like activities provided to the general public. These activities are financed primarily by user charges, and the measurement of financial activity focuses on net income measurement similar to the private sector. The reporting entity includes the following enterprise fund that is reported as a major fund:

Fund	Brief Description
Public Works Authority	Accounts for the activities of the public trust in providing water, wastewater, and sanitation services to the public.

1.C. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

Measurement focus is a term used to describe "how" transactions are recorded within the various financial statements. Basis of accounting refers to "when" transactions are recorded regardless of the measurement focus applied.

MEASUREMENT FOCUS

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

1.C. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING (continued)

In the government-wide Statement of Net Assets and the Statement of Activities, both governmental and business-like activities are presented using the economic resources measurement focus, as defined in item b below.

In the fund financial statements, the “current financial resources” measurement focus or the “economic resources” measurement focus is used as appropriate:

- a. All governmental funds utilize a “current financial resources” measurement focus. Only current financial assets and liabilities are generally included on their balance sheets. Their operating statements present sources and uses of available spendable financial resources during a given period. These funds use fund balance as their measure of available spendable financial resources at the end of the period.
- b. The proprietary fund utilizes an “economic resources” measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net assets (or cost recovery), financial position, and cash flows. All assets and liabilities (whether current or noncurrent, financial, or nonfinancial) associated with their activities are reported. Proprietary fund equity is classified as net assets.

BASIS OF ACCOUNTING

In the government-wide Statement of Net Assets and Statement of Activities and the fund financial statements, governmental and business-like activities, and component unit activities, are presented using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used. Revenues, expenses, gains, losses, assets, and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

In the fund financial statements, governmental funds and agency funds are presented on the modified accrual basis of accounting. Under this modified accrual basis of accounting, revenues are recognized when “measurable and available.” Measurable means knowing or being able to reasonably estimate the amount. Available means collectible within the current period or within sixty days after year end. Expenditures (including capital outlay) are recorded when the related fund liability is incurred, except for general obligation bond principal and interest which are reported when due.

All proprietary funds utilize the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

1.D. ASSETS, LIABILITIES, AND EQUITY

CASH AND CASH EQUIVALENTS

For the purpose of financial reporting, “cash and cash equivalents” include all demand and savings accounts and certificates of deposit or short-term investments with an original maturity of three months or less.

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

1.D. ASSETS, LIABILITIES, AND EQUITY (continued)

INVESTMENTS

Investments classified in the financial statements, consist entirely of certificates of deposit whose original maturity term exceeds three months. Investments are carried at cost, which approximates fair value.

RECEIVABLES

In the government-wide statements, receivables consist of all revenues earned at year-end and not yet received. Uncollectible accounts receivable, based upon historical trends, are very minimal and thus immaterial to the financial statements. Thus, no allowance for uncollectible accounts receivable has been recorded. Major receivable balances for the governmental activities include sales and use taxes, franchise taxes, alcoholic beverage tax, motor vehicle taxes, and police fines. Business-type activities report utilities and interest earnings as their major receivables. In the fund financial statements, material receivables in governmental funds include revenue accruals such as sales tax, franchise tax, and grants and other similar intergovernmental revenues since they are usually both measurable and available. Nonexchange transactions collectible but not available are deferred in the fund financial statements in accordance with modified accrual, but not deferred in the government-wide financial statements in accordance with the accrual basis. Interest and investment earnings are recorded when earned only if paid within 60 days since they would be considered both measurable and available. Proprietary fund material receivables consist of all revenues earned at year-end and not yet received. Utility accounts receivable and interest earnings compose the majority of proprietary fund receivables. Uncollectible accounts receivable, based upon historical trends, are very minimal and thus immaterial to the financial statements. Thus, no allowance for uncollectible accounts receivable has been recorded.

INTERFUND RECEIVABLES AND PAYABLES

During the course of operations, numerous transactions occur between individual funds that may result in amounts owed between funds. Those related to goods and services type transactions are classified as "due to and from other funds." Short-term interfund loans are reported as "interfund receivables and payables." Long-term interfund loans (noncurrent portion) are reported as "advances from and to other funds." Interfund receivables and payables between funds within governmental activities are eliminated in the Statement of Net Assets. See Note 3.H. for details of interfund transactions, including receivables and payables at year-end.

INVENTORIES

The cost of consumable materials and supplies on hand are immaterial to the financial statements, and the City has therefore chosen to report these items as expenditures at the time of purchase.

CAPITAL ASSETS

The accounting treatment of property, plant, and equipment (capital assets) depends on whether the assets are used in governmental fund operations or proprietary fund and similar discretely presented component unit operations and whether they are reported in the government-wide or fund financial statements.

Government-Wide Statements

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

1.D. ASSETS, LIABILITIES, AND EQUITY (continued)

Government-Wide Statements

In the government-wide financial statements, fixed assets are accounted for as capital assets. All capital assets are valued at historical cost, or estimated historical cost if actual is unavailable. Estimated historical cost was used to value the majority of the assets acquired prior to July 1, 2003. Prior to July 1, 2003, governmental funds' infrastructure assets were not capitalized. Infrastructure assets acquired since July 1, 2003, are recorded at cost.

Depreciation of all exhaustible capital assets is recorded as an allocated expense in the Statement of Activities, with accumulated depreciation reflected in the Statement of Net Assets. Depreciation is provided over the assets' estimated useful lives using the straight-line method of depreciation. A capitalization threshold of \$ 2,000 is used to report capital assets. The range of estimated useful lives by type of asset is as follows:

Buildings	40 years
Improvements other than buildings	20-30 years
Machinery, furniture, and equipment	5-20 years
Vehicles	3-15 years
Utility property and improvements	10-40 years
Infrastructure	50 years

Fund Financial Statements

In the fund financial statements, capital assets used in governmental fund operations are accounted for as capital outlay expenditures of the governmental fund upon acquisition. Capital assets acquired for use in proprietary fund operations are accounted for the same as in the government-wide statements.

