#### INDEPENDENT AUDITOR'S REPORT

#### **Board of Directors**

Cherokee County Rural Water District No. 12

#### Report on the Financial Statements

I have audited the accompanying financial statements activities of Cherokee County Rural Water District No. 12 (the District), as of and for the year ended December 31, 2016, as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### **Opinion**

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of business-type activities of Cherokee County Rural Water District No. 12. as of December 31, 2016 and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, I have also issued my report dated March 29, 2016, on my consideration of County Rural Water District No. 12's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Cherokee County Rural Water District No. 12's internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2016

#### I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cherokee County Rural Water District No. 12 was incorporated under the Rural Water District Act of Oklahoma, for the purpose of acquiring water rights, and to build and acquire pipelines and other facilities and to operate the same for the purpose for furnishing water to serve the need of owners and occupants of land located within the district. The District is exempt from federal and state income tax.

The membership consists of approximately 65 users. The board of Directors consists of 7 members serving 3- year terms with 1 operator. Vacant Seats are elected at the end of October to start in January of following year.

The more significant of the government's accounting policies are describe below.

#### A. Reporting Entity

The District complies with GASB Statement No 14, "The Financial Reporting Entity." This statement establishes standards for defining and reporting on the financial reporting entity. It defines component units as legally separate organizations for which the elected officials of the primary government are financially accountable and together organizations for which the nature and significance of their relationship with primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

The District considered all potential component units in determining what organizations should be included in the financial statements. Based on these criteria, there are no component units to include in the District's financial statements.

## B. Measurement Focus and Basis of Accounting and Basis of Presentation-Fund Accounting

The District's fund is enterprise fund. Enterprise funds are proprietary funds used to account for business-like activities provided to the general public. These activities are finance primarily by user charges and the measurements of financial activity focuses on net income measurement similar to the private sector.

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

# B. Measurement Focus and Basis of Accounting and Basis of Presentation-Fund Accounting (Continued)

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with Generally Accepted Accounting Principles (GAAP) promulgated in the United States of America. The accounting and financial reporting treatment is accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and liabilities associated with the operation are included on the statement of net assets. The statement of activities presents increases (e.g. revenues) and decreases (e.g. expenses) in net total assets. Depreciation expense is provide for capital assets based upon estimated useful lives.

Financial activity is accounted for on the flow of economic resources measurement focus using the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. In compliance with the Governmental Accounting Standards Board (GASB) Statement No. 34 "Basic Financial Statement- and Management's Discussion and Analysis-for State and Local Governments which requires the classification of net assets into three components- invested in capital assets, net of related debt, restricted; and unrestricted.

#### C. Assets, Liabilities, and Net Assets

#### 1. Deposits and investments

Oklahoma statutes authorize the District to invest in certificates of deposit, repurchase agreements, passbooks, banker's acceptances, and other available bank investments provided that all deposits are fully covered by approved securities pledged to secure those funds. In addition, the District can invest in direct debt securities of the United States unless such investment is expressly prohibited by law.

All the bank deposits are held at financial institutions and are carried at cost. For purposes of statement of cash flows, the District considers cash and highly liquid investment with an initial maturity of three months or less to be cash equivalents.

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### C. Assets, Liabilities, and Net Assets (Continued)

Custodial Credit Risk

At December, 31, 2016 the District held deposits of approximately \$81,043 at financial institutions. The District's cash deposits, including interest-bearing certificates of deposit, are entirely covered by Federal Depository Insurance (FDIC) or direct obligation of the U.S. Government insured or collateralized with securities held by the district of by its agent in the District's name.

#### Investment Interest Rate

The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

#### Investment Credit Risk

The District has no Policy that limits its investment Choices other than the limitation of state law as follows:

- a. Direct obligations of U.S. Government, its agencies and instrumentalities to which the full faith and credit of the U.S. Government is Pledged, or obligations to the payment of which the full faith and credit of the State is pledged.
- b. Certificates of deposits or saving accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.

# REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF COMBINED FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Cherokee County Rural Water District No. 12.

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The financial statements of the business-type activities Cherokee County Rural Water District No. 12, as of and for the year ended December 31, 2016 and have issued our report thereon dated March 29, 2017.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Cherokee County Rural Water District No. 12 internal control over financial reporting as a basis for designing my audit procedures for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Cherokee County Rural Water District No. 12 internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of the District's internal control over financial reporting.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Cherokee County Rural Water District No. 12 financial statements are free of misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However,

#### **Report on Compliance (continued)**

providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **District's Response to Findings**

The Cherokee County Rural Water District No. 12 response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The Cherokee County Rural Water District No. 12 response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

#### Purpose of this Report

This report is intended solely for the information and use of the Board of Directors, management, and all applicable federal and state agencies, and is not intended to be and should not be used by anyone other than these specified parties.

# SCHEDULE OF FINDINGS AND QUESTIONED COSTS FOR THE YEAR ENDED DECEMBER 31, 2016

<u>Criteria:</u> The District's management is responsible for internal controls over financial reporting. This include controls over the fair and complete presentation of the District's annual financial statements in accordance with GAAP. The preparation of financial statement in accordance with GAAP requires internal controls over both (1) recording, processing and summarizing accounting data (i.e., maintaining books and records), and (2) reporting government-wide and fund financial statements, including the related footnotes (i.e., external financial reporting). Professional audit standards clearly indicate that the external financial statement auditor cannot take the responsibility for any part of managements control activities or be a component of the internal controls over financial reporting.

<u>Responsible Official's Response:</u> The District concurs with the recommendation and will strive to expand their knowledge and understanding of the presentation and disclosure of the financial statements.
