# **INDEPENDENT AUDITOR'S REPORT**

Board of Directors Seminole County Rural Water and Solid Waste Management District No. 1 Wewoka, Oklahoma

We have audited the accompanying financial statements of the business-type activities of the Seminole County Rural Water and Solid Waste Management District No. 1 (the District), Wewoka, Oklahoma, as of and for the year ended October 31, 2014, which collectively comprise the District's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinions.

## Opinions

As discussed in Note A, the District prepares its financial statements on the basis of cash receipts and disbursements method, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the District as of June 30, 2014, and the respective changes in financial position and cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

## **Other Matters**

The District has not presented the Management's Discussion and Analysis that governmental accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board (GASB), who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 24, 2015 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting or on compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

### INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Seminole County Rural Water and Solid Waste Management District No. 1 Wewoka, Oklahoma

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the accompanying financial statements of the Seminole County Rural Water and Solid Waste Management District No. 1 (the District), Wewoka, Oklahoma, as of and for the year ended October 31, 2014, and the related notes to the financial statements, which collectively comprise the District's basic financial statements and have issued our report thereon dated March 24, 2015.

### Internal Control Over Financial Reporting

Management of the District is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting in order to determine our auditing procedures that are appropriate for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over financial reporting reporting.

Our consideration of the internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified no deficiencies in the internal controls that we considered to be material weaknesses.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned

functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the District's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

### Compliance

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# Seminole County Rural Water and Solid Waste Management District No. 1 Wewoka, Oklahoma Notes to Financial Statements For the Years Ended October 31, 2014

## Note A – Significant Accounting Policies

## **Basis of Accounting**

The cash basis of accounting is followed for all accounts. Revenues are recorded when received and expenditures are recognized when paid. This basis of accounting is not in accordance with generally accepted accounting principles.

### Cash

The District's accounts are with First United Bank and Security State Bank, Wewoka, Oklahoma, and at October 31, 2014, are detailed as follows:

Maintenance and operation account (checking) Reserve account	\$ 65,288 4,697
Total	\$ 69,985

### Investments

All investments are stated at cost, which approximates market value unless otherwise indicated. The District had no outstanding investments at October 31, 2014.

## **Restricted** Assets

In accordance with the loan agreement with Rural Development, the District is required to maintain a reserve fund in an amount equal to one year's loan payments. Accordingly, the District was required to have \$4,668 in the reserve account at October 31, 2014. The balance in the reserve account was \$4,697 at October 31, 2014.

# Seminole County Rural Water and Solid Waste Management District No. 1 Wewoka, Oklahoma Notes to Financial Statements For the Years Ended October 31, 2014

# Note A - Significant Accounting Policies - cont'd

### Fixed Assets

Fixed assets are valued at cost, depreciation is computed by use of the straight-line method. The estimated useful lives for fixed assets are detailed as follows:

Water System	40 years
Sewer System	40 years
Office and Other Equipment	10 years

## Federal Income Tax

The District is exempt from all federal and state income taxes.

## **Collateral Pledged**

It appears that all funds were adequately insured by the \$250,000 of FDIC coverage as of October 31, 2014.

## Note B – Long-term Debt

At October 31, 2014, long-term debt is summarized as follows:

Note 92-01, 5.00% mortgage payable to Rural Development, \$389 per month, October 27, 1999, maturing in 2032	\$ 54,542
Promissory note, 0% mortgage payable to Dept. of Commerce, \$365 per month, November 1, 2004, maturing in 2024	 43,750
Totals	\$ 98,292

# Seminole County Rural Water and Solid Waste Management District No. 1 Wewoka, Oklahoma Notes to Financial Statements For the Year Ended October 31, 2014

## Note B - Long-term Debt - cont'd

The estimated maturities for this debt are as follows:

	Rural <u>Development</u>	Department of Corrections
2014 – 15	\$ 1,986	4,375
2015 – 16	2,088	4,375
2016 – 17	2,194	4,375
2017 – 18	2,307	4,375
2018 – 23	13,429	21,875
2023 - 28	17,235	4,375
Thereafter	<u>15,303</u>	0
Total	\$ <u>54,542</u>	<u>43,750</u>

## Note E – Insurance and Surety Bond Coverage

The District appears to have had adequate insurance to cover all major perils at October 31, 2014.

## Note F – Subsequent Events

Management has evaluated subsequent events through March 24, 2015, which is the date the financial statements were available to be issued and have determined that no additional information needs to be added to the financial statements.