RESTRICTED ASSETS

Restricted assets include cash and investments that are legally restricted as to their use. The primary restricted assets, of the proprietary fund, are related to promissory note trustee accounts and utility meter deposits. The primary restricted assets of the governmental funds are the sales tax amounts of the Capital Improvement Fund, and the grant and other restricted bank accounts of the General Fund.

LONG-TERM DEBT

The accounting treatment of long-term debt depends on whether the assets are used in governmental fund operations or proprietary fund operations and whether they are reported in the government-wide or fund financial statements.

All long-term debt to be repaid from governmental and business-type resources are reported as liabilities in the government-wide statements. The long-term debt consists primarily of notes payable and accrued compensated absences.

Long-term debt for governmental funds is not reported as liabilities in the fund financial statements. The debt proceeds are reported as other financing sources and payment of principle and interest reported as

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

1.D. ASSETS, LIABILITIES, AND EQUITY (continued)

expenditures. The accounting for proprietary funds is the same in the fund statements as it is in the government-wide statements.

COMPENSATED ABSENCES

The City's policies regarding vacation time permit employees to accumulate earned but unused vacation and sick leave. Vacation pay vests for full time employees, depending upon length of service, as follows:

1-2 years	40 hours
2-7 years	80 hours
7-12 years	120 hours
12-20 years	160 hours
> 20 years	200 hours

Sick leave accrues for full time employees at 3.7 hours bi-weekly, although it is not vested. Employees may accrue a maximum of 480 hours. Any employee with more than 15 years' service, upon retirement or separation, the City may buy back sick leave at 40 % of their hours. The liability for these compensated absences is recorded as long-term debt in the government-wide statements. The current portion of this debt is estimated based on historical trends. In the fund financial statements, governmental funds report only the compensated absence liability payable from expendable available financial resources, while the proprietary funds report the liability as it is incurred.

EQUITY CLASSIFICATION

Net Position

Net position represents the difference between assets and liabilities. Net assets invested in capital assets, net of related debt consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowings used for the acquisition, construction or improvement of those assets. Net assets are reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the City or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

The City applies restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

Fund Balance

Fund Balance is divided into five classifications based primarily on the extent to which the City is bound to observe constraints imposed upon the use of the resources in the governmental funds. The classifications are as follows:

Nonspendable – The nonspendable fund balance category includes amounts that cannot be spent because they are not in spendable form, or legally or contractually required to be maintained intact. The "not in spendable form" criterion includes items that are not expected to be converted to cash. It also includes the long-term amount of interfund loans.

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

1.D. ASSETS, LIABILITIES, AND EQUITY (continued)

Restricted – Fund balance is reported as restricted when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or is imposed by law through constitutional provisions or enabling legislation (City ordinances).

Enabling legislation authorizes the City to assess, levy, charge, or otherwise mandate payment of resources (from external resource providers) and includes a legally enforceable requirement that those resources be used only for the specific purposes stipulated in the legislation. Legal enforceability means that the City can be compelled by an external party – such as citizens, public interest groups, or the judiciary to use resources created by enabling legislation only for the purposes specified by the legislation.

Committed - The committed fund balance classification includes amounts that can be used only for the specific purposes imposed by formal action (ordinance or resolution) of the City Council. Those committed amounts cannot be used for any other purpose unless the City Council removes or changes the specified use by taking the same type of action (ordinance or resolution) it employed to previously commit those amounts. In contrast to fund balance that is restricted by enabling legislation, committed fund balance classification may be redeployed for other purposes with appropriate due process. Constraints imposed on the use of committed amounts are imposed by the City Council, separate from the authorization to raise the underlying revenue; therefore, compliance with these constraints are not considered to be legally enforceable. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

Assigned – Amounts in the assigned fund balance classification are intended to be used by the City for specific purposes but do not meet the criteria to be classified as restricted or committed. In governmental funds other than the General Fund, assigned fund balance represents the remaining amount that is not restricted or committed. In the General Fund, assigned amounts represent intended uses established by the City Council or a City official delegated that authority by City Charter or ordinance.

Unassigned – Unassigned fund balance is the residual classification for the General Fund and includes all spendable amounts not contained in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance resulting from overspending for specific purposes for which amounts had been restricted, committed, or assigned.

The City applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Fund balances at June 30, 2014, for the governmental funds are as follows:

1.E. REVENUES, EXPENDITURES, AND EXPENSES

SALES TAX

The City presently levies a three and one half cent sales tax on taxable sales within the City. The sales tax is allocated: two cents to the General Fund, one cent to the Capital Improvement Fund, and one half cent to the Capital Improvement Fund for police, fire, and emergency management. (This one half cent began July 1, 2013.) The sales tax is collected by the Oklahoma Tax Commission and remitted to the City in the month following receipt by the Tax Commission. The Tax Commission receives the sales tax approximately one month after collection by vendors. Sales tax collected by the State in June and received by the City in July has been accrued and is included under the caption "Receivable from other governments."

