## Independent Auditor's Report

Board of Directors  
Rural Water District No. 14  
Pittsburg County, Oklahoma

We have audited the accompanying financial statements of the business-type activities of the Rural Water District No. 14 (the District), Pittsburg County, Oklahoma, as of and for the year ended December 31, 2011, which collectively comprise the District's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the District as of December 31, 2011, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Management has elected to omit the Management Discussion and Analysis, which is considered required supplementary information that is normally subjected to auditing procedures. Due to this omission, the usefulness and accessibility of the financial statements are limited to the District's management. The omission of this information does not affect the opinion expressed on the financial statements as a whole.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 14, 2014, on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The combining and individual fund financial statements have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole on the basis of accounting described in Note 1.

**Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Standards Performed in Accordance with *Government Auditing Standards***

Board of Directors  
Rural Water District No. 14  
Pittsburg County, Oklahoma

We have audited the combined financial statements of Rural Water District No. 14 (the District), Pittsburg County, Oklahoma, as of and for the year ended December 31, 2011, which, except for the omission of the Management Discussion and Analysis, collectively comprise the District's basic financial statements and have issued our report thereon dated April 14, 2014. We conducted our audit in accordance with auditing standards generally accepted in the United States, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the District's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepting accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

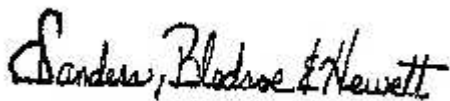

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in a more than a remote likelihood that a material misstatement of the financial statements will not be presented or detected by the entity's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management and is not intended to be, and should not be, used by anyone other than these specified parties.

**PITTSBURG COUNTY RURAL WATER DISTRICT NO. 14**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR YEAR ENDED DECEMBER 31, 2011**

**Note 1 – Significant Accounting Policies**

Reporting Entity

The District is recognized as a public, not-for-profit rural water district under Oklahoma Statutes, Title 82. The District is an independent, self-contained reporting entity with no associated component units. It is operated in a manner similar to a private business enterprise where the cost of providing water services is financed through user charges.

Basis of Accounting

The accrual basis of accounting is followed for all accounts. Revenues are recorded when earned and expenses are recognized when incurred. This policy is in accordance with generally accepted accounting principles.

Cash

The District's accounts at December 31, 2011, and are comprised as follows:

First National Bank, McAlester, OK	
Operation & Maint. Account	\$ 32,706
Reserve Account	51,478
Savings Account	33,688
Less: Outstanding Checks	<u>(25,137)</u>
Total Cash (plus \$100 cash on hand)	<u>\$ 92,835</u>

The District's cash deposits at December 31, 2011, are categorized to give an indication of the level of risk assumed by the district at year-end. Since the total amount of funds is less than the \$250,000 FDIC coverage amount, no additional collateral was required to be pledged.

Investments

The District had no outstanding investments at December 31, 2011.

**NOTES TO FINANCIAL STATEMENTS**  
**FOR YEAR ENDED DECEMBER 31, 2011**

**Note 1 – Significant Accounting Policies – cont'd**

Restricted Assets

In accordance with prior year loan agreements, the District is required to maintain a reserve account with a balance of no less than \$49,056, which is one year of total debt obligations. The total amount of the restricted assets represents all cash and investments held at First National Bank, McAlester, OK, for the purpose of making future principal and interest payments. The balance at the end of December 31, 2011 was \$51,478.

Accounts Receivable

Billings for accounts receivable at December 31, 2011, were \$24,518. No computation was made for allowance for doubtful accounts, which is not considered to be material to the financial statements.

Prior Year Information

Prior year information is shown on the financial statements for comparative purposes only. No assurance is given on prior year amounts.

Federal Income Tax

The District is exempt from federal and state income taxes.

**Note 2 – Property and Equipment**

Property and equipment is recorded at cost when purchased. Depreciation is recorded using the straight-line method over the estimated useful life of the asset. Water line systems, extensions and improvements are depreciated using a 50-year life. Water system improvements constructed by the District include capitalizing the direct costs of materials and labor. If an asset is permanently impaired in value, the asset cost is written down to market value. The District capitalizes assets with a useful life in excess of one year and a cost over \$250. Line extension costs reimbursed by the customer are not capitalized and, accordingly, not depreciated.