In accordance with a Sales Tax Agreement between the City and the Perkins Industrial Development Authority, dated May 1, 2008, the City agreed to pledge 2 % of the sales tax, allocated to the General Fund, to secure the payment of a \$ 2,940,000 Sales Tax Revenue Note and a \$ 325,000 Sales Tax Revenue Note issued by the Perkins Industrial Development Authority to finance the construction of an assisted living center in the City of Perkins. The sales tax is to be deposited in a special account established in the General Fund of the City. The City agrees to appropriate that money each year, to be paid over as received for immediate deposit in a bank designated by the Authority, in an account to be established entitled the Perkins Industrial Development Authority Sales Tax Fund. The Authority has pledged the Sales Tax Revenue to the trustee (Bank of Oklahoma, National Association) for the purpose of paying debt service on the notes. In the event there is sufficient money in the Note Fund (of the Note Indenture) on or before the last day of each month as required by the Note Indenture and there is no Event of Default as defined in the Indenture, then any remaining Sales Tax Revenue in the Sales Tax Fund shall be transferred back to the special account established in the General Fund of the City and shall be available on the last day of the month for any lawful purpose.

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

1.E. REVENUES, EXPENDITURES, AND EXPENSES (continued)

In accordance with a Sales Tax Agreement between the City and the Perkins Public Works Authority, dated May 1, 2009, the City agreed to pledge the 1 % sales tax allocated to funding the City's library, water supply system, sanitary sewer system, fire department facilities, road system, or debt service on G.O. bonds issued by the City for any such purposes, to secure the payment of a \$ 7,225,000 Clean Water SRF Promissory Note issued by the Oklahoma Water Resources Board for the purpose of financing wastewater system improvements serving the City. The sales tax is to be deposited in a special account established in the General Fund of the City. The City agrees to appropriate that money each year, to be paid over as received for immediate deposit in a bank designated by the Authority, in an account to be established entitled the Perkins Public Works Authority Sales Tax Account. The Authority has pledged the Sales Tax Revenue to the Oklahoma Water Resources Board for the purpose of paying debt service on the note. In the event the Authority is current on its debt service payments as required by the loan agreement and there is no event of default as defined in the loan agreement, then any remaining Sales Tax Revenue in the Sales Tax Account shall be transferred back to the special account established in the General Fund of the City and shall be available on the last day of the month for any lawful purpose.

USE TAX

The City levies a three-cent use tax on personal property purchased outside the city limits but stored, used, or consumed within the city. The use tax is collected by the Oklahoma Tax Commission and remitted to the City in the month following receipt by the Tax Commission, which is one month after the tax is received from the vendors. The use tax is allocated entirely to the General Fund. Use tax collected by the State in June and received by the City in July has been accrued and is included under the caption "Receivable from other governments."

PROGRAM REVENUES

In the Statement of Activities, revenues that are derived directly from each activity or from parties outside the City's taxpayers are reported as program revenues. The City has the following program revenues in each activity:

General Government	Permit fees
Public Safety	Fine revenue, fire protection, operating and capital grants including State Department of Agriculture grants
Culture and Recreation	Sign up fees, gate fees, use fees, operating and capital grants include an Oklahoma Department of Libraries grant

All other governmental revenues are reported as general. All taxes are classified as general revenue even if restricted for a specific purpose, except for the commercial vehicle tax and the gasoline excise tax, both of which are restricted for street and alley purposes.

OPERATING REVENUE AND EXPENSES

Operating revenues and expenses for proprietary funds result from providing services and producing and

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

1.E. REVENUES, EXPENDITURES, AND EXPENSES (continued)

delivering goods and/or services. They also include all revenues and expenses not related to capital and related financing, noncapital financing, or investing activities.

1.F. INTERNAL AND INTERFUND BALANCES AND ACTIVITIES

In the process of aggregating the financial information for the government-wide Statement of Net Assets and Statement of Activities, some amounts reported as interfund activity and balances in the fund financial statements have been eliminated or reclassified.

FUND FINANCIAL STATEMENTS

Interfund activity, if any, within and among the governmental and proprietary fund categories is reported as follows in the fund financial statements:

1. Interfund loans – Amounts provided with a requirement for repayment are reported as interfund receivables and payables.
2. Interfund services – Sales or purchases of goods and services between funds are reported as revenues and expenditures/expenses.
3. Interfund reimbursements – Repayments from funds responsible for certain expenditures/expenses to the funds that initially paid for them are not reported as reimbursements but as adjustments to expenditure/expenses in the respective funds.
4. Interfund transfers – Flow of assets from one fund to another where repayment is not expected is reported as transfers in and out.

GOVERNMENT-WIDE FINANCIAL STATEMENTS

Interfund activity and balances, if any, are eliminated or reclassified in the government-wide financial statements as follows:

1. Internal balances – Amounts reported in the fund financial statements as interfund receivables and payables are eliminated in the governmental and business-type activities columns of the Statement of Net Assets, except for the net residual amounts due between governmental and business-type activities, which are reported as Internal Balances.
2. Internal activities – Amounts reported as interfund transfers in the fund financial statements are eliminated in the government-wide Statement of Activities except for the net amount of transfers between governmental and business-type activities, which are reported as Transfers – Internal Activities. The effects of interfund services between funds, if any, are not eliminated in the Statement of Activities.
3. Primary government and component unit activity and balances – Resource flows between the primary government (the City and Public Works Authority) and the discretely-presented component unit (if any) are reported as if they were external transactions and are classified separately from internal balances and activities within the primary government.

1.G. USE OF ESTIMATES

The preparation of financial statements requires management to make estimates and assumptions that affect

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

1.G. USE OF ESTIMATES (continued)

certain reported amounts and disclosures (such as estimated useful lives in determining depreciation expense); accordingly, actual results could differ from those estimates.

NOTE 2. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

By its nature as a local government unit, the City and its component units are subject to various federal, state, and local laws and contractual regulations. An analysis of the City's compliance with significant laws and regulations and demonstration of its stewardship over City resources follows.

2.A. UNINSURED AND UNCOLLATERALIZED DEPOSITS

In accordance with State law, all uninsured deposits of municipal funds in financial institutions must be secured with acceptable collateral. Acceptable collateral includes certain U.S. Government or Government Agency securities, certain State or political subdivision debt obligations, surety bonds, or certain letters of credit. As reflected in Note 3.A., all deposits were fully insured or collateralized.

NOTE 3. DETAIL NOTES – TRANSACTION CLASSES/ACCOUNTS

3.A. DEPOSITS AND INVESTMENTS

Custodial Credit Risk - Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. The City's investment policy for custodial credit risk for deposits states, "Safety of principal is the foremost objective of the investment program. All collateral pledged to secure public funds shall be valued at no more than market value. The collateralization level will be 110 % of market value of principal and accrued interest. Collateral will be held by the City Finance Director of the City of Perkins or by an independent third party with whom the entity has a current custodial agreement." As of June 30, 2014, \$ 564,187.01 of the City's bank balances of \$ 1,553,149.69 was exposed to custodial credit risk as follows:

Collateralized with securities held by the banks' trust departments but not in the City's name	\$ 564,187.01
---	---------------

Investment Interest Rate Risk - The City of Perkins' investment policy limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. Reserve funds may be invested with maturities exceeding three years from date of purchase if the maturity is made to coincide with the expected use of the funds. All other funds maturities will be no more than three years from date of purchase.

Investment Credit Risk - The City's investment policy limits investments to any securities authorized in the Oklahoma State Statutes, as follows:

- a) Direct obligations of the U.S. Government, its agencies or instrumentalities;

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

3.A. DEPOSITS AND INVESTMENTS (continued)

- b) Collateralized or insured certificates of deposit and other evidences of deposit at banks, savings banks, savings and loan associations and credit unions located in this state, or fully insured certificates of deposit at banks, savings banks, savings and loan associations and credit unions located out of state;
- c) Negotiable certificates of deposit issued by a nationally or state-chartered bank, a savings bank, a savings and loan association or a state-licensed branch of a foreign bank. Purchases of negotiable certificates of deposit shall not exceed ten percent (10 %) of the surplus funds of the city which may be invested pursuant to this section;
- d) Prime bankers' acceptances which are eligible for purchase by the Federal Reserve System and which do not exceed 270 days' maturity. Purchases of prime banker's acceptances shall not exceed ten percent (10 %) of the surplus funds of the City which may be invested pursuant to this section. Not more than one-half (1/2) of the ten percent (10 %) shall be invested in any one commercial bank pursuant to this paragraph;
- e) Prime commercial paper which shall not have a maturity that exceeds one hundred eighty (180) days nor represent more than ten percent (10 %) of the outstanding paper of an issuing corporation;
- f) Repurchase agreements that have underlying collateral consisting of those items specified in paragraphs a through e of this subsection; and
- g) Money market mutual funds regulated by the Securities and Exchange Commission and which investments consist of those items and those restrictions specified in paragraphs a through f of this subsection.

Public trusts created under O.S. Title 60 are not subject to the above noted investment limitations and are primarily governed by any restrictions in their trust or bond indentures. For the year ended June 30, 2014, the City, the Public Works Authority, the Oklahoma Territorial Plaza Trust, and the Perkins Public Library Trust complied, in all material respects, with these investment restrictions.

Concentration of Credit Risk – The City of Perkins' investment policy has no limit on the amount of the City's investment portfolio that may be invested in a single financial institution, with the exception of investment in prime bankers acceptances shall not exceed 10 % of the surplus funds of the City, and investment in prime commercial paper shall not be more than 10 % of the outstanding paper of the issuing corporation. Of the City's investments, all were in certificates of deposit with 40.7 % invested with one financial institution.

The deposits and investments held at June 30, 2014, are as follows:

Type	Maturity (Months)	Credit Rating	Market Value	Cost
Cash Deposits	N/A	N/A	794,556.78	794,556.78
Investments				
Certificates of Deposit	12	N/A	758,592.91	758,592.91

	\$ 1,553,149.69

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

3.B. RESTRICTED ASSETS

The amounts reported as restricted assets are composed of amounts held by the Public Works Authority for utility deposits (refunded upon termination of service or applied to final bill) of \$ 105,093.21; amounts held by the Authority for debt service on the Oklahoma Water Resources Board loan of \$ 55,488.17; amounts held in trustee accounts on behalf of the promissory note in the amount of \$ 17,639.18; sales tax amounts held in the Capital Improvement Fund account for capital improvements of \$ 1,110,745.00; amounts held by the City in various grant and other checking accounts of \$ 65,950.27, and amounts held by the Perkins Public Library Trust of \$ 22,812.32.

3.C. RESTRICTED REVENUES

The City has various restrictions placed over certain revenue sources from state or local requirements. The primary restricted revenue sources include:

Revenue Source	Legal Restrictions of Use
Sales Tax	See Note 1.E.
Gasoline Excise & Commercial Vehicle Tax	Street & Alley purposes
Grant proceeds	Grant expenditures

In June, 2009, the Perkins Industrial Development Authority entered into an economic development incentive grant with a local grocery store, wherein the Perkins Industrial Development Authority will pay the grocery company an amount equal to 33 % of the City's sales tax generated by the company, on a quarterly basis. The grant runs for a period of 60 months from the date the company is open for business. The following payments were made during the current year:

September 10, 2013	\$ 8,820.78
December 9, 2013	10,006.95
March 11, 2014	10,209.20
June 9, 2014	9,336.24

3.D. ACCOUNTS RECEIVABLE

Accounts receivable of the business-type activities consist of utilities receivable. Accounts receivable of the governmental activities consist of sales tax (50.6 %), use tax (1.3 %), tobacco tax (0.6 %), alcoholic beverage tax (0.4 %), motor vehicle tax (1.0 %), gasoline excise tax (0.2 %), fines and court costs (28.3 %), and fire runs (17.6 %). Receivables detail at June 30, 2014, is as follows:

	Governmental Activities	Business-type Activities	Total
Accounts receivable	\$ 172,808.89	120,502.02	293,310.91

CITY OF PERKINS
Perkins, Oklahoma

3.E. CAPITAL ASSETS (continued)

Business-Type Activities:	
Water	\$ 32,360.16
Sewer	18,600.66
Admin and general	<u>10,992.33</u>
Total depreciation expense for business-type activities	<u><u>\$ 61,953.15</u></u>

3.F. ACCOUNTS PAYABLE

Payables in the General Fund and nonmajor governmental funds are composed entirely of payables to vendors. Payables of Utilities Enterprise Fund are also composed entirely of payables to vendors.

3.G. LONG-TERM DEBT

The reporting entity's long-term debt is segregated between the amounts to be repaid from governmental activities and amounts to be repaid from business-type activities.

GOVERNMENTAL ACTIVITIES

As of June 30, 2014, the governmental long-term debt of the financial reporting entity consisted of the following:

Accrued Compensated Absences:

• Current Portion	\$ 18,658.94
• Noncurrent portion	<u>32,604.60</u>
•	
Total Governmental activity debt	<u><u>\$ 51,263.54</u></u>

BUSINESS-TYPE ACTIVITIES

As of June 30, 2014, the long-term debt payable from proprietary fund resources consisted of the following:

Notes Payable:

- In September 2005, the Authority entered into a loan with a local bank for \$ 160,000, for the purchase of the Community Center Building. The Authority made a \$ 50,000 down payment on the purchase. The loan was for five years, and has been extended through September 14, 2015, with monthly payments of principal and interest (at 4.25 %) beginning October 14, 2005, of \$ 1,208.75. 79,269.80
- In April 2004, the Authority entered into a loan agreement with the Oklahoma Water Resources Board for \$ 180,000. The loan is for a period of 20 years, with monthly payments of principal and interest

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

3.G. LONG-TERM DEBT (continued)

beginning April 15, 2004. The loan includes interest based on the OWRB's State Loan Program Revenue Bonds, currently 1.23 %. The monthly payments are made to a debt service fund maintained by a trustee. Bank of Oklahoma NA serves as the trustee under the loan. 114,400.00

- In May 2009, the Authority entered into a loan agreement with the Oklahoma Water Resources Board, as part of the wastewater project discussed below, for a maximum amount of \$ 7,225,000. The loan is for a period of 20 years, with semi-annual payments of principal beginning March 15, 2011, and interest beginning September 15, 2009. The loan includes interest based on the OWRB's State Loan Program Revenue Bonds, currently 2.91 % 4,345,741.96

Total Notes Payable \$ 4,539,411.76

In May 2009, the Perkins Public Works Authority entered into a \$ 7,225,000 loan with the Oklahoma Water Resources Board, through the Clean Water SRF (State Revolving Fund) Loan Program, for improvements to the wastewater system. The total cost of the project was estimated at \$ 7,225,000. However, part of the funding (\$ 2,000,000) was from a grant from EPA (Environmental Protection Agency) to the OWRB, under the Clean Water State Revolving Fund – American Recovery and Reinvestment Act of 2009 (ARRA.) Through June 30, 2012, a total of \$ 6,921,314.11 was drawn under the loan agreement, and expended, and \$ 433,500.00 had been paid on the principal. During the previous year, the final \$ 303,685.89 was drawn under the loan and \$ 292,475.37 was paid on the principal. And, in accordance with the agreement with the Oklahoma Water Resources Board, \$ 2,000,000.00 of those proceeds were funded through the American Recovery and Reinvestment Act of 2009, and that amount of the loan principal was forgiven, pending compliance with all ARRA regulations.

In connection with the loan to purchase the Community Center Building, the City entered into a lease agreement with the Perkins Public Works Authority for a term of 100 years and continuing for so long as any indebtedness of the Authority secured by a pledge of the City's lease payments is outstanding. The City's lease is automatically renewed each July 1 until such time as the principal and interest on the note has been paid.

Settlement Payable:

- During a previous year, the suit by Rural Water District # 3 was settled through mediation (see Note 4.C.) The settlement requires the Perkins Public Works Authority to pay the water district \$ 1,500.00 per month for ten years \$ 3,000.00

Refundable Deposits:

- Refundable deposits reported as a liability within the Statement of Net Assets are composed of the following:

Utility Deposits – Refundable \$ 113,515.52

CITY OF PERKINS
Perkins, Oklahoma

OPERATING LEASE

On November 5, 2012, the City entered into a lease purchase agreement, for four police cars, with Ford Motor Credit Company. The total price of the cars was \$ 116,672. The City entered into a 36 month lease, which included a section that terminated the lease if funding was not appropriated by the City for the lease's succeeding years. The lease called for three annual payments of \$ 40,951.40 beginning November 5, 2012, which include interest at 5 %. The annual lease payments are below.

On February 4, 2014, the City entered into a copy machine lease with a local company. It is a 60 month lease, with monthly lease payments of \$ 98.74, beginning in March 2014. The annual lease payments are below.

On July 1, 2014, the City entered into a lease purchase agreement, for a police car, with a local bank. The total price of the car was \$ 29,234. The City entered into a 36 month lease, which included a section that terminated the lease if funding was not appropriated by the City for the lease's succeeding years. The lease called for three annual payments of \$ 10,616.08 beginning June 1, 2015, which include interest at 4.5 %. The annual lease payments are below.

The City transfers one-third of its sales tax to the Capital Improvements Fund for specific capital improvement projects.

The other transfers reflected in the above schedule are used to move restricted resources collected by the General Fund to the funds authorized to spend the resources and to move capitalized assets from the Capital Improvement Fund to the appropriate fund.

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

NOTE 4: OTHER NOTES

4.A. EMPLOYEE PENSION AND OTHER BENEFIT PLANS

OKLAHOMA MUNICIPAL RETIREMENT FUNDS

The City provides a defined benefit plan, with the Oklahoma Municipal Retirement Fund, for all employees except the city manager. The plan is available to all full-time employees not already participating in another state plan. In a defined benefit plan, benefits are actuarially determined based on number of years of service, as determined under the plan. Benefits vest after ten years. All employees contribute to the Plan an amount equal to 4.5 per cent of annual compensation. The City contributed at the rate of 10.48 % of employee compensation for the year ended June 30, 2014.

The city manager participates in the CMO plan of the Oklahoma Municipal Retirement Fund, which is the defined contribution plan for city managers only. In a defined contribution plan, benefits depend solely on amounts contributed to the plan, investment earnings, and forfeitures of other participants' benefits that may be allocated to such participant's account. The City contributes 10 % of covered payroll, and the city manager contributes 3 %. These percentages can vary from year to year. Participants are permitted to make voluntary deductible contributions to the plan. Benefits are immediately vested.

For the year ended June 30, 2014, the following amounts relate to the plans:

	<u>City Manager</u>	<u>All Others</u>
City total payroll	\$ 60,613	\$ 895,221
Payroll for covered employees	60,613	399,421
Employee contributions made	1,818	17,974
Employer (City) contributions made	6,061	41,867
City contributions as a % of covered payroll	10 %	10.48 %

OKLAHOMA POLICE AND FIREFIGHTER'S PENSION AND RETIREMENT SYSTEMS

The City of Perkins participates in two statewide, cost-sharing, multiple-employer defined benefit plans on behalf of police officers and firefighters. The systems are administered by agencies of the State of Oklahoma and funded by contributions from participants, employers, insurance premium taxes, and state appropriations, as necessary. The following is a summary of eligibility factors, contribution methods, and benefit provisions.

Trend information showing the progress of the systems in accumulating sufficient assets to pay benefits when due is presented in the annual financial reports of the respective plans. Copies of these reports may be obtained from the respective state retirement systems.

4.A.1. TERMINATION BENEFITS

At June 30, 2014, the City's reporting entity had no terminated employees participating in COBRA health care in various options available from the City. COBRA participants pay 100 % of the premium cost for continuing coverage. COBRA continuation coverage benefits are available for eligible employees for 18 months. Dependents of employees who lose coverage due to a qualifying event are eligible for 30 months. Benefits provided are not material to the financial statements.

Related-Party Investments

As of June 30, 2014, the System held no related-party investments of the City or of its component units.

4.B. RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees' health and life; and natural disasters.

The City manages these various risks of loss as follows:

<u>Type of Loss</u>	<u>Method Managed</u>	<u>Risk of Loss Retained</u>
a. Torts, errors, and omissions	Purchased insurance with Oklahoma Municipal Assurance Group	(1)
b. Physical property loss and natural disasters	Purchased commercial insurance, with a deductible of \$ 1,000	Deductible amount

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

4.B. RISK MANAGEMENT (continued)

<u>Type of Loss</u>	<u>Method Managed</u>	<u>Risk of Loss Retained</u>
c. Workers compensation, health and life	Workers comp is insured through State Insurance Fund with no deductible. City participates in the OMAG risk entity pool with a deductible of \$ 1,000 for each individual.	None (2)

Management believes such coverage is sufficient to preclude any significant uninsured losses to the City. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

Risk Entity Pools

The City participates in the Oklahoma Municipal Assurance Group Liability Protection Plan and Life and Health Benefit Plan (risk entity pools.)

(1) Liability Protection Plan

The basic insurance agreements cover claims against municipalities for all government functions, utilities, and services covered in the Plan. These include bodily injury, property damage, wrongful acts, personal injury, and related torts under the State tort claims law and federal civil rights laws.

All public officials, employees, services, and municipal functions are covered unless they are specifically listed as exclusions in the Plan.

The title to all assets acquired by the Plan are vested in the Group. In the event of termination of the Group, such property shall belong to the then members of the Group in equal shares. Each participating City pays all costs, premiums, or other fees attributable to its respective participation in the Plan, and is responsible for its obligation under any contract entered into with the Plan.

Reserves for claim losses include provisions for reported claims on a case basis and an estimate of claims incurred but not reported limited by aggregate and individual loss levels as specified by the Plan's reinsurance contracts. These credits, if any, represent contingent liabilities of the Plan if the reinsurer was unable to meet its obligations under the reinsurance agreement.

The Plan's insurance agreements are reinsured for excess losses based upon the contract year. The significant components of each reinsurance contract can be obtained from the Plan's annual financial report.

(2) Life and Health Benefit Plan

The City participated in the Oklahoma Municipal Assurance Group Life and Health Benefit Plan (the Plan) as a Class II participant. The title to all assets acquired by the Plan are vested in the Plan. In the event of termination of the Plan, such property shall belong to the then members of the Plan in equal shares. Each participating City pays for all costs, contributions, or other fees attributable to its respective participation in any plan, policy or service established under this agreement, and is responsible for its obligation under any contract entered into with the Plan.

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

4.B. RISK MANAGEMENT (continued)

The Plan's reserves for policy and contract claims are provided on municipalities in which the Plan has insured risk and include provisions for reported claims and an estimate for claims incurred but not reported. The reserves are based on the estimated ultimate cost of settling the claims, including the effects of general economic conditions, and were determined using paid claims data for claims paid subsequent to year-end and the Plan's historical claims experience.

The Plan has excess stop-loss agreements, which cover losses in excess of specific and aggregate retention levels. Such agreements are closely connected to the Plan's underwriting process such that the coverage is provided based upon a participating municipality's classification. The plan classifies participating municipalities into three categories: Class I, Class II, and Class III. Such classification is dependent upon the number of covered employees with Class I municipalities having the most employees and Class III having the least employees.

Class II and Class III are pooled together under one excess stop-loss agreement between the Plan and the excess stop-loss carrier. This agreement is similar in nature to the Class I municipality agreements; however, no amounts are refundable to Class II and Class III municipalities for contributions collected in excess of benefits paid and the Plan is responsible for claims incurred but not paid as of June 30, 2014. If a Class II and Class III municipality renews, the renewal excess stop-loss agreement covers claims incurred before June 30, 2014, and paid in the renewal period.

4.C. COMMITMENTS AND CONTINGENCIES

COMMITMENTS

Perkins Public Library Trust

Subsequent to June 30, 2014, the City purchased a building on Main Street, for \$ 59,000, for the new library building. The purchase was made with Capital Improvement Fund money.

Ad Valorem Assessment

The City settled a lawsuit by a former police officer in a previous year, which alleged a violation of the Fair Labor Standards Act, for \$ 26,882. The judgment was assigned to a third party. The assignment was paid by the City through a levy of ad valorem tax, over a three year period, on all taxable property within the City. The first levy under the ad valorem tax (\$ 9,772.09) was collected during the year ended June 30, 2012, and \$ 9,632.72 was paid to the third party. During the year ended June 30, 2013, the second levy under the ad valorem tax (\$ 15,602.75) was collected, and \$ 15,732.72 was paid to the third party. During the current year, the third and final levy under the ad valorem tax (\$ 9,913.26) was collected, and \$ 9,632.71 was paid to the third party.

Water District Settlement

During the year ended June 30, 2004, the suit by Payne County Rural Water District No. 3 was settled through mediation. The major terms of the settlement included the payment of \$ 120,000.00 to the Water District, which was paid by the City's insurance carriers upon obtaining all releases and a monthly payment of \$ 1,500.00 to be paid to the Water District, by the Perkins Public Works Authority, for ten years. The

4.C. COMMITMENTS AND CONTINGENCIES (continued)

City's boundaries, and service areas remained substantially the same as they were before the suit. The \$ 180,000 was recorded as an extraordinary item, and a judgment payable, in the June 30, 2004 government-wide financial statements. The balance of the judgment payable as of June 30, 2014, is \$ 3,000.00.

Other Commitments

The City has been approved for a \$ 50,000 Rural Economic Action Plan Grant (REAP) from the State of Oklahoma, administered through the Central Oklahoma Economic Development District (COEDD) to asphalt city streets. The funding period runs from July 1, 2013, through June 30, 2014. As of June 30, 2014, no funds have been received under the grant. See the Schedule of Grant Funds for further details.

The City was approved for a \$ 60,186.50 Draught Grant from the State of Oklahoma, administered through the Oklahoma Water Resources Board, to drill a test well, a new production well, and installing a pumping system and related electrical controls. The grant required the City to provide 50 % of the cost of the project, or \$ 60,186.50. During the previous year, the entire amount of the grant was received, and the City expended \$ 22,998.08 of the grant funds, and the City provided \$ 21,621.90 in matching funds. During the current year, the city expended the remaining \$ 37,188.42 of the grant funds, as well as providing another \$ 49,566.86 in matching funds. See the Schedule of Grant Funds for further details.

The City has been approved for a \$ 8,891.92 Justice Assistance Grant – Local Law Enforcement (JAG-LLE), through the District Attorneys Council to purchase four semi-rugged laptop computers and vehicle mounts. The funding period ran from July 1, 2013, through June 30, 2014. The grant did not require any matching funds. During the current year, \$ 8,676.23 was drawn under the grant, and expended. See the Schedule of Grant Funds for further details.

During the current year, the City received a \$ 2,000 basic level grant from the Healthy Communities Incentive Grants Program, funded through the Oklahoma Tobacco Settlement Endowment Trust Fund (TSET) to help build a sidewalk on the east side of main street to S.H. 33. The funding period ran from May 24, 2013, through June 30, 2014. The \$ 2,000 was received during the previous year, and \$ 1,992 was expended during the current year. See the Schedule of Grant Funds for further details.

The City was previously approved for a \$ 54,060 Community Development Block Grant (CDBG) through the Oklahoma Department of Commerce / Division of Community Affairs and Development, funded by the U.S. Department of Housing and Urban Development, to purchase a fire fighting vehicle. The grant called for matching funds of \$ 34,000 on the City's behalf. The funding period runs from August 1, 2011, through February 1, 2013. No funds were drawn under the grant during the current year. See the Schedule of Grant Funds for further details.

The City has been previously approved for a 2014 State and Local Assistance Sub-Grant, through the Oklahoma Department of Emergency Management, funded by the Department of Homeland Security – Federal Emergency Management Agency, to provide financial and technical assistance to improve emergency management capabilities. The grant provides up to half the funding for necessary and essential state and local emergency preparedness personnel and expenses, not to exceed \$ 28,995. The

CITY OF PERKINS
Perkins, Oklahoma

4.C. COMMITMENTS AND CONTINGENCIES (continued)

funding period runs concurrently with the federal fiscal year. During the current year, a total of \$ 5,000 was received, and expended, under this grant. See the Schedule of Grant Funds for further details.

The City was previously approved for a 2013 State and Local Assistance Sub-Grant, through the Oklahoma Department of Emergency Management, funded by the Department of Homeland Security – Federal Emergency Management Agency, to provide financial and technical assistance to improve emergency management capabilities. The grant provides up to half the funding for necessary and essential state and local emergency preparedness personnel and expenses, not to exceed \$ 28,017.00. The funding period runs concurrently with the federal fiscal year. During the previous year, a total of \$ 5,000 was received, and expended, under this grant. During the current year, another \$ 7,500 was received, and expended. See the Schedule of Grant Funds for further details.

The was approved for a \$ 18,264 grant from the Department of Homeland Security, funded through the Federal Emergency Management Agency, to purchase equipment under the Assistance to Firefighters Program. The grant called for matching funds on the City's behalf of \$ 961. The funding period ran from April 25, 2013, through April 24, 2014. During the current year, the entire amount of the grant was drawn, and expended, and the city provided \$ 1,169.78 in matching funds. See the Schedule of Grant Funds for further details.

The City was approved for a \$ 8,333 Oklahoma Highway Safety Office grant, funded through the National Highway Traffic Safety Administration, to purchase police department equipment. During the current year, the entire amount of the grant was drawn and expended. See the Schedule of Grant Funds for further details.

CONTINGENCIES

Grant Program Involvement

In the normal course of operations, the City participates in various federal or state grant/loan programs from year to year. The grant/loan programs are often subject to additional audits by agents of the granting or loaning agency, the purpose of which is to ensure compliance with the specific conditions of the grant or loan. Any liability of reimbursement that may arise as a result of these audits cannot be reasonably determined at this time, although it is believed the amount, if any, would not be material.

Litigation

The City is a party to various legal proceedings that normally occur in the course of governmental operations. The financial statements do not include any accruals or provisions for loss contingencies that may result from these proceedings (except for the settlement discussed in Note 4.C.) State statutes provide for the levy of an ad valorem tax over a 3-year period by a City "Sinking Fund" for the payment of any court assessed judgment rendered against the City (as discussed in Note 4.C.) While the outcome of the above noted proceedings cannot be predicted (except for the judgment discussed in Note 4.C.), due to the insurance coverage maintained by the City and the State statute relating to judgments, the City feels that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the City.

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

4.C. COMMITMENTS AND CONTINGENCIES (continued)

New Accounting Pronouncements

During the year ended June 30, 2014, the City adopted GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities* (GASB 65), which amends or supersedes the accounting and financial reporting guidance for certain items previously required to be reported as assets or liabilities.

The objective is to either properly classify certain items that were previously reported as assets and liabilities as deferred outflows of resources or deferred inflows of resources, or recognize certain items that were previously reported as assets and liabilities as outflows of resources (expenses) or inflows of resources (revenues).

The following is a summary of the impact of the adoption of GASB 65 on the financial statements of the Perkins Public Works Authority as of and for the year ended June 30, 2013, as previously reported.

	As previously Reported	Adjustments	As Restated
Deferred financing costs, net	200,252.51	<200,252.51>	-
Total	200,252.51	<200,252.51>	-
=====			
Net position – beginning of year	3,529,657.96	<200,252.51>	3,329,405.45
Change in net position	201,944.13	-	201,944.13
Net position – end of year	3,731,602.09	<200,252.51>	3,531,349.58
=====			

GASB issued Statement No. 67, *Financial Reporting for Pension Plans* and Statement No. 68, *Accounting and Financial Reporting for Pensions* in June 2012 that are effective for financial statements for periods beginning after June 15, 2013 and June 15, 2014, respectively. GASB Statement No. 67 became effective during the current year, and the City determined that there were no significant changes to the financial statements as a result of implementation. The City is in the process of evaluating the impact, if any that will result from adopting GASB Statement No. 68.

Prior Period Adjustments

Beginning balances of net position/fund balance were restated as detailed in the following schedule, due to the capitalization of items not previously recorded:

	General Fund	Government Wide Governmental Activities	Perkins Public Works Authority Business-Type Activities
Beginning fund balance/net position, as previously reported	\$ 2,067,112.60	\$ 4,188,467.84	\$ 3,531,349.58
Understatement of assets	128,221.00	128,221.00	2,797.00
Beginning fund balance/net position, restated	\$ 2,195,333.60	\$ 4,316,688.84	\$ 3,534,146.58
=====			

CITY OF PERKINS
Perkins, Oklahoma

NOTES TO THE FINANCIAL STATEMENTS
For the year ended June 30, 2014

4.D. SUBSEQUENT EVENTS

Subsequent events have been evaluated through November 18, 2014, which is the date the financial statements were available to be issued.

OTHER SUPPLEMENTARY INFORMATION

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the City Commission
Perkins, Oklahoma

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Perkins, Oklahoma, as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the City of Perkins, Oklahoma's, basic financial statements and have issued my report thereon dated November 18, 2014. The financial statements of the Perkins Industrial Development Authority were not included in the City of Perkins' financial statements and, accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with the Perkins Industrial Development Authority. My report included an explanatory paragraph that stated management had not presented the management's discussion and analysis, and the budgetary comparison information, to supplement the financial statements, and my report on the business-type activities was qualified due to the omission of a component unit.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the City of Perkins, Oklahoma's, internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Perkins, Oklahoma's, internal control. Accordingly, I do not express an opinion on the effectiveness of the City of Perkins, Oklahoma's, internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Perkins, Oklahoma's, financial

statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink, appearing to read "Bruce G. Luttrell". The signature is written in a cursive, flowing style.

Bruce G. Luttrell, CPA, PC
